FEATURED STORY

MULA SA KABIGUAN TUNGO SA TAGUMPAY: STACEY GABALES, GANAP NANG REGISTERED MIDWIFE

Mula sa pangamba at pagdududa tungo sa katuparan ng isang pinapangarap na tagumpay—ito ang naging makabuluhang paglalakbay ng 26 anyos na si Stacey Beverly Dale Gabales ng Brgy. Poblacion, Rosario Cavite, matapos niyang matagumpay na maipasa ang Midwifery Licensure Examination at makamit ang titulong Registered Midwife (RM).

MULA SA KABIGUAN TUNGO SA TAGUMPAY:
STACEY GABALES,
GANAP NANG REGISTERED MIDWIFE

Nagtapos sa Cavite State University (CvSU) Main Campus, hindi naging madali para kay Gabales ang pag-abot sa kaniyang minimithing lisensiya.

Matapos mabigo sa unang pagsubok, hindi niya naiwasang panghinaan ng loob at mag-isip na maaaring hindi na naman siya palarin sa ikalawang pagkakataon.

Inamin niya na naging negatibo ang kaniyang pananaw matapos maranasan ang unang kabiguan.

Gayunman, sa kabila ng takot at pag-aalinlangan, pinili niyang magpatuloy, kumapit sa pananampalataya at ipaubaya sa Diyos ang resulta ng kaniyang pagsusulit.

Sa wakas, napalitan ng labis na kagalakan ang lahat ng kaniyang pangamba nang malaman niyang isa na siyang ganap na Registered Midwife.

Bilang pasasalamat, ibinahagi ni Gabales ang isang talata mula sa Bibliya, ang Proverbs 3:5-6, na nagsisilbing paalala na magtiwala sa Panginoon nang buong puso at huwag lamang umasa sa sariling pang-unawa.

Nagpaabot din siya ng taos-pusong pasasalamat sa lahat ng mga taong nag-alay ng panalangin, nagbigay ng tiwala at nagpalakas ng kaniyang loob sa buong proseso.

Para kay Gabales, higit pa sa pagpasa sa isang pagsusulit ang tagumpay na ito.

Isa itong patunay na ang kabiguan ay hindi katapusan ng pangarap at ang paghihintay ay may kaakibat na biyayang dumarating sa tamang panahon.

Sa ikalawang pagkakataon, nanaig ang pananampalataya, tiyaga at determinasyon.

Mula sa pagiging nangangarap, ngayon ay maaari na niyang buong pagmamalaking sabihin: “RM na 'ko!”

Isang makabuluhang tagumpay na nagpapatunay na hindi nasusukat sa unang pagkabigo ang kakayahan ng isang tao na maabot ang kaniyang pangarap.

Congratulations, Stacey Beverly Dale Gabales!

Nawa'y maging makabuluhan ang iyong bagong yugto ng paglilingkod sa kapwa bilang isang Registered Midwife!

PAGMAMAHAL AT PAGKAKAISA NG MGA TAGA-ROSARIO, NAMAYANI SA VIGIL RALLY SA LIWASANG-BAYAN

ROSARIO, CAVITE — Sa diwa ng pagmamahal sa bayan, pagkakaisa at sama-samang paninindigan, pormal nang sinimulan ang vigil rally sa Rosario Town Plaza na nilahukan ng mga mamamayang nagtipon-tipon upang ipahayag ang kanilang suporta kay Mayor Jose Voltaire V. Ricafrente.

Suot ang puting mga t-shirt, sama-samang dumalo ang mga residente upang ipakita na sa kabila ng mga batikos, usapin at pagsubok na kinakaharap ng kanilang punong-bayan, nananatili silang may kalayaang magpahayag ng kanilang saloobin, paniniwala at suporta.

Higit pa sa isang simpleng pagtitipon, naging larawan ang vigil rally ng pagkakaisa ng mga taga-Rosario na naglalayong ipabatid ang kahalagahan ng pakikilahok ng mamamayan sa pagmamahal sa ama ng bayan.

Sa bawat presensiya, bawat panalangin at bawat tinig na maririnig sa plasa, nangingibabaw ang mensahe ng pagmamahal sa sariling bayan at hangaring mapanatili ang kapayapaan at mga hamon na kinakaharap ng komunidad.

Ipinakikita rin ng pagtitipon na ang pagmamahal sa bayan ay hindi lamang nasusukat sa mga salitang binibitawan, kundi maging sa kusang paglahok, pagpapahayag ng saloobin at paninindigan para sa kinabukasan ng pamayanang kinabibilangan.

Sa gitna ng lahat ng nagaganap, nananatiling mahalaga ang pagkakaisa at mapayapang pagpapahayag ng damdamin.

Sapagkat ang Rosario ay binubuo ng mga taong may iisang tahanan, iisang kasaysayan at pangarap na makita ang kanilang bayan na mapayapa, masaya at patuloy na umuunlad.

Sa huli, ang pinakamahalagang mensahe ng pagtitipon ay

ang pagmamahal ng mga mamamayan sa lider ng bayan.

Isang pagmamahal na ipinahahayag sa pamamagitan ng pagkakaisa, pakikilahok at paninindigan para sa kinabukasan ng bayan. ***(Sid Samaniego)***

HEPE NG BACOOR PNP, BANTAY SARADO NG SARILI NIYANG COP (Cat of Police)

BACOOR CITY - Sa likod ng seryosong tungkulin, mahahabang pagpupulong at mabibigat na responsibilidad ng kapulisan, may dalawang munting opisyal na tila walang kinikilalang ranggo—at higit sa lahat, walang pakialam kung sino ang hepe sa loob ng opisina.

Sila sina Ichika at Potpot, ang dalawang pusang tila may sariling puwesto sa command structure ng Bacoor City Police Station na hindi basta-basta matitinag, kahit pa ang mismong hepe ang kanilang kaharap.

Sa isang nakatutuwang pagbabahagi ni PLTCOL Alexie Desamito, Chief of Police ng Bacoor City, ipinakita niya ang kakaibang samahan nila ng dalawang pusang tila naging regular na bahagi na ng kanilang pang-araw-araw na buhay sa himpilan.

Si Ichika, na binansagang pinaka-STRIKA na COP o Cat of Police, ay may tindig na para bang siya ang may hawak ng buong operasyon.

Samantalang si Potpot naman ay may tinging tila laging may ipinagagawa sa hepe na para bang ang tunay na amo ay hindi ang may ranggo kundi ang pusang nakaupo lamang sa tabi.

Sa gitna ng biruan, inamin ni Desamito na minsan ay hindi na niya malaman kung siya ba ang namumuno sa pagpupulong o siya ang sumasailalim sa performance evaluation ng dalawang pusang opisyal.

“Chief of Police ka nga, pero sa sarili mong opisina, alipin ka lang ng mga pusa!” pabirong pahayag ng hepe.

Ngunit higit sa nakaaaliw na tagpong ito, may mas malalim na kuwentong maaaring mapulot sa presensiya nina Ichika at Potpot.

Sa isang mundong puno ng ingay, tensiyon at mabibigat na responsibilidad, may mga pagkakataong ang simpleng paglalambing, presensiya at walang hinihinging kapalit na pagmamahal ng mga hayop ang nagiging pahinga ng isang taong araw-araw na humaharap sa hamon ng kaniyang tungkulin.

Hindi man nila alam ang kahulugan ng ranggo, batas o responsibilidad, tila may sarili silang paraan upang magpaalala na kahit ang pinakamahigpit at pinakabusy na opisyal ay nangangailangan din ng ngiti, lambing at sandaling pahinga.

At marahil, ito ang isa sa

pinakamagandang aral mula kina Ichika at Potpot: hindi kailangang maging tao, magkaroon ng titulo o magsuot ng uniporme upang makapagbigay ng saya at gaan sa buhay ng iba.

Sa Bacoor PNP, may mga pulis na nagbabantay sa kapayapaan ng komunidad, ngunit mayroon ding dalawang pusang tila nakatalaga naman sa pagpapanatili ng magandang samahan at positibong atmospera sa opisina.

Kaya sa susunod na may pagpupulong si Chief Desamito, huwag magtaka kung may dalawang nakaupong tagamasid sa kaniyang tabi.

Dahil sa opisina ng Bacoor PNP, maaaring si PLTCOL Desamito ang Chief of Police, pero pagdating kina Ichika at Potpot, malinaw kung sino ang tunay na Boss.

Minsan, ang pinakamalambot na paa ang may pinakamabigat na awtoridad at ang pinakamaliit na nilalang ang may pinakamalaking puwang sa ating puso. ***(Sid Samaniego)***

Heights Secondary School in Surrey, British Columbia cementing their place among the most formidable Pinoy-Canadian basketball squads in Metro Vancouver.

And during the Pinoy Hoops BC Season 2 Games, Final Eliminators Championship games, held at Queensboough Niddle Secondary School, New Westminster last Oct. 18, 2026, PrimelIne got the Unity Award Brotherhood and Respect 2006 given by Pinoy Hoops Association of British Columbia.

Wow!, that was another additional jewels for the team championship's journey.

Primeline made it despite earlier defeats, then surviving nail-biting finishes, and relying on teamwork that reflected the close-knit Filipino spirit.

Doc Roemer described the first championship challenge came during the Drive and Dish Season 3 Finals.

They faced younger and faster opponents, and the PrimeLine shooters are all in their 50s, and in this physical game that need stamina, speed and steady pulse, PrimeLine squad is not the favorite team to win the championship.

But because of their love for the game, and by the inspiring words of encouragement from team owner Roland Espena and the cheers from families and supporters, Primeline shooters sparked and in the final seconds of the buzzer,the crowd sounded a big thunderous claps and cheers – Primeline had secured a dramatic victory!

And the Mayor's Cup 2026, sasali uli sila sa championship games?

Kaya ba natin ... Manalo uli? asked Manager Espena.

And the answer, "Yes, Manager," said coach Doc Roemer Cablayan.

Magagawa uli nating manalo, said coach Wyeth Joson, and Captain Ball Reden Lumabi.

Naghanda na ang mga manlalaro: Ira Rodriguez, Jayrelaine Calindas, Larry Dorado, Edward Guerrero, Julia Koptepyo, Jeffrey Macaraeg,Cebter Mark Vien, Reynaldo dela Cruz, Roy Oreta, Allister, Jay-R, and Felmer Jan Adlaon.

Ira Rodriguez said the team entered the Mayor's Cup to prove that their first triumph was no fluke, hindi tsamba, talaga lang magagaling sila.

Boss Ronald Espena rallied his team: "Give me another big championship trophy."

Doc Roemer said, "Yes, Boss. Mga boss, let's do it. We are the champions. Kaya natin ito!"

The team responded like roaring tigers," Yes, Manager we will do it again!"

Game after game, the squad displayed disciplined defense, perfect shooting, great steals and rebounding, PrimeLine reached the finals: the championship!

The final contest was not an easy one.

Mga bata ang kalaban, mabibilis!

Mukhang sila ay mahihirapan.

But again the hearts of the champions won!

Primeline got the Mayor's Cup 2026 championship game.

It showcased the team's maturity and championship experience.

By winning both the Drive and Dish Season 3 Championship and the Mayor's Cup 2026, the team completed a rare championship double and etched its name into local Filipino-Canadian basketball history.

It's not only talents that won the games for Primeline squad: They won through their hearts!

Mabuhay, kayo Primeline shooters! ***(by: DOC RAY C. ILUSTRE)***

Estrella in Tacloban City, Leyte, in partnership with the Department of Science and Technology – Region VIII (DOST Region VIII) and Leyte Normal University (LNU) as official partners of the national gathering.

Anchored on the theme, "Truth Under Siege: Empowering Modern Newsrooms Through Science, Technology, Digital Innovation, and Advanced Fact-Checking," the three-day national gathering seeks to strengthen the capacity of community newspapers and modern newsrooms to confront the growing challenges of misinformation, technological disruption, press freedom, and the changing media landscape.

Marking a significant milestone in PAPI's continuing commitment to responsible journalism and press freedom, the congress will serve as a vital platform for meaningful discussions, knowledge-sharing, and collaboration among members of the Philippine press.

The event will underscore the importance of credible reporting, ethical journalism, journalists' safety, and the sustainability of community newspapers amid the rapid transformation of the media industry.

STRENGTHENING CREDIBLE AND RESPONSIBLE JOURNALISM

A major highlight of the congress will be a series of learning sessions addressing the most pressing concerns confronting today's newsrooms.

The session "Fact-Checking 101: Tools and Practices for Credible Reporting" will provide participants with practical knowledge of modern verification techniques, identifying misinformation, and establishing reliable fact-checking systems to ensure accuracy and credibility in news reporting.

Another key discussion, "State of the Philippine Media: Challenges, Security, and the Path Forward," will examine the current state of Philippine journalism, including press freedom, the safety and security of journalists, economic sustainability, and the media's evolving responsibility in maintaining public trust.

Meanwhile, "Social Media Management for Community Newsrooms" will focus on practical strategies for building audience trust, navigating digital platforms, and maximizing social media as an effective channel for disseminating verified information and strengthening community engagement.

These sessions are designed to equip media practitioners with relevant knowledge and tools to adapt to the demands of modern journalism without compromising the fundamental principles of truth, accuracy, fairness, and accountability.

SCIENCE, TECHNOLOGY, AND COMMUNITY DEVELOPMENT

Beyond the conference sessions, participants will also take part in field activities showcasing the development, innovation, and resilience of Eastern Visayas.

A scheduled tour of Tacloban City will provide delegates with an opportunity to appreciate the region's progress, culture, and remarkable journey of recovery and resilience.

The congress will also feature a project visit to Department of Science and Technology (DOST)-assisted initiatives, offering participants firsthand insights into how science, technology, and innovation contribute to community development.

As one of the official partners, DOST Region VIII will provide an important link between the media and the scientific community, highlighting how research, technological advancements, and innovation can help address community challenges and promote regional development.

The participation of Leyte Normal University (LNU) as an official partner further underscores the importance of academic collaboration, education, research, and knowledge-sharing in strengthening journalism and preparing media practitioners for the demands of an increasingly digital information environment.

Through these partnerships, PAPI aims to encourage stronger collaboration among the media, government institutions, and the academic community in promoting informed, progressive, and empowered communities.

A UNITED FRONT FOR TRUTH AND PRESS FREEDOM

As the Philippine media landscape continues to evolve, the 30th National Press Congress reaffirms the importance of a united and responsible press in protecting democracy and upholding the public's right to truthful and reliable information.

For community newspapers, the challenge is not merely to keep pace with technological advancements but to ensure that innovation serves journalism and that the pursuit of readership and digital influence never comes at the expense of credibility and integrity.

The congress will therefore emphasize that technology, when used responsibly, can become a powerful ally in protecting truth, strengthening newsrooms, and advancing the mission of community journalism.

"Truth is under siege — but technology is not our enemy. It is our most vital ally. Together, through innovation, verification, and unity — we stand guard. We move forward. We keep the truth alive."

The 30th National Press Congress is expected to reinforce PAPI's continuing mission of empowering publishers and journalists nationwide to remain steadfast guardians of truth, champions of press freedom, and responsible voices of their respective communities.

Congresswoman... (FROM PAGE 1)

The proposed legislation acknowledges the invaluable contributions of barangay health workers, particularly during the COVID-19 pandemic, when they stood alongside local government officials and healthcare professionals in safeguarding public health and ensuring the delivery of essential services to communities.

Beyond emergency situations, barangay health workers remain key partners in implementing health programs, conducting community-based healthcare initiatives, and assisting residents in accessing medical services at the local level.

Congresswoman Revilla emphasized the need to recognize these dedicated workers as indispensable members of the healthcare system, noting that their commitment and service have significantly contributed to the health and well-being of countless Filipinos.

The measure has also gained broad support in the House of Representatives, with more than 90 lawmakers filing similar proposals aimed at improving the welfare of barangay health workers nationwide.

To further refine the proposed legislation, the House Committee on Local Government has organized a Technical Working Group tasked with consolidating and reviewing the various measures to ensure a comprehensive and responsive Magna Carta for BHWs.

The initiative reflects Congresswoman Revilla's continued commitment to advancing policies that support healthcare workers and strengthen community-based health services, particularly for those who work tirelessly at the grassroots level.

Once enacted, the Magna Carta for Barangay Health Workers is expected to provide greater protection, security, and benefits to thousands of BHWs who serve as the backbone of primary healthcare delivery in communities throughout the country. ***(CTJ Team)***
