Sen. Panfilo Lacon in an interview said he will support the Death Penalty Bill of Bong Go when the time it will be tackled at the Senate floor.

Go visited Brgy. Talaba 7 to distribute relief goods, financial assistance

and school supplies to the families victimized by fire last week that left hundreds of poor residents homeless.

Go was assisted by City Mayor Lani Mercado-Revilla and other city health and social services

officials in the distribution of financial and other assistance to fire victims.

Go urged the city residents to help the administration in its continued campaign to eliminate illegal drugs and corruption in government.

"Ngayon na po ang tamang panahon na tulungan na Pangulong

Duterte na matigil ang korapsiyon at illegal drugs sa ating bansa. Ang mga bill na ito ay isang paraan upang matulungan ko ang ating Pangulo. The President is exasperated with what is happening to the country. We should help him in whatever way we can just to stop these heinous crimes na nagpapahirap sa ating bansa," Go said.

In his bill, Go said that he wants to lower the threshold amount for plunder to less than P50 million.

During the distribution, as usual he gave away the tee-shirt and shoes he was wearing and joked that if permitted he will also give away his pants, to the laughter of the cheering crowd.

He urged those who are in need of medical and hospital assistance to visit his office and he will take

care of their needs.

"Basta magpaalam kayo sa inyong Kapitan at magpunta sa aking opisina, kami na ang bahala sa inyo," Go said.

The crowd, particularly the fire victims cheered Go and chanted: "Go, Bong Go;" "Mabuhay si Senador Bong Go!"

Go responded saying he would want to institutionalize the "Malasakit Centers," a one-stop shop for indigents needing medical and financial assistance from the government.

Malasakit is "Compassion" is one honored Filipino values.

"Malasakit Center was conceptualized by Go where at present, there are 34 Malasakit Centers around the country.

"Sigurado po ako, marami sa inyo ay may

kapamilya o kaanak na nasa abroad, kaya isinusulong ko ang creation of a department para sa ating OFWs (overseas Filipino workers).

Bong Go has filed a resolution seeking the creation of a committee on the OFWs in the Senate.

His website showed that young Senator is also pushing for the creation of a department on disaster resilience, increase of salaries of government workers, amendment of the Solo Parents' Welfare Act.

Other bills are amendments to the National Housing Development Production and Financing Act; the enactment of the Fire Protection Modernization Act of 2019; and a bill postponing the barangay elections to October 2022 from May 2020. (DOMZ B. CAOILE)

According to UB Manager Ferrer, the exhibit set-up was initially geared to have MSMEs use the QR platform or cashless transaction. However, due to time constraints coupled with the technicality of QR codes application, they opted to do over the counter and machine deposits. Since alternative sources of financing for business-startups and expansion are very vital to MSMEs, UB will also get the chance to promote their business development products and services to clients

PILIPINAS TAMBAKAN NG IMPORTED NA BASURA?

BAKIT hanggang sa ngayon ay hindi matigil - tigil ang pagpasok ng mga imported na basura dito sa ating bansa? Ano kaya ang ginagawa ng mga ahensya na may access sa ganitong problema, paano nila mapag - aralan at mabigyan ng solusyon? Samantalang ang nangungunang ahensya na nakafrent sa using ito ay ang Bureau of Customs (BOC) na siyang tagasugpo ng mga illegal na shipment na pumapasok sa ating bansa. Subalit sa mga isyu

ng illegal shipment entrapment bakit nasasangkot at nadadamay sa isyu ang ahensyang ito? Kung kaya't hindi natin masisi ang mga bashes ng mga netizens sa social media na walisin ang mga korap sa BOC.

Ang isang nakakalungkot dito ang mga basura na dinadala dito sa ating bansa ay nakakasira ng ating kalikasan at kalusugan. Ang Department of Finance (DOF) ay isa sa mga ahensyang nakaantabay sa problemang ito na sinuportahan naman ng EcoWaste Coalition. Na sa pagdaan ng mga panahon tanging si Pangulong Duterte lamang ang nagbigay ng aksyon laban sa talamak na pagpasok ng foreign trash dito sa bansa. Na siyang pinagkakakitaan ng ilang korap ng Higher Personnel ng BOC.

Na kaugnay ng using ito may isang ambassador ng bansa na pinauwi ni Pangulong Duterte kasama ang kanyang mga embassy officials, pero sa kabila ng mga pangyayari bakit magpahanggang ngayon ay may nakakalusot pa rin na foreign trash?

and would-be entrepreneurs throughout the event.

Meanwhile, Ms. Gabatan of PCLEDO thanked the kind assistance of Union Bank, as well as the cooperation of MSMEs, on behalf of Cavite Governor Jonvic Remulla and their OIC Atty. Reyes. She wished for further success of the BIZ iCREATE graduates and for stronger ties among private stakeholders that can champion MSMEs globally. She also lauded the support of the Provincial Tourism and Cultural Affairs Office headed by Provincial Tourism Officer Ms. Rozelle Sangalang through provision of various promotional and media collaterals, which added life and colors to the exhibit.

Among the exhibitors who have maximized their potential in business through the trade fair which will run until July 19, 2019 are Ms. Ma. Isabel Punzalan of Delfa's Food Products, Inc.; Ms. Susan Tenorio of San Lit Spread; Ms. Ruby Jimeno of RTJ Enterprise; Ms. Angelica Chongco of Mayumi Organics; Ms. Gina de Gala of Flowers and Vase Event Styling, and Mr. Royette Candanido of Royette's Ice Cream Mfg. These entrepreneurs are beyond grateful to the provincial government of Cavite, PCLEDO and Union Bank for the assistance to them from the beginning - from positively transforming their mindset up to linking them to different platforms that will boost their business. support from OIC-Schools Division Superintendent, Dr. Hermogenes M. Panganiban.

Participants were composed of select school heads and 25 SPED teachers from Imus Pilot ES, Gov. D.M. Camerino ES, Anabu II ES, Malagasang II ES, Alapan I ES, Bukandala ES and Bayan Luma II ES, all of which are offering Inclusion Program.

Dr. Nelson M. Ravina, one of the speakers, pointed out that SPED teachers should have "a change of heart," in teaching and helping learners with special needs.

Ravina shared the latest researches and trends in Special Education, Inclusion, Curriculum-Based Strategies and Assessment, and Vocational Livelihood Program in American Learning Experience.

He also added that skills, strategies and support are really needed for teachers to reduce the stress levels and to feel more positive about the inclusion because "this will give certain focus on transition learners to make them independent as they learn livelihood activities."

Since the target of the training is a livelihood program, Jinkee M. Saria and Elma G. Abad, both teachers from Tanzang Luma ES, showcased their knowledge on how to cook Longganisang Imus and make it extra special and unique with homemade Malunggay powder.

Food processing of tocino and beef tapa was also demonstrated by Recheal B. Canlas, Merizza C. Tabacon, Gretchen S. Torio and Rosita Gerona from General Emilio Aguinaldo National High School.

Aside from food processing, Parfum 101 by House of Artisan, a company committed in advocating perfume-making, extended its support to the event by sharing essential knowledge to market their very own fragrance.

"We return the economy's corporate social responsibility through social entrepreneurship," said Parfum 101's Conrad B. Aperto Jr.

The workshop taught the teachers and learners the venture-production formula, conceptualization of products and compounding, mixing tips, production cost, packaging and how to establish the SRP (Suggested Retail Price) for perfume and alcohol.

Prior to the learning sessions, a ribbon-cutting on research poster exhibits was also facilitated by POPCOM officials and guests.

Focus of studies presented as well as the messages was on the youth sector. POPCOM Executive Director Juan Antonio Perez III delivered the keynote speech on the topic "Teenage Pregnancy Situation in CALABARZON" where he emphasized the importance of education and communication to properly teach the youth the advantage and disadvantage of early pregnancy.

Dr. Emelyn M. Iringan of Saint Paul University in Cagayan City presented the "Perceived Effects of Adolescent Health and Development (AHD) Interventions on the Knowledge, Attitude and Behavior (KAB) of Adolescents in Region II -Cagayan Valley. DOH AMASSES 1,590 BAGS OF BLOOD IN CALABARZON

THIS year, the Department of Health (DOH) strengthens the promotion of its "Voluntary" Blood Donation Program in order to provide an adequate supply of safe and non-remunerated blood supply.

In support of this campaign, the DOH- CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) through the National Voluntary Blood Services Program (NVBSP) has conducted a series of blood donation drive in various provinces in celebration of National Blood Donors Month with the theme "Safe Blood for All" (Be There for Someone Else, Give Blood. Share Life).

"The feeling of responsibility to help others and save their lives by voluntarily donating a pint of blood is the foundation of a safe and sufficient blood supply. But even with the regular blood-letting activities we still have to continue to recruit voluntary blood donors and generate public awareness on the need for safe blood and blood products." Dr. Noel G. Pasion, Local Health Support Division Chief stated during his message at the opening of the third voluntary blood-letting campaign at the Cultural Center of Laguna in Sta Cruz, Laguna.

"We need to endeavor to attain a community in every province or municipality with dedicated and devoted blood donors who will

continue to provide voluntary non-remunerated blood donation yearly," he added.

The blood donation campaign started in June 14, 2019 at the Tagaytay International Convention Center with a total of 681 bags of blood collected and on July 5, 2019 at the Carmona Community Center with 759 bags then at the Laguna Cultural Center in Sta. Cruz, Laguna on July 12, 2019 with 150 bags. A total of 1,590 bags collected for the three provinces in coordination with the coordination of the provincial health offices and the Philippine Blood Center.

The regional office conducts regular blood-letting to employees to help ensure a sufficient supply and the quality and safety of blood and blood products for patients whose lives or well-being depend on blood transfusion.
