KORAPSYON PAANO MAPATIGIL?

I LANG taon na lang at matatapos na ang termino ni Pangulong Duterte at muli ang isa sa kanyang ipinangako sa taumbayan na sugpuin ang korapsyon, at magandang balita naman na meron tayong nasubaybayan na ilang opisyal ng gobyerno ang nasibak sa pwesto dahil sa pangungurakot.

Pero ang tanong bakit marami pa rin ang

nangungurakot? Na halos maraming beses nang nanawagan at nagbabanta ang ating Pangulo tungkol sa korapsyon, na sisibakin ang opisyal ng gobyerno na mapatunayang nangungurakot.

Pero sa kabila nito ay wa - epek ang panawagan ng Pangulo dahil sangkatutak pa rin ang lantarang nangongotong at nag e - extort na walang katakot - takot, na matatandaan na ilang higher personnel ng B.I.R. ang naaresto ng dahil sa extortion na sinampahan ng kaso sa Office of the Ombudsman.

Ano pa kayang paraan ang gagawin ng ating Pangulo para masugpo ang korapsyon sa bansa? Paano nga ba maamoy ang alimuom ng korapsyon hindi lamang sa B.I.R. kundi maging sa ibang ahensya ng pamahalaan. Dahil hangga't may korapsyon mahirap matugunan ang pangangailangan ng mamamayan.

Martires City on July 9, 2019 for the first Hemophilia Awareness Symposium in the province.

With the noticeable low level of public awareness and even of some hospital personnel on hemophilia, the HAP-Cavite Chapter led by Ms. Lota N. Madamba tapped the provincial government through Provincial Health Officer Dr. Gilbert Ilog and Epidemiologist Dr. Nelson Soriano for the conduct of the one-day activity that encompassed talks about the bleeding disorder, its history and how it affects children and female patients. The organization aimed to raise social and political awareness for them to lobby their advocacy and seek legislative measures that will address the hemophilia medical condition.

Dr. Soriano who delivered a message on behalf of Dr. Ilog highlighted the importance of having a Hemophilia

Treatment Directory and identification cards of PWH which can be presented to healthcare providers in availing medical and dental services. Likewise, Dr. Soriano underscored the value of the activity, believing in the principle that one must know the enemy in order to defeat it. Education is still the key along with proper information dissemination. He also thanked the attendees for their time and hoped that hemophilia be included in the Universal Health Care Bill.

Provincial Administrator for Community Affairs Dr. Alvin Mojica visited the activity on behalf of Governor Jonvic Remulla signifying support to the advocacy which gave more hope and strength to HAP-Cavite.

Participants showed much interest to the topics presented, thanking pediatric hematologist from the Korean-Philippines Friendship Hospital and a hemophilia advocate Dr. Melissa Montoya, for sharing significant inputs on pediatric bleeding disorder and a few tips on

THE HEART OF PUBLIC SERVICE

JOYFUL hearts filled the atmosphere at Tejero Elementary School in the City of Gen. Trias on July 11, 2019 where the provincial government conducted another outreach program. The medical and dental mission that served almost 500 patients was deeply appreciated by the people, especially by Tejero Barangay Captain Jon-Jon Cruz and SK Chairperson Ken de Guzman. The school principal together with the pupils welcomed all the medical volunteers and guests including Board Member Kerby Salazar, Mr. Toby Ferrer and Mr. Kyle Salazar from the Office of Mayor Ony Ferrer. As Chairperson of the Committee on Health at the Sangguniang Panlalawigan, BM Salazar ensures that public health programs are being effectively implemented, doing his rounds checking the wellness of constituents while also representing Governor Jonvic Remulla.

Good Vibes and More

ni Marites Leonillo

NAGBIGAY ng ngiti at kasiyahan sa mga nabiktima ng sunog ang pag punta ni Senator Bong Go sa covered court ng Barangay Talaba 7, Bacoor Cavite. Hiyawan at palakpakan ang may 290 ka mga pamilya na apektado sa sunog na naganap nitong July 5, 2019 bandang 6:00am sa nabanggit na barangay, sa dalang tulong ni Senator Go.

Ito ay tulong financial, may pagkain at grocery. Sinagot na rin ng Senator ang mga uniforms at school supplies ng mga estudyante na nabiktima ng sunog. Inalam ng Senator ang kalagayan ng mga tao, at nalaman niyang pag-mamay-ari ng isang pribado ang tinitirhan ng mga tao.

May dalawang options ang Senator at ito ay kanya niyang tinalakay kay Mayor Lani M. Revilla ng Bacoor City. Ang unang option ay ang kausapin ang may ari ng lupa kong papayag itong bilhin ang kanyang lupa, mag buo ng isang organisasyon ang mga mamamayan upang mapasa-kanila ang lupa sa ilalim ng Community Mortgage Program o CMP.

Ang ikalawang option ay ang low cost housing sa Naic na pwede nilang ma-avail ang pamurang pabahay ng gobyerno. Kaugnay nito, isinusulong ni Senator Go ang National Housing Development Act isang long term plan na tina-target ni Pangulong Rodrigo Duterte na magkaroon ng sariling lupa at pamamahay ang mga tao. "**Wala nang squatters sa sariling bayan**", pag diin ni Go.

Isinusulong din ni Senator Go ang extension ng mga Barangay Officials hanggang sa October 2022. Masyadong maiksi raw ang dalawang taon sa mga nanunungkulang mga barangay officials. Mga programang isinusulong pa ni Senator Go ay ang **Malasakit Center** - dito ay ilalagay na lang sa isang lugar ang mga ahensiya ng gobyerno na nagbibigay ng tulong sa mga maysakit.

Katulad ng PCSO, Philhealth, DSWD at ng iba pa. Sa Malasakit Center, isang upo na lang, isang araw na proseso at hindi na pahihirapan ang mga pasyente. Nagpahayag din ng kanyang tulong ang senador sa may

mga sakit sa puso o sa kidney na maipagamot. Ilapit lamang sa kanya at siya na ang bahala sa pamasaha, sa operation hanggang sa makauwi sa Cavite.

Ayon pa sa Senator may mga espyalista sa Manila na pagdalan ng mga pasyente. Ang iba pang batas na kanyang sinusulong ay ang pagkaroon ng **Department of Disaster Resilience** isang departamento na siyang mamamahala sa anumang uri ng kalamidad na tatama sa ating bansa. **Salary Increase** para sa mga teachers at nurses, **Death Penalty, Amendment of Solo Parent Act** at ng iba pa.

Nagpasalamat din ang Senator sa mga tulong ng mga

how to manage cases in children.

Dr. Montoya also shared the vital application of the acronym RICE for patients with hemophilia, which stands for Rest, Ice Packs, Compress and Elevate; while hemophilia in female patients was tackled by Dr. Jayson Dadural, an adult hematologist of Emilio Aguinaldo Medical Center. He said that bruising and other symptoms of hemophilia must be taken seriously and should be consulted immediately to doctors.

In addition, Dr. Montoya told audience that she already recommended to the Department of Health (DOH) for the allocation of Factor 8 (F8) concentrate to the Gen. Emilio Aguinaldo Memorial Hospital (GEAMH). Clotting factor concentrate prophylaxis aims to preserve joint function by converting severe hemophilia (factor VIII or IX less than 1%) into a clinically milder form of the disease. This news provided more hope to PWH given the fact that very few

hospitals have the capacity to handle patients with bleeding disorders.

On the other hand, PWHs in Cavite gave testimonials on the challenges they face day by day, from pain levels, to hospital bills, transportation, down to stories of being refused by healthcare providers whenever being informed of their case. To assist them, Social Welfare Officer III Brendalyn Salazar of PSWDO discussed the simplified procedure and requirements on seeking financial/medical assistance, as well as on requesting for wheelchairs to the Office of the Provincial Governor. She also pledged that their office will lobby for PWH patients to be included in the special cases like chemotherapy and dialysis patients who are qualified to receive financial assistance from the provincial government on a regular term. The statement uplifted the spirits of hemophilia advocates, patients and

their families, knowing that their needs are also being addressed by the government.

In closing, PHO's National Blood Program Coordinator Ralph Laurence Figueroa, acknowledged the organizers and participants who made the event possible, underlining the significance of equitable distribution of resources, giving priorities to indigents in the province, since majority of Filipinos with bleeding disorders live below poverty line as per study of HAP.

Hemophilia is a genetically-inherited bleeding disorder in which the person's blood does not clot normally. People with hemophilia can experience spontaneous bleeds with no known cause, internal bleeding and painful swollen joints. Medical scientists have not found a cure yet for what is termed a Royal Disease. Symptoms of hemophilia may include nosebleeds, bruising, bleeding for no reason, blood in urine and stool, nonstop bleeding after a cut, tooth extraction or circumcision or a heavy prolonged menstruation. Understanding hemophilia is a great first leap towards

achieving the "Right to Live" campaign of HAP.

There are about 10,000 Filipinos with hemophilia and about a million others with von

Willebrand disease and other bleeding disorders in the Philippines, but only about 1,500 have been registered with the Philippine Hemophilia Foundation.

In Cavite, as of June 2019, according to HAP-Cavite Chapter there are 28 registered patients in their organization while others are yet to be identified. ----PICAD

Pag-usapan ni DOMZ CADILE Natin

HE's the President's man. Kung i-describe siya ng media, the official photo bomber, kasi nga, sa pagtulog na lang yata ni Presidente Rodrigo

Roa Duterte (PRRD) hindi nakakasama ang noon ay special presidential assistant to the President (SAP), now Senator Christopher 'Bong' Go. I was lucky, I met Sen. Bong Go nang dumalaw siya sa Talaba 7 (Bacoor City) upang magbigay-tulong sa mga biktima ng sunog sa lugar noong nakaraang linggo.

I received a text message na dadalaw ang official photo bomber sa basketball court ng Talaba 7 na pansamantalang ginawang evacuation center ng mga fire victims.

Kasama ni Sen. Bong Go ang butihing Ina ng Bacoor, Mayor Lani Mercado-Revilla, mga opisyal ng City Social Welfare and Development Office (CSWDO), Philippine Charity Sweepstakes Cavite head, Madam Paloma, police crimebuster, Bacoor PNP chief, police Lt. Colonel Vicente Cabatingan at iba pang city government officials.

Nagmasid-masid lang muna at kinumusta ang ilan sa mga nasunugan; kaawa-awa ang kalagayan nila; sabi ng isang matandang babae, wala halos natira sa nasunog niyang munting tirahan.

"Walang-wala talaga kami, salamat at nagpadala ng tulong sina Mayora (Lani) at Senador Bong Revilla. Kahit paano, nakakaraos kami."

May nakita akong sanggol, kalong-kalong ng ina, umiikay, nagugutom, iniluwa ng ina ang dede niya upang patahimikin ang nagugutom na bata na tumahimik at lumuluhang sinisikap makakuha ng gatas sa ina.

Nakita ko si Sen. Bong, niyayakap, hinahaplos ang ulo ng mga biktima na lumalapit sa kanya at sinasabi, 'wag mag-alala, bukod sa relief goods at iba pang tulong na dala niya, iparating niya sa Pangulo ang iba pang karangian nila.

Sa kanyang maikling talumpati, sinabi ni Sen. Bong na handa ang opisina niya na magbigay pa ng dagdag na tulong at sinabi pa, "Ipinarating ng Minamahal na Presidente Duterte ang pakikiramay sa inyo. Aking

iparating sa kanya ang inyong mga karangian, at darating po ang tulong."

Narinig namin ang sigaw ng pasasalamat ng mga biktima ng sunog, "Bong Go, mabuhay si Senador Bong Go!" paulit-ulit na hiyawat at pasasalamat.

Bukod sa mga tulong na pagkain at gamot, sinabi ni Sen. Bong Go na siya na ang bahala sa uniporme ng mga estudyanteng nasunugan; pati mga gamit sa bahay at kusina, at financial assistance.

At totoo pala yung sinasabi na ugali noon pa ni Sen. Go na ang suot niya sapatos, pati tee-shirt ay hinuhubad at ipinamimigay; ay, kung pwede nga lang, pati ang pantalon, sabi niya ay ipamimigay niya.

"Kungdi lang nakakahiya, pati pantalon ay huhubarin ko," pabirong sabi niya - na sinundan ng malakas na tawanan ng mga tao.

Lalong lumakas ang sigawan nang sabihin ni Sen. Go na ang nangangailangan ng medical assistance, kung may kailangang ipagamot sa ospital sa Maynila, "Magpunta lang kayo sa aking opisina, basta magpaalam sa inyong kapitan, sasagutin ko ang lahat."

May 10 Senate Bill na rin ang naisampa niya sa Senado, sabi ng senador, isa rito ay ang death penalty sa heinous crimes tulad ng plunder, drug trafficking, rape with murder at iba pa.

At isusulong niya ang agad na implementasyon ng Universal Health Law na pinirmahan ni PRRD at ang iba

pang serbisyo sa mahihirap.

Siyempre, nagbigay rin ng tulong ang city government sa pamumuno ni Nanay Mayora Lani at sinabi niya na open ang opisina niya at ang CSWDO sa mga nangangailangan ng tulong.

We congratulated Lt. Col. Cabatingan sa kanyang matagumpay na campaign against criminality, lalo na sa anti-illegal drugs campaign: talagang nakakabili ang mga tauhan niya sa sunod-sunod na pagdakip sa mga notorious drug offenders sa Bacoor.

Sinabi ko kay Chief Cabatingan na minsan, dadalawin ng tropa ang opisina niya para makapanayam siya at sabi niya, "Anytime, welcome kayo sa amin."

A thousand salutes po sa inyo, Sen. Bong Go sa kanyang "Bisyo ko ay Magserbisyo"; Mayora Lani, Lt. Col. Cabatingan, Madam Paloma, CSWDO officials, CDRMO at lahat ng Bacoor City government public servants!

Ayon kay Salceda na nanalo ng walang kalaban sa

katatapos na halalan, tiyak na maaasahan ang malawakan at makabuluhang mga reporma ng 'economic, social and political' ng pamunuang Duterte sa susunod na tatlong taon dahil sa 'supermajority win' ng mga kaalyado ng administration sa Senado at Kamara.

Ang panukalang Department of Disaster Resilience ang magiging pangunahing ahensiya ng pamahalaan sa pamumuno, pangangasiwa, at pag-uugnay-ugnay ng mga inisyatibo sa pagtugon sa mga banta ng kalamidad, rehabilitasyon matapos itong manalasa, at patuloy na pagsulong. Sa nakaraang tatlong taon, paulit-ulit na nanawagan si Pangulong Duterte na pumasa ng batas na lilikha nito. Ang TRABAHO bill naman ang ikalawang balangkas ng mga reporma sa buwis ng pamahalaan na magbibigay din ng maraming benepisyo sa mga mamumuhunan.

Layunin ng 'Housewives Compensation Act' ang

pasahurin ang kababaeang itinuturing na "walang pakinabang" bunga ng hindi nila pagtatrabaho sa labas dahil naglilingkod nga sila sa kanilang mga asawa at anak. Lilinawin naman ng amyenda sa 'Public Service Act' ang konsepto ng "public utilities" upang mapalawak ang mga industriyang maaaring pamuhunan ng mga 'investors.' Layunin naman ng 'Public Schools of the Future' (PSOFT) na maging haligi ito ng 'Philippine education' at 'ihanda ang mga magaal sa mga hamon ng teknolohiya sa nalibang daigdig ng trabaho at ekonomiya sa hinaharap."

Mahahalagang benepisyo rin ang alay ng iba pang panukalang batas ni Salceda, kasama ang 'Internet Speed and Connectivity Emergency Act,' ang '35-hour Work-week for Public and Private Employees, Last Mile Schools Act, Science for Change Program, Mandatory Overpass for Students Safety, and Public-Private Partnership (PPP) Modernization Act,' at iba pa.

"ANG SERBISYO... (FROM PAGE 1)"

Sa nangyari nagkaroon naman ng emergency visit ang bagong halal na si Senator Bong Go upang tiyakin na ang lahat ng mga pangangailangan ng mga nasunugan ay matugunan. Kasabay nito nagbigay din ang senador ng mensahe patungkol sa ilang batas na kanyang isusulong na aniya "Una kaya ako narito dahil ipinangako ko sa mga Pilipino noon pa man na kahit saang sulok kayo ng Pilipinas ay pupuntahan ko kayo, para pakinang ang inyong mga hininga. Una sa mga barangay officials nais kong bigyan ng extension

ang inyong termino at para naman sa mga nabiktima ng sunog ay meroon akong bill na isusulong."

Idinagdag naman ng senador ang ilan pa sa sampung batas na kanyang isusulong, "Ang National Housing and Development Act yan ang una sa sampung bill na aking isusulong para mabawasan naman ang mga Pilipino na walang sariling tirahan, na wala nang squatters sa sariling bayan. Kaya po ako nagfile ng Death Penalty para sa heinous crimes, illegal drugs at sa kasong plunder dahil ang

Pangulong Duterte ay galit sa mga kriminal at katulad ko galit din ako sa mga kriminal."

Ang isa pang bill na aking isusulong ay yong malasakit centers, isang one stop shop isang bubong na nandoon na lahat ang iba't ibang ahensya ng gobyerno. Ito ay para mapabilis ang paghingi ninyo ng tulong sa ating gobyerno, dahil minsan lang po tayo dadaan sa mundong ito. Kung anong kabutihan o tulong na pwede natin gawin sa ating kapawa, gawin na po natin ngayon dahil hindi na tayo babalik sa mundong ito, ang serbisyo sa tao ay serbisyo sa Diyos."Ayon pa kay Senator Bong Go.

namely: No Poverty (SDG 1), Decent Work and Economic Growth (SDG 8), and Peace, Justice and Strong Institutions (SDG 16).

For the No Poverty exhibit, DOST will show how the Community Empowerment through Science and Technology (CEST) program has contributed to poverty alleviation in the countryside. To increase the public's awareness about the assistance of DOST to MSMEs and communities, success stories of beneficiaries assisted by the different DOST Regional Offices will be presented in dioramas. Majority of those stories will focus on CEST beneficiaries especially the Best CEST Awardees. CEST products will also be on display, such as bags and candles from Barangay Poblacion, Muntinlupa City, a DOST-NCR-assisted community.

The Decent Work and Economic Growth exhibit will focus on making micro, small, and medium enterprises (MSMEs) SMARTER - Socially Responsive, Market-Oriented, Agile, Resource-Efficient, Technology-Intensive, Environment

Friendly, and Resilient - through the Small Enterprise Technology Upgrading Program (SETUP) 2.0, with technology demonstrations featuring equipment of SETUP beneficiaries such as CNC laser marking machine, 3D printing machine and form fill seal machine. The concept will show how DOST's SETUP helps in increasing the capability and productivity of MSMEs and subsequently contribute to the country's economic growth.

Lastly, the Peace, Justice and Strong Institutions booth will highlight the S&T initiatives in Marawi's Rehabilitation such as livelihood and innovation system support projects, scholarship, and complementary feeding programs for Maranaos who have been displaced by the Marawi Conflict. These are but a few of the DOST assistance that helped the affected residents to start their lives anew.

The Regional Offices' exhibit will also have a Gamezone area featuring interactive activities for kids, an Innovation Lounge

to provide a venue for sharing of innovation best practices, training series, and technical consultancies, a Wellness Garden introducing the vertical helophyte technology used in water filtration and a Souvenir Shoppe by OneStore where visitors can buy souvenir items produced by DOST beneficiaries.

NSTW is celebrated every third week of July by virtue of Proclamation No. 169 of 1993, to highlight the significant contributions of science and technology to national development. It has also become a platform for heralding S&T advocacy in the country.

As in previous years, DOST-NCR has taken the lead role in the execution of the ROs exhibit booth.

Admission to the 2019 NSTW is free and the exhibits will be open from 1PM to 6PM on July 17, and 8AM to 6PM on July 18-21. For more details and information about the different exhibits, forums, and activities during the National Science and Technology Week 2019, please log on to nstw.dost.gov.ph.
