## DILG Chief commends Calabarzon for creating task forces vs CTGs

**LAGUNA CITY, Laguna** — Secretary for Interior and Local Government (SILG) Eduardo Año commended Calabarzon for being the forerunner in creating the regional and provincial task forces against Communist Terrorist Groups (CTGs) in the region.

The provinces that pioneered in creating their Provincial Task Force (PNT) are Cavite, Laguna and Quezon.

Of course, there are still a lot of works to do that's why I am here as your Cabinet Secretary supervising the Regional Task Force,"

the DILG Secretary pointed out during the Regional Task Force to End Local Communist Armed Conflict (RTF-ELCAC) Meeting held at Camp Vicente Lim on last May 17.

He said his job is to ensure that the RTF is aligned

## DATING ALKALDE, 'GUILTY' SA KASONG GRAFT

**NAGKASALA** si dating Indang Mayor Bienvenido Dimero ng paglabag sa Section 3(e) ng Republic Act 3019 (Anti-Graft and Corrupt Practices Act) kaya hinatulan siya ng 4th Division ng Sandiganbayan na makulong ng anim na taon at isang buwan hanggang 10 taon.

Ang kaso ay nag-ugat sa pagpayag ni Dimero isang kompanya na magtayo ng isang water filtration plant, paghuhukay at pagpapatag ng lupa nang labag sa pinairal na regulasyon ng lokal na pamahalaan. Bukod sa pagkabilanggo, habambuhay na

with the National Task Force (NTF) and to give advice in order to succeed in its endeavor to finally end local communist armed conflict.

The Secretary said he expects more meetings to be conducted by the members of the RTF-ELCAC to form clusters under the task force and suggested to mirror the composition of the NTF.

The RTF-ELCAC eyes the confirmation and re-confirmation of the newly and re-elected governors of the provinces on their respective PTFs and the activation of task forces in the provinces of Batangas and Rizal.

Moreover, the RTF is tasked to formulate a comprehensive campaign plan to be adopted by these PTFs.

### MGA SULIRANIN SA PAGBUBUKAS NG KLASE?

**P**ASUKAN na naman at siguradong tiniyak naman ng Department of Education (DepED) na nakahanda ang lahat ng mga paaralan sa buong bansa. Kaya nga kaliwat kanan ang Brigada Eskwela na ginagawa ng sa ganun sa pagbubukas ng klase ay may malinis na silid paaralan at maayos na mauupuan ang mga estudyante.

Subalit sa pagbubukas ng klase, maraming mga suliranin na halos ay paulit-ulit lang naman na nangyayari. Sa milyun-milyong estudyante na papasok sa pampubliko at

pribadong paaralan, ito ay may kaakibat na suliranin na ang ilan ay teacher to student ratio na one is to 40, classroom to student ratio at karamihan pa ay wala man electric fan ang ilang bawat silid paaralan.

Gayunpaman sa bahagi ng mga magulang mas mabigat na suliranin ang kanilang kinakaharap, una na ang mga gastu ng lahat ng kagamitan ng kanilang mga estudyante. Mga bayarin sa paaralan pamasaha at iba pa. Na kahit ang mga estudyante ay libre na sa kanilang pagbabalik subalit hindi pa rin makaiwas sa mga bayad dahil saan mang paaralan ay may kontribusyon na pinairal.

Sa mga guro naman, magsisimula na ulit kanilang pagsusunog ng kilay, dahil kanilang gawain sa klase. Isa na dito ang kanilang tungkulin at responsibilidad bilang mga pangalawang magulang sa kanilang mga estudyante. Kailangan din nilang disiplinang ang kanilang mga mag-aaral para maging mabubuting mamamayan sa hinaharap.

Approach into everything and we also have to make sure that NGOs and private organizations (among others) will also support us," Año said, emphasizing the need to engage contractors, businessmen, and private citizens and encourage them to stop providing extortion money to CTGs.

They should instead seek assistance and protection from the Philippine National Police (PNP) and Armed Forces of the Philippines (AFP) in case of threats.

Aside from initiating regional and provincial task forces, the region is continuously succeeding in dismantling guerilla fronts having reportedly only one left for the whole of Calabarzon.

In fact, part of the program was the ceremonial distribution of the Enhanced Comprehensive Localized Integration Program (E-CLIP) to 20 former rebels who surrendered to the authorities. Seventeen of these were from the Militia ng Bayan and three were from the New

People's Army (NPA).

Año said most of the rebels do not know the role of the government to help them out, stressing that they want to surrender but do not know how, they are scared of the military and police.

Hence, he said the need for a task force composed of collaborating agencies to reinforce and reach them and urge them to peacefully surrendered.

The Secretary said the goal is to end communist terrorism before the change of Administration since there will no longer be any existing negotiation by then.

When it happens, according to him, the government and its stakeholders can finally concentrate on development. "We have so many things to do but the path is very clear, our objective is very clear with all of us, we can do this together!"

### DISTRIBUTION OF PAINT MATERIALS IN PUBLIC ELEMENTARY AND HIGH SCHOOL IN THE PROVINCE OF CAVITE

## BHWS ACTS AS 'NAVIGATORS' UNDER THE ADVANCE IMPLEMENTATION OF UNIVERSAL HEALTH CARE PROGRAM IN CALABARZON

WITH the on-going preparations for the advance implementation of the Universal Health Care Law in the provinces of Batangas and Quezon, CALABARZON (Cavite, Laguna, Batangas, Quezon) continues to strengthen the province-wide city-wide health system by providing capability to Barangay Health Workers in order to enhance capacity and prepare them for their role as "navigators" under the Universal Health Care System.

"We have to train and capacitate our BHWs in preparation for their important role as 'navigators' under the UHCL because they will become part of a care provider network wherein they will play a role in the implementation of health programs province-wide and city-wide health system that put in place in the two selected provinces," Regional Director Eduardo C. Janairo stated during the BHW Coordinators and Federation Office CALABARZON meeting held in Quezon City.

"This network will be providing people-centered comprehensive care in an integrated and coordinated manner with the primary care provider or nurse who will be the coordinator of health care within the network," he explained.

Janairo further explained that under the province-wide and city-wide health system, a BHW will be a primary care provider who will act as "navigators" providing primary, promotive, curative, rehabilitative and palliative care. A BHW will also act as an informant in the collection of data and will be gathering information of patients at the local level. "This will be based on their level of training and determined by the DOH," Janairo emphasized.

Moreover, a BHW will also act as an advocate who will conduct health classes and provide updates on appropriate health information in the community. BHWs as 'navigators' will also be facilitating in-house or household mentoring and coaching when needed, he further added.

"Now, in order to perform all of these tasks, we are providing all BHWs an Enhanced Basic Training that will increase their knowledge and skill in basic physical examination, homeopathy, naturopathy, herbal gardening and will be exposing them to community and hospital practice in preparation for their responsibility under the UHC," Janairo affirmed.

Homeopathy is based on the belief that the body can cure itself by using and taking small amounts of substances, like plants and minerals which will stimulate the healing process while naturopathy is a system of alternative medicine based on the theory that diseases can be successfully treated or prevented without the use of drugs and by various techniques such as balanced diet and regular exercise.

Under the province-wide and city-wide health system, the 'navigators' will be paid for their services through the special health fund administered by the province-wide/city-wide health system. "They will be under the direct supervision of DOH which will ensure the stability of health services at the local level."

"With the establishment of the health care provider network, it will not only put 'navigators' at the forefront but also at its heart in providing primary health care to people in the community," Janairo concluded.

### NO GARAGE, NO CAR: KONTRA SA MAHIHIRAP

NI FRANZ ORLAIN

**TALAGANG** pursigido ang mga multi-milyonaryo mambabatas na isabatas ang panukala ng "garage, no car" policy, ibig sabihin, kung ang nais bumili ng sasakyan, kailangan rin magpakita siya na mayroon siyang lugar para sa pagpaparkahan ng sasakyan.

Kung wala ka niyon, sori ka na lang, di ka pwedeng magkaroon ng sariling behikulo para sa iyong sarili, gamit at para sa iyong pamilya.

**Ayon sa panukala, kasama rito ang mga bagong biling sasakyan, at obligado na isaalangin sa LTO o LTRB ng pruwera na mayroon lugar para sa pagpaparkahan ng sasakyan, at kung wala ka, patawad, mairerestrito ang sasakyang matagal na pinagpaparkahan sa gutom para mabali lamang.**

Ito, ayon sa awtor ng panukala, ang umaangang milyon-milyong pisong yaman Valenzuela City, Sherwin Gatchalian kung magiging bahagyang makatutulong sa pagpapaluwag ng dambuhalang sa Metro Manila, at mga katabing probinsiya.

Balitang na suportado ng Land Transportation Office (LTO) ang panukala ni Sherwin na sa pag-iisip ng korap sa ahensiya ay isa na namang legal na para kumita ng malalaking halaga.

Sa mayayaman at may salaping panggagawag ng garahe, okay na okay ito, pero sa milyon "not so rich", sila ang totoong apektado ng kontra-mahihirap na panukalang ito ni Gatchalian.

Bakit sa tuwing maghahanap ng solusyon laban sa sobrang pagsisikip ng trapiko, laging pinag-iintalan ang walang-gaanoong-maikakaya-sa-buhay?

Maraming pwedeng solusyon sa mala-purgas ng trapiko sa Metro Manila, at alam ni Gatchalian.

Mass transportation, modern, malalapad na pagpapahusay sa serbisyong LRT, MRT pagpapalawig ng serbisyong tren ng PNR sa biyaheng Boac, Pangasinan.

Pagtatayo ng mini-port para sa ferry boat biyaheng Pasig papuntang Cavite, Bataan at balikang serbisyong seaport mula sa parte ng Laguna at Marikina.

Pagtatayo ng mga pabrika, opisina at iba pang istruktura na duon makatatagpo ng hanapbuhay maraming promdi na malayo sa Metro Manila.

Marami pang mga ganitong idea na maaaring maisip si Sherwin, pero "mahal" lamang ng mga kailangan ang masang Pinoy tuwing eleksiyon at magiging sirkus ng halalan, bahala na tayo sa kumukahirapan.

Ipabura na kaya natin ang Kongreso, wala nang yatang silbi sila kungdi ang magpanukala at magbigay ng batas para sa patuloy na pagpapasarap nila sa nating mahihirap?

### BATAS NA!

Republic Act 11291

### Magna Carta of the Poor

Layon ng Republic Act 11291 o Magna Carta of the Poor na paiglingin at tiyakin na maipaabot sa mga mahihirap ang mga serbisyo ng gobyerno at iba pang oportunidad tulad ng sapat na pagkain, pagpaparkahan, pangkalusugan, edukasyon, at diseneng trabaho.

**Magandang Balita!** Pinirmahan na ni Pangulong Rodrigo Duterte ang Republic Act 11291 o Magna Carta of the Poor na layong tiyakin na maipaabot sa mga mahihirap ang mga serbisyo ng gobyerno at iba pang oportunidad tulad ng sapat na pagkain, pagpaparkahan, pangkalusugan, edukasyon, at diseneng trabaho.

Ang National Anti-Poverty Commission katuwang ibat ibang ahensiya ng gobyerno ang siyang naatagang bumuo ng Implementing Rules and Regulations ng ganap na maipatupad ang nasabing batas.
