MAGTAYO TAYO NG OFW HOSPITAL: BONG REVILLA

Ni Ma. Evita Rosa Tapanan

KUNG mayroong Veterans' Hospital para sa mga buhay na bayani, sa paniniwala ni dating Senador Ramon 'Bong' Revilla Jr., kailangang bigyan din ng kapantay na pangangalaga at pagpapahalaga sa kabayanihan ng mga overseas Filipino workers (OFWs).

"Kitang-kita ang pangangailangang ito," sabi ni Revilla na ipinangako na kung makababalik sa Senado, agad niyang ihahain uli ang kanyang pet bill - ito ang pagtatayo ng isang OFW Hospital.

BACOOOR CITY, CAVITE — The month of March is the Fire Prevention month in the Philippines when the heat of summer fuels up more incidents of fire in and out of the congested metropolis.

To kick off the city's Fire Prevention activities, the city government of Bacoor recently held a motorcade led by the Bureau of Fire Protection (BFP), Department of Interior and Local Government (DILG), Bureau of Disaster Risk Reduction Management Office (BDRMO), Bureau of Jail Management and Penology (BJMP) and Liga ng mga Barangay to remind the residents of the city about the importance of fire safety.

And to intensify the awareness for the prevention and safety against the danger posed by fire, a Memorandum of Agreement between the Bureau of Fire Protection-Bacoor City Fire Station and the Liga ng mga Barangay was signed.

The agreement which is under the Oplan Ligtas na Pamayanan, will involve a program to increase the number of trained and organized communities to serve as partners in fire protection efforts, decreasing the occurrence of fires in the most vulnerable parts of communities, and encouraging communities to develop a Community Fire Protection Plan.

A Community Fire Auxiliary Group and Fire Safety teams will be organized and regular neighborhood-based fire protection activities will be conducted regularly to train them with proper safety action and quick response if fire occurs.

Bacoor City Mayor Lani Mercado-Revilla appreciated the forming of the alliance because "it is the city government's primary concern is to keep the residents safe." (Ruel Francisco, PIA-Cavite/with reports from Bacoor PIO)

na ang rekomendasyon nila ay batay sa matamang pagsusuri ng Portasol at pahayag ng mga Ilokanong magsasaka at iba pa mula sa ibang rehiyon na tunay itong mabisa sa pag-tutuyo, hindi lamang ng palay kundi iba pang ani gaya ng mais, tabako at pati na isda.

Ipinahayag ni Rillon na sadyang kailangang tugunan ang kakulangan sa 'post-harvest facilities' ng bansa na siyang dahilan kung bakit napipilitang pagbilaran ng palay ang mga lansangan na nagbibigay ng matinding panganib sa buhay ng mga nagbibilad at mga motorista, bukod sa malaking katumbas na halaga ng mga nasasayang na butil na umaabot sa bilyon-bilyong piso.

Pinuna ni Rillon na makatapos ang maraming dekada, walang solusyong nagawa sa naturang problema. "Tunay na tugon itong Portasol sa suliraning ito at sa kailangan ng ating bansa," pahayag niya.

Ang Portasol ay imbensiyong Pinoy. Likha ito ni Francisco "Popoy" Pagayon, pangulo ng Filipino Inventors Society (FIS) at FIS Producers Cooperative (FISPC). Ayon sa kanya nilikha ito upang tugunan ang kakulangan sa bilaran ng palay at iba pang ani sa bansa, at sa nakakabahalang pagbibilad sa mga lansangan na ang iba ay hinaharangan pa ang daan upang huwag masagasaan ang kanilang ibinibilad na nagbibigay ng panganib sa kanila at nagbubunga ng malaking perhuwisyo sa mga motorista.

Pinuna ni Pagayon na bagama't ipinagbabawal na ng DPWH ang pagbibilad ng palay sa mga lansangan, tila hindi ito pinapansin ng mga tao dahil sa kakulangan ng amnang mga bilaran. Iminungkahi din niya na baka dapat pagmuhain ang mga nagbibilad batay sa dami ng metro kuwadrado ng karsada na ilegal nilang nagagamit.

DOST now ready to certify more than 22,000 teacher-EBs in CALABARZON

Republic of the Philippines
DEPARTMENT OF SCIENCE
AND TECHNOLOGY
Regional Office – CALABARZON

By Rochelle L. Cruz

DOST-CALABARZON in partnership with the Commission on Elections (COMELEC) once again takes the lead in the certification of 22,194 Electoral Board (EB), previously called as Board of Election Inspectors, in CALABARZON region for the upcoming 2019 May elections.

A total of 34 certifiers and 2 quick response teams composed of DOST-CALABARZON, DOST-PCAARRD, DOST-PCIEERD, DOST-ASTI, and DOST Central Office staff will start on the certification of the teachers on March 5 until March 16 for Laguna, Batangas, Rizal, and Quezon and until March 23 for Cavite.

The public school teachers will undergo written and practical exam on the use of Vote Counting Machine (VCM) to assess their readiness on the upcoming elections. They will be first given a seminar and training on the proper operations of the VCM by the COMELEC before the certification handled by DOST.

RA 9369 mandates the DOST to oversee the certification of EBs trained by COMELEC in line with the use of VCMs for the automated elections.

This is the fourth time that DOST handled the EB certification. There will be more than 171,000 EBs to be certified all over the country.

Career Guidance Program to ease career choice for senior HS students

THE Department of Education (DepEd)-Cavite will be localizing the Career Guidance Program for senior high school students recently, March 7 and 8, 2019 and will be developing modules and assessment mechanisms/tools for Grades 7 to 9 students.

This is in compliance to Republic Act No. 11206 or the Secondary School Career Guidance and Counseling Act recently signed by President Rodrigo Duterte to help the students choose the right career.

The law seeks to institutionalize a career guidance and counseling program for students in all public and private secondary schools across the country "to provide

them proper direction" in pursuing a proper college education.

It also aims to equip high school students with the capability to make educated career decisions and ensure that they will meet the requirements of the government, industry and economy upon graduation.

The DepEd will establish a National Secondary Schools Career Guidance and Counseling program

Dekalidad na Internet para sa mabilis na serbisyo sa mamamayan"-FICTAP Partylist

SA ikalawang pagkakataon, tumatakbo ang Fast Internet Connection para sa Tagumpay at Asenso ng mga Pilipino (FICTAP) Partylist sa Kongreso upang dalhin ang panawagan na magkaroon ng dekalidad na internet sa buong bansa.

FICTAP PARTYLIST: Nagpakuha ng larawan sina Ist nominee Estrelita "Neng" Juliano-Tamano, Jose Delmendo – nominee, Rolando Olog-nominee, Dr. Cecelia La Marid Dy-nominee, Engr. Ruben Cortez, PAPI National President Nelson Santos kasama ang mga opisyal ng samahan na ginanap sa National Press Club Intramuros Manila kamakailan.

Ayon kay Estrelita "Neng" Juliano-Tamano, Ist nominee ng FICTAP, ang maayos na serbisyo ng internet ay kailangan ng ibat-ibang sektor ng lipunan, lalo na iyang mga nasa liblib na lugar.

"Naniniwala ang FICTAP Partylist na ngayon, higit kailanman kailangan ng maayos na sistema ng komunikasyon sa ating bansa. Ang fast Internet ay isa sa mga susi sa pag-asenso ng bawat Pilipino, sabi ni Tamano.

Yung mga kababayan natin sa mga liblib na lugar, kadalasan hindi na naabot ng mga serbisyo na dapat ay mabilis na nakakarating sa kanila kasi wala silang access sa impormasyon, dagdag pa niya.

Para sa FICTAP Partylist, kailangang ang

pamahalaan ang manguna sa pagtiyak ng de kalidad na internet sa bansa. Dagdag nila, titiyakin ng partido na may batas na magbibigay daan sa imprastruktura at iba pang programa ang gobyerno upang masiguro ang bawat Pamilyang Pilipino ay konektado.

Hindi imposible ang dekalidad na internet sa buong bansa. Alam namin ito sapagkat ito ay pinag-aralan na namin at ginagawa na namin. Ang FICTAP, na binubuo ng mga eksperto sa Information and Communications Technology, ay handang tumulong, pag-aaralan sa Kongreso kung papaano natin masisiguro ang imprastruktura at mga programang ito," pagpapatuloy ni Tamano.

(CGCP) to be implemented in all high schools thru CGCP centers headed by the school administrator with trained career and employment guidance counselor staffs.

The department will also formulate, develop and review a Career Guidance and Counseling Instructional Module to serve as instructional materials.

This will definitely set good standards for future employment to our graduates.

MEASLES IMMUNIZATION CAMPAIGN IN ANTIPOLLO CITY GETS BOOST FROM DOH-NDP

DOH-CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) has already employed nurses through the Nurse Deployment Program (NDP) to boost the on-going Anti-Measles Mass Immunization Campaign in region on March 1, 2019 and were already deployed in all municipalities of the province.

"These NDPs will provide boosts to the on-going vaccination campaign as they will serve as additional manpower and vaccinator that will render house-to-house vaccination in remote and hard to reach areas of the provinces," Regional Director Eduardo C. Janairo stated.

In Antipollo City, which recorded the highest number of measles cases at 856 as of March 7, 2019, the regional office deployed 52 NDP nurses to help in the immunization campaign.

According to the Antipollo City Health Office, the city government also hired additional 25 nurses to assist in campaign aside from their regular staff and barangay health workers (BHWs) deployed in various barangays.

As of March 5, 2019, Antipollo City has already vaccinated a total of 55,461 children.

The Regional Epidemiology and Surveillance Unit (RESU) reported a total of 4,673 cases from January 1, 2019 – March 7, 2019. From this figure there are a total of 179 confirmed measles cases. A total of 101 deaths recorded, 14 of these were vaccinated, 81 are not vaccinated and 6 have unknown vaccination status.

Measles cases from various provinces of the region – Cavite with Batangas with – 661; Laguna with 697; Batangas – 495; Rizal – 2375; and Quezon with 455.

According to Janairo, although measles cases continue to increase, there is already a downward trend as evidence of the continuing efforts of our health workers including non-government in the mass immunization campaign. "We have been receiving positive response from various vaccination teams especially those doing the house-to-house visits as parents are already the ones bringing their children to health workers to be vaccinated against measles. *"Hindi na nahihirapan ang ating mga health workers sa pagbabakuna dahil karamihan sa kanila, sinasalubong na sila at dala na ang kanilang mga anak na pababakunahan."*

"Although may takot pa rin sa ilang mga magulang dahil sa pangambang dulot ng bakuna, mas may pangamba sila maaring mamatay ang anak nila kapag nagkaroon ng tigdas. Malaking tulong din ang ating mga NDPs dahil mas marami ang magbabahay-bahay, magbabakuna at magbibigay ng tamang impormasyon sa mga magulang tungkol sa tigdas," he added.

There are 229 NDPs employed in CALABARZON. Cavite has 31; Laguna with 31; Batangas – 20; Rizal – 136; and Quezon – 11.

NDP is one of the programs under the DOH Human Resource for Health Deployment Programs, which annually hires and deploys nurses, doctors, dentists, midwives, medical technologists, pharmacists and other allied health workers to geographically isolated and disadvantaged areas (GIDA) and other poor communities in the country to augment the shortage of health workers in these areas.

The NDPs are employed to ensure that adequately trained and skilled health workers are distributed throughout the country to provide accessible and quality medical services by hiring and deploying 243 doctors, 9,138 nurses, 3,650 midwives, and 241 dentists in far-flung areas, particularly in municipalities that do not have any health worker."

"TRUE LOVE WAITS": abstinence and encouragement for the future

MUNICIPALITY OF AMADEO, CAVITE – The Kariton Senior High School recently held their 5th True Love Waits program at the Municipal Covered Court here.

"TRUE LOVE WAITS" BY KARITON SENIOR HIGH SCHOOL: The Kariton Senior High School founded and established by the Dynamic Teen Company (DTC) headed by 2009 CNN Hero Mr. Efrén Peñaflorida, recently held its 5th True Love Waits program on March 8, 2019 at the Municipal Covered Court in Amadeo, Cavite. Among the activities during the program were the poster-making contest, spoken poetry competition and the musical/theatrical play participated by the Kariton High School students.

"TRUE LOVE WAITS" program is one of the projects supported by former CNN Hero Efrén Peñaflorida, founder of the Kariton Senior High School that helps out-of-school youth get back to school and finish their education.

The celebration seeks to promote abstinence and encourage the youth to focus first on their education for a better future and advocates to help develop a positive behavior support plan that bridges home and school for parents to see how their children perform and behave in school.

The activities-filled program was also in collaboration with school officials and key personnel from Amadeo National High School, Pangil National High School and Halang Banay-banay National High School.

Among the activities participated in by students were the poster-making contest, spoken poetry competition and the musical/theatrical play.

True Love Waits (TLW) is an international Christian group that promotes sexual abstinence outside of marriage for teenagers and college students with the use of positive peer pressure. The students begin by signing a commitment card to abstain from sex until marriage.

The Kariton Senior High School is founded by Mr. Efrén Peñaflorida under the Dynamic Teen Company (DTC), a youth-development, non-profit organization established in 1997, made up mostly of teen-aged volunteers that helps educate the less-privileged children mainly from the marginalized sector of society.

Peñaflorida explained way back in 2013 of the aim of his advocacy saying, "Yun 'yung gusto naming targetin – 'yung mga wala nang opportunity, kumbaga hindi kaya ng parents nila na masuportahan education nila, or maaaring at risk sila na mag-drop."

A better future awaits with perseverance and discipline... **(Ruel Francisco, PIA-Cavite/with reports from PICAD)**

BABAE, BABAE...

TUWING Marso, ating ipinagdiriwang ang Women's Month — upang parangalan, alalahanin at kilalanin ang mga sakripisyo ng mga babae, hindi lamang sa panahon ng kapayapaan, kungdi maging sa panahon ng digmaan, at sa napakalaking ambag nila sa kabuhayan, politika at industriya sa ating bansa — at maging sa buong mundo.

Hindi na natin sasabihin dito ang kanilang mga sakripisyo sa pagbibigay ng supling at ang matimyas na pag-aalaga at pagmamahal nila sa kanilang mga anak, asawa at kapamilya.

Sa panahon ng krisis, handang isugal ng isang babae, nanay o kapatid man siya, para itaguyod ang kanyang pamilya, kahit hindi sigurado kung ang pupuntahan ay panganib sa kanyang buhay.

Ganyan ang karanasan ng maraming babaeng OFW na mas piniling maging alipin at busabos sa ibang bansa, may maipadala lamang pandugtong sa buhay ng minamahal na pamilyang iniwanan.

Alam na natin ang sinapit ng mga tulad ni Flor Contemplacion na binilanggo at pinarusahan ng kamatayan bunga ng maling paratang sa mga among ang tingin sa babaeng Pinoy ay alipin.

Maraming babaeng nagbigay ng karanalan sa ating bayan bunga ng kanilang kahanga-hangang talino at natatanging kakayahan sa maraming larangan.

Wag sanang tuwing Marso lamang natin dinadakilang at pinararangalan ang mga bayaning babae sa ating buhay.

Gawin natin ito, araw-araw, sa bawat buwan.

Paano kaya ang mundo kung walang babae?

Kawawang nilalang marahil ang mga lalaki.

Pagpupugay sa lahat ng babae sa mundo.

Sa ospital na ito, paliwanag ni Revilla, ay agad na mabibigyan nmg atensiyon ang pangangailangang medikal, pagpapaospital, kasama ang laboratory test ng OFW at kanilang pamilya,

Ipinaalaala ng batikang mambabatas ang kaso ni Baby Jane Allas na pinalayas sa trabaho ng amo sa Hongkong matapos na matuklasang may malalang sakit na kanser. Sabi ni Revilla, bilyon-bilyong dolyar ang inireremit ng OFW sa kanilang pamilya na nagpapatatag sa pananalapi ng bansa.

"Mayroon tayong Veterans' Hospital para sa ating mga buhay na bayani. Bakit wala tayong OFW Hospital para sa mga bagong bayani?" tanong ni Revilla.

"I believe that an OFW Hospital will serve as the government's way of reciprocating their hardwork, sacrifices and contribution to nation-building during their prime years," paliwanag ng dating senador.

Sa pagtatayo ng isang OFW Hospital, maipakikita ng pamahalaan ang pasasalamat sa ating mga OFW na tinatawag na "makabagong bayani ng bansa."

"Napakalaki ng utang na loob natin sa kanila, kaya muli kong ipa-file (sa Senado) ang OFW Hospital Bill para kahit paano ay makabayad tayo sa napalaking sakripisyo niya sa ating bansa," pagtatapos ni Revilla.

HAPPY 150th BIRTHDAY HEN. MIONG!

WALANG pasok sa lahat ng opisina ng gobyerno at pribadong kompanya at lahat ng antas ng paaralan sa buong lalawigan ng Cavite sa Marso 22 upang mabigyan ng pagkakataon ang mga mamamayan na ipagdiwang ang ika-150 na kaarawan ni Heneral Emilio 'Miong' Famy Aguinaldo.

Idineklara ng Malakanyang na isang special non-working day sa Cavite ang araw ng kapanganakan ni Aguinaldo, ang unang Presidente ng Republika ng Pilipinas.

"It is but fitting and proper that the people of the Province of Cavite be given full opportunity to celebrate and participate in the occasion with appropriate ceremonies," sabi sa Proclamation No. 181 na pinirmahan ni Executive Sec. Salvador C. Medialdea para kay Pangulong

Rodrigo Roa Duterte.

Ipinanganak sa Kawit, Cavite si Aguinaldo noong Marso 22, 1869.

Ipinagmamalaki ng Cavite si Hen. Miong sa napakahalagang papel nito sa pamumuno sa matagumpay na himagsikan para sa kalayaan laban sa kolonyal na pamahalaang Kastila noong 1898.

Noong Hunyo 12, 1898, idineklara ni Aguinaldo ang Kasarinlan ng Pilipinas sa balkonahe ng kanyang bahay sa Kawit.

Ternate town celebrates 2nd Pawikan Festival

MUNICIPALITY OF TERNATE, CAVITE – The municipal government of Ternate supported the initiative of the Provincial Environment and Natural Resources Office (PENRO) to conserve and protect the marine turtles that nest in the coastal shores of Ternate.

In wake of this, PENRO established the Ternate Pawikan Conservation which aims to conserve and protect from unlawful activities the population of pawikan species mostly Olive Ridley sea turtles (*Lepidochelys Olivacea*).

Now on its second year, the municipality of Ternate and PENRO celebrated the annual Pawikan Festival held at the Ternate Conservation Site in Barangay San Juan I here.

The ceremonial program's theme for this year is "Help Save Pawikan! Love Ternate! Protect the Pawikan!" and was joined by about one hundred sixty four (164) students from various elementary and high schools in the municipality.

Municipal Mayor Lindo acknowledged the important role of the pawikan patrollers as he officially commenced the festival declaring, "Saludo ako sa mga pawikan patrollers, kung wala kayo wala itong Pawikan Festival na ito."

The Pawikan patrollers patiently collect and gather eggs of pawikan and bring them safely to the Pawikan Nursery area.

As of this breeding season 2018-2019, there are a total of 3,794 hatchlings carefully released to the coastal waters resulting to the increase in numbers of hatchlings released compared to previous years.

Mr. Deonilo L. Bersamina, ABC President commended

the local communities for their vigilance to conserve and protect the pawikan. He reiterated the importance of the conservation, "the more pawikan we protect and release, the more it will come back again in 20 years to lay another generations of their species, and we should be very grateful that our town has been part of their journey."

PENR-Officer- Cavite For. Unlayao explained that the conservation measures for the pawikan should also include protection of its natural habitat saying, "Sana po mahalin natin hindi lamang po ang mga pawikan kundi pati ang ating kapaligiran."

Ms. Villaruel of DILG-Cavite appealed to everyone especially the student participants to take part in this undertaking and get involved in the weekly clean-up activities conducted in their barangays that would clean the river systems and its tributaries where garbage from upland areas are washed along down to Manila Bay.

The festivities included poster making contests and an 'amazing race' relay games that entertained and enjoyed by the students.

This worthwhile program will help promote awareness for the protection of the environment in order to conserve and care for marine biodiversity because we all need to participate to save Mother Nature for our children's children. **(Ruel Francisco, PIA-Cavite/with reports from PENRO-Cavite)**

Cavite GFPS goes on a learning visit to Los Baños

IN line with the goal of becoming a more gender-responsive province, the Technical Working Group of Cavite Gender and Development Focal Point System spearheaded a learning visit at the Gender and Development Office in the Municipality of Los Baños, Laguna on March 1, 2019.

MUNICIPAL Councillor Josephine "Baby" Evangelista, Chairperson of the Committee on Women and Family and a prime mover in the GAD campaign was also present during the activity. (PICAD)

Municipal GAD Officer Karen Lagat-Mercado oriented the group on the Best Practices in GAD mainstreaming of Los Baños LGU with emphasis on the development of GAD Database. It is a manifestation of the municipality's strong commitment to the advocacy since it serves as basis for gender responsive planning, programming and policy formulation. There were 449 types of data needed in the database gathered from 14 barangays using results of the Community Based Monitoring System survey and data coming from various offices of the municipal government. It was narrowed down into several sectors such as social development, economic development, infrastructure and environment sector, institutional sector and gender mainstreaming for ease of identification and appreciation of end users.

Ms. Mercado also highlighted that the success of the LGU's GAD advocacy is mainly attributed to the commitment of the Local Chief Executive and the strong support of the legislative body which gave way to the passage of gender-responsive local policies, fiscal administration and governance, in general. Community involvement also contributed to successful implementation of the GAD programs.

Meanwhile, the Municipal Civil Registrar and ICMS Head, Mr. Glenn N. Arieta shared to the participants their milestone in creating the database which started with the issuance of Executive Order No. 59 series of 2016 directing the Organization of the Los Baños Information

CHEERS, more years and good health to all March born Caviteño leaders, all serving the people. To former Senator Don Ramon Revilla Sr. (Jose Acuña Bautista, March 8), belated happy birthday po.

Minsan din naging boss ko si Ramon Sr. nang kuhanin ako, kasama si insang Chit Ramos, na isa sa promotion officer ng Imus Productions noong 1977-1979.

Gayundin, pagbati kay Bacoor City Congressman Edwin 'Strike' Revilla sa nakaraang kaarawan niya nitong Marso 2; at advance celebration of life kay Vice Gov. Ramon 'Jolo' Revilla 3rd sa Marso 15.

Bakit 'Jolo' ang palayaw ni VGov?

Ipinanganak siya na Jose Lorenzo Hernandez Bautista; ang 'Jose' ay mula sa tunay na pangalan ni Don Ramon, at ang 'Lorenzo' ay kinuha sa pangalan ni Santo Lorenzo Ruiz.

Advance happy birthday kina dating Gov. Ayong Maliksi at Dasmariñas City Mayor Pidi Barzaga Jr., kapwa isinilang ng Marso 25.

Happy advance birthday rin kay Sir Rommel Camerino, isa sa pinagkakatiwalang opisyal ng Imus City government na Marso 25 rin ang kaarawan.

'Wag nating kalimutan si Heneral Emilio 'Miong' Aguinaldo, ang ating Unang Pangulo ng bansa: ipagdiriwang natin sa Marso 22 ang kanyang ika-150 kaarawan.

No elaboration is needed anymore in this citation – alam ng lahat na sinimulan ni Hen. Miong ang matagumpay na Ikalawang Yugto ng Himagsikan noong 1898 para sa kalayaan ng Pilipinas.

At sa Kawit, noong Hunyo 12, 1898, sa balkonahe ng bahay ni Aguinaldo ay idineklara sa buong mundo ang

Kasarinlan ng Pilipinas.

May pagkakatatulad sina Hen. Miong at si Gov. Ayong na kapwa sa kabataang gulang ay maagang namulat sa paglilingkod sa bayan.

Edad 25 anyos, hinirang na gobernadorcillo/o capitan municipal ng Cavite El Viego (Kawit) si Aguinaldo.

Si Ayong sa edad na 29 anyos, ayon sa mga taga-Imus, ay naging batambatang hepe ng pulisya ng munisipalidad ng Imus.

Hen. Miong pursued

politics in advancing his desire of serving the Filipino people during the American occupation, so did Ayong in pushing his own dream to serve his fellow Imuseño.

Hindi lang naging masuwerte si Aguinaldo sa pagtakbo niya sa pagka-Pangulo laban kay Manuel Luis Quezon na ginamit na propaganda ay ang kontrobersiyal na pagpatay kay Supremo Andres Bonifacio.

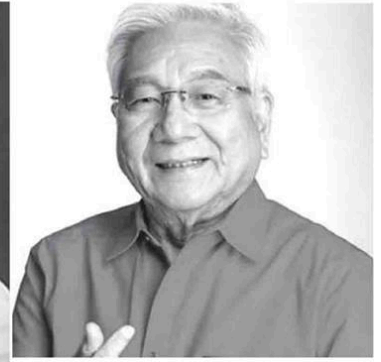

Pero sa ibang pagkakataon na natin ito tatalakayin.

Sharing the same birth month and only three days apart with the Great Caviteño hero does provide Ayong Maliksi's destiny of becoming a great Father of Cavite's Industrial Revolution.

Kung sinimulan ni Hen. Miong ang Rebolusyon sa paglaya ng bansa, sinimulan naman ni Ayong ang makabagong rebolusyong industriyal ng Cavite.

Mahalagang banggitin na napakalaki ng papel na ginampanan ni dating Gov. Juanito 'Johnny' Remulla Sr. upang mabago ang imahe ng Cavite noon dekada 50-70 na lalawigan na talamak sa kriminalidad at karahasan.

Magkatuwang sina Johnny at Ayong sa paglikha ng mga programa at proyekto upang mahikayat ang pagdayo ng malalaking investor na magtayo ng mga pabrika, kompanya at manufacturing industry mula 1979 hanggang unang mga buwan ng 1986.

Hen. Miong at si Gov. Ayong

Naging 'biktima' ng revolutionary government ni Cory Aquino ang makisig na si Gov. Johnny Remulla nang alisin siya sa Kapitolyo at palitan ni dating Gov. Fernando Campos.

Si Gov. Johnny na kilala sa bansag niyang "Wapog" ay dinadakilang bilang Ama ng Makabagong Cavite.

Saksi ako rito dahil nang mahalal na gobernador si Boss Johnny noong 1980, hinirang niya ako na kanyang provincial information officer, kasama ang ilang kapwa mamamahayag na Caviteño.

Maliksi began his political career when he was elected vice mayor of Imus (1980-1986); Imus mayor (1988-1998); 3rd District congressman (1998-2001); governor (2001-2010); congressman (2010-2013); PCSO chairman (2016).

Now, Gov. Ayong is making a comeback and running for Cavite governor.

Maligayang kaarawan po, Mr. President Miong Aguinaldo.

Happy birthday po, Gov. Ayong Maliksi.

At marahil, kung ipagkakaloob ng kapalaran at ng Maykapal, pinakamagandang birthday gift kay Gov. Ayong ay ang mahalal siya uli na Ama ng Cavite at nang maipagpatuloy niya ang maliksing serbisyong may puso para sa sambayanang Caviteño.
