## Mayor ELM cracks down on illegal parking, clears roads

TEAMS of city engineer's office, traffic enforcers, environment and natural resources and local police swooped over the streets along Barangay Alapan and Bucandala, streets in the vicinity of city market, section of Gen. Aguinaldo Highway in Imus City to clear it of illegally parked vehicles and remove road obstructions.

Mayor Emmanuel L. Maliksi Sarno, personnel from the City personally led the clearing teams and Tourism Office, barangay together with City Engr. Cris and city officials.

MAYOR EMMANUEL L. MALIKSI in action: Photos show the mayor together with the city government officials in the clearing of road obstructions and cleaning operations in Barangay Bucandala Wednesday August 23.

The mayor personally talked to owners of business establishments in the areas to clear the public roads and sidewalks of all obstructions.

Maliksi said the clearing is part of the city government's commitment to comply with the directive of President Rodrigo Duterte to clear major road networks of obstructions.

The mayor gave a one-week deadline to stall owners to remove and dismantle concrete obstructions and clear the sidewalks.

The city government last two weeks started its campaign in many streets of the city

## CAVITE HOSTS MONEY & MARKET ENCOUNTER FOR CALABARZON MSMES

GRADUATES of the Department of Trade and Industry's Kapatid Mentor ME (KMME) program in CALABARZON convened on August 16, 2019 at the Tagaytay Country Hotel in Tagaytay City for the launch of Money and Market Encounter (MME), with hopes of acquiring assistance and opportunities from various platforms that can help scale up their business.

DTI-IV-A Regional Director Marilou Toledo welcomed participants to the event, a supplementary program for KMME graduates from the provinces of Cavite, Laguna, Batangas, Rizal, and Quezon to help them innovate and be at par with the competition in the global market. The director also disclosed during her welcome remarks that by the end of this year, 402 MSMES under the KMME program are expected to graduate. RD Toledo likewise thanked DTI-Cavite Provincial Director Noly Guevara for hosting the first MME, as well as to the Go Negosyo Adviser for MSME Development

Streets along Bucandala and Malagasang are hosts to many wet and dry flea market.

With the help of traffic personnel and Cenro officials, the teams cleared the area of garbage, illegally parked vehicles and the engineering removed structures that have blocked the sidewalks for safe passage of

pedestrians.

"Nagpapasalamat po kami kay Mayor na kinausap muna kami at inexplain na kailangan ngang ma-clear ang daanan. We will comply sa utos ni Mayor Maliksi," said one vegetable vendor whose stall occupied the entire sidewalk.

## ANG BATAS NA MAY BUTAS?

**K**AMAKAILAN lamang ay nagkaroon ng diskusyon patungkol sa regalo na diumano ay lumalabas din na isang suhol, dahil sa Republic Act 3019 the Anti-graft and corrupt practices act. Ipinagbabawal ang isang pampublikong opisyal na tumanggap ng anumang uri ng regalo o porsiyento particular sa mga transaksyon na may kinalaman sa

kanyang posisyon bilang isang government official.

Subalit sa isang talumpati ni Pangulong Duterte maraming nagulat sa winika ng pangulo, dahil sa isang seksyon ng batas na ito. Hindi ikinokonsiderang suhol ang pagbibigay ng regalo sa mga pulis at iba pang naglilingkod sa pamahalaan na ayon pa sa Pangulo, "Well if given as a gift, accept it" dahil sa RA 3019 maring sinasabi ng batas "Unsolicited gifts or presents of small or insignificant value offered or given as a more ordinary token of gratitude or friendship."

Maraming mamamayan ang nalito dahil sa tinuran ng Pangulo, pero ano nga ba ang totoo? Isang malinaw na katotohanan na ang serbisyo publiko ay bukas ang puso sa paglilingkod ng walang anumang kapalit, dahil ito ang sinumpaang ng mga public officials sa kani-kanilang mga tungkulin bilang isang makabayang Pilipino. Dahil sa pahayag ng Pangulo, marami pa rin ang umaasa na marami pa rin ang mabubuti at tapat na opisyal ng ating pamahalaan.

sidewalk obstructions where pedestrians are forced to walk in the middle of the streets.

Last July 29, the Department of Interior and Local Government (DILG) issued Memorandum Circular 2019-121 ordering all local government units (LGUs) to reclaim public roads of private use by individuals or entities.

"We hope that with the removal of obstruction of the streets, alleys and sidewalks, mababawasan ang masikip na traffic sa lugar. Male-lesser na ang inconvenience kahit paano sa ating motorista at

commuters," said Maliksi.

The mayor told business owners that the DILG memo gives the local government the power to revoke permits that give private entities authority to use parts of any

public roads.

"Yung mga hindi susunod at hindi babaklasin ang mga harang at mga pwesto sa public roads at sa mga bangketa, after the one-

week grace period, wala kaming magagawa kungdi ang gibain ang mga obstruction at lalapatan namin sila ng penalty at parusa," Maliksi said.

## FISHERFOLKS IN NAIC ALSO RECEIVE ASSISTANCE FROM PGC

ANOTHER 8,000 packs of relief were delivered to families in the fishing communities of Naic on August 7, 2019 as an early response of the provincial government of Cavite to those affected by habagat. Governor Jonvic Remulla visited the locals despite heavy rains, ensuring prompt service of the Provincial Social Welfare and Development Office (PSWDO) on relief distribution. On behalf of the beneficiaries, Naic Mayor Jun Dualan and barangay officials thanked the governor for the timely and relevant assistance. Other provincial government officials who went to the assembly areas for distribution in Barangays Bancaan and Munting Mapino and monitored status of constituents were 8<sup>th</sup> District Board Members Rainier Ambion and Ver Varias.

Engr. Merly Cruz, for bringing MME in the region.

Meanwhile, USEC Cruz on the overview of the Money and Market Encounter and Innovative Approaches in Developing MSMEs, underscored the value of MME mentee- graduates, plus its impact on bridging the gap for inclusive growth as the program can link them to different financial institutions and market opportunities.

During the money forum with Sumo Takoyaki Owner and Franchiser Bong Magpayo, mentees learned from a variety of micro finance loans that will increase their capital. Presenters who came from banks and MFIs including the Development Bank of the Philippines (DBP), Small Business Corporation, Card SME Bank, Inter Asia Development Bank and Banko Mabuhay-Tanza laid their loan programs for the benefit of MSMEs. They also shared the importance of simple financial management, especially when it comes to record-keeping, reminding business owners of the famous line, "Debit, Credit, Walang Kupit," for sustainability of the business.

Participants also took the opportunity from the money forum to solicit commitment of the financial institutions, asking banks to somehow prioritize MSMEs by not considering them as risks but instead, as partners for growth.

On the other hand, the Market Forum proper moderated by the President of the Laguna Food Processors Association, Mr. Clarke Nebrao, also from Go Negosyo talked about penetrating the Brick and Mortar Platform. Operations managers of malls together with DTI-Rizal PD Mercedes Parreño discussed about trade fairs and bazaars where MSMEs can participate, saying that DTI is consistently looking for opportunities in linking with marketing groups.

Among the issues raised in the market forum were cases of being taken advantage by trade fair organizers, terms of getting paid, tedious process of

application and negotiation with the merchandising department of stores/malls, repacking and the not-so-marketable showcase areas being given for MSME products. Due to these concerns, Mr. Nebrao and the participants all agreed for the conduct of a regional dialogue where leaders of various sectors can sit down and wrap up agreement among market players and mall managers.

Aside from talks on the money and market side, digitalization also became a topic which was facilitated by Ms. Chie Malaki of Highly Succeed, a Philippines-based IT servicing company that specializes on a wide range of web-based services. Resource speakers who came from G-Cash, Shopee Philippines, Cashalo, Philippine Center for Entrepreneurship (PCE) and ROC.ph

Digital Marketing Services all believed that in today's economic climate, one must not be afraid of digital transformation particularly in doing business.

The one-day activity also had booth set ups and consultation, as mentorship session to further discuss mentees' needs. Concluding the program was PD Julieta Tadiosa of DTI-Quezon with her words of challenge and encouragement to MSMEs in the region to continue with their positive mindset. On behalf of the DTI family and all beneficiaries of the KMME program, she thanked Presidential Adviser for Entrepreneurship and Go Negosyo Founder Joey Concepcion for the nonstop assistance in strengthening MSMEs, as well as the Philippine Center for Entrepreneurship for extending help in achieving a smooth program flow.

# DOST CALABARZON HVL NOW ACCEPTS SAMPLES FOR TESTING

By: Myrrh Caithlin L.Gutierrez

**THE Department of Science and Technology (DOST) CALABARZON Halal Verification Laboratory (HVL) officially opens and is now accepting samples for Halal testing from Monday to Friday, 8:00 AM to 5:00 PM. HVL, a new and specialized laboratory within the Regional Standards and Testing Laboratory (RSTL) located at the DOST CALABARZON Complex, Jamboree Road, Timugan, Los Baños Laguna, offers alcohol detection (Ethanol determination by GC-FID) and swine DNA detection (Porcine DNA detection by RT-PCR) of food products and beverages. Both tests are included in the scopes of ISO/IEC 17025 accreditation for chemical testing granted to DOST-CALABARZON RSTL by the Department of Trade and Industry- Philippine Accreditation Bureau (DTI-PAB).**

rising need to make the Philippine products Halal certified. This would benefit our Muslim brothers and sisters as they will have peace of mind knowing that they are not consuming haram, our non-Muslim consumers because they will have

confidence that what they are taking in are safe and nutritious, and our country as it would mean economic and sustainable growth.

## Halal, Haram, and Mashbooh

As written in Surah Albagharah [2:168] Al-Qur'an Al-Kareem "O Mankind, eat from whatever is on earth that is lawful and good", Muslims only consume Halal, or what is lawful. Haram refers to those not permitted or allowed by Islamic law. Mashbooh are those that are questionable. Halal certified foods are the only food consumed by Muslims. They are free from haram and mashbooh content which includes alcohol, blood, carnivorous animals, birds of prey, birds that died before its slaughter, dead animals, immolated or sacrificed food, and swine and its by-products.

## What is an HVL?

An HVL is a laboratory that focuses on verifying that food and food products do not have Muslim-prohibited components. DOST HVLs were established in response to RA 10817 otherwise known as "Act of instituting the Philippine Halal Export Development and Promotion Program, for the Purpose of Creating the Halal Export Development and Promotion Board, and for Other Purposes". For food products to be halal certified, they must be tested by a competent halal verification laboratory. The results can then be showed to the halal

certifying bodies. With the aid of advanced science and technology, through sophisticated equipment, and good laboratory practices, DOST-CALABARZON HVL can analyze the components up to the peptide level at lowest detectable concentration of the food and food products therefore detecting haram and mashbooh. Two fully trained and competent Muslim licensed chemists ensure the quality and reliability of halal test results.

DOST-CALABARZON HVL, which was inaugurated on December 2017, is one of the four DOST HVLs in the

Philippines. The other three are housed in DOST Region XI (Davao City, Davao del Sur), DOST Region XII (Cotabato City, Maguindanao), and MOST-BARMM (Cotabato City, Maguindanao). These HVLs aim to assist the growing needs of our local food manufacturers and exporters, especially our MSMEs, for their halal laboratory testing needs.

The establishment and operationalization of DOST-CALABARZON HVL is funded by DOST's Grants-in-Aid program and DOST-PCIEERD through the projects "OneLab: Establishment of Halal Laboratory in the Region IV-A (CALABARZON)" and "Ope-

rationization of Halal Verification Laboratories (HVLs) in the DOST Regional Offices CALABARZON, DOST 11, and MOST BARMM in Support to Halal Assurance System".

## The Halal Industry

The Halal Industry is one of the fastest consumer segments in the world. With the 225 million Muslims residing in the ASEAN region and the opening of the ASEAN Halal corridors, there has been a reasonable increase in the distribution of Halal food products even in non-Muslim countries. In order to compete well in the global market, there is a

**OVER 240 pregnant women took part in the Buntis Congress 2019 carrying the theme "Pagbubuntis ng Ina ay Mahalaga, Kaya't Magpacheck-Up Na!", led by the General Trias City Health Office (CHO) headed by Dr. Jonathan P. Luseco with the assistance of the Provincial Health Office (PHO) at General Trias Convention Center on August 16, 2019. The program aims to intensify awareness on the significance of regular pre-natal check-up and proper nutrition for maternal and child health during pregnancy.**

General Trias City Councilor Atty. Kristine Perdito-Barison, Chair of Sangguniang Panlungsod Committee for Health, delivered an inspirational message that emphasized the importance of the program in the

journey to motherhood as it creates consciousness on how to achieve a safe pregnancy. Meanwhile, City Councilors Florencio Ayos, Pafoo Lozares, Jonas Labuguen and Isagani Culanding also graced the

program and shared their own experiences being husbands to their pregnant wives, as they play a vital role in ensuring successful and safe childbirth. In their messages, they stressed out that health needs attention and should be prioritized.

Series of discussions were provided to the expectant mothers to ensure that they will be guided throughout their maternity. City Nutrition Action Officer Ms. Leonavie Baylen elaborated on the First 1000 Days of the Baby, which serves as a stepping stone towards a child's better quality of life and highlighted that exclusive breastfeeding should be given on the first 6 months of the baby. Safe Motherhood and Family Planning was conversed by Essential Intrapartum and Newborn Care Coordinator Ms. Gloria Feranil. She underscored the importance of pre-natal visit, eating nutritious foods and having their baby vaccinated. Moreover, Dr. Suzette Pulido discussed the positive impact of Oral Healthcare to Pregnancy and gave them some essential tips on how to prevent dental problems like pregnancy gingivitis.

Various services were also available during the event such as HIV counselling/screening by Provincial HIV-AIDS Coordinator Ms. Haydelisa Maderazo, Asst. Prov'l TB Program Coordinator/ TBHIV Nurse Mr. Raffy Macdonald and CHO staffs, free oral prophylaxis rendered by Provincial Oral Health Coordinator Dr. Mary Ann Montenegro, Department of Health and CHO dentists, free ultrasound by Batangas Medical Center, free massage by City Social Welfare and Development Training Center - Community-Based TESDA, free make-up and facial by Mary Kay, maternity set from Mega Soft Hygienic Products and raffle prizes sponsored by different GenTri Lying-in clinics. —(PICAD)

## DTI 4-A, ATI, PPA aim a bigger, better, and smarter trade solution for Southern Luzon

**TO promote the competitive advantages of using the Batangas International Port for cargoes (inbound/outbound), the Department of Trade and Industry Region 4-A, in cooperation with the Asian Terminals, Inc. and the Philippine Ports Authority (PPA)- Batangas, conducted "The Batangas Port Forum" for the benefit of industry stakeholders and potential users, presenting updates and developments on the Batangas Container Terminal (BCT) on August 15, 2019 in Batangas City, Batangas.**

"We, in the DTI, would like our manufacturers and exporters here in CALABARZON to further grow and develop by being efficient and cost effective in their logistics and transportation cost in bringing their goods to their intended market. Likewise, we would like Batangas Port to be fully utilized and efficient, not just as a transshipment hub but also as a port that can directly ship cargoes to international destinations at the least possible time," said DTI CALABARZON Director Marilou Q. Toledo.

The forum tackled issues that hinder industries, exporters, importers, and other stakeholders from utilizing the port fully, including the big possibility to have a direct shipment from Batangas Port to Japan once the volume requirement is met, shortening the transit time. Subsequently, a windshield tour around Batangas port was provided.

In the presentation of ATI Marketing Manager Jel M. Yulo on updates and development of the Batangas Port, she enumerated the advantages to Southern Luzon exporters and manufacturers of using the Batangas Port: improved cash flow; maximized free time of shipping lines; lesser storage cost versus port charges; lesser trucking cost; and shorter delivery call-in lead time. Some

of the recent developments in the port are the ongoing civil works on crane rails, berth connectivity, yard rehabilitation, and expanded container yard.

Moreover, ATI released its first mobile application named Mobile Port or MPort—designed in its first stage to bring information on Client's transaction by giving data as it happens when it happens.

"The presence of everyone in the government and private sector is a clear manifestation of their great commitment towards the economic prosperity of our country, particularly in response to the increasing business opportunity in the CALABARZON region," said PPA Batangas Acting Manager Ambrocio O. Ilao.

"Rest assured that the PPA will support and serve in this growing business opportunity by providing port facilities and services of global standard," added Ilao.

## Parents of Teenagers Snatched by NPA in Laak Town Cry for Help, Army-LGU Aids IDPs

**ASUNCION, DDN** – Following an armed crash between the 60<sup>th</sup> Infantry Battalion and a CPP-NPA in Laak, Compostela Valley Province on Tuesday which killed in action a member of the Citizen Armed Force Geographical Unit (CAFGU), parents of three teenage boys approached the authorities claiming that their children have been taken by the said terrorist group to beef up their armed unit.

The 601B together with the local DSWD dispatch and the Municipal Disaster Risk Reduction Management Office (MDRRMO) of Laak were assisting the families displaced by the recent terrorist encounter when two parents of three teenage boys approached them to ask for help on their children's alleged kidnapping.

Emerito Tanoko and his wife Marife said the NPA took their two sons with them about two weeks ago. Their older son Raymond is 18 years old, while the younger one Patrick is only 16. They said they knew their sons were recruited to become NPA armed fighters, but they couldn't call the authorities' attention for fear that the NPA would kill them or their sons.

Larry Masalote, on the other hand, said his 17-year-old son Sherwin was also taken by the NPA together with the Tanoko children. He said he fears for what could happen to his son since the latter is somewhat "mentally challenged." He also couldn't report his son's kidnapping out of fear of the NPA's retaliation.

The local government of Laak is already

assisting the families of the kidnapped teenagers.

Erstwhile, the Laak MDRMO, DSWD, and 601B were able to immediately provide aid to the affected residents of Barangay Cebolela and later conducted a community dialogue with them to check on their needs.

Residents expressed relief on the immediate response of the military and the LGU but also said they worry about their livestock and plantations. Authorities, however, advised them to stay in the evacuation centers until the affected portion of the barangay and its immediate vicinity have already been cleared by the military.

At least 40 families affected by the incident are now staying at three evacuation centers of Barangay Cebolela.

Classes have also been suspended since Thursday to ensure the safety of the students.

Meanwhile, government troops continue to pursue the evading terrorists as of the writing of this report.

## SM City Bacoor Participates at the 3rd Quarter National Simultaneous Earthquake Drill

**SM CITY BACOOR, CAVITE | August 8, 2019** - Supervised by the Bacoor Disaster Risk Reduction and Management Office, SM City Bacoor participated at the 3rd Quarter National Simultaneous Drill (NSEED) last August 8, 2019 within its mall premises to raise awareness on disaster preparedness, and to ensure the safety of all its shoppers, tenants and employees shall a real earthquake occurs. The Earthquake Drill with participants started from 2:00PM and lasted for about 8 minutes after the initial standard Operating Procedure (duck, cover and hold) up to the evacuation and tallying of official headcount.

EMPLOYEES, tenants and shoppers of SM City Bacoor still covering their heads while lining up at the designated mall evacuation site.

Before the drill, the mall announced and encouraged tenants and shoppers inside to participate through the instructions given and be led by the officers stationed per area. An emergency alarm was activated to signify the start of the drill, same alarm that will be used should an actual disaster happens. Officers led the participants to the evacuation area after the duck, cover and hold procedure and proceeded to the nearest exit going to the evacuation area, and immediately began tallying the total number of participants. The Emergency Response Team, functioned as assigned in response to the needs of the drill including setting up of command centers, clearing operations, internal and external communication, customer welfare, rescue, extraction and treatment of injured personnel before taking them into the ambulance on stand-by. The Rescue team also searched the area and attended to the needs of the participants.

Along with all the properties of SM Prime Holdings all over the Philippines, the National Disaster Risk Reduction and Management Council (NDRRMC) also encouraged and supervised drills conducted by Local Government Units, Schools, Business Sectors and Private Organizations nationwide.

## DTI'S MENTOR ME ON WHEELS, CAPACITATING CAVITE MSMEs

ANOTHER leg of the Department of Trade and Industry's (DTI) program on free mentorship to further capacitate Cavite MSMEs was brought this time at the City Mall in Anabu, Imus City on August 16, 2019. It also covered a business clinic held on the next day, August 17. Entrepreneurs benefited from the one-on-one consultation offered during the Mentor Me On Wheels (MMOW), which equipped them with the proper business knowledge that will guide them through their business journey. Imus City Mayor Manny Maliksi welcomed guests and participants, thanking DTI-IV-A Regional Director Marilou Toledo, DTI-Cavite Provincial Director Noly Guevara and Provincial Cooperative Development Council Chairman Emeritus Rodrigo Camia for gracing the event. Around 76 mentors imparted expertise and shared entrepreneurship strategies to more than 500 attendees who look forward to being part of the many successful entrepreneurs fueling the economy of the country. — (PICAD)
