IRRs NG UHC, INIUTOS NI DUTERTE

NILALAGDAAN ni Pres. Rodrigo Duterte ang bagong batas na Universal Health Care Act.

INUTUSAN ni Presidente Rodrigo Duterte ang Department of Health (DOH), Department of Budget and Management (DBM) at iba pang ahensiya ng gobyerno na isulat ang implementing rules and regulations (IRRs) sa bagong batas — the Universal Health Care (UHC) Act – na pinirmahan niya, Miyerkoles, Pebrero 20 sa Malakanyang.

Kailangan ang IRRs bago mapakinabangan ng lahat ng Filipino ang bagong batas, ayon sa Pangulo.

Kailangan din na mailathala sa official gazette o sa iba pang pahayagan na may malawak na sirkulasyon bago magkabisa ang UHC Act.

Kasama sa benepisyo ng batas ay libreng medical consultation at laboratory test.

"... the Universal Healthcare Law that I sign today will guarantee equitable access to quality and affordable healthcare services for all Filipinos," sabi ni Duterte.

Ang pondo para sa UHC ay kukunin mula sa badyet na nalikom mula sa koleksiyon ng mga kasapi ng Philippine Health Insurance Corporation (PHIC), sa taunang badyet ng DOH at tulong mula sa pamahalaan.

Kukuhanin din ang pondo mula sa sin tax, 50 porsiyento ng parte ng gobyerno mula sa Philippine Amusement and Gaming Corporation (Pagcor) at 40 porsieyento ng kita ng Philippine Charity Sweepstakes Office (PCSO), neto ng Documentary Stamp Tax at sa ambag na pondo mula sa General Appropriations Act.

Lahat ng Pilipino ay awtomatikong kasali at makikinabang sa UHC Act, kahit hindi kasali sa PhilHealth Insurance.

tourist destination ang lungsod na ito sa Cavite.

Bukod sa dating Presidential Adviser on Political Affairs ni Pres. Rodrigo Duterte, Atty. Tolentino is a one-star general, a reserved officer of the Philippine Army.

If elected – we hope na mangyayari—, ipapanukala ni Sir Francis na magbuo ng isang Presidential Urban Planning Commission – na ang pangunahing tungkulin ay gumawa ng alituntunin, mga programa upang malutas ang maraming problema sa pabahay, relokasyon, trapiko at mga kaugnay na sakit ng ulo bunga ng patuloy na pagdami ng populasyon sa Metro Manila at iba pang urban communities.

Sa kanyang pag-iikot, nakita ni Atty. Francis na maraming maliliit na bayan ang walang maayos na income at kulang sa kalusugan, edukasyon; hanapbuhay at iba pa.

Nais ni Tolentino na agad-agad ay i-release ang Internal Revenue Allotment (IRA) ng mga LGUs; at mabigyan ng national government ng dagdag na ayudang pondo at serbisyo sa mga programa ng maliliit at mahihirap na lokal na pamahalaan.

We are a "favorite" of super bagyo, landslide, lindog, baha, sunog at ng El Nino at La Nina.

Nais ni Atty. Francis na magtayo ang Pamahalaan ng isang Community Rehabilitation/Recovery Trust Fund para tumulong sa mga biktima at nasalantang LGU; tax incentives at pautang na maliit anga interes sa mga negosyo sa kanayunan na winasak ng kalamidad.

In relation to this, Atty. Tolentino wants to create a Police Youth Reserve Corps to help in peace and order and disaster response during calamaties.

Iba pang panukala ni Sir Francis sa susunod na labas.

CRUSADE FOR A PEACEFUL COMMUNITY

MASS... (FROM PAGE 3)

year's mass wedding was attended by 662 es. At the venue, you would not only be amused ow the eyes of every couple shone in excitement ore so, on their butterfly-inspired wedding attire. so because the City event coordinators thought illiant idea — for the first time, they included in ogram a wedding attire competition. This is to the ceremony more joyful, colorful, and ngful. And this is more than a superb idea as it with cash prizes! The 1st, 2nd, and 3rd prize ts to ten thousand (P10,000.00), five thousand 0.00), and three thousand (P3,000.00) pesos, vely. So, if the couple is a 'legit' fashionmonger, uld take home as much as P20,000.00 Imagine is sum of money can make your dream oon come true!

m, the couples displayed in full glamour their d beautiful smiles as they procession in sweet of Filipino love songs. Moreover, the Kababaihan nariñas sa Bagong Milenyo (KDBM) President, adies, Barangay officials, City officials and the astor also joined in the processional rite. The y was graced with the warm welcome and ulations of Cong. Jennifer Austria Barzaga and yor Raul Rex Mangubat. Moreover, the ceremony ssed with the presence of Sen. Grace Poe and towed words of wisdom to all the couples. In n, the event was enriched with spiritual nial advices of Rev. Mario Contemprato. Not only ceremony filled with words of inspiration and ce but was also made more special by the able dance performance offered by Kiko Barzaga. most awaited time of the entire event came. lemnization of marriage was officiated by the yor, Atty. Elpidio F. Barzaga, Jr. Vows sealed with were exchanged by the newlyweds. As the sun its tamed glory, hundreds of new legally med couples arose to celebrate! Finally, the love tarted has grown its wings, spread it, and metamorphose into a mightier and bolder commitment to each other.

If you think the ceremony ends with the closing rites, well, not really! As the love of the couples metamorphose so is the ceremony. The winners of the wedding attire contest were announced. The first prize was awarded to groom number 527, Richard De Guzman Ong, and bride number 1, Kimberly Nelmida Tuazon. On the other hand, the second prize winners were groom number 422, Aldrin Malabanan Lebosada and bride number 605, Nikki Bañaga Espeño. The winners on the third place were groom number 1, Mark Aljon Saliba Henoguin and bride number 113, Donnabel Cervantes Aresgada. The winners were awarded with sash, and cash prize. Flowers were also given to the bride winners.

Since the City Government is determined to make the married life of new couples merrier and more prosperous, it organized and included a big raffle event in the Mass Wedding. A total of 63 items were raffled. Included therein were 17 double burner gas stove, 16 stand fan, 19 microwave oven, 4 washing machines, and 7 LED televisions. All these home appliances were sponsored by various City Officials. Mayor Pidi, Cong. Jen, and Kiko Barzaga donated three (3) pcs. of twin-tub washing machines, three (3) pcs. of 32-inch TV, and three (3) pcs. of 40-inch TV. Also, the Guest of Honor, Sen. Grace Poe, raffled one smart television. The spirited event culminated with a spectacular display of fireworks!

Wedding is truly a wonderful event to celebrate. It is the honor of the City Government to afford its constituents an abundant wedding ceremony. Indeed, the City Government stood on the gap between the dream of Dasmarineños to be married and the financial constraints they faced. In fact, the City Government waived and shouldered a number of fees usually incurred in the process of applying for marriage license. The fees for CENOMAR, PSA birth certificate, certified true copy of birth certificate, marriage application fee, pre-marriage counseling fee, marriage license fee, marriage solemnizing fee, and family planning counseling fee were all paid by the City. One can infer from this that a total expense of P 1,365.00 pesos was saved by each couple in the mass wedding. Moreover, the regular process was expedited as mass seminars were held and a coordinated process that is coursed through key officials in every barangay has been implemented.

To the new couples, the City Government wishes you nothing but a strong marital relationship. May you light the City with the radiance of your love and may your relationship be a shining inheritance to the youth. Mabuhay kayo!

A report from the Department of Health's (DOH) Regional Epidemiology and Surveillance Unit (RESU) covering the period January 1 to February 19 this year indicated that Rizal province is in the top spot with 1,293 recorded cases —the highest number reported during the period, including 42 deaths.

The latest RESU report recorded the recent 'suspected' cases, subject to further verification from DOH, Ramos clarified.

The DOH Calabarzon office has formed a task force to implement key strategies on measles outbreak response, including surveillance, public awareness and education, vaccination and taking care of patients in health care facilities.

It has also established alliance with various government agencies and used public places, such as malls, supermarkets, food establishments and churches, to help augment its campaign strategies and control the spread of the measles virus. **— GLADYS PINO**

STP (Sewerage Treatment Plant)

Sa pamamagitan ng Ordinansa Blg. 02-45 o "Ordinance Establishing Septage Management System in the City of Imus" noong taong 2015, itinaguyod ng Pamahalaang Lungsod ang kahalagahan ng malinis na tubig sa buong sakop ng pamamahala nito. Alinsunod sa layunin nito na mapabuti ang kalidad ng tubig, mabawasan ang polusyon at mapanatili ang kalusugan, bahagi ng legacy project ng Punong Lungsod ang pagsasa-ayos ng septage system ng lahat ng mga pampublikong paaralan. Ang sewage treatment ang magsisilbing tagalinis ng wastewater at titiyak na ligtas ang kalidad nito at hindi makakadagdag-polusyon bago ito lumabas sa mga ilog.

E-vehicles

Upang makatulong sa pagbabawas ng polusyon sa hangin at ingay habang naghahatid serbisyo sa mga paaralan, nakalatag din bilang isa sa mga proyekto ang pagbibigay ng e-vehicles sa Kagawaran ng Edukasyon. Katulad ng mga makabagong e-jeepneys, ang mga sasakyang ito na pinapatakbo ng kuryente ay kayang magsakay ng hanggang labing-apat (14) na katao. Tulad sa mga naunang nabanggit na proyekro, ang mga e-vehicles ay ipagagamit sa mga tanggapan ng pampublikong paaralan para sa kanilang pang-araw-araw na transportasyon.

Bilang Platinum Awardee on Environmental Compliance Audit (ECA), malaki ang pagpapahalaga ng Pamahalaang Lungsod ng Imus sa pangangalaga ng kalikasan, at ilan lamang ito sa mga hakbang na isinasagawa ng pamahalaan tungo sa maayos at malinis na kapaligiran para sa mga mamamayan.
