A.T.I. HOLDS ACTIVITIES FOR CALABARZON MEDIA

By Reyland Lopez and Mario Orlain

THE Agricultural Training Institute (ATI) holds its two (2) days activity together with the Philippine Information Agency and the CALABAZON Media held last June 24 to 25, 2019. The two day educational tour aims in learning the some methods in making the organic farming and to promote organic foods and vegetables for a healthier life. In addition the ATI also provides subject matters capable to farmers, fishers, extension workers, experts and extension managers through training, thus provides advisory services on agriculture and fisheries. The said two day activities was intended to different agri - sites from the provinces of Cavite and Laguna, where the program of activities started at the arrival and registration of participants at the Agricultural Training Institute office at Barangay Lapidario, Trece Martires City, Cavite.

DONATE-A-BOOK, SHARE THE GIFT OF KNOWLEDGE WITH THE SM STORE

JUST in time for the back-to-school season, SM shoppers can share the gift of knowledge through The SM Store's SM Share Movement Donate-A-Book campaign in all branches nationwide.

► DONATE-A-BOOK • 4

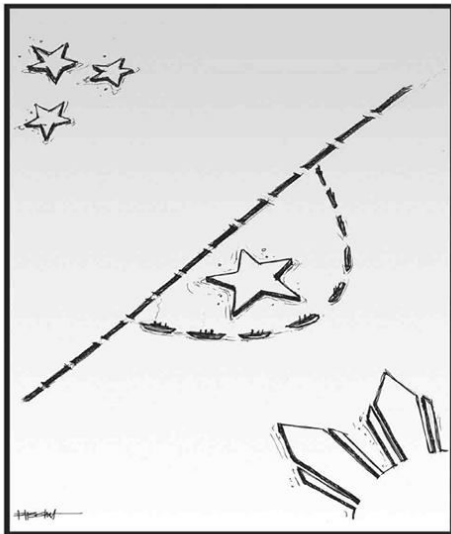

THE SM Store recently donated books and school supplies to the students of Balanga Elementary School during the #SMShareMovement Donate-a-Book campaign story book reading session. Photo shows Elena Almario and Marilyn Gerio of Dep Ed EPS 1, Balanga Elementary School Principal IV Amelina Inieto with SM Foundation Head of School Building Team Juris Soliman, The SM Store North Luzon Zone Head Joseph Rosal, SM Retail SAVP Gilda Maquilan, and The SM Store Olongapo Branch Manager Rosemarie Chua-Labrador.

SANGGUNANG PANLALAWIGAN HOLDS ITS INAUGURAL SESSION

Re-elected Cavite Vice Governor Jolo Revilla presided the inaugural session for the newly constituted Sangguniang Panlalawigan on July 01, 2019 at Session Hall of the Legislative Building in Trece Martires City. After acknowledging the presence of all the attendees, Vice Governor Revilla delivered his privilege speech wherein he mentioned the advantage of the legislative body composed mostly by young board members who can contribute new ideas with the guidance of veteran legislators. Likewise, Governor Jonvic Remulla who graced the inaugural session called on everyone's cooperation and support in making the province the safest one. He encouraged them to work with him in achieving the common vision while maintaining check and balance in the executive and legislative body of the provincial government. The session was also attended and witnessed by department and unit heads of the provincial government.

MASSIVE CAMPAIGN NG FEDERAL SYSTEM OF GOVERNMENT MAISAKATUPARAN PA KAYA?

ANO na kaya ang nangyari sa paglunsad ng administrasyong Duterte ng massive information campaign para maipangaral sa bawat Pilipino ang paksa tungkol sa Federalismo. Maraming pag - aaral at pananaliksik ang kinakailangan para maipauunawa sa lahat kung ano ang magiging hatid ng bagong konstitusyon sa ating bansa at maging sa bawat aspeto ng ating

pamumuhay. Ang proposisyon ay kinakailangan mapagtibay at makitaan ng linaw bago dumating ang plebesito.

Subalit sa kabila nito may ilang katotohanan na nakaumang sa usaping ito, dahil una base sa ilang pananaliksik lumalabas na isa lang, sa bawat apat na Pilipino ang may alam tungkol sa Sistema ng Federalismo. Pangalawa, pagdating naman sa kontra o gusto na baguhin ang 1987 constitution may dalawa sa tatlong Pilipino ang kontra.

Paano nga ba ang maging kalagayan ng ating bansa? sa proposisyong ito marami ang nangangamba lalo na ang mga ekonomista, dahil ayon sa grupong ito tiyak maapektuhan ang ekonomiya ng bansa kapag minadali na baguhin ang ating konstitusyon. Dagdag pa dito ng ilang mga economic experts na ilang taon pa bago ma - adopt ang sistema, kung kaya't hinihiling ng karamihan na pag - aralang mabuti ang paglunsad ng nabanggit na konstitusyon.

Followed by the acknowledgement of guests and participants and the overview of activities with the message of ATI Assistant Center Director Ms. Mariel Celeste C. Dayanghari, "In behalf of ATI family we welcome you all, for we knew that this is your first time to experience this activity. We hope you enjoy and learned a lot, at kaya po kayo naririto dahil nirecognize namin ang inyong role bilang isa sa mga partners ng Agricultural Training Institute para maipalaganap ang organic farming and agriculture, so with this enjoy, learned and experience to be in an organic farm."

The program proceeded to lunch break and the tour on ATI Region IV - A complex, were all

participants witnessed the ATI E - hub, were you can have the different information materials for free related to methods in

organic farming, agriculture as well the climate change adaptation. After the ATI complex tour participants travel to the

next point of destination, which is The Luntiang Republika Ecofarms located at Alfonso, Cavite. Details on next issue...

SM City Dasmariñas' employees together with its tenants once again participated in the National Simultaneous Earthquake Drill 2019.

HEADED by the Mall Operations, Customer Relations Service and Emergency Response Group of SM City Dasmariñas in cooperation with Dasmariñas CDRMO, the drill was successfully concluded. The drill aimed to prepare the people for the coming of the BIG ONE which nobody knows when and where to occur. It encouraged customers' participation as well, so that they would know what to do in case it happens, most especially when they are inside an establishment.

Good Vibes and More ni Marites Leonillo

GOD is good all the time! And all the time God is good! Sa kolum ko pong ito ay nais kong ibahagi ang nasaksihan kong pagpahayag ng kasiyahan at pasalamat ni Mayor Yuri Pacumio sa ginanap na pasasalamat at panunumpa ng mga bagong halal na lingkod bayan ng Tanza. Ito ay sa pamumuno ni Mayor Yuri Pacumio, Vice Mayor Munding Del Rosario at ng Sangguniang Bayan.

"*Ang sarap*", Ito ang naging pahayag ni Mayor Yuri Pacumio, pagkatapos ng idinaos na banal na misa, nitong June 28, 2019, sa St. Augustine Parish Church Diocesan, Tanza, Cavite. Pinasalamatan ng alkalde ang mga kaparian na nagdaos ng misa at ang lahat na naroon. Muling binalikan ni Mayor Yuri ang kahintulad na pangyayari nang siya ay tumayo sa kanyang kinatayuan, kung saan siya ay nagpapahayag ng kanyang pasasalamat sa tagumpay nang siya ay mahalal na Ama ng bayan ng Tanza. **Pagbabago at pagkakaisa** ang hangarin niya noon na siya namang natamo sa unang yugto ng kanyang termino.

Ayon sa Ama ng bayan, masasabi niya na ang tagumpay ng kanyang unang termino ay nakamtan nang nagkaroon ng pagbabago. Ito ay sa pamamagitan ng ilapit sa mamamayan ang pamahalaang bayan ng Tanza. Naging bukas ang kanyang tanggapan sa lahat ng tao, ano mang pangkat ang kinabibilangan. Naging sensitibo ang pamahalaang bayan sa mga hinaing ng

mamamayan, ito ay kanyang pinakikinggan at agarang binibigyan ng tugon. Ramdam ng mga tao na hindi manhid ang pamahalaang bayan sa kanilang mga suliranin at ito ang unang pagbabago na nagbibigay sigla sa mamamayan.

Sa pamamagitan ng social services, financial assistance, pagtatalaga sa mga proyekto na nagpapalakas sa mga senior citizen, person w/ disability, sa mga kababaihan at sa mga agarang pagtugon sa pangangailangan ng mga ordinaryong mamamayan, mas lalo pang naramdaman ng mga taga Tanza na mayroon na silang kaagapay. Dagdag pa dito ang magiliw na paglilingkod ng mga kawani at mga opisyal ng pamahalaang bayan.

Sa pangalawang pagkakataon, ang pagbabago at pagkakaisa na itinanin ni Mayor Yuri at ng Sangguniang Bayan ay nagkaroon ng "**masarap**" na bunga dahil sa pinalasap ng mamamayan ang kanilang pasasalamat sa pamamagitan ng pagkakaisa ng kanilang tinig sa balota ng nakaraang halalan. Ito ay nagbigay ng ibayong sigla at direksiyon kay Mayor Yuri Pacumio, Vice Mayor Munding Del Rosario at miyembro ng Sangguniang Bayan. Ayon pa sa alkalde, walang perpektong tao tulad din ng walang perpektong sistema, marami pa ang dapat na trabahin. Pero kanilang sisikapin na mas mapabuti at mapaayos ang bayan. Kaya muli niyang hinihingi ang tulong at suporta ng bawat isa dahil, "**walang imposible sa lakas nang nagkakaisang sambayanan**" ayon sa ama ng bayan.

Mas lalo pang palakasin ang mga naunang programa

at lalo pang tutukan ang hamon ng patuloy na umuunlad na bayan ng Tanza. Ito ay ang moder-nization sa larangan ng edukasyon sa pamamagitan ng pagdagdag ng mga paaralan, bigyang pansin ang problema sa trapiko, mas lalo pang palakasin ang disaster preparedness at response, ang paghahanap ng negosyo para mabigyan ng trabaho ang mamamayan, mga programang pangkalusugan at ang pagpapatupad ng waste segregation sa komunidad. Binigyan ding diin ni Mayor Pacumio na ang mamamayan ang siyang sentro ng pamahalaang bayan ng Tanza.

—oOo—
Sa mga naghahanap po ng lupa na pagtatayuan ng bahay, meron pong magandang location na binebenta sa loob ng Rio De Oro Subd. Ito po ay negotiable, pwedeng installment ang pagbabayad. Ito ay 233sqm. Sa mga interesado mag btx o tumawag sa cp# 0995-608-6978, 0942-460-1520 para sa mga karagdagang detalye.

DOH CONDUCTS URINALYSIS TO CALABARZON SCHOOL CHILDREN

DEPARTMENT of Health (DOH) - CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) conducted a two-week urine testing activity in various provinces of the region from June 13-25, 2019 targeting school children as part of its advocacy effort for lifestyle-related diseases to prevent kidney ailments in grade school students during this year's Kidney Month celebration.

A total of 500 elementary grade school children were screened from selected schools in the region namely National Training School in Tanay, Rizal; Carmona National High School in Carmona, Cavite; Parang Elementary School in Pagbilao, Quezon; Sta. Cruz Central Elementary School in Sta., Cruz, Laguna; and San Agustín Elementary School in Ibaan, Batangas.

According to Regional Non-Communicable Disease Control Cluster Head Dr. Marilou R. Espiritu, a urine test is important to check the color, clarity, odor, concentration, and acidity (pH) of a child's urine including the levels of protein, sugar, blood cells to determine conditions like diabetes, kidney stones, a urinary tract infection (UTI), high blood pressure, or even kidney or liver diseases. "The activity was also done to heighten awareness on kidney diseases to school children."

"We need to conduct screening at an early age in order to provide treatment and prevent the onset of any chronic renal failure among our children," she added.

During the activity there were a total of 177 school children who were diagnosed with UTI and were given antibiotics for treatment. Dr. Espiritu disclosed that among the causes of UTI in children are low water intake, more soft drink consumption and too much salty foods.

The DOH places kidney diseases as the 7th leading cause of death in the country. Per hour, one Filipino develops chronic renal failure, or around 120 Filipinos per million people per year.

Urine testing or urinalysis is the simplest, safest and

inexpensive way to evaluate and detect serious renal diseases that may be present in the body. The dipstick method was used to rapidly identify renal or urinary tract diseases.

Dr. Espiritu emphasized the importance of having a healthy eating habit among children. "When we say healthy eating, it includes a diet that is low in salt, low in fat, low in cholesterol and high in dietary fiber and whole grains. Always consume the right number of calories that helps you achieve a healthy body weight. This can reduce the risk of getting obesity-related chronic diseases including kidney failure."

"As much as possible, we should limit the consumption of fast foods, soft drinks and junk foods to prevent healthy-lifestyle diseases," she recommended. (Glenn Ramos MRCU DOH-Calabarzon)

CAVITE PLACES 2ND IN THE 2019 SEARCH FOR OUTSTANDING LOCAL PROJECT MONITORING IMPLEMENTERS IN CALABARZON

THE province of Cavite was awarded a Certificate of Merit for being 2nd place in the Provincial Category of the 2019 Search for Outstanding Local Project Monitoring Committee in Region IV-A during the Second Quarter Regional Development Full Council Meeting held on June 20, 2019 at NEDA IV-A, Calamba City, Laguna. Members of the Cavite Provincial Project Monitoring Committee received the award on behalf of Governor Boying Remulla and Cavite PPMC Chairperson and Provincial Planning Coordinator Jes Barrera. Batangas Governor and RDC Chairperson Hermilando Mandanas led the awarding ceremony together with NEDA-IV-A RD Luis Banua, RDC Co-Chairperson Engr. Ladislao Andal, and SCMDA (Sectoral Committee on Macroeconomy and Development Administration) Chairperson Teresita Leabres. Quezon was hailed the Most Outstanding Local PPMC this year in the provincial category while LGU-Carmona placed 1st in the 1st-3rd Class Municipal category. The program was launched to seek commitment of LGUs to efficiently monitor projects and help NEDA on enrolment of projects, submission of up-to-date Regional Project Monitoring and Evaluation System reports, and identification of problems that impede project implementation.

OATH-TAKING... (FROM PAGE 1)

Outgoing Governor and elected 7th District Congressman Boying Remulla reminded the officials to adhere to their oath "to do their duties, function and responsibilities, uphold and defend the Constitution."

Mayor Lubigan who ran for mayor to continue the work and legacy of her slain husband, city vice mayor Alex Lubigan vowed to deliver services to Treceños and promote transparent leadership. Aware of the huge expectations on her new task, she gave assurance to the Treceños that she will love the city people, not the position given to her.

Incoming Governor Jonvic Remulla in his short speech thanked all the people behind Mayor Gemma's victory. He reiterated that if Vice Mayor Alex sacrificed his life, these people sacrificed their time and effort for the new mayor and the city. "*Huwag nating sayangin ang pagkakataong ito*", he stressed. He ended his speech by laying out the plans for the new Trece Martires City.

Other guests who attended the ceremony were newly elected 7th District Board Member Ping Remulla, barangay officials, city government employees, department heads, NGOs, pastors of different religion and other stakeholders.

DONATE ...

(FROM PAGE 1)

Ongoing until July 7, shoppers can donate books and school supplies to benefit school children of select SM Foundation supported schools. In exchange, shoppers will receive 50 pesos discount coupon for every donation made.

Earlier donations from the campaign, which was launched last May 20 were distributed to the Balanga Elementary School in Bataan where employee volunteers from the nearby branches of The SM Store In Pampanga and Olongapo shared a fun-filled day with grade 3 pupils. The SM Store donated books from Olongapo and Pampanga branches enough to fill up the mini-library of the two storey school building donated by SM Foundation. Bags and school supplies were also donated just in time for the back to school season.

The grade 3 pupils of Balanga Elementary school were also treated to a story telling session by The Story Telling Project (TSP), a non-government partner organization of SM, with the aim to spark hope, inspiration and imagination through storytelling. In the session, TSP demonstrated how you can inject fun and enthusiasm in reading as a group activity to teachers, parents, and pupils.

According to Rey Bufi, Executive Director of TSP, "we are aligned with the mission of The SM Store Share Movement Donate-A-Book campaign and Balanga Elementary School to make reading an enjoyable experience for children. It can help start the regular habit of reading in an age when children are often distracted with gadgets."

Reading, especially for third graders is a very crucial academic skill because it is the foundation of learning, Amy Iniето, Principal of Balanga Elementary School, shared that in addition to their regular school curriculum, they have a program to reinforce reading habits of learners.

"The books donated by The SM Store through its Share Movement Donate-A-Book campaign will be put to good use. It will become part of our teaching instruments to reinforce the value of reading," said Iniето.

The **SM Share Movement Donate-a-Book** campaign is part of The SM Store's quarterly donation drives- wherein it collects shoes, books, toys, and hygiene kits for identified unprivileged communities, including those impacted by calamities.

According to Joseph Rosal, Senior AVP for Operations of The SM Store, "more shoppers are looking for ways to give back and they can do this through The SM Store. We want The SM Store to become the venue for people to come together and foster the true Filipino spirit of sharing or "bayanihan."

The **SM Store Share Movement Donate-a-Book** campaign is ongoing until July 7 in all The SM Store branches nationwide. Shoppers can share new and pre-loved gently used books. The SM Store also accepts school packs and text books. (Michelle V. Cataulin PRO)

Grade three pupils of Balanga Elementary school received brand new back packs with school supplies from **The SM Store**.

These girls happily show their brand new school supplies courtesy of **The SM Store's #SMShareMovement** Donate-a-Book campaign.

Children from Balanga Elementary School enjoyed a fun coloring activity as part of the story book reading session.

Kids from Balanga Elementary School are ready for back to school with their new back packs from **The SM Store**.

The SM Store Pampanga Branch Manager Benjamin Reyes together with the kids of Balanga Elementary School shared some reading time at the mini book corner.

The SM Store Pampanga Branch Manager Benjamin Reyes read a short story to the grade three pupils.

Sideline to frontline: DOST works together with dried fish processors in island municipality

THEY say the greatest secrets are usually hidden in the most unlikely places. With six hours travel by boat and an hour travel on a habal-habal, Sittio Guinayayan in Patnanungan, one of the municipality in the Polillo Group of Islands, may not be the typical hidden gem on the surface, but beneath the downside is a secret worth knowing; their rich culture of pagtutuyo.

Located in an island municipality with the Pacific Ocean surrounding it, Patnanungan's bodies of water are blessed with bountiful harvests of diverse fish species. With this, fishing has been identified as the municipality's main source of livelihood. Some areas sell the fishes as they are, while some, process it further. Zeroing in on Sittio Guinayayan, *pagtutuyo* or fish drying of *Baliwis* has been one of their high profit sideline. Through their traditional knowledge on *pagtutuyo* and their organized group Guinayayan Association of Dried Fish Processors (GADFP), they were able to jumpstart an industry that could achieve many possibilities. The greatest of which is turning their sideline into a sustainable industry.

GADFP's traditional method of Baliwis Drying.

According to Mr. Emiliano Dellosa Jr., member and treasurer of GADFP, an estimated 100 kilos of *Dried Baliwis* can be produced by a single member of GADFP in one week during its peak season. This fact alone gives a glimpse of the industry's huge potential as the numbers were produced without the help of a fish dryer and without a standardized process. Imagine what more realities could transpire. Imagine the extent to which science and technology could help GADFP achieve more.

These imaginations soon found its way to fruition as things worked in GADFP's favor. The island municipality of Patnanungan was included in DOST's priority municipalities in geographically

isolated and disadvantaged areas. Through DOST's Enhanced Community Empowerment thru Science and Technology (CEST) program, LGU-Patnanungan has been enrolled in different S&T interventions like water and sanitation, health and nutrition, disaster risk reduction management, education, basic education and literacy and livelihood/economic enterprise development (L/ EED). Under the L/ EED, GADFP has been the key beneficiary for livelihood with their *Baliwis* dried fish industry. From then on, GADFP has undergone different stages of DOST's S&T interventions starting from the Technology Needs Assessment (TNA), to different trainings like technology training on the processing of dried fish and other fish products which was facilitated by the experts from the Bureau of Fisheries and Aquatic Resources (BFAR 4A). The recent intervention granted was through a seminar training on basic food hygiene and good manufacturing practices conducted by the DOST-Quezon Food Safety Team. The trainings and seminars conducted aimed to not just instill new and proper knowledge on fish drying to GADFP members, but also to help them collect and document their individual fish drying practices and turn it into a standardized process DOST-Quezon together with GADFP during the technology needs assessment.

GADFP members during the technology training on dried fish processing last June 25-28, 2018.

Aside from the technical know-how, GADFP's seasonal production due to weather constraints is on the process of being answered.

Through the dynamic collaboration of LGU-Patnanungan and DOST, GADFP now have their very own fish drying facility. DOST has already downgraded funds and have facilitated the purchase of a fish dryer, upright freezer, stainless steel working table, tables with sink, and vacuum packaging machine. The LGU, on the other hand, has already secured the land and has provided the funds for the newly-constructed building the structure of the facility.

Fueled hopes

With the different S&T interventions GADFP has been showered with, the return is not just enhanced knowledge or better processes, more so fueled hopes. When asked about what they feel toward their new Fish Drying Facility, Dellosa answered with the future he now envisions for their association.

"Siguro pwede na po kami mag-dispose sa malalaking lugar katulad ng sa mga SM ganon...Siguro kung maganda yung aming proseso ng kalakal medyo gaganda yung aming presyo."

GADFP's story however is just beginning to unfold. Collaboration with LGU, a proactive association, and the willingness to learn and grow of GADFP are just some of the vital factors which triggered the start of their plotline. With a dream in mind and a clear vision of the storyline they want to achieve, GADFP is surely on its way to making their brand of *Dried Baliwis* known better by a wider market.

The CEST program in Patnanungan is continuously making an effort to foster the culture of science and technology application in different basic focal areas. When it comes to livelihood, with the proper dose of science and technology, GADFP and Patnanungan's Dried Baliwis will hopefully find its way to the frontline.

(Demea Angelica S. Ludia)

ORANI, BATAAN LGU CONDUCTS BENCHMARKING VISIT AT PGC

EMPLOYEES of the local government of Orani, Bataan headed by Mayor Efrén E. Pascual, Jr. conducted a benchmarking visit at the Provincial Government of Cavite on July 02, 2019 to learn about the procedures undertaken to become ISO 9001:2015 Quality Management System certified and analyze the process in offering products and services. Vice Governor Jolo Revilla warmly welcomed the delegation at the Session Hall of the Legislative Building in Trece Martires City and extended his gratefulness for being chosen as the site of the study-visit. He reiterated that the provincial government would not be able to achieve the certification without the dedication of Governor Jonvic Remulla and support of all the departments. He also believed that the municipality of Orani has a strong potential to attain the ISO Certification. Governor Remulla also met with the visitors and emphasized the importance of being transparent and productive as it promotes a more predictable form of governance. In the afternoon, the group visited various offices of the provincial government and learned of the different practices in performing certain activities as well as their quality control functions.

Call for Synergy

Schools Division Superintendent, Hermogenes M. Panganiban, expresses joy and thanks to the ICT Unit headed by June Bence L. Adelan and all the other involved personnel for successfully staging the Division Cyber Expo, the first in the history of the Department.

(Photo by Aram Orense)

division cyber expo in the country on June 26-28 at Leighton Hall, Lancaster New City, Imus City.

Anchored on the National ICT Month theme "See ICT Differently," the all-expense-paid event via sponsorship aimed to enhance the ICT literacy and related competencies of around 350 participants composed mostly of education program supervisors, school heads, school ICT coordinators and select teachers from the city's 35 public schools.

Education Transformation

In his keynote speech, Dir. Abram Abanil of the Department of Education (DepEd) ICT Service, shared about how ICT became more prevalent over the years.

"Dati, ang konsepto lang natin ng ICT are only about computers, projectors and printers. Ngayon meron nang mga laptops, drones, and cellphones which contain the computing power of servers that only big corporations used to have," Abanil said.

The director cautioned that ICT will continue the strength in becoming more pervasive as new technology such as robotics, artificial intelligence and internet of things are perfected in mass production.

"As such, we in the education sector have to adjust to the changing times," he said.

Abanil proceeded in praising the efforts of Imus City as the first division in the country to hold a cyber expo and advocate the digital transformation of education which "is one of the K to 12 features the DepEd is actively promoting among its teachers and learners."

The three-day expo featured industry experts and practitioners who facilitated various learning sessions ranging from the latest methods and approaches in

education technology including breakthrough software, systems and applications; netiquette; global community engagement; data privacy and cybersecurity; and best ICT innovations, strategies and practices.

Microsoft, in particular, announced that DepEd Central Office has purchased a 5-year country license to fully utilize the features of Windows and Office 365 by making it available to all DepEd personnel, especially those in the frontline.

In an interview, Division IT Officer June Bence L. Adelan said part of the event's objectives is to understand and maximize the use of Office 365 in classrooms while also identifying new ICT tools that may be helpful to teachers.

"We have been supportive of all the programs of the Central Office and I must say that Office 365 is truly a blessing, a bonus to us educators in terms of access to latest technology," Adelan said.

Meanwhile, Dr. Hermogenes M. Panganiban, OIC-Schools Division Superintendent, underscored the importance of synergy in making a difference as the paramount objective of the event.

"Development of competencies will happen through our teachers. It is the reason why you are here today, so that you will be equipped on the delivery of curriculum," Panganiban said.

"There are many interactive programs that you can use. There are four main skills that we have to develop among our learners: the learning and education skills; the information, media and literacy skills; communication skills; and lifelong and career skills," he added.

The superintendent said the needs are already being addressed and its development will not succeed without teachers who will actualize things in real-life situations, supervisors who will observe and oversee their application of skills, and principals who will ensure acquisition of necessary equipment.

"Through the concerted actions and efforts of everyone, from top management to teachers, if we will be working hand-in-hand, we believe that we can really make a difference, since this is a history we are making here today," he said.

Significant Support

Since its inception in 2013, DepEd Imus City has received full backing from the city government and regularly receives LED TVs, projectors, and other ICT equipment thru Project EMMANUEL (E-Learning Maximizes and Modernizes Acquisition of Never-Ending, Unparalleled and Enhanced Literacy), a 180-day face-to-face, mandatory, non-negotiable classroom instruction through multimedia presentation in accordance with DepEd Order No. 18, s. 2014 on school calendar.

Adelan expressed gratitude to City Mayor Emmanuel L. Maliksi and the members of the Sangguniang Panlungsod for the unceasing support.

"This cyber expo is one of the Division's timely

Assistant Schools Division Superintendent, Galileo L. Go, shares his experience and reiterates the purpose of being an educator of today's generation—the positives and the struggles that come with it—during one of the preliminary sessions in the 2019 Division Cyber Expo.

(Photo by Aram Orense)

Mark Anthony E. Jamisal, a teacher from Antipolo City Senior High School and a certified Microsoft Ambassador, shares some of the emerging ICT best practices such as CoSpaces, Merge Cube, Minecraft and Pickers which teachers may utilize and integrate in their lessons.

(Photo by Dennis Jay Gumboc)

response to the call for improved utilization of Project EMMANUEL equipment through capacity building for teachers," Adelan said.

The 2019 Division Cyber Expo was sponsored by Benedictine Institute of Learning, Big Ben's Kitchen, Cypher Learning, City Savings Bank, FGT Electronics, Google, Hotel Dominique, Hubhuman, Macrologic, ManuLife, Microsoft, PLDT, Property Company of Friends, Inc., Quipper School, Q Software Research Corporation, Rotary Club of Imus Independencia, St. Edward Integrated School, Tanza Oasis, and TIFF's Travel & Tours.

DOH TURNS-OVER ANTI-DENGUE SUPPLIES TO CAMP CAPINPIN

DEPARTMENT of Health (DOH) - CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) today turned-over anti-dengue and other vector control supplies to Military Camp Army Station Hospital, 2nd Infantry Jungle Fighter) Division Philippine Army, Camp Gen. Mateo Capinpin, Tanay, Rizal.

A Philippine Army Officer of Camp Capinpin receives another roll of Olyset screen from Regional Director Eduardo C. Janairo during the "Turn-Over of Anti-Dengue Supplies" held in Camp Capinpin on July 2, 2019.

"We have included all sectors including military camps in our efforts to lessen and eliminate dengue in the community. We have to ensure everyone including our uniformed personnel are safe and protected against mosquito bites that is why we have provided vector control supplies," Regional Director Eduardo C. Janairo stated in his message during the turn-over ceremony.

"The distribution and installation of Olyset treated nets inside the camp including the hospital is accompanied with the regular anti-dengue misting and clean-up operations. The mosquito nets are embedded with permethrin, which will provide five-year

protection from mosquitoes and other insects," he added.

The regional office has distributed a total of 150 rolls of Olyset nets amounting to Php1.2M; five hundred pieces insecticide treated bednets for Php222,500; two units of sprayer for residual spraying for 28,776; five boxes of insecticides for residual spraying for Php41,250 and personal protective equipment (PPE) amounting to Php6,800 were also given as part of the anti-dengue campaign of DOH. The long-lasting insecticide treated nets were installed as window screens and curtains.

Bayer employees and Gawad Kalinga volunteers cooked for 500 public school children in San Fernando, La Union

Bayer employees cooked, packed and distributed 500 food packs to elementary school children in San Fernando, La Union

Bayer Fund in partnership with Gawad Kalinga (GK) distributed 500 food packs to elementary school children in four public schools in San Fernando, La Union recently.

Some 30 Bayer employees and Gawad Kalinga volunteers cooked the food themselves and prepared the 500 food packs that were distributed. Thereafter, they visited a GK community in Brgy. Talogtog, San Juan, La Union for a fellowship lunch with the residents and an afternoon of fun and games.

Meantime, Bayer Fund is building feeding kitchens in Norzagaray, Bulacan and Echague, Isabela to help address the problem of hunger and malnutrition amongst public school children in the said areas. The central kitchens are expected to produce up to 3,000 vegetable-based meals daily which can help address the hunger and malnutrition of at least 3,000 students.

The feeding kitchens will be built and operated close to the schools and will provide at least 3,000 meals for 220 days. The kitchen will also use

locally produced crops which will help local farmers and other small businesses.

"We are very pleased to do another project with Gawad Kalinga which not only helps local farmers but would also involve school officials and parent volunteers who are encouraged to attend values formation and food education sessions. It is very inspiring that we are able to create shared value among the members of the community which ensures the project's success and sustainability, Ocampo said.

Meantime, Mark Lawrence Cruz, GK Project Head, noted that GK usually gets support for producing meals but not for expanding or building kitchens to produce these meals. "We are happy that we are able to get support from Bayer Fund to build central kitchen facilities so we can expand and improve our operations and reach out to more school children who will exponentially benefit from this project," Cruz said.

DepEd Imus holds 1st Division Cyber Expo; SDS Panganiban calls for synergy in ICT

Ugnayan sa pagitan ng PhilHealth at mga pasilidad sa Quezon patuloy pinaigting

DINALUHAN ng limang pasilidad sa Quezon ang unang serye ng Round Table Discussion (RTD) na inorganisa ng PhilHealth Regional Office IVA upang mabigyan linaw ang ilang isyu ng mga pasilidad. Natalakay sa nasabing RTD ang mga sumusunod:

1. Klaripikasyon patungkol sa Claim Form 4 (CF4)

Ang CF 4 ay isang dokumentong naglalaman ng clinical information ng isang pasyente na gagamitin ng PhilHealth sa pagsusuri ng claim. Sinimulan

ang implementasyon ng CF4 noong Abril kung saan kinakailangan XML file na ang gagamitin sa pamamagitan ng CF4 generator. Ang XML (Extensible Markup Language) ay isang format na dapat gamitin sa pagpapasa ng CF4.

2. Reconciliation Summary Module (RSM)

Ang RSM ay isang module na

DOH TURN...

(FROM PAGE 8)

According to the Regional Epidemiology and Surveillance Unit, there were a total of 9,669 dengue cases was reported with a 10% increase compared to the same period last year with 8,825. Age range from less than 1 year to 66 years old. Most affected are males with a total of 5,062 (53%), females with 4,543 (47%). There were 39 deaths.

Among the five

provinces, Cavite has the highest number of cases with 2,651 followed by Batangas with 2,123, Laguna - 1,966, Quezon - 1,653 and Rizal - 1,276.

Municipalities and cities with the highest number of dengue cases is Dasmariñas City, Cavite with 567, Calamba City, Laguna - 457, Lipa City, Batangas - 427, Batangas City -

422, Bacoor City, Cavite - 360, Antipolo City, Rizal - 355, Lopez, Quezon - 354, and Cabuyao, Laguna with 310.

"We shall continue to support our military personnel in the prevention and control of Vector-borne diseases that may affect their health and well-being in the performance of their functions and duties for the preservation and security of our country."

"Prevention is still the best protection against dengue," he emphasized. (Glenn R.)

6.8 milyong Shabu Kumpiskado sa 2 Bigtime Tulak sa parking ng SM Mall"

CAVITE — Matagumpay na nadakma ng pinagsanib na puwersa ng PDEA 4A, PDEA SES, PDEA RO-NCR, PDEA RO-IVA, PDEA RO-BARMM at ng Bacoor Police sa pangunguna ni Police Major Ruben A. Ballera J, ang dalawang pinaka bigtime na tulak ng Region 4 sa isinagawang buybust sa 2nd floor ng parking Lot ng SM Molino Brgy. Molino 4 ng lunsod na ito kamakailan.

Kinilala ni Cavite Provincial Director Sr Supt William Segun ang 2 suspek na sina Ato Kasim 30 anyos residente ng Lower Bicutan, Taguig City at si Jubaire Kitab Mohammad 21 anyos tricycle driver residente ng Samata Village Brgy. Talon 5, Las Piñas City.

Sa nakalap na ulat mula sa Bacoor Police alas 6:15 ng gabi ng ikasa ng kapulisan ang isang malawakang buybust laban sa 2 bigtime na tulak.

Bago ang buy bust ilang araw munang isinailalim sa surveillance ang mga ito. Nabatid na medyo nahirapan din sila sa ginawang pag aresto hinggil sa mailap ang mga ito at talagang sanay na sa malakihang transaksyon.

Nang masiguro ang gagawing operasyon ikinasa na ito at sa 2nd Floor

Parking Lot ng SM Molino sa Brgy. Molino 4 ang napagkasunduang transaksyon.

Maingat na ikinasa ang buybust at nagpositibo ito kung saan nakuhanan ang mga suspek ng may mahigit kumulang sa 1 kilogram ng shabu na aabot sa halangang Php 6.8 million pesos.

Nakuha din sa mga ito ng bundles ng boodle money, drug money, 2 piraso ng cellular phone at 2 sasakyan na Mitsubishi Lancer at Ford Everest.

Ayon sa PDEA matagal na nilang sinusubaybayan ang mga suspek at ilang beses na rin silang nagplano sa pagaresto dito subalit mailap ang mga suspek.

Dinala sa PDEA Laboratory Service para sa Laboratory Examination ang nakumpiskang mga shabu habang hawak ng PDEA ang mga suspek.

Estudyante timbog sa Loob ng Eskwelahan Marijuana inipit sa sapatos

BACoor CAVITE, CITY — Isang 19 anyos na estudyante ang inaresto ng Security guard ng kanyang eskwelahan at dinala sa pulisya matapos itong mahulihan ng marijuana na isiniksik nito sa kanyang sapatos sa loob mismo ng kanilang paaralan kung saan ito nag aaral kahapon ng umaga sa Bacoor National High School brgy Molino 4 ng nasabing lunsod.

Kinilala ng pulisya ang estudyante na si John Wilfred Navarro 19 anyos esudyante ng Bacoor National High School residente ng Blk 2 Lot 8 St John Addas 2 Molino 2 ng lunsod ding ito.

Sa imbestigasyon ng Bacoor Police alas 9:30 ng umaga ng komprontahin ni Ronnie Alvarez 39 anyos Public School Teacher ng nasabing Eskwelahan ang suspek matapos nitong mapansin na kahina hinala at ng kanyang lapitan ay

bigla nitong isiniksik sa lanyang sapatos

Dahil dito agad na nitong tinawag ang kanilang Security Guard na si Roilan Sevilla at pinakapakan ang suspek.

Dito nakumpiska ang isang teabag ng marijuana na isiniksik nito sa kanyang sapatos kung kaya dinala nila ito sa pulisya. Malamang umanong ito rin ang nagbebenta sa ilang estudyante dito.

(FROM PAGE 8)

napapaloob sa HCI Portal kung saan maaaring tingnan ng pasilidad ang status ng kanilang claim na ipinapasa sa PhilHealth.

3. Standards of Care

Ipinaliwanag ang polisiya sa pagpapasa ng claim para sa Pneumonia, Acute Gastroenteritis (AGE), Urinary Tract Infection (UTI), Asthma (Hika), Chronic Obstructive Pulmonary Disease (COPD) at Sepsis

4. Isyu ukol sa

Service Provider (SP) at klaripikasyon patungkol sa RTH

Pinaalalahanan ng PhilHealth ang mga pasilidad na makipag-ugnayan sa kanilang Service Provider kapag nagkaroon ng XML error o hindi kumpleto ang pagkaka-upload ng CF4 ng isang Service Provider upang maisaayos ang nasabing pag-upload ng impormasyon. Ang

Service Provider (SP) o dating Health Information Technology Provider (HITP), ang nangangasiwa ng teknikal na aspeto sa pagpapasa ng CF4 ng mga ospital sa PhilHealth. Ang CF4 ay nagmumula sa kanilang kapartner na pasilidad.

Pinangunahan ni Dr. Maria Theresa G. Liwanag, OIC ng Health Care Delivery Management Division, ang pagpupulong kung saan dinaluhan ito ng mga kinatawan mula sa Alabat Island District Hospital, Calauag Muni-cipal Hospital, Bondoc Peninsula District Hospital, Candelaria Municipal Hospital at Camp Nakar Station Hospital para sa unang serye ng pag-uusap na tatagal hanggang Agosto. Ang RTD ay isasagawa sa lahat ng accredited na ospital mula sa mga lalawigan ng Quezon, Laguna at Cavite.

Sa pamamagitan ng RTD, inaasahan ng PRO IVA na mababawasan ang Return to Hospital (RTH) at Denied Claim ng mga ospital. Magkakaroon ng

monitoring ang pasilidad kung ano ang status ng kanilang mga claim na isinumite sa PhilHealth gayundin kung anong mga claim ang nabayaran na

ng PhilHealth sa pamamagitan ng RSM.

Ang ginanap na RTD ay ilan lang sa mga gawain upang mas lalong mapabuti ng PhilHealth,

katulong ang mga Health Care Institution, ang serbisyo sa miyembro nito nasa ilalim ng National Health Insurance Program (NHIP). (JPC)

Isinagawa noong June 25, 2019 sa PhilHealth Regional Office IVA ang Round Table Discussion na dinaluhan ng limang pasilidad mula sa mga bayan ng Quezon.

Isa lang ang Round Table Discussion na paraan upang mas mapabuti ang ugnayan ng PhilHealth at mga Health Care Provider
