NPC, PAPI call on BBM to strengthen media task force

MANILA – The National Press Club of the Philippines has passed a special resolution calling on the incoming Marcos administration to continue supporting the operation of the Presidential Task Force on Media Security (PTFoMS).

"As one of the national media organizations actively engaged as media-partner and stakeholder of the task force since its creation by President Duterte in 2016, we have seen how effective the task force has been in fulfilling its mandate of giving protection to the life, liberty and safety of all media workers," NPC president Lydia Bueno said in a news release on Friday.

"We believe its continuation under the

Marcos administration would send the strong message to the world that it is just as committed, if not more, in upholding a free and responsible press that was started by the Duterte administration," she added.

Under Special Resolution No. 1, series of 2022, the NPC noted that since the creation of the PTFoMS in October 2016, media workers have relied on the task force as their direct line to the Office of the

President for prompt action on their concerns.

Bueno also noted that despite its limited resources as an ad-hoc body, the task force has made significant impact in the country's media landscape and it is now also the repository of the most authoritative and documented reports on all cases of media-related violence in the country.

In the May 9 elections, Bueno noted that through the joint effort of the task force, its

CAVITEX Toll Rate Adjustment to be Implemented on May 22

In cooperation with the Toll Regulatory Board (TRB), Cavitex Infrastructure (CIC) and its joint venture partner, Philippine Reclamation Authority (PRA) will implement the new toll rates for CAVITEX R-1 segment starting May 22, 2022.

The supposed implementation in Paranaque Toll Plaza last May 12 was deferred to provide more time for the registration of PUV drivers and operators to the toll reprieve program which allows them to continue

to enjoy the old toll rates of Php 25 for Class 1, Php 50 for Class 2 through a rebate program.

The toll reprieve program is system driven via the RFID, so all the PUVs operators and drivers have to, do is

enroll their account to the program in coordination with their different transport organizations. The program will run for 90 days starting on Day 1 of the implementation of the new toll rates.

CAVITEX Toll Rate Adjustment to be Implemented on May 22

Toll Regulatory Board expressed gratitude to CIC and its JV partner PRA for their cooperation and support to the mass transport groups. Target enrollees to the program are all drivers and

operators of the 1,420 public utility vehicles that ply through CAVITEX.

The new rates are inclusive of the 2011 and 2014 periodic toll petitions, and add-on toll petition for enhancement works done in the expressway, which includes bridge lane widening works. Thus,

starting May 22, motorists plying through CAVITEX R-1 segment (Cavitex Longos Bacoor to MIA Exit v.v.) will be charged the following VAT-Inclusive amounts: Php 33.00 for Class 1 vehicles, Php 67.00 for Class 2, and Php 100.00 for Class 3.

Early proclamations usher in peaceful transition of power

Barely 16 days after the conduct of national elections, the two chambers of Congress proclaimed Ferdinand R. Marcos, Jr. as President-elect and Sara Duterte-Carpio as Vice-President-elect. The members of the House of Representatives and the Senate, functioning as the national board of canvassers, completed the tabulation of votes seamlessly in record time. From the outset, the counsel for the opposition candidate manifested that no objections would be raised against the validity of the returns — and this expedited the early completion of the process on the second day of the canvassing.

The proclamation of the election of the two highest officials of the land facilitates the completion of the most vital watershed event in a democracy: the peaceful transfer of power from an administration that has completely served out its electoral mandate to a new government that has been duly elected by the people to succeed it.

The recently concluded elections marks the first time since 1986 that the new President-elect and Vice-President-elect were voted by more than a majority of the citizens who participated in the elections. As such, their mandate to serve is beyond doubt or question.

This scenario demonstrates the vitality of democracy in the Philippines.

The record shows that since the adoption of the Philippine Constitution of 1987, the office of the President has been transferred peacefully five times after the conduct of orderly and credible elections that have been automated since 2010.

World leaders including President Joseph Biden Jr. of the United States, President Xi Jinping of China, and President Vladimir Putin of Russia were among the

early well wishers of the new President-elect, along with the ambassadors of Israel, South Korea, Japan, and India.

The early proclamation also paves the way for achieving consensus in Congress on the priority legislative agenda that could fast-track the country's recovery from the crippling effects of the coronavirus pandemic, ahead of its opening on July 25 that will be highlighted by the new President's first State of the Nation Address (SONA).

The announcement of the first wave of key Cabinet appointments has also bolstered confidence that highly

competent senior officials with proven track records will be in command of the executive departments. Hopes are high that the principles of diversity and inclusion will be observed, in order to ensure that the composition of the highest councils of government will mirror the national profile. Considering that the President-elect won in 15 out of 17 regions, as well as among overseas Filipinos, the various constituent groups in the country are justified in expecting that, they too, will be given an opportunity to serve and shine.

4Ps women beneficiaries in Tingloy, Batangas undergo training on coconut-based products processing

Women beneficiaries of the Pantawid Pamilyang Pilipino Program (4Ps) in Sitio Masasa, Brgy. San Juan, Tingloy, Batangas underwent a training on coconut-based products processing aimed at helping them establish their own community enterprise, May 17-18.

The women beneficiaries were trained on processing of coconut jam, macapuno/buko pastillas, buko yema, macapuno/buko in a jar, buko yema, and buko juice. The processing technologies used and transferred to the beneficiaries were developed by the Institute of Food Science and Technology (IFST) of the University of the Philippines Los Baños (UPLB). Dr. Florencio C. Reginio, Jr. (Assistant Professor 7) and Mr. Prince Joseph V. Gaban (Science Research Specialist I), both from IFST-UPLB served as the resource speakers during the training. An awareness-seminar on Basic Food Hygiene and current Good Manufacturing Practices was also integrated in the training to ensure the implementation of food safety systems and safeguard that every product they produce conforms to standards. Participants had a hands-on activity on processing each product with strict compliance to food safety standards. The training upskilled the women beneficiaries and provided them with knowledge advantageous to their pursuit in establishing their community enterprise.

Considering the booming tourism industry in Sitio Masasa's beach popularized by public since 2017, the initiative to offer local delicacies and tourism products is an attempt to spur socio-economic opportunities in the community.

Being a geographically isolated and disadvantaged area, Tingloy has been identified as one of the sites for the implementation of the Community Empowerment through Science and Technology (CEST) program of DOST-CALABARZON. CEST program is a package of DOST interventions

focused on improving the lives of various rural communities in Health and Nutrition, Economic Development, Human Resource Development, Environmental Protection and Conservation, and Disaster Risk Reduction &

Management and Climate Change Adaptation, via S&T intervention. Through CEST intervention, rural communities are expected to be more progressive, more resilient, and growing.

One of the interventions eyed for Tingloy is the establishment of a community enterprise focused on processing of local delicacies and tourism products. (By: **John Maico M. Hernandez**)

Maraming problema ang haharapin ng magkatiket ng UniTeam na BBM at Inday Sara tulad ng kahirapan, krimen, pagkakahati ng politika, rebeldeng Muslim at komunista, malalaking utang at ang bagsak na ekonomya gawa ng mahigit dalawang taong pandemyang Covid-19.

"I'm humbled I thank our people and, beyond that, I promise you that we may not be perfect but we will always strive to perfection," sabi ni Marcos Jr., sa mga

reporter.

Hiniling ni BBM na ipanalangin siya at si Inday Sara na maging matagumpay sa pamamahala sa bansa.

"I ask you all pray for me, wish me well. I want to do well because when the president does well, the country does well," sabi ni Marcos Jr.

Ang 64-anyos na halal na pangulo ay dating gobernador, kongresista at senador.

Ayon sa Commission on Elections (Comelec), ang panalo ng magkatiket

na Marcos at Inday Sara ay nagtamo ng pinakamalaking mayorya ng mga boto sa kasaysayan ng eleksiyon sa Pilipinas.

Umbot sa mahigit sa 55 milyong rehistradong botante, ayon ng Comelec.

Mahigit sa 15-milyong boto ang nakuha ni Vice President Leni Robredo ang pinakamalapit na kalaban ni Marcos sa natapos na eleksiyon.

Mahigit na 19 milyong boto naman ang lamang ni Inday Sara sa nakakatunggali sa bise presidente na si Sen. Kiko Pangilinan.

Bukod sa Kawit, Cavite, nakatakda ring magsagawa ng "Alagang MPT South Medical Mission" ang toll road company sa mga komunidad ng Barangay 183, Pasay City sa May 28; at sa Barangay Tibig, Silang, Cavite sa Hunyo 4.

Ang "Alagang MPT South Medical Mission" ay bahagi ng corporate social responsibility efforts ng MPT South na idinisenyo para maglingkod sa mga komunidad sa paligid ng Manila-Cavite Expressway

Libre ring ipinamimigay sa aktibidad ang mga piling gamot at vitamins sa mga pasyente.

Bukod sa CAVITEX at CALAX, kabilang sa domestic portfolio ng MPTC ang mga concessions para sa North Luzon Expressway (NLEX), NLEX Connector Road, Subic-Clark-Tarlac Expressway (SCTEX), at ang Cebu-Cordova Link Expressway (CCLEX) sa Cebu.

Sa panayam, sinabi ni Atty. Remulla na wala sa isip niya na hihirangin siya na Justice Secretary sa papasok na administrasyon ni Marcos Jr.

"I did not apply for the post or have any idea I was being considered for the job," sabi ni Remulla.

Ayon sa kanya, isang karangalan ang mapili na

isa sa miyembro ng bagong gabinete..

"Yes, I accepted it. It's an honor to serve the country in that capacity," sabi ni Remulla.

Dahil iiwanan ang halal na posisyon sa Kongreso, sinabi ni Remulla na posibleng magdaos ng isang bagong eleksiyon o maglagay ng isang 'caretaker congressman' para sa ikapitong distrito.

Mas gugustuhin ni Rep. Remulla na magkaroon ng special election para mabigyan ng pagkakataon ang mga botante na makapili ng papalit sa kanya bilang kinatawan ng 7th Cavite

District.

CHIZ SAYS SPEEDY APPROVAL OF 2023 BUDGET KEY TO HELPING MSMES, AGRI SECTOR

Senator-elect and Sorsogon Gov. Chiz Escudero said he would like to see the speedy passage of the government's P5.2-trillion spending package for 2023 to pump prime the economy and provide the much-needed assistance to small businesses and the agriculture sector still hurting from the lingering effects of the COVID-19 pandemic.

"Matagal ko nang sinasabi na dahil sa matinding dagok ng pandemya, dapat all hands on deck tayo anuman ang kulay, anuman ang pulitika, anuman ang kinabibilangan na partido pulitikal. Higit at mas mahalaga sa ngayon ay ang agarang solusyon at tulong sa mga mamamayan," said Escudero.

President-elect Ferdinand Marcos Jr. has previously said that he would like to work closely with the 19th Congress to ensure the speedy passage of next year's budget to finance his administration's economic stimulus measures.

"I completely agree. Wala naman sigurong kokontra sa mabilis na pagtalakay at pagpasa ng appropriation measure dahil ito ang pinakamalaking tungkulin namin bilang mamababatas sa ilalim ng Saligang Batas," said Escudero, who headed the Senate Committee on Finance under the 16th Congress.

Once the incoming Congress begins discussion and debates on the proposed multi-trillion budget, Escudero said he would like to prioritize support for the agriculture sector, home to the poorest in the country, as well as micro, small and medium enterprises (MSMEs), which comprise 99% of the local

economy and employ more than 5 million Filipinos based on government figures.

"Kapag nasolusyunan natin ang problema ng MSMEs, parang nasolusyunan na rin natin ang halos 99 porsyento ng problema sa ekonomiya at kakulangan ng trabaho," the veteran legislator said.

For the agriculture industry, he would like to see the sector receiving the second highest allocation in the General Appropriations Act (GAA) so Filipino farmers can increase their productivity and survive the open market, as he lamented that while country remains an agricultural economy, very little is invested in the sector compared to the massive budget for infrastructure development.

"Lumalabas parang bansa tayo ng mga contractor dahil mas malaki yung pondo sa construction kaysa sa agrikultura. Pero sa dulo, agricultural country pa rin ang Pilipinas. Nakalagay sa Saligang Batas, pinakamataas dapat ang budget ng edukasyon, pero dapat ang pumapangalawa dun ay agrikultura na dahil iyan ang pinagkakakitaan ng pinakamahirap nating mga kababayan," he pointed out.

The 2022 GAA allotted P788.5 billion for education, P786.6 billion to the Department of Public Works

and Highways, and P268.4 billion for health—representing the three biggest allocations in the national budget this year. Agriculture, including irrigation, had the seventh biggest allocation, with P102.5 billion.

In order to raise funds for the cash-strapped and debt-saddled Philippine economy, Escudero is also urging the government to sell its unnecessary assets, step up collection of taxes and fees, curb corruption, and allocate properly and judiciously the scarce resources.

"The election spending spurred the economy and we expect our GDP (gross domestic product) to increase this year. However, we must also do whatever we can to safeguard the little resources we have in order to stir the economy and create more stable jobs domestically," Escudero said.

Establishments, and Homes from 28 May 1994 to 12 June 1994 and Every Year Thereafter, and For Other Purposes," ang Kagawaran ng Edukasyon, sa pagkikipagtulungan ng mga pribadong sektor, non-government organizations at socio-civic groups, ay hinihimok na itanghal ang watawat ng Pilipinas sa mga pampublikong lugar pati na sa lahat ng mga pribadong gusali at tahanan.

Ayon kay Rene R. Escalante, Chairman ng NHCP, ang paglalagay ng pambansang watawat sa ating mga tahanan, paaralan, tanggapan at iba pang gusali, mula Mayo 28 hanggang Hunyo 12, ang Araw ng Kalayaan, ay hindi lamang para maganda ang dekorasyon at hindi rin umano dahil gusto lamang nating tumalima sa batas.

"Bagkus, isa itong pakiusap na sa gitna ng ating pagkakaiba sa estado ng buhay, pananampalataya, kasarian at pananaw sa lipunan at pulitika, tayo ay

mga Pilipino at iisang bansa ang isinasagisag ng ating pambansang watawat," ani Escalante.

HUWAG KALIMUTAN

Sa kabilang banda, sinabi naman ni Imus City Mayor Emmanuel L. Maliksi na huwag sanang makalimutan ang kahalagahan ng Labanan sa Alapan na naganap sa bayan ng Imus noong Mayo 28, 1898 na siyang basehan kaya mayroong tinatawag ngayon na National Flag Day.

Aniya, "Lagi po nating ipagmalaki na dito sa Imus unang iwinagayway ang ating watawat. Atin pong ipagmalaki na Imus talaga ang Flag Capital ng Pilipinas."

Ayon naman kay Dr. Francis Bringas, regional director ng DepEd CALABARZON, na sana ay muling maisip at mapagtanto ng lahat na napakahalaga na bigyang galang ang watawat "dahil ito ay simbolo ng ating national identity at simbolo ng ating pagiging Pilipino." Dagdag pa ni Dr. Rosemarie D. Torres, schools division

superintendent ng DepEd Imus City, "narito tayong muli upang bigyang pugay at alalahanin ang ating kasaysayan, na dahil dito'y mag-alab muli ang ating pagmamahal at sumigla ang kamalayan sa pagpapayaman at paghubog sa kaalaman at pagkatao ng ating mga mag-aaral."

Kabilang sa mga naitatagapangayam sa birtwal na simposium sina Undersecretary for External Partnerships Tonisito MC. Umali, Esq., "Mga Batas at Alituntunin at Iba Pang Karagdagang Kaalaman ukol sa Watawat ng Pilipinas"; Historian at Professor Xiao Chua ng De La Salle University-Taft, "Ang Tumahi ng Watawat at ang Kanilang Pamana sa Bayan"; at Juan Paolo Calamlam, pinuno ng NHCP-Heraldry Division, "Ebolusyon ng Pambansang Watawat".

Ang opisyal na pagdiriwang ng Pambansang Araw ng Watawat ay isinasagawa tuwing Mayo 28 alinsunod sa Proklamasyon 374 ni dating Pangulong Diosdado P. Macapagal noong 1965.

BE SEEN BE HEARD WITH THE BODY SHOP AND THE UN

The Body Shop and the United Nations Secretary-General's Envoy on Youth launch global collaboration calling for more young voices in the halls of power their joint the Be Seen Be Heard campaign.

That's because millions of young people are missing from public life. With the climate crisis, global conflict and generational inequalities running rampant, the inputs, perspectives and representation of youth are needed more than ever.

Almost half the world's population is under 30. Yet, they make up only 2.6% of parliamentarians around the world. The average age of a world leader is currently 62. Of all the parliaments in the world, 37% do not have a single Member of Parliament (MP) under age 30 and less than 1% of these young MPs are women.

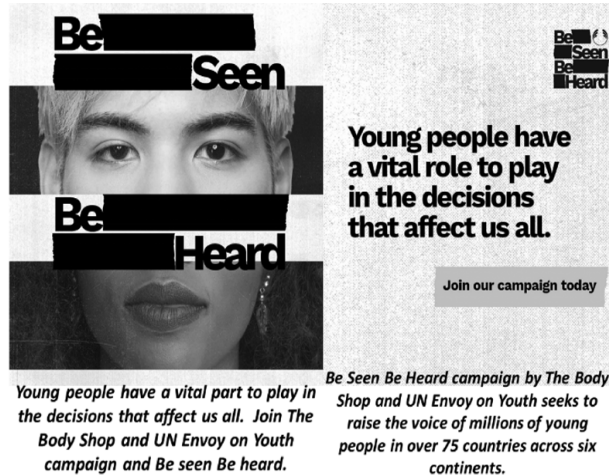

Young people have the right to be included in political decisions that affect them, however, numerous barriers prevent their participation. The Body Shop and the Office of the United Nations Secretary-General's Envoy on Youth are collaborating to change this through the global Be Seen Be Heard campaign to amplify youth voices in public life.

The campaign seeks to create long-term structural changes to decision-making to be more inclusive of young people. It was launched last May 11 with the release of a joint report, 'Be Seen Be Heard: Understanding young people's political participation'. The report which includes findings from the largest-ever survey carried out by The Body Shop in December 2021, covering 26 countries with 27,043 respondents in total, over half of which were under age 30.

The research found that 82% of people surveyed agree that political systems need drastic reform to be fit for the future. Across the board, 84% of people described politicians as 'self-interested' and 75% of people surveyed think politicians are corrupt.

The majority, two in three people, also agree that the age balance in politics is wrong, with 8 in 10 people of all ages believing the ideal voting age (the age when someone can first vote) is 16 to 18, despite that in most countries around the world the voting age is 18 or over. A third of those under age 30 surveyed would consider running for office versus only a fifth of those over age 30. People across all age groups agree that more opportunities for younger people to have a say in policy development and/or change would make political systems better.

David Boynton, CEO of The Body Shop says, "Our position is clear. The world's

Young people have a vital part to play in the decisions that affect us all. Join The Body Shop and UN Envoy on Youth campaign and Be seen Be heard.

Be Seen Be Heard campaign by The Body Shop and UN Envoy on Youth seeks to raise the voice of millions of young people in over 75 countries across six continents.

by the same people making the same choices. Our research indicates the majority of young people are positive about the future, and we need to hear their views and ideas inside the halls of power. Be Seen Be Heard is rooted in creating a fairer world with and for young people, and together with the Office of the United Nations Secretary-General's Envoy on Youth – we are on a mission to do exactly that."

J a y a t h m a Wickramanayake, the United Nations Secretary-General's Envoy on Youth says, "The intergenerational gap in power, influence and trust constitutes one of the biggest challenges of our time. As young people have made abundantly clear through their activism on the streets, in civil society and on social media, they care deeply about the transformational change needed to create more equal, just and sustainable societies. Participation is a right, and this campaign is an opportunity to change that."

The Body Shop and the United Nations Secretary-General's Envoy on Youth push for transformational change. Among other actions, young people's participation in public decision-making could be improved long-term by lowering voting ages, increasing formal youth representation through youth councils, parliaments, or committees, removing barriers for young people to participate in public decision-making, simplifying registration for first-time voters, and improving young people's leadership skills.

Campaigning in 2,600 stores, in over 75 countries, across six continents. The collaboration between The Body Shop and the Office of the United Nations Secretary-General's Envoy on Youth will mean that young people and other stakeholders will be able to engage with the campaign through many routes. Local campaign activations will include partnerships with specific youth-led or youth-

organisations (NGOs) and/or opportunities to support through petitions and other activations.

The campaign launched globally in May 2022 and will run until mid-2025. Check out the campaign website for further information www.beseenbeheardcampaign.com

About The Body Shop

As a B Corp business, The Body Shop is committed to ambitious social and environmental targets. Earlier this year, it established a Youth Collective to help amplify youth voices within its own business. The Body Shop Youth Collective is formed of 10-12 people from inside and outside the business, all aged under 30. They will advise The Body Shop Executive Leadership Team with the views and voices of young people.

The Body Shop invests heavily in activism and has a dedicated activism team, focused on research and tactics, operating around the world. About the Office of the United Nations Secretary-General's Envoy on Youth

media partners and other government agencies, not a single media-related violence was recorded by the Philippine National Police.

"The lack of media-related violence in the May 9 national and local elections is not only a testament to the success of the task force but it is also a first in the history of our elections and something that we should all be proud of,"

Bueno added.

The NPC urged President-elect Ferdinand Marcos Jr. to consider strengthening the task force further by issuing an executive order converting it into a Presidential commission for media security that will "broaden its power in effectively addressing all concerns related to the country's media sector".

The NPC endorsed PTFoMS Executive

Director, Undersecretary Joel Sy Egco, as chair of the proposed body.

Egco is also a former NPC president.

"We are confident that Undersecretary Egco would be able to fulfill the new President's instructions and expectations when it comes to the safety and well-being of all members of the press," Bueno added.

Meanwhile, the Publishers' Association of the Philippines, Inc. (PAPI) also believes that the power of the PTFoMS can be enhanced with the formation of a full-

pledged commission.

"We likewise believe that president-elect Ferdinand Marcos Jr. will surely welcome this latest development in the journalism industry into his administration," Nelson Santos, PAPI president, said in another statement.

"PAPI would also like to endorse Undersecretary Egco, given his sterling record and effective leadership that earned the respect and admiration of the media and media organizations here and abroad," Santos said. **(PNA)**
