

ASIN NATIN, IMPORTED NA RIN! *Amyenda sa ASIN LAW, gawin na!*

(ELI TAPARAN, FRANZ ORLAIN)

NALILIBOT tayo ng dagat na likas na biyayang mapagkukuhanan ng asin, pero alam nyo ba na marami sa asin na ginagamit natin sa bahay, sa pabrika at sa mga industriya ay hindi na gawa sa Pilipinas?

Imported na! Kung noon dekada 60 hanggang 90, lokal na asin ang ginagamit natin, simula nang ipatupad ang ASIN Law (An Act for Salt Iodization Nationwide), nagsimula nang mamatay ang maliliit at kumpol-kumpol na lokal na paggawa ng asin sa bansa?

Batay sa ASIN Law o Republic Act No. 8172 na naging batas noong 1995, iniutos na gawing iodize food-grade salt ang gagamitin natin sa pagkain at sa mga pabrika at mga industriya. **► ASIN NATIN • 6**

Sen. Bong Revilla: Amyenda sa ASIN Law, gawin na sana.

Sen. Francis Tolentino: Gawing tunay at totoo ang sigaw na 'Buy Local.'

KALAYAAN HOSPITAL MINAMADALING GAWING CAVITE DISTRICT ONE HOSPITAL

Madalas na nasasabi: Malaking gastos sa operasyon, bayad sa doktor, pangangalaga sa ospital, mga gamot, iniksiyon at laboratory test ang ikinamamatay ng pasyente, lalo sa pamilyang mahihirap at walang-wala sa buhay.

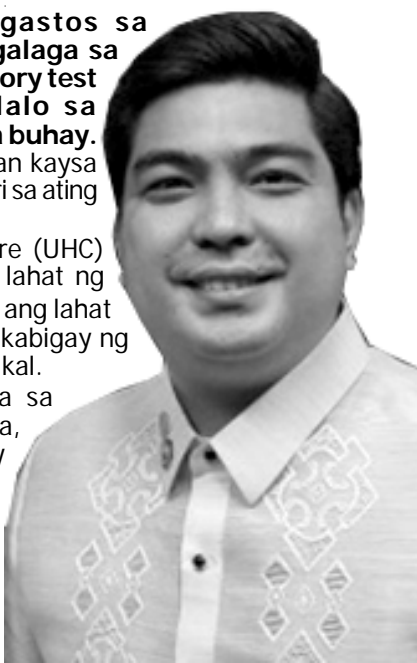

Nakamamatay raw ang gastos sa gamutan kaysa mismong sakit, pabiro pero totoo ang nangyayari sa ating bansa.

Mayroon na tayong Universal Health Care (UHC) program na awtomatikong kasali rito ang lahat ng Pilipino at sinigurado na kasali sa PhilHealth ang lahat pero sa pangyayari, hindi ito epektibong nakabigay ng mabilis, maayos at maaasahang tulong medikal.

Nakita sa mga imbestigasyong ginawa sa Kongreso at Senado, batbat ng anomalya, korapsiyon at walang pakialam na paglulustay at hinalang pagbubulsa ng mga tiwali sa bilyon-bilyong pisong pondo ng gobyerno para sa UHC program.

Parang nasayang lamang ang batas na ito, ang RA 11223 na ipinurisige ni dating Presidente Digong Duterte noong 2019.

Cavite joins Lung Month Celebration

Trece Martires City, Cavite – Around 200 medical professionals from the Cavite Rural Health Unit (RHU) recently joined the ceremonial launching of the Integrated Delivery of Tuberculosis Services (iDOTS) Phase II as part of the province's Lung Month celebration.

The activity held at the Bayleaf Cavite, General Trias City features a road map representing the participants' commitment in moving

towards iDOTS.

Dr. Nonie John Dalisay, Provincial Health Officer II, spoke on the adoption and implementation of Integrated Delivery of Tuberculosis Services

(iDOTS).

Dr. Nelson Soriano, Provincial Health Officer I gave welcoming remarks and urged everyone to keep coming

'Prosperity for all'

With the country still reeling from the effects of the Covid-19 pandemic, the launching of "Kapatid Angat Lahat Program" today is timely as it comes at a time when the nation is in economic recovery mode after the lockdowns.

Former presidential adviser on entrepreneurship Joey Concepcion, as lead of the Private Sector Advisory Council's Jobs Group, will spearhead the program launch during the Micro, Small, and Medium Enterprises (MSME) Summit at the Manila Hotel. Its battle cry is "Pilipinas Angat Lahat, or Prosperity for All."

The Kapatid Angat Lahat Program, according to Concepcion, is a public-private sector partnership initiative that aims to promote economic growth using Go Negosyo's paradigm of giving MSMEs access to capital, markets, and mentoring. Among the program's projects is a one-stop-shop platform where MSMEs may access business opportunities, information, and the connections needed to successfully launch and operate a micro, small, or medium-sized business. They may also seek guidance on legal business registration and operational requirements, formalizing informal businesses, financial capital support options, micro-loans, more robust market access, and business mentorship from ideation to sustainability through this one-stop-shop platform.

According to the Asian Development Bank Institute (ADBI), MSMEs drive the Philippine economy as they accounted for 99.5 percent of all enterprises and employed 63.2 percent of the country's labor force as of end 2018.

But with the Covid-19 pandemic, these have changed significantly as MSMEs are among the hardest hit. With their limited resources and lower capacity to cope, MSMEs are vulnerable to economic shocks like the pandemic.

In a study conducted by the ADBI, an Asian think tank, MSMEs began laying off employees at a relatively early stage of the pandemic to survive – 68 percent

of micro, 59.5 percent of small, and 78.6 percent of medium-sized firms, especially in manufacturing (69.4 percent) and services (67.3 percent). Lockdowns imposed at the early stages of the pandemic took a heavy toll on the finances of these small enterprises. And even when businesses were allowed to gradually reopen, MSMEs still feel the adverse impact of the dramatic change in operations, including the observance of minimum public health standards. Gone was the pre-pandemic way of doing business.

With the current situation, this initiative to help revive the MSMEs is a welcome development because of the

vital role these small enterprises play in the country's economy. As Concepcion said, this program would make it easier for big enterprises to support MSMEs in expanding their businesses, thus providing more jobs for Filipinos.

We laud the Private Sector Advisory Council's Jobs Group and Concepcion, who has been championing the cause of MSMEs, for this noble project.

With this initiative, plus the support of the government and larger enterprises, we look forward to more resilient and robust MSMEs to help keep the country's economy afloat.

Pambansang Kongreso sa Nanganganib na Wika

Ang Komisyon sa Wikang Filipino (KWF) ay magdaraos ng Pambansang Kongreso sa Nanganganib na Wika sa 24-26 Oktubre 2022 sa Pambansang Museo, Lungsod Maynila bilang pagtupad sa mandato nitong pangalagaan ang mga katutubong wika ng bansa at tugon sa Pandaigdigang Dekada ng mga Katutubong Wika 2022-2032 (International Decade of Indigenous Languages o IDIL 2022-2032).

Ipipresenta rin dito ang Pambansang Adyenda sa Pangangalaga ng Nanganganib na Wika at resulta ng implementasyon ng Bahay-Wika at Master-Apprentice Language Learning Program (MALLP) bilang kauna-unahang programa ng pamahalaan sa pagpapasigla ng wika

(language revitalization) sa bansa. Tatalakayin din ang mga ginagawang hakbang ng mga institusyon sa pangangalaga sa mga

komunidad at katutubong wika, mga saliksik sa katutubong wika, at mahahalagang isyung may kaugnayan sa nanganganib na wika tulad ng dokumentasyong pangwika, praktika sa dokumentasyon, field methods, pagbuo ng ortograpiya, at iba pang kaugnay na paksa. Magsisiilbi itong panimulang gawain para sa International Decade of Indigenous Languages 2022-2032 (IDIL), kayâ bubuo ng resolusyon hinggil dito.

Layunin ng Kongreso na mahikayat ang mga katutubo at komunidad na idokumento ang kanilang wika at lumikha ng mga saliksik; at mailahad/matalakay ang mga pinakamahasag na paraan sa pananaliksik, pagbuo ng programa para sa pagpapasigla ng wika, at iba pang isyu na nakaaapekto sa wika.

Ang pamamaraang gagamitin ay hybrid—ang susing tagapagsalita, mga tagapanayam, mga presenter, at ilang kalahok ay in person, samantala, ang ibang mga kalahok naman ay via Zoom. Magkakaroon din ng live streaming sa opisyal na Facebook ng KWF.

Abangan ang anunsiyo hinggil sa rehistrasyon. Para sa mga tanong at karagdagang detalye, mag-email sa pambansangkongreso2022@gmail.com

KAKAIBA tayo, kasi tayo lang ang bansang may ipinagdiriwang na "Buwan ng Wikang Pambansa" -- na ito ayon sa ating batas ay lengguwahe o wikang Filipino -- na "Tagalog" pa rin ang tawag ng marami sa atin.

Tuwing Agosto ating ipinagdiriwang ang Buwan ng Wikang Filipino, Ang totoo, dalawa ang ating pambansang wika, ang English at ito ngang Filipino na ang pagpapalaganap, pangpapasigla at pambansang paggamit ay iniatang sa balikat ng Komisyon ng Wikang Filipino o Commission on the Filipino Language.

Pero sa realidad, masangat ang English kaysa Filipino sa paggamit natin sa salita, pagsulat, komunikasyon at iba pang sulatin sa paaralan, siyensiya at teknolohiya.

Marami pa rin sa atin ang "ayaw" sa Filipino at mas gustong wikain, sulatin at gamitin ang English na wika ng mundo.

Hanggang ngayon, may mga nagsasabing dapat ang naging batayan sa paglikha ng pambansang wikang Filipino ay Cebuano, Ilokano o iba pang diyalekto sa Mindanao at Visaya.

Kaya Tagalog ang naging basihan ng Filipino, kasi nga, nasa Maynila at kalapit na probinsiyang sinasalita ay Tagalog ang sentro ng gobyerno, kalakalan, kabuhatan at ng kultura sa panahon ng pananakop ng Kastila, Amerikano at ng Hapones.

Ang unang librong nasulat noong 1593, ang Doctrina Cristiana (Doktrinang Kristiyanong), ay nakasulat sa Tagalog -- na mula sa salitang "taga-ilog."

Malaking bahagi ng pamahalaan, negosyo at kalakalan ay nakatumpok sa Metro Manila, Bulacan, Batangas, Rizal, Laguna, Quezon, Cavite, Mindoro, Marinduque at ilang parte ng Puerto Princesa at Nueva Ecija.

Noong Disyembre 1937, inilabas ni Presidente Manuel Luis Quezon ang Executive Order No. 134 na gamiting batayan ang Tagalog sa paglikha ng Wikang Pambansa na Filipino at bunga nito naitatag ang Surian ng Wikang Pambansa na ngayon nga ay Komisyon ng Wikang Filipino.

Kinontra ito sa mga korte at sa huli, ito ang desisyon ng Supreme Court noong Hulyo 15, 1970::

"Ang Tagalog bilang batayan ng ating wikang pambansa (na pinatunayan sa ulat ng Kawanihan ng Senso na siyang pinakamalaganap na sinasalita sa ating katutubong wika), ang hayag na pagpapahayag at pagkilala rito ng bayan at pamahalaan, sa kapahintulutan ng Batas ng Komonwelt Blg. 570 na pinagtibay ng Kongreso na nagpapahayag na ang wikang pambansang Pilipino ay isa sa mga wikang opisyal ng Pilipinas na may bisa noong Hulyo 4, 1946, ay nakapaglagay na isyu ng katalinuhan at kaangkupan sa pagpili ng Pilipino, batay sa Tagalog bilang wikang pambansa natin, na lampas na sa autoridad ng mga hukuman upang rebisahan at isaisantabi.

"Dahil sa pangyayaring nabanggit, sa kasalukuyan, ang pinakaangkop na kahulugan ng wikang pambansa ay ang wikang pinagtibay ng pamahalaan na ginagamit sa pamamahala at pakikipag-ugnayan ng mga mamamayan. Dahil dito, patuloy pa rin ang paglaganap ng wika sa mga lugar ng mga etniko na gumagamit ng katutubong wika. Isaalang-alang pa rin ang puspusang paggamit at pagpapalaganap ng wika bilang matatag na pundasyon at pakikipag-ugnayan sa iba't-ibang larangan-pampolitika, panlipunan, pang-media, pampanitikan, pang-edukasyon at iba pa".

Sa pag-aaral ng mga eksperto sa wikain sa bansa, sinabi nila na ang Tagalog ay nahahawig Kapampangan ng 59.6% ; sa Cebuano, 48.2% sa Cebuano, at 44.6% sa Hiligaynon at iba pang wikain sa bansa.

Nakatulong nang malaki sa paglaganap ng Tagalog bilang saligan ng wikang Filipino ay ang mga diyaryo, magasin, pelikula, anunsiyo at brodkas sa radio at telebisyon na ang karaniwang sinasalita ay Tagalog.

Pansinin na mas madaling matutunan at maging mahusay sa pagsasalita at pagsusulat ang mga hindi likas na marunong mag-Tagalog.

Kahit foreigner, mabilis silang matuto ng "Tagalog."

@@@

Iba na ngayon ang Tagalog o Filipino na mabilis na nakasusunod sa globalization, at nagagawa ito sa paglikha ng mga bagong salita, panghihiram sa English at iba pang wikang popular sa masa at madalas na ginagamit sa komunikasyon.

Engalog o Taglish ang Filipino na halo-halong salita na sinalita at isinulat sa balarilang Tagalog.

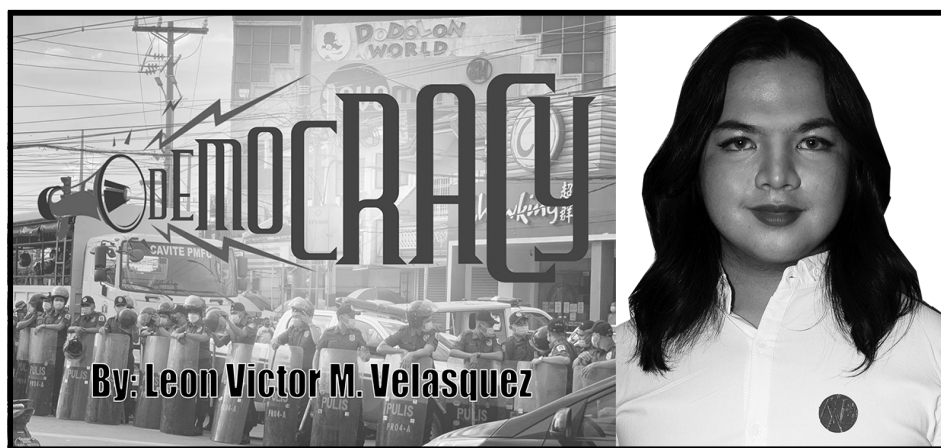

Ang teacher ay titser na at iba pang English na tinagalog.

Yung English na gamit sa communication at digital technology, ito ay atin nang inaangking Filipino kasi walang katumbas na salita sa Filipino o ibang wikain natin.

Kaya ang cellphone ay cellphone na rin sa Filipino, ang charger ay iyon din, wifi, etcetera.

Actually, Manila lingua franca ang Filipino na marami ay likha o balbal o slang na dahil popular ay tinatanggap na nating Filipino.

Ang totoo, marami sa matandang salitang Tagalog ay bihira nang gamitin o patay na nga sa ating bokubularyo tulad ng haraya manawari, gunam-gunam, hindi mahapayang-gatang, patutot, haliparot, salamisim, wating-wating, irog, sinta, balintataw, paraluman, diwata at iba pa.

Labeling the Libel

You know the state is scared of the truth when they start attacking those who fight for democracy.

Former vice presidential candidate Walden Bello was apprehended by the Quezon City Police District (QCPD) in connection with two cyber libel charges filed by former Davao City Information Officer Jefry Tupas, the one who was fired from Davao City Hall for her involvement in a "drug raid."

This is a direct attack and a present threat our nation faces today. It has been easy for the state to put someone in jail just because of opposing views and opinions and is a past rival of the new administration today.

Journalists, activists, human rights defenders, and Bello's political party have been calling for the decriminalization of libel, a tool that has long been used to torment and silence journalists and dissenters.

This speaks volumes about the state of democracy and freedom in the Philippines, given how it has been dismantled by the government over the years, particularly during the previous presidential terms.

This also serves as a forewarning to a majority-rule government and basic liberties advocates about what may occur for them, while supporting the option to communicate one's viewpoints and condemn bad behavior by the rich and powerful.

And is indeed, a never changing connotation for this country, "a deadly place for journalists," for how threats are treated as "normal and given" part of media practitioner's lives.

The 76-year-old social activist was recently declared "Persona Non Grata" in Davao City for calling it a "Drug center of the South." And just what Dakila quoted, "What better way to inculcate responsibility among the people and especially the youth than to encourage a group of citizens to work together and establish solidarity to challenge the wrongdoers and push for reforms in society."

This will not pass and it will be remembered. On all fronts, no sense of history and no sense of justice.

Ito ang bagong Filipino na popular sa atin, boypren, gerlpren, jeep, kotse, kudeta,

t-shirt, bolpen, jeans, morcon, panty, brief, tissue, napkin, siomai, empanada, pandesal, plato, laptop, computer, aircon, frigidaire o ref, haiskul, college, university, electric fan o bentilador, at iba pang hiram na wika mula sa English, Espanyol, French, Mandarin, at iba pa na atin nang tinatawag na Filipino.

Nang gawing Filipino ang wikang pambansa natin, naidagdag sa ating alpabeto ang mga letrang c, f, j, ñ, q, v, x, at z.

Kaya imbes na gawing Kiyapo, nanatili ang orihinal na ispelang na Quiapo, tulad din ng pangalang Davao, Zamboanga, Rizal Quezon, Nueva Ecija, Ifugao, Zambalez, at iba pa.

Ginagamit na rin natin ang likha o balbal na salitang lodi (idol), wapog (guapo), BY (beauty), mis-u (miss you), etneb (bente), yorme (mayor), yosi (sigarilyo), karma o gaba, bana (husband) at eto na ang mga salitang marites (chismis), tsugi (patay, minalas at aksidente at iba pang kahulugan depende sa gamit), okray, getsing mo, wer na u at gerdemet (God damn it), OMG, petmalu (malupet), dehins (hindi) at iba pag salitang binaligtad ang ispelang

Yumayabong ang ating wikang Filipino at hayaan natin itong makisabay sa agos ng mundo.

RESPECTO SA ICC ANG IBIBIGAY NI JUSTICE SEC. BOYING REMULLA

AYAN, maliwanag ang sabi ng ating makisig na Justice Sec. Jesus Crispin 'Boying' Remulla, payag lang siya sa gagawing 'observations' bilang pagbibigay ng respeto sa mga prosecutor ng International Criminal Court (ICC).

'Yun kasing kritiko ni Sec. Boying e ikinalat na parang isinusuko na ang soberantiya ng Pilipinas sa ICC na hindi na tayo na kasapi.

Noong March 2019, tumiwalag ang Pilipinas sa ICC sa utos ni dating Pres. Digong Duterte at tumangging pasakop sa utos na imbestigahan siya sa mga paratang na human rights violation daw at EJKs o extrajudicial killings kakabit ng war on drugs.

Magbibigay lang ng kailangang information sa ICC mga imbestigasyon sa pag-abuso umano sa giyera laban sa mga drug traffickers, pushers at addicts.

Sabi ni Sec. Boying, courtesy hindi compliance ang ibibigay ng DOJ sa ICC pero ang isuko ang bansa sa poder ng ICC, never, never niyang gagawin.

Yan ang tapang ng Cavitenyo, kaya saludo kami kay Sec. Boying.

@@@

Reporma at pagsulong ng good governance ang tinututukan ngayon ni dating Congressman, ngayon ay Imus City Mayor Alex L. Advincula

Ano na ba ang latest news re, investigation sa mga 'floating Imus City officials' na hinihinalang may n a g a w a n g Imus City Mayor Alex L. Advincula

anomalya o ginamit ang posisyon sa pansariling interes? Kasi nga, sa unang mga araw ng ating makisig na brand new Imus Mayor Alex 'AA' Advincula, balitang hindi muna ipinahawak ang mga departamento at opisina ng mga opisyal at tauhan sa cityhall.

Any feedback po, Mayor AA at Vice Mayor Homer 'Saki' Saquilayan -- na sila raw ang namumuno sa investigation.

May nakasuhan na po ba o may naibalik na sa puwesto.

Samantala, maraming thank you po sa patuloy na pamimigay ng ayuda sa mga kapos-sa-buhay na Imuseño at ang walang tigil na paglaban sa pandemyang Covid-19.

Ang daming nabibigyan ng trabaho sa ginanap na 'Job Fair,' at ang paglilinis at improvement sa serbisyo sa ating mamamayan.

Hindi nga mahagilap ng mga katropa natin sina Mayor Advincula at VM Saki sa kanilang opisina kasi, tinitingnan nila at inihahanap ng solusyon ang mga problema sa siyudad.

At balita natin, ang daming infra and social projects sa lungsod, reporma na ipinatutupad ni Mayor AA para sa inaasahan nating good governance na ipinangako niyang gagawin sa susunod na tatlong taon at kasunod pang mga taon.

This paper has been supporting all the programs and

Imus City Mayor Alex L. Advincula

PAG-USAPAN NATIN Ni DOMZ B. CAOILE

projects of the Imus City government since then and this time of Mayor AA, VM Saki, 3rd Dist. AJ Advincula and the City Council, the Cavite Times Journal will continue the same support and help.

Basta po, kailangan nyo kami, nandito lamang kami ng aming publisher, Ma'am Franz Orlain, editorial consultant Boss Eli Taparan at ang inyong lingkod.

Mayor Redel Dionisio: Kaayusan at katahimikan para sa kaunlaran.

K a t r o p a , napasyal na kayo sa Amadeo, ang ating Coffee Capital of the Philippines, aba tara na.

Malamig ang klima sa bayang ito kahit summer, gawa ng masiglang agrikultura na

p a n g u n a h i n g Indang Mayor Redel B. Dionisio pinagkukunan ng kabuhayan at hanapbuhay ng mga mamamayan nito.

Tuloy-tuloy ang war on drugs sa Amadeo at pagpapanatili ng peace and order na siyang paksa ng mensahe ni Mayor Redel B. Dionisio sa flag raising ceremony, minsang mapasyal kami, Lunes ng umaga.

Aniya, mahirap na maiangat ang kabuhayan kung magulo ang komunidad at ang pamilya ay walang katahimikan.

Sabi ni Mayor Dionisio, hindi dapat iasa sa pulisya at sa pamahalaang lokal ang paglaban sa ilegal na droga, "ito ay tungkulin nating lahat, ng bawat pamilya sa ating bayan."

Hindi na bago sa politika si Mayor Dionisio kasi naglingkod na siya sa maraming tungkulin sa lalawigan, sa kapitolyo at naging magaling na political officer pala siya ni Sen. Bong Revilla, at minsan ding naging administrator ng noon ay bayan pa ng Bacoor.

Isang engineer pala ang alkalde na bunga ng kanyang masipag na trabaho, unti-unti ay tumatatag ang kabuhayan ng munisipalidad.

Ang maganda kay Mayor Dionisio, katuwang niya sa maraming proyekto ng bayan ang pamahalaang lalawigan at ni Gov. JonVic Remulla.

Naniniwala tayo na sa susunod na tatlong taon, tataas ang annual income ng Amadeo katuwang si Vice Mayor Joseph Legaspi at municipal councilors at mga opisyal at kawani nito.

Kongratulations po at mabuhay kayo.

Para sa inyong komento, magmensahe sa domzcaiole@yahoo.com at sa taparaneliseo@gmail.com.

Indang Mayor Redel B. Dionisio

Kalayaan...

(FROM PAGE 1)

Ito ang problema na ngayon ay sinisikap na matugunan ng bagong halal na kongresista ng Unang Distrito ng Cavite Jolo Revilla.

Ibalita sa kanyang Facebook page na minamadali na niya -- sa tulong ng mga alkalde ng Kawit, Noveleta, Cavite City at Rosario -- at mga opisyal ng Department of Health na maitayo na ang sariling District One Hospital.

Sabi ni Cong. Revilla, sinisikap na niya na matupad ang matagal nang ninanais ng mga mamamayan ng Distrito Uno na maging District Hospital ang Kalayaan Hospital.

Kahit sa gobyerno ang Kalayaan, may bayad ang serbisyong medikal dito na matatagpuan sa Barangay San Sebastian, Kawit.

Kamakailan, ayon kay Rep. Revilla, nakipamiting siya kay Dra. Joy Caballes, direktor ng Kalayaan Hospital at iba pang opisyal nito at naging mabunga ito.

Natalakay ang mga problema at kakulangan upang mapatakbo nang maayos at makapagbigay ng kumpletong serbisyong medikal sa mga mamamayan ng Distrito Uno at iba pang pasyente mula sa ibang lokal na pamahalaan sa Cavite.

"Agad kong ipapaayos at

ibibigay ang kanilang mga kailangan tulad ng ambulansiya, dialysis machine, personnel and stocks vehicle, dagdag na hospital beds at atin pong pinamamadaling matapos ang kasalukuyang konstruksyon sa mas malaking ospital para sa mga karagdagang wards at laboratories," sabi ni Cong. Revilla.

Dagdag niya, ihahapag niya sa Kongreso ang panukalang conversion ng Kalayaan Hospital upang ito ay maging Level 2 District Hospital.

Kung mangyayari ito, ang ospital ay magkakaroon ng kumpletong serbisyong medikal tulad ng 2D echo, ultrasound, x-ray.

At ano ang resulta nito? "Makapag-accommodate ng mas madaming bilang ng pasyente hanggang 100 hospital beds," sabi ni Revilla.

Isa sa ipinangako ng bagong kongresista ng Uno Distrito noong eleksiyon ng Mayo 9, 2021 ay mabigyan ng maayos at maaasahang gamutan sa mga Cavitenyo.

Umaasa si Cong. Revilla na sa unang dalawang taon niya sa Kongreso, mangyayaring maging kumpletong District Hospital ang Kalayaan Hospital.

"Basta po sa totoong at maaasahang serbisyo, nandito lamang po ang inyong lingkod," sabi ng makisig na Rep. Jolo Revilla. **(CTJ REPORTORIAL TEAM)**

Asin natin...

(FROM PAGE 1)

Ginawa ang ASIN Law, sa layuning mabawasan ang Iodine Deficiency Disorder (IDD) sa bansa, itong IDD ay sinasabing dahilan daw ng pinsala sa utak, pagbagsak ng intelligence quotient (IQ) ng mga bata, at malaking dahilan sa pagsilang ng mga sanggol na may depekto sa utak at katawan.

Madalas ding ikinakabit ang kulang na iodine sa mga inang nakukunan sa pagbubuntis.

Mahalaga ang papel ng iodine sa mabulas na paglaki ng mga sanggol, bata at matatanda at mga alagaing hayop, ayon sa pag-aaral.

Malaki rin daw ang naitutulong ng iodine sa asin upang lumusog ang utak at katawan.

Maganda ang layunin pero matapos ang mahigit na 27 taon mula nang ipatupad ang ASIN Law, ano ba ang naging mabuti o masamang resulta nito?

Dahil kulang sa kaalaman, kakayahan, kapital at tulong mula sa gobyerno, naging resulta sa implementasyon ng batas na ito ay ang pagkamatay ng lokal na industriya ng asinan o irasan.

Iniwan na, naging tiwangwang ang mga irasan (saltbeds) at marami ay naibenta at naiba ang gamit at naging lugar komersiyo,

subdivision at iba pa.

Resulta ng ASIN Law, dahil sa napabayaang, sa loob ng dalawang dekada, namatay ang industriya ng asin sa Pilipinas.

Naging mapait na bunga ng batas na ito ay ang 'kamatayan' ng sariling industriya ng asin, na kayang-kayang iprodyus ng ating 'asindero' (salt farmers).

Tanong nga, noong dekada na hindi iniutos ang paglalagay ng iodine sa asin, may nakita ba sa pag-aaral na ang mga isinilang noong dekada 40 hanggang 80 ay napinsala ang utak at katawan?

Walang iodine ang ginamit na asin ng mga Pinoy sa mga dekadang iyon, at tama ba ang batayang siyensiya ng mga taong nagsulong upang maging batas at ipatupad ang ASIN Law?

O, maitatanong na kaya ginawa ang batas na ito ay para kumita ang mga importer, mga trader at iba pa -- na katumbas naman ay ang pagpatay sa ating 'asindero'?

Noong 2019, sinabi ni Sergio Ortiz-Luis Jr, pangulo ng Philippine Exporters Confederation, Inc. na dapat ay may probisyon sa batas na pinapayagan pa rin ang paglikha ng mga asin na walang iodine.

At sa batas ay may inilakip na pagbuhos ng tulong na ayudang kapital,

kaalaman at teknolohiya mula sa pambansa at lokal na pamahalaan upang matulungan ang mga 'asindero'.

Batay sa rekord, mahigit sa 90 porsiyento ng ginagamit natin asin ngayon ay angkat o imported.

Sa ulat ng Trend Economy -- isang global open data provider --, umabot sa \$2.59 bilyon ang halaga ng inimport sa nakaraang mga taon.

Kung tinulungan balsa sana ng ating 'asindero' napunta ang \$2.59-B halaga ng inangkat na asin -- na kayang-kayang iprodyus sa Pilipinas.

Mahigit sa 7000 libo ang ating isla na may tubig-alat magagawang mina ng de primerang uri ng asin na kailangan ng tao, ng negosyo at ng industriya.

Noong 2019, ayon sa Trend Economy, kabuuang \$28.8 milyon ang halaga ng inangkat na asin mula sa dating halagang \$36 milyon.

Mantakin natin ang tulong sa ekonomiya ng bansa kung ang halagang ito -- na bilyon-bilyong piso ang katumbas -- ay mismong 'asindero' Pinoy ang nakinabang at hindi ang dayuhang salt farmers.

Dahil sa ASIN Law, hindi na k a y a n g makipagkumpentensiya ang mga lokal nating 'asindero'.

Ayon sa isang ulat mula sa F&B Report noong 2018 dahil hindi kayang

iprodyus ng bansa ang iodized salt -- na inuutos ng ASIN Law, kumita ng bilyon-bilyong dolyar ang 'asindero' mula sa Australia, China, at iba pang bansa.

Pinatay ng batas na ito ang 'asindero' Pinoy!

Sabi ng F&B Report: The inability of the majority of local salt manufacturers to step up to the iodization standards inevitably forced merchants and consumers to import salt from China and Australia, which pass the criteria.

Namatay ang mga irasan (saltbeds) sa mga lalawigan ng Bulacan, Cavite, Pangasinan, Mindoro, Paranaque, at iba pang lalawigan may dagat-alat na may

malaking kakayahan at kasanayang gumawa at magprodyus ng magagamit na asin sa bansa.

Bunga ng batas sa iodized salt, ang dating 70% gamit na asin ng bansa sa bawat taon ay nawala, at umasa tayo sa importasyon -- na ang naging biktima ay ang buhay at kabuhayan ng mga Pinoy 'asindero'.

Ayon sa report, konti na lang -- nasa 31% ng asin natin ay mula sa ating irasan -- noong 2009, at 69% ay mula sa inangkat na asin mula sa Australia.

May ilang nagtitiyaga pa ring gumawa ng asin, ito ay para sa lokal na gamit natin, pero ang bulto ng iodized salt ay inaangkat sa Australia, China, Italy,

Indonesia, at maging sa Egypt, ayon sa nakuhang datos natin sa Google.

Kailangang amendahan ang ASIN Law upang mabuhay uli ang ating mga 'asindero' at 'wag tayong umasa sa imported salt.

Paano magiging totoo ang sigaw na 'Buy Local' kung ang mismong mga batas natin ang siyang pumapatay sa ating likas na industriya?

Nanawagan ang pahayagang ito sa ating pitong kongresista ng Cavite at dalawang Cavitenyong Senador Bong Revilla at Senador Francis Tolentino na magpanukala ng batas na bubuhay sa lokal na industriya ng asin sa bansa.

Cavite joins...

(FROM PAGE 1)

up with innovative ideas that will help the delivery of TB services in the province. Aside from that, he reminded everyone that during orientations, seminars, or pieces of training provided by the PHO and DOH, send and assign someone more qualified and knowledgeable to convey the programs given to them properly.

Provincial Health Team Leader, Dr. Orlando Padilla gave an inspirational message mentioning the correlation between the environment and lungs. He conveyed that if we want to have healthy lungs, we must have a pollution-free

environment for it equates to prolonging our lives and preventing us from acquiring diseases. Hence, we must always take good care of our lungs.

Dr. Maria Elena Castillo-Gonzales extended her profound and sincere gratitude to all medical personnel and local chief executives for their hard work, support, and dedication to lessening the burden of tuberculosis in the community. She also let everyone know that the region had previously expressed its intention to accept the challenge and implement iDOTS Phase II across CALABARZON. Dr. Castillo-Gonzalez then

concluded her message by saying "Together, Let us all end Tuberculosis."

In closing, Dr. Armand Dotollo explained that TB is a multifactorial illness that affects people whether or not they have symptoms and whether they are infectious.

He added that we are still experiencing pandemics and other infectious diseases that may hamper the delivery of health care services, but despite this, healthcare workers are still very eager and motivated to provide the best patient-centered care in the area. He, then, imparted that "Failure is not the opposite of success, but it is part of success." (RBF/PICAD)

MPT South...

(FROM PAGE 1)

toll road network ng MPT South na Manila-Cavite Expressway (CAVITEX at CAVITEX C5 Link) at ng Cavite-Laguna Expressway (CALAX) bilang mga gateway patungo sa mga kagila-gilalas na tanawin at lugar sa mga probinsya ng Cavite at Laguna.

Ang Biyaheng South ay mayroon ng 20,000 combined followers mula sa dalawang platforms nito. Ito rin ay nakapagtala na ng mahigit sa isang milyong views sa TikTok at lifetime reach na 75,000

sa Facebook, na nakakatutulong sa pagpapataas sa vehicle traffic count sa expressways nito at nakatulong din sa pagpapalago ng turismo at ekonomiya sa mga nabangging na probinsya.

Bukod pa dito, ang social advocacy ng toll road company na "Drayberks" ay nakapaguwi rin ng Merit Award para sa C o m m u n i c a t i o n Management Division sa kategorya ng Community Relations. Simula pa taong

2020, patuloy ang Drayberks sa pagtipon sa mga motorista, key stakeholders, at mga residente sa mga komunidad sa NCR, Cavite, at Laguna para magsagawa ng road safety seminar na nagtuturo sa mga ito tungkol sa road safety features ng expressway maging ang tungkulin ng bawat isa sa pagpapanatili ng ligtas na daan para sa lahat.

Hindi rin nagpatinag ang Drayberks habang ipinatutupad ang COVID-19 restriction sa bansa na nagpigil sa pagsasagawa

ng mga pagtitipon. Para maipatuloy ang layunin nitong bumuo ng mga road safety advocates, ang Drayberks ay binuo rin bilang isang digital program at isinagawa ito online taong 2021 habang pinapanatili ang interaksyon at interes ng mga kalahok nito. Dahil dito, patuloy ang pagbaba ng mga traffic incidents sa toll roads ng MPT South mula 2019 hanggang 2021 at nakatutulong din ito sa patuloy na pagkamit ng Zero Fatality simula pa taong 2017.

"Ang MPT South ay laging agresibo sa pakikipag-ugnayan sa mga motorista nito sa iba't ibang klase ng pamamaraan at ang award na ito ay isang karangalan para sa amin. Isa itong pagganyak sa amin para gumalugad pa ng mas maraming paraan para makipag communicate ang aming mga customers at maipakilala ang aming expressway sa mas malikhaing pamamaraan," ani Ms. Arlette Capistrano, Assistant Vice President for Communication and Stakeholder Management

ng MPT South.

Ang Philippine Quill Awards ay ang pinka prestihiyosong awards program sa bansa para sa larangan ng business communication. Simula pa taong 1983 nang magsimula itong magbigay ng seal of approval sa mga mararangal na organisasyon at korporasyon sa bansa. Ngayong taon, umabot ng mahigit 800 entries ang natanggap nito, pinaka

mataas sa kasaysayan ng Quill.

Ang MPTC ay ang pinaka malaking toll road builder at operator sa bansa. Bukod sa CAVITEX at CALAX, kabilang rin sa portfolio ng MPTC ang concessions para sa North Luzon Expressway (NLEX), NLEX Connector Road, Subic-Clark-Tarlac Expressway (SCTEX), at ang Cebu-Cordova Link Expressway (CCLEX) sa Cebu.

SM Launches... (FROM PAGE 8)

working with communities to mount shows, exhibits, workshops, and contests in key cities around the Philippines.

But why music? While every country has its own language there's only one language we can understand: the language of music. Music plays a very important role in bringing people together because it connects people in ways no other medium can.

More than that, it is said that Filipinos are born to sing, dance, and perform. Beyond the melodies of everyday life, singing is our way of celebrating. Indigenous groups continue to practice inherited music like songs for work, rituals, festivals, mourning, and courting.

And today, music continues to move us, inspire us, and join our hearts in song.

"Like art, music has the power to connect and bring people together," says Metropolitan Museum of Manila President Tina Colayco, who has collaborated with SM on many cultural projects. "I think that every performance and every art exhibition is a celebration." With that, "the Metropolitan Museum of Manila is very honored to continue again another campaign with SM for My City, My SM, My Music. We are proud, happy, and inspired to be able to participate in this kind of holistic approach where music, dance, and theater all come together for a different kind of experience."

For Filipino Heritage Festival President Armita Rufino, who has worked with SM for many years to bring our rich culture to the malls. "this project of SM is going to be very informative for us who love music and who love dance."

"Music is the language of the soul," says Annie Mercado, Creative Director of the World Championships of Performing Arts (WCOPA) Team Philippines, which has brought much honor to the Philippines since it joined the prestigious annual competition in 2005. "It connects hearts. It speaks to you. It knows no boundaries, religion, ethnicity, culture, or social class. I am happy that SM has given recognition to the performing arts and music, the recognition it rightly deserves."

More than that, "music

is a gift from God," adds Gerry Mercado National Director for WCOPA Team Philippines, "and we feel very blessed that through this project, Filipinos will be able to showcase their God given talents all over the country." Team Philippines dazzled the world by winning a total of 390 medals, including 136 golds, in the 23rd Annual World Championships of Performing Arts (WCOPA) in 2019 in Long Beach, California. This is quite a feat as WCOPA is often cited as the official "Talent Olympics", and the only event of its kind in the Hollywood area, the entertainment capital of the world.

For National Music Competitions for Young Artists (NAMCYA) President, Dr. Renato Lucas, who is also a cellist and conductor, "music

expresses the unspeakable, describes the undemonstrable, and it reminds us of the memorable. Our music and our performing arts is a living monument of what we were, what we are, and what we could be."

Since 1973, NAMCYA has been a driving force in discovering major music talents from all over the country in the fields of choral singing, piano, chamber music, family ensemble, and indigenous instruments. Some of the country's brilliant artists like pianists Cecile Licad and Raul Sunico, Violinists Julian Quirit and Joseph Esmilla, tenor Noel Velasco, soprano Andion Fernandez, the UP Singing Ambassadors, the Loboc Children's Choir and the University of Mindanao Chorale are among its distinguished winners.

"The Philippine Star has been all the way with SM in its My City, My SM series ever since its first incarnation," says Philippine Star EVP for Sales and Marketing Lucien Dy Tioco. "I think this edition is really exciting because music covers everybody and it celebrates the culture of every region. With our collaboration, we will be able to bring Philippine

performing arts more to the mainstream."

Mallgoers will have the rare opportunity to have a glimpse of the life and work of National Artist for Music Dr. Ramon Pagayon Santos during the premier of My City, My SM, My Music event at SM City North EDSA from August 27 to 31. The award winning PWU JASMS Manila Rondalla under Noli DO. Rodriguez will be performing his compositions during the event launch; as will the amazing WCOPA Team Philippines medalists who have given us much honor in the prestigious international competition.

My City, My SM, My Music is a take-off from the My City, My SM campaign which promotes tourism; My City, My SM, My Cuisine, which highlights family heirloom recipes in the different regions; and My City, My SM, My Crafts, which celebrates traditional arts and modern Philippine design. Most recently, My City, My SM, My Art was a celebration of Philippine visual arts – painting, sculpture, printmaking, photography, and filmmaking.

My City, My SM, My Music's next stop will be at SM City Olongapo Central.

Bringing Music and People Together SM LAUNCHES MY CITY, MY SM, MY MUSIC CAMPAIGN

Over the past few years, the My City, My SM series has showcased the different facets of our country's rich culture – our tourist attractions, our cuisine, our artisan crafts, and most recently, our visual arts.

Bringing music and people together. My City, My SM, My Music project partners will celebrate the joys of Philippine performing arts in communities around the SM malls. From left: World Championships of Performing Arts (WCOPA) Team Philippines Country Director Gerry Mercado and Creative Director Annie Mercado, SM's Millie Dizon, the Philippine Star Executive Vice President Lucien C. Dy Tioco, Metropolitan Museum of Manila President Tina Colayco, Filipino Heritage Festival Inc. (FHFI) President Armita Rufino and National Music Competitions for Young Artists (NAMCYA) President Dr. Renato Lucas. This photo was taken at the Upper Lobby of The Manila Peninsula.

The life and works of National Artist for Music Dr. Ramon Pagayon Santos will be showcased during the My City, My SM, My Music launch on August 27th at The Block at SM City North EDSA.

Tahanan Books Music Editor Dr. Fe A. Prudente joins My City, My SM, My Music to promote and preserve musical heritage for young readers through its beautifully illustrated children's books of folk songs around the country.

Beginning this August, our cultural journey takes us to another exciting route with the premiere launching of My City, My SM, My Music at The Block at SM City North EDSA.

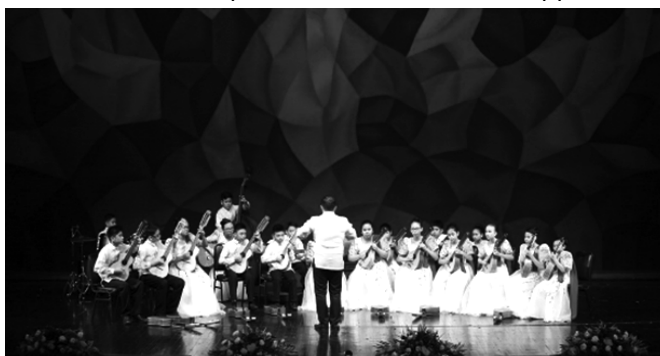

A joint project of SM, the Metropolitan Museum of Manila, the Filipino

Heritage Festival, WCOPA, and the Philippine Star, with support from the National Commission for Culture and the Arts, the National Music Competitions for Young Artists (NAMCYA) and Tahanan Books, My City, My SM, My Music is a celebration of Philippine

performing arts –music, dance, and theatre.

It aims to bring music and people together by showcasing indigenous, folk classical, and contemporary artistry in a roadshow around the SM Supermalls. Advocating music for all, we are

► **SM LAUNCHES • 7**

The award winning PWU JASMS Manila Rondalla under the leadership of its director Noli DO. Rodriguez will perform Dr. Santos's compositions during the launch on August 27th at SM City North EDSA.

With the support of NAMCYA, My City, My SM, Music will feature talented NAMCYA winners like 2018 First Prize NAMCYA winner Cellist Joshua Ethan Dakanay as it tours the SM malls.

Jed Madela was the first Filipino to win the WCOPA World Grand Champion Title, and is known with a uniquely wide vocal range. Today a multi-awarded singer, recording artist, songwriter, TV host, and entertainer he will join the launch at SM City North EDSA.

World class performances by WCOPA Team Philippines medalists like Ejay Arrieta, Aleczandra Yamzon, David Mercado will be highlighted during the My City, My SM, My Music launch at SM City North EDSA.

CAVITE TIMES JOURNAL PAHAYAGAN NG TUNAY NA CAVITEÑO ENTERED AS A SECOND CLASS MAIL MATTER

VOL. XVIII • NO. 28 • 10.00 • AUGUST 23 - 29, 2022

DOST-CALABARZON wraps up Nutrition Month with S&T Solutions to Food Security webinar, supports NNC's call to strengthen food security and nutrition in the new normal

To conclude the celebration of the 2022 National Nutrition Month, DOST-CALABARZON conducted its Webinar on S&T Solutions to Food Security last 29 July 2022 via Zoom. Attended by 234 participants from various institutions within and outside CALABARZON, the webinar aims to highlight DOST-CALABARZON's funded and supported projects in pushing for food safety and sustainability in the new normal especially with its alignment for this year's Nutrition Month theme, "New Normal na Nutrisyon, Samasamang Gawan ng Solusyon!"

Ms. Emelita P. Bagsit, Regional Director of DOST-CALABARZON, welcomed the participants and project presenters and mentioned some of DOST-CALABARZON's ongoing initiatives and partnerships in improving nutrition in the region, including its

Complementary Food Program, assistance on the Enhanced Nutribun Technology adoption and Dairy processing projects, support on the Enhanced Partnership Against Hunger and Poverty (EPAHP) with DSWD CALABARZON and other

agencies, and the continuous strengthening of DOST Integrated Food Safety Programs with other DOST agencies.

She said, "We in DOST-CALABARZON hold that through
