OSPITAL NG IMUS ISA SA MGA LEGACY PROJECTS

ISA sa ipinagmamalaking legacy project ni Imus City Mayor Emmanuel L. Maliksi ay ang pagkatayo ng Ospital ng Imus (ONI) – isa sa ipinangako ng alkalde, kasama si Imus City Representative Alex 'AA' Advincula at dating Imus City Vice Mayor Mandy Ilano noong 2013.

Sa larawan, masayang nagpakuha ng larawan ang isang ginang kasama sina Mayor Maliksi at Vice Mayor Ony Cantimbuhan at Konsehal Mon Arguelles na maluwalhating naipanganak ang kanyang sanggol sa pamamagitan ng caesarian section.

Upang matupad ito, agad nagdonasyon ng lupa ang pamilya Advincula na ngayon ay kinatatayuan ng ONI at makaraan ang ilang taon na pagsisikap na makakalap ng pondo, nasimulan at natapos ang kons-truksiyon ng pagamutan ng siyudad.

Marami nang mahihirap na pasyente ang nakinabang sa maayos at walang bayad na serbisyong medikal ng ONI mula nang ito ay buksan sa publiko, ilang buwan na ang nakaraan.

Kasalukuyang pinararami pa ang mga kagamitang medikal, dagdag na pasilidad at mga aparato-makina sa laboratoryo ng pagamutan upang lalo pang makapagbigay ang mabilis, maaasahan at mahusay na serbisyo sa mga mamamayang Imuseño.

I WANT TO JOIN MY FAMILY IN THE RACE TO FAITHFULLY SERVE THE FILIPINO PEOPLE! – MARLON BAUTISTA REVILLA

SA interbyu sa dating aktres, Madam Gigi dela Riva-Bautista tungkol sa pagpili sa kanyang mister, Sir Marlon Bautista Revilla na 3rd nominee ng One Patriotic Caolition of Marginalized Nationals (1Pacman) partylist, sinabi ng dating aktres na noon pa ay talagang kagustuhan nito na makapaglingkod sa bayan.

"My husband always wanted to serve the people," sabi ni Ma'am Gigi, kaya raw nang mai-suggest na gawing nominadong kongresman ng 1Pacman si Sir Marlon, hindi na sila nagdalawang isip pa.

Bakit nga ba nais ni Sir Marlon, sa tinagal-tagal ng panahon, na sumama sa 1Pacman na pinamumunuan ni Congressman Mikee Romero?

Paliwanag ni Sir Marlon, maipagmamalaki ang rekord ng partylist na ito sa Kongreso: may 26 na bagong batas ang iniakda o kaya ay co-author at inisponsoran ng 1Pacman.

Malinaw, sabi ni Sir Marlon, natupad at patuloy na tinutupad ng 1Pacman ang adhikain nito – ang tumulong, umalalay at

MAGNITUDE 8.0 EQ, DI TOTOO –NDRRMC

HOAX. Kalokohan, walang katotohanan.

Sinabi ito ng mga opisyal ng National Disaster Risk Reduction and Management Council (NDRRMC) nitong Martes, kaugnay ng kumakalat na text messages at tsismis tungkol sa magnitude 8.0 earthquake na maaari raw maganap.

Sa isang pahayag ay sinabi ng Office of Civil Defense (OCD-NDRRMC) na hoax at walang katotohanana ang mga nasabing text messages.

Kung may isasapublikong pahayag ang ahensiya, ang gagamitin nito ay account "NDRRMC" at hindi ang anomang device na tulad ng mobile alert at cellphone.

Nilinaw naman ng Philippine Institute of Volcanology and Seismology na wala pang naiimbentong gamit o teknolohiya na may kakayahang magsabi at tukuyin kung kailan at saan maaaring mangyari ang lindol o pagyanig ng lupa.

LEGACY PROJECTS
MODERN / GREEN / SUSTAINABLE

LUNGSOD NG IMUS 2012 LALAWIGAN NG CAVITE

KASUNOD ng "Kongkretong Programa" at "Epektibong Lingkod Mamamayan," ang Pamahalaang Lungsod ng Imus, sa pangunguna ni Punong Lungsod Emmanuel L. Maliksi ay patuloy na maghahatid ng makabago (Modern), maka-kalikasan (Green) at pangmatagalang (Sustainable) programa sa tulong ng Legacy Projects nito.

Una na rito ang **WELLNESS CENTERS** para sa mga senior citizen sa tulong ng Office of the Senior Citizens Affairs (OSCA) at Imus Senior Citizens Association Inc. (IMUSCAI). Sa pagsisimula ng taon, patuloy din ang paghahatid ng serbisyo para sa health and wellness maging sa livelihood ng mga senior citizen sa lungsod.

Tuloy-tuloy din ang pagtaas ng bilang ng miyembro ng **ESKWELA KOOPERATIBA** sa pangunguna ng City of Imus Cooperative, Livelihood and Entrepreneurial, and Enterprise Development Office (CICLEDO). Hinihikayat ng programang ito ang pag-iipon at pagtitipid kahit sa murang edad pa lamang.

Dahil bida ang mga kabataan sa lungsod, inilunsad din ang **BIDA KArd** sa pangunguna ng CICLEDO at City of Imus Local Council for the Protection of Children (LCPC). Ito ang kauna-unahang child-welfare card sa bansa na naghahatid ng discounts at pribilehiyo sa mga kabataang Imuseño.

Kabilang din sa mga programa ang **Cognitive Behavioral Therapy (CBT)** Program, isang programa na tumutulong sa mga drug surrenderer sa pamamagitan ng paghahatid ng mga bagong kakayahan upang sila ay higit na makatulong sa kanilang pamilya at komunidad.

Noong ika-5 ng Oktubre, inilunsad naman sa Barangay Malagasang II-F ang **Organic and Urban Farming** kasama ang City Agriculture Services Office. Ito ay isang paraan ng pagtatanim kung saan gumagamit ng mga natural o likas na pataba.

Kabilang din sa programang ito ang urban gardening tulad ng hydrophonics at aquaphonics na siyang nagsisilbing alternatibong paraan ng pagtatanim na hindi nangangailangan ng malawak na sakahang lupa.

Katuwang si Congressman Alex "AA" L. Advincula, noong ika-12 ng Oktubre, magkakasunod na binuksan ang **Ospital ng Imus, Track Oval at Grandstand** sa Barangay Malagasang I-G para sa abot-kayang serbisyong medikal at pagpapanatili ng magandang kalusugan ng mga mamamayang Imuseño. Kasunod din nito ang groundbreaking ng itatayong **Government Center** para sa mas maayos at agarang serbisyo-publiko.

Opisyal na inilunsad din ang ikalawang bahagi ng **Gawad Kalinga Project o Proyektong Pabahay** noong Oktubre 23 sa Gawad Kalinga Alapan Site, Barangay Alapan II-B na magbibigay tulong sa mahigit 120 na pamilya mula sa Barangay Palico I, II at III.

Kasama rin sa tinututukan ng legacy projects ang pangangalaga ng kapaligiran. Bahagi ng programa ang **Green Schools Program,** isang programang pangkalikasan para sa mga paaralan sa lungsod na gumagamit ng Solar Energy System, Rain Water Harvesting System at Sewerage Treatment Plant (STP) para sa pangangalaga ng kapaligiran. Kasabay din nito ang pamamahagi ng e-vehicles sa mga pampublikong paaralan sa lungsod.

Bukod dito ay ang **E-Vehicle** kung saan napapaloob ang transisyon ng fuel-powered tricycles sa electric tricycles. Ito ay gagamitin sa paligid ng bagong City Government Center at growth areas kagaya ng mga subdivision.

Kasunod ng malawakang kaunlaran ng Lungsod ng Imus ay ang matayog na pagwagayway ng sigla at tunay na "Ganda ng Imus" na nasasalamin sa pagkakaisa ng mga namumuno, mga karangalang iginawad sa lungsod, mga epektibong programa at aktibong partisipasyon at suporta ng mga mamamayang Imuseño.

Drug from Philippine plants seen to cure dengue

MANILA, Philippines — A team of researchers from De La Salle University-Dasmariñas' Medical and Health Sciences Institute led by pharmacologist-epidemiologist Dr. Rita Grace Alvero has started Phase 1 of clinical trials on a herbal medicine that can cure dengue.

The medicine they formulated from a cocktail of three endemic plants proved to be effective in curing dengue.

Alvero, one of the presenters at the National Research and Development Conference 2019 held by the Department of Science and Technology last Wednesday at the Philippine International Convention Center (PICC) in Pasay City, said that they were determined to pursue the full drug development process to make the breakthrough drug to help cure and stop deaths from dengue.

"It will be ready by end of 2020. That's next year," Alvero said.

Alvero said the secret ingredient of the potential dengue drug was culled from three herbal plants found in the country.

"They are endemic in the Philippines, not at all endangered," Alvero told The STAR. "It's an anti-viral."

The research and development on the potential breakthrough dengue cure was a project of the Alvero-led team of researchers who are teachers at DLSU-Dasmariñas and have formed a health startup-spinoff firm Pharmalytics Corp.

Alvero said that animal studies and initial efficacy tests have shown "dramatic" recovery of dengue patients, even those with worse cases with very low platelet count.

"We've done the pre-formulation tests, we've done animal studies, we've tested for efficacy. We've done the capsule, we've documented the efficacy results," Alvero said.

"We've demonstrated in humans already, in pilot cases, that it attenuates the clinical signs of the disease," Alvero said.

"There was dramatic recovery. It was given to patients with very, very low platelet counts who are bleeding already. It reversed (the progression of the disease), and improved the well-being (of the patient)," Alvero said.

Jaime Montoya, executive director of the DOST-Philippine Council for Health Research and Development, said the agency supports the drug development efforts of Alvero.

DOST-PCHRD had provided initial financial grant to the DLSU-Pharmalytics program to develop the potential dengue cure.

Dengue has proven to be a persistent killer disease in the country, with thousands hospitalized yearly.

"Magsampa ng Kaso ang may ebidensiya" – hamon ni Mayor Manny Maliksi sa mga fake news na kumakalat

ITO ang naging tugon ni Mayor Maliksi sa mga paninirang kinakalat ng kanyang mga katunggali sa darating na halalan. Ayon kay Maliksi,magsampa sila ng kaso kong mayroon silang ebidensiya ng corruption sa kanyang administration. Isa sa pinupunterya ng kalaban ay ang loan application ng lungsod na siyang gagamitin sa mga legacy project. Ang nasabing loan ay mapupunta sa 8 Legacy Projects katulad ng Green Schools Program, New Government Center, Organic Urban Farming, Government Housing at E-Vehicle at iba pa..

Ayon pa kay Maliksi, dumaan sa tamang proseso ang lungsod at hayag niya itong binabahagi sa mamamayan ng Imus. Nangangahulugan lamang na mapagkatiwalaan ang Imus at may kakayahan itong makapagbayad. Ipinagmalaki ni Mayor Maliksi na walang utang ang lungsod. Nabayaran na ang mga utang na iniwan ng dating administrasyon, kaya maka pag loan na ang Imus na siya namang gagamitin sa mga proyekto para sa kaunlaran ng lungsod.

Sa isinagawang press conference, hinimay-himay ni Mayor Maliksi ang mga proyekto sa ilalim ng Legacy Project. Masusing pinag-aralan ang bawat detalye nito. Katulad ng New Government Center ilang beses binago ang disenyo bago pa ito naging final.

Ang tungkol sa E-Trike, hinalintulad ni Mayor Maliksi sa isang cellphone. Mabilis ang technology ngayon kaya mabilis din ang paglabas ng bagong disenyo at feature ng cellphone. Katulad din ito sa E-Trike ang mga unang labas nito ang charging time umaabot sa 8 oras ngayon 2 oras na lang. Sinasabi ng kanyang katunggali na masyadong mahal ang presyo ng kada unit ng E-Trike, ang sagot ni Mayor Maliksi, hangad niya ang pinaka-mabuti at epektibo para sa mamayan ng Imus.

Tunay nga ang kasabihan, na ang isang puno na hitik sa bunga ay binabato. Ganoon po talaga, nasa panahon ng siraan ngayon. Hindi yata kumpleto ang kampanya ng walang may naninira...only in the Philippines! Pwede ka namang mangampanya na itaas mo ang iyong sarili, sa mga nagawa mo na o sa kaya mo pang gawin. Mapalad po ang ang mga taga Imus dahil mayroon silang Ama na tunay na nagmamalasakit sa kapakanan ng kanyang mamamayan.

Naging bida siya sa pelikulang "Boy Imus" na prodyus ng Imus Productions (1978) at mainstay sa Agimat films ni Don Ramon Sr.

Sa kabila ng mahigpit na iskedyul sa kampanya para sa eleksiyon sa Mayo 13, salamat at nagkaroon ng panahon sa isang rush interview ang makisig na dating action star.

Bakit nga naisip niyang tumakbo bilang 3rd nominee ng 1Pacman?

Sabi ni Sir Marlon, malinaw sa kanyang pananaw ang maraming challenges na kailangang harapin ng mamamayang Filipino. At bukod dito ay di nya matanggihan ang kanyang kapatid na si Congressman Strike na tinawagan sya para magkausap silang magkapatid tungkol dito sa 1Pacman Partlist, at dito nga ay mas at magkakatulungan silang magkapatid sa serbisyo at mas mapapalawak pa nila ang paglilingkod.

"Permit me to say, mula nang pumasok sa public service ang aming daddy (Don Ramon), I had the privilege to serve as a member of his staff in the Senate. Nakita ko ang malaking sakripisyo ni Daddy para makapalingkod sa ating bayan. Siya ang naging inspirasyon ko, pati na ang mga kapatid, Sen. Bong at Congressman Strike na nakita ko kung paano sila tumutulong sa pangangailangan ng ating bayan.

"Sa maraming programa nila sa edukasyon, health, social services at sa maraming iba pa, ako ay naging bahagi ako sa pagtataguyod atr pagpapatupad sa mga iyon para ma-improve ang living condition ng mga Cavitenyo at ng buong mamamayang Filipino, paliwanag ni Sir Marlon.

Handa na ba siya, kung sakali na mahalal na ikatlong nominee ng 1Pacman?

"Naniniwala ako na I have the sufficient good experience to carry out the tasks and responsibilities of a lawmaker. With a deep sense of humility, ang masasabi ko ay gagawin ko ang higit pa sa aking makakaya upang magampanan ko ang maraming challenges na haharapin ng isang elected public servant."

Bakit ang napili niya ay ang 1Pacman partylist?

Sabi ni Sir Marlon, nang magkausap sila ni 1 Pacman Congressman Michael 'Mikee' Romero, naramdaman niya ang sinseridad nito na makatulong sa mamamayan.

(Rep. Mikee is a businessman/sportsman and current team owner og GlobalPort Batang Pier *in the Philippine Basketball Association. –Publisher)*

"He has an impeccable character, " paliwanag pa ni Sir Marlon tungkol sa No. 1 nominee ng 1Pacman partylist.

"|Mararamdaman mo agad ang pagmamalasakit niya sa tao. Nakita ko sa kanya at kay Congressman Enrico Pinade ang kanilang absolute fidelity towards every man. Kahit baguhan sila as member of Congress, nakuha nila ang sympathy, cooperation and respect ng mga kapwa nila kongresista.

"And I want to be given the privilege to work with them, at makatulong sa paggawa ng mga batas, nais kong makatulong na maitulak at maisagawa ang mga proyekto at programa para sa ating less-privileged countrymen," paliwanag ni Sir Marlon.

Para sa kanya, dagdag ni Sir Marlon, nais niyang maging kabahagi ng adhikain ng kanilang pamilya na maglingkod sa bayan.

"By the grace of God, I am honored to have come from a family with an impeccable record of public service, my father, Senator Ramon Revilla Sr.; my brothers, Senator Bong and Representative Strike, my sister, Councilor Rowena Bautista, at ang pamangkin ko, Cavite Vice Governor Jolo Revilla... lahatsila ay maryoong distinguished and remarkable record in public service, and in this spirit of service to our people, I am very willing to join them in the race to serve faithfully our Filipino people."

LAKAS... (FROM PAGE 1)

pagkakataon.

Ang magwawagi sa isyu ng WPS, ay depende sa kung ilan ang barko, ilan ang fighter jets, ilan ang sundalo.

Ganyan inilarawan ni Enrile ang realidad sa paghahabol ng Filipinas sa karagatan ng WPS.

Paliwanag pa ni Enrile, kinilala ng United Nations (UN) Convention on the Law of the Seas na ang WPS ay 'territorial waters' ng Filipinas – na aabot sa 200 milya mula sa ating mga dalampasigan.

Aniya pa, sa loob nito, mayroong 'exclusive exonomic zone ang bansa.

Dagdag ni Enrile, lahat ng isda, lahat ng mineral sa ilalim ng tubig, mayroong economic right ang Filipinas.

Pero walang 'political right' ang bansa, paliwanag ng dating senador.

Tanong ni Enrile, kung may karapatan ang Filipinas sa WPS, tulad ng pagkilala ng UN, kaya ba ng Filipinas na maangkin at ipatupad ito?

"Totoo, mayroon tayong right diyan, pero ang tanong, can we enforce it?"

Sa kalagayan ng lakas at tatag ng military ng Filipinas, hindi natin sa ngayon na maipatutupad ito.

"If not, you have to bow to the powerful," ani Enrile.

The lecture covered essential steps in building local institutional capacities and working towards a multi- sectoral engagement through the 8-step guide in mainstreaming migration and development.

After the discussion, the planning workshop was facilitated by Ms. Morres and participants were assigned to form groups to identify existing programs if any, the gaps in implementation and future M&D initiatives. Each group presented workshop outputs to the assembly.

The program was facilitated by Ms. Sherryll Loyola, Livelihood Division head of PCLEDO. ***— (PICAD)***

KUNG HINDI SANA SA POLITIKA

BAGO matapos ang termino ni Presidente Duterte, inaasahan na mapaluluwag na ang masikip na trapiko sa Cavite at mapabibilis ang biyahe patungo at pabalik muna sa Metro Manila sa oras na matapos ang itinatayong linya ng Light Railway Transit mula Baclaran patungong estasyon sa Barangay Niog, Bacoor City.

Inaayos na ng consortium ng the Ayala Corporation at Metro Pacific Light Rail Corporation ang proyekto at konstruksiyon ng 11.7-kilometer LRT-1 Cavite extension to Cavite, pati ang isyu ng once right-of-way (ROW) at ang relokasyon ng mga iskwater na maaapektuhan ng proyekto.

Ayon sa maraming Cavitenyo kung hindi sana nahaluan ng politika ang proyekto, marahil, maraming commuter ang nakadarama ng ginhawa sa biyahe kung maagang naumpisahan ang LRT 1 Cavite extension na unang binalak itayo sa panahon ni dating Pres. Erap Estrada pero natigil sa panahon ng siyam (9) na taon ni dating Pres. Gloria Arroyo at anim (6) na taon ni dating Pres. Noynoy Aquino 3rd.

Matatandaang pabirong sabi ni Aquino na magpapasagasa siya at si dating Transportation Sec. Abaya sa tren kung sa 2015ay hindi matatapos ang linya ng tren patungong Cavite.

Naiaward sa consortium ang proyekto noong 2014 na nabalam nang madagdag ang problema sa isinampang kaso ni dating Gov. JonVic Remulla laban kay dating Gov. Ayong Maliksi kaugnay ng relokasyon ng mga iskwater na maapektuhan ng itatayong pundasyon ng riles ng tren patungong Cavite.

Dahil sa kaso — na napatunayang walang nalabag na batas at inabswelto ng Korte Suprema sa kaso si Maliksi – natigil, nabinbim ang pagtatayo ng LRT 1 Cavite Extension.

Kung hindi sana nagkaroon ng kaso sa relokasyon, baka nga ngayon ay nakatayo na ang mga posteng pundasyon ng LRT 1 at sa mga susunod na taon. mauumpisahan nang maaga ang karugtong ng estasyon ng LRT sa Niog sa Bacoor, patungong Imus City hanggang Governor's Drive sa Dasmariñas City.

BAGONG ALYANSA SA POLITIKA

ILANG linggo at Mayo 13 na, at maugong ang usapan na may nabubuong bagong alyansa ang mga politiko kontra o pabor sa mga kilalang personalidad sa politikang Cavite.

Hindi ngayon lang ito nangyayari: kung matatandaan, ilang linggo bago ang 2016 presidential elections, ang Remulla brothers – dating Governor JonVic at dating 7th district congressman at ngayon ay Gov. Boying — ay biglang tinuwaran si dating Vice President Jojo Binay.

Iniwan ng magkapatid na Remulla si Binay at nag-over-da-bakod sa kampo ni Davao City Mayor Rodrigo Duterte – na nanalo sa mga kalabang kandidato.

Nangulelat sa karera sa Malakanyang si Binay, na lantaran ang pagsasabi ng malaking galit sa magkapatid, lalo na kayJonVic.

Kasi nga naman, nagpakasumpa-sumpa pa noon si JonVic na hinding-hindi niya iiwan si Binay at paulit-ulit na nangako ng katapatan sa pagkakaibigan nila sa dating bise-presidente.

Pero ang nangyari, hindi naging matapat si JonVic sa maginoong usapan nila ni Binay.

Marahil, naniniwala si Jonvic sa sinabi ni Poe na hindi dapat na pinepersonal ang pagtuwad sa usapan.

Ito ang sinabi noon ni Poe, "One should never take it personally. We should never take those things personally. It's a political decision for most of them."

Pero personal na makikita sa mukha ni Binay ang galit tuwing maalaala ang pagbaligtad ni JonVic.

Natural lang talaga sa mga politiko na tumambling at kumampi sa mga kandidato na malaki ang tsansa na manalo.

O, kaya ang dahilan ng pagkampi ay bunga ng matiyagang pag-aanalisa o pananaw sa magagandang kuwalipikasyon ng kakampihang politiko at ang tinitindigang prinsipyo ng isang partido political.

May lumilipat sa ibang kampo dahil sa naniniwala sa prinsipyo at plataporma ng isang kandidato.

Nabanggit nga noon ng reeleksiyonistang si Poe ang ganito: "This, for me, is even more meaningful because you know that they are with you not just because of the expediency but because of their principles, their beliefs in your platform, and that's more long lasting."

Dahil sa prinsipyo at pagtitiwala sa galing at kakayahan ni dating Gov. Ayong kaya — sa malaking pagkagulat ng marami – ay nagpahayag ng suporta si 1-Pacman partylist 3rd nominee Sir Marlon Bautista Revilla kay Maliksi sa kandidatura nito sa pagka-gobernador.

Nagpahayag na rin ng suporta kay Maliksi sina dating Naic mayor – sina Edwina Mendoza at Efren Nazareno.

Wala pang sinasabing dahilan si Nazareno — na dating provincial administrator ni JonVic – sa pagkampi niya kay Ayong.

May pahayag si Remulla na "nakuha" na niya ang suporta ng mag-asawang Dasmarinas City Mayor Pidi Barzaga at Congw. Jenny Barzaga, pero naka-poste sa Facebook ng mag-asawa na nagkasundo na sila ni Maliksi sa isang alyansa politika.

Ayon sa kampo ni Maliksi, "There are still other politicians from the other camps who have expressed their desire to support Gov. Ayong."

Hindi sinabi ng tropa ni Ayong kung sino-sino ang mga iyon, pero ipinahiwatig na isang angkan ng mga politiko sa isang siyudad ng Cavite ang malapit nang magpahayag ng suporta kay Maliksi.

"They are talking about the platforms. And they want to send the message that loyalty is important. Gusto nila na ipahatid ang mensahe na sa politika, napaka-importante ang palabra de honor, napakahalaga ang pagiging matapat sa binitiwang usapan," sabi ng informant.

Kung mangyayari ito, ating abangan.

MIGRATION...

duality of migration, its social costs and benefits to migrants, their families, communities and country, and appreciating the ways of harnessing the development potential of international migration. Dir. Banua also pointed out that according to the Calabarzon Migration Data, movements of migration growth in the Calabarzon region has increased. Cavite is one of the contributors of the top sending region in terms of migration as reflected by the number of sea farers in the province.

Director Banua also enlightened the attendees on the positive and negative effects of migration on migrants, their families and the community. He also echoed the important LGU roles including the policies, services, multi-stakeholder partnerships and institutional capacity which affected the conditions of migration and development dynamics.

Cavite Governor Jesus Crispin "Boying" Remulla appreciated the efforts initiated by the PSWDO and NEDA to come up with the orientation and seminar/workshop for the awareness of the status of migration and development in the province. The governor emphasized the idea that migration leads to brain drain and said that it is only temporary since the world has now become united by technology through digital infrastructure. He added that the fiber optic project in the province will be fully operational in the coming days and will address the separation of families since the digital infra will bridge the distance and make communication easier. The governor also said that the provincial government works on strengthening its employment services to give more jobs to Cavitenos. Access on basic services has already been implemented to reach the poor communities.

The session on Mainstreaming Migration and Development in Local Development Planning and Governance was led by Ms. Lovely Morres, OIC-Supervising Economic Development Specialist of NEDA IV-A. Her session concentrated on the assistance that they may provide for the LGU's in integrating migration and development into their local planning and provide them with a sample menu of services that can be offered for the migrants and their families. Her lecture also showed the services that may be extended to provide pertinent information on international migration, issues

PHILHEALTH

(FROM PAGE 8)

Under a global budget, participating health care providers receive a fixed amount for a specified period in advance to cover aggregate expenditures needed to provide covered patients with the needed services which are agreed upon earlier thus allowing health facilities strategic use of finances through efficient administration.

The said budget can be spent flexibly and is not tied to line items. The COA welcomed PhilHealth's initiative and positively expressed opinion over the new payment scheme as provided for in the UHC.

It also advised the state health insurer to implement strong surveillance and audit mechanisms to ensure that patients receive quality care without compro-mising the health insurance fund.
