

Prime Infra inaugurates 64-MW solar power plant in Cavite

MARKER. Officials and company officers unveil the marker of the completed Maragondon solar power plant in Maragondon, Cavite. Photo by Erika Sinaking

CAVITE, Philippines – Prime Solar, a subsidiary of Enrique Razon-led Prime Infrastructure, inaugurated on Wednesday, July 17, a 64-megawatt (MW) solar power plant in Maragondon, Cavite.

Prime Infra completes its Maragondon solar power plant more than a month after they inaugurated its sister 64-MW power plant in Tanauan, Batangas. This comes a year after Prime Infra broke ground.

"The completion of the Maragondon solar power plant is a significant milestone on Prime Infra's energy portfolio," said Prime Infra president and CEO Guillaume Lucci on Wednesday.

"This represents one-half of our entire project which is a sister plant in Tanauan."

The company says both plants can power 84,000 households.

Cherry Mendoza, president and CEO of Prime Solar, said the design of the two power plants in Cavite and Batangas are similar, in that they ▶ **PRIME INFRA • 5**

Unilever remains bullish, to expand Cavite manufacturing facility

Unilever Philippines Inc. Thursday announced plans to expand its Cavite facility to accommodate new liquid seasoning and food sauce formats, underscoring its confidence in the Philippine market's growth potential.

"We're expanding our product line, especially in the liquid seasoning format. Cooking sauces will be introduced making it more convenient for consumers, but we'll ensure that our products are properly fortified," said Unilever Philippines nutrition business unit head Marinelle Villanueva.

The company started fortifying some popular products including Vitamin C to its Knorr Sinigang Mix, ▶ **UNILEVER • 5**

DOST Cavite, PRRM conduct Exploratory Meeting on Research on Alternative Packaging Materials

In a significant step towards sustainable development and to ensure that we meet the UN SDG 12, Ensure Sustainable Consumption and Production Patterns. The Philippine Rural Reconstruction Movement (PRRM) and the Department of Science and Technology (DOST) Cavite held an exploratory meeting aimed at exploring potential partnerships focused on research into alternative packaging materials and other joint initiatives at the PRRM Office in Silang, Cavite last July 1.

The Philippine Rural Reconstruction Movement (PRRM) is a Non-Governmental Organization committed to improving the lives of rural communities through sustainable development programs. PRRM is actively involved in projects that address environmental sustainability, livelihood improvement, and social development. ▶ **DOST CAVITE • 5**

Cavite City in state of calamity due to massive fire

The Cavite City government has declared a state of calamity after a fire on Sunday ravaged two coastal villages and left more than 900 families homeless.

"Cavite City is now under a state of calamity," Mayor Denver Chua announced on his Facebook page on Tuesday afternoon.

In another post, the city government said the declaration was based on the mayor's and the Local Disaster Risk Reduction and Management Council's endorsement

Enhanced Disaster Resilience in Carmona: DOST installs Innovative Weather Monitoring Technology

Last July 10, the Department of Science and Technology (DOST)-CALABARZON, through its Community Empowerment through Science and Technology (CEST) Program of DOST-Cavite, deployed and installed one (1) unit each of the Automated Rain Gauge (ARG) and Water Level Monitoring System (WLMS) technologies developed by DOST-Advanced Science and Technology Institute (DOST-ASTI).

This milestone initiative aims to significantly bolster the city's weather monitoring capabilities and disaster preparedness, prevention, and mitigation measures.

The ARG and WLMS are designed to provide real-time data on rainfall intensity and water levels, enabling early warning systems and timely responses during inclement weather events. By enhancing public safety and raising community awareness, this

installation marks a crucial step forward in ensuring the resilience of Carmona City against natural disasters.

The installation activity was completed through the concerted efforts of the Carmona Office of the City Disaster Risk Reduction Management Office (OCDRRMO) and key personnel led by Mr. Rommel DL. Peneyra, OCDRRMO Head with Messrs. Artemo S. Angelada, Joseph B. Medina, Benson R.

Pampuan, and Carlito C. Rivera.

The deployment of these advanced technologies highlights DOST's commitment to

leveraging innovation for sustainable development and disaster risk reduction across the region.

Moving forward, stakeholders anticipate

that these systems will not only mitigate risks but also empower local authorities and residents to manage and mitigate the impact of environmental challenges

proactively.

The activity supports the celebration of National Disaster Resilience Month this July 2024. **(By Cherie O. Lee)**

Meet the mascots, SOLIDO and SCIGLAT!

SOLIDO stands firm with the HANDA Pilipinas theme on Climate and Disaster resilience. It represents sturdiness, environmental sustainability, cultural inclusivity, unity and scientific creativity. SOLIDO was launched during the HANDA Pilipinas Luzon Leg in Laoag City, Ilocos Norte. Get the chance to meet SOLIDO in the Visayas and Mindanao legs!

SOLIDO

SOLIDO is inspired by the DOST Secretary, Dr. Renato U. Solidum, Jr. It symbolizes resilience by embodying the strength to withstand threats and adversity.

Rocks endure the test of time, weathering storms and hardships, just like SOLIDO stands firm in the face of adversity.

- SOLIDO carrying leaves in a Pasiking (locally crafted bag) which represents environmental sustainability and cultural inclusivity. The leaves represents growth and regeneration after a disaster.
- The emblem shows a "shield" representing sturdiness and "group of people holding together" which represents unity in protecting the welfare of the community.
- Belt badge, four-pointed star, lifted from the DOST logo which symbolizes scientific creativity.

SCIGLAT 2.0

Spearheading and Championing Innovations Geared towards Leveraging and Accelerating Technologies in Region 1

Drawing inspiration from the Ilocano term 'SIGLAT' which means agile, SciGLAT is our embodiment of enthusiasm, advancement, and the vibrancy of technology.

Cloaked in dominant blue, SciGLAT evokes a sense of depth, expertise, and stability. A color that signifies trust, loyalty, wisdom, confidence, and intelligence.

SCIGLAT describes our commitment to pushing the boundaries of innovation and technological advancement. Let's accelerate development here in our region together!

Providing Solutions, Opening Opportunities.
region1.dost.gov.ph @dostregion1

SCIGLAT encompasses DOST 1's branding on Spearheading and Championing Innovations geared towards leveraging and accelerating technologies in region 1. SCIGLAT was launched during the 2023 Regional Science, Technology, and Innovation Week, and now comes back with its version 2.0 features during the 2024 RSTW. SCIGLAT is the official mascot of DOST 1.

These mascots were crafted through the initiative of DOST 1 Regional Director, Dr. Teresity Tabaog, and were creatively conceptualized by Mr. Michael John Cabilitazan Maquiling and Ms. Carla Joyce B. Cajala.

DOST equips ABN Marketing with upgraded printing tech thru SETUP

MISAMIS OCCIDENTAL—The Department of Science and Technology—10 (DOST—10) has extended its Small Enterprise Technology Upgrading Program (SETUP) to ABN Marketing, formalized through the signing of a Memorandum of Agreement on June 21, 2024, Ozamiz City.

The partnership aims to enhance the enterprise's operational efficiency, expand product offerings, and boost market competitiveness.

ABN Marketing, managed by Pegielyn J. Sabunod, was founded in 2009 as an encoding hub and retailer of fashion accessories. The business has grown into a convenience store and provides photocopying, bookbinding, and tarpaulin lay-outing services. It serves many clients, including students, teachers, government employees, and bank customers.

Despite its growth, ABN Marketing envisions mechanizing production and expanding into wide-format printing services but needs more equipment in its facility. Recognizing this barrier, the enterprise sought assistance through DOST's SETUP, a program designed to support Micro, Small, and Medium Enterprises (MSMEs) by providing technological

interventions to improve productivity and product quality.

"Our printing company views DOST SETUP as a pivotal opportunity for the long-term success of our printing business. We anticipate that the project's support will not only enhance our operational efficiency and technological capabilities but also strengthen our market position and sustainability efforts. We are committed to maximizing the benefits of this engagement to drive long-term growth and innovation within our company," Sabunod said.

Through the DOST program, ABN Marketing will acquire cutting-edge printing equipment, including a wide-format printer and cutter plotter. This technological upgrade will allow the enterprise to offer advanced printing services such as tarpaulin, posters, backdrops, murals, and banners. The business will also be able to produce temporary

vehicle plates, signages, and other related products with greater efficiency and precision.

With these interventions, the business is expected to experience a 22% boost in productivity and 21% increase in sales after the first year of upgrades.

"DOST remains committed to supporting MSMEs in the province through SETUP. Through this program, we hope to support priority enterprises, including food processing, furniture, metals and engineering, and agriculture, among others, and contribute to the economic development in Misamis Occidental," said DOST Misamis Occidental Provincial Director Eufresnie Ann D. Simbajon.

DOST SETUP is a nationwide strategy that provides a package of science and technology interventions, including seed funds for technology acquisition and equipment upgrading that the

proponent will refund without interest.

In the famous words of DOST Secretary Dr. Renato U. Solidum, "Sa siyensiya at teknolohiya, negosyo tiyak kikita..." highlighting DOST's commitment to support MSMEs with science and technology interventions.

This flagship program aims to enhance MSMEs' capabilities through technological innovation. By supporting the acquisition of modern equipment, the program helps businesses overcome operational challenges, increase productivity, and remain

competitive in the market. Interested and qualified firms may visit the nearest DOST office to participate in the program. **(Ella B. Nadela, DOST Misamis Occidental)** **#ProvidingSolutions** **#OpeningOpportunities** **#ScienceForThePeople** **#OneDOST4U**

Distribution of education assistance in CvSU Imus City

On July 10, 2024, Cavite provincial government held a significant event at the CvSU Imus Campus Gymnasium, as Governor Jonvic C. Remulla led the distribution of educational assistance to 3,093 beneficiaries under the Provincial Scholarship Program. This momentous occasion was attended by key officials, including the campus administrator, Dr. Jenny Beb F. Espineli, Imus City Mayor Alex "AA" L. Advincula, Vice Mayor Homer Saquilayan, Imus City Councilors, and Third District Board Member Ony Cantimbuhan.

TAPAT SA BAYAN. TAPAT SA USAPAN.

DISTRIBUTION OF EDUCATIONAL ASSISTANCE
JULY 10, 2024 | CVSU IMUS CAVITE
WWW.CAVITE.GOV.PH | WWW.JONVICREMULLA.COM

Governor Remulla delivered an inspirational message that resonated with the students, emphasizing the value of perseverance, hard work, and the transformative power of education. In his speech, he shared personal anecdotes and encouraged students to make the most of the opportunities presented to them. He highlighted the role of education in achieving one's dreams and the collective progress

it brings to the community. His message was met with enthusiastic applause and left a lasting impression on all attendees. Mayor Advincula and Vice Mayor Saquilayan, along with the city councilors, also expressed their support for the scholarship program, acknowledging the collaborative effort between the local government and educational institutions to uplift the youth of Imus City and beyond.

This initiative not only underscores the importance of education in personal development but also highlights the commitment of the Provincial Government to invest in the future leaders of Cavite. The distribution of educational assistance continues to be a beacon of hope, providing opportunities for students to achieve their dreams and contribute to the progress of their communities. **(CK Torres)**

Strike a pose and capture the perfect selfie with Dash – he's guaranteed to make your Instagram feed and TikTok videos stand out!

From Heart...

(FROM PAGE 8)

that provided nutritious meals to 300 beneficiaries. This program, aimed at achieving "holistic transformation for the poor," reflects KALINGA's dedication to nourishing both body and spirit. Donita's involvement ensured that on this day, they shared not only food but also hope and love, strengthening the community's spirit.

In addition to the feeding program, which emphasizes the "go, grow, and glow" aspects of nutrition, the foundation offers education and other vital services to all its beneficiaries. Ms. Tapay expressed her deep connection to the foundation's values, stating, "It's faith transforming lives. We've introduced values formation and education systems through ALS..." Her dedication to holistic support is evident in the comprehensive approach KALINGA takes in its care programs.

The foundation's mission is deeply rooted in imparting the love of God through their work, embodied in the 7 Stations of AJKC: Welcoming, Profiling, Clothing, Bathing, Grooming & Affirmation, Meals & Bonding, and Sending Off. These stages are designed not just to serve but to inspire and affirm the dignity of every individual.

Donita's support ensures that the foundation can continue to be an instrument and inspiration to all, showing that with love and respect, equality can be achieved, and no one is left behind.

The celebration did not end with the feeding program. On July 13, 2024, she sponsored a large-scale medical mission aligned with the foundation's vision of "faith transforming lives." In collaboration with Hospital on Wheels, the mission offered free major surgery to 100 patients, dental check-ups to 500

patients, and eye check-ups to 300 patients. These services are crucial, especially for less fortunate individuals who cannot afford medical treatment.

Ms. Tapay's unwavering support for KALINGA underscores her commitment to uplifting the lives of the underprivileged. Her partnership with the foundation not only provides immediate relief but also inspires long-term change. Each year, this collaboration strengthens the vision to rebuild and redefine the lives of those in need, continuing to serve with compassion and love, and providing hope and opportunities for a brighter future.

The fourth session of the PDP Training shifted focus to compliance with GMP and the registration processes for Food and Drug Administration (FDA) licenses to operate (LTO) and certificates of product registration (CPR) on June 19. The session began with a recap followed by a comprehensive seminar by Ms. Amiel G. Lacdan, Project Technical Assistant I of DOST-CALABARZON. The seminar covered plant layout compliance with GMP and detailed the documentary requirements and registration process for obtaining FDA LTO and CPR.

The interactive afternoon session enabled participants to apply their theoretical knowledge,

followed by a question-and-answer segment.

The fifth and final session on July 3 provided one-on-one consultations and further training on financial literacy and product development services. The day started with an opening program, featuring welcome remarks by Ms. Liza C. Gabatan, Entrepreneurial Division Head of OPCDO, and messages from Mr. Alvin S. Mojica, Department Head of OPCDO, and Ms. Gilda S. De Jesus, Provincial Director of DOST-Cavite.

Participants engaged in personalized consultations, receiving tailored guidance from consultants. Chinabank Corporation-Dasmariñas conducted a Financial Literacy Presentation,

Cavite City... (FROM PAGE 1)

the prices of goods and commodities in the areas. Over 3,000 affected The fire started at about 3 p.m. on Sunday along Badjao, Alonzo Street. It spread to Barangays 5 and 7 and destroyed more than 900 houses before it was extinguished three hours later, according to the Cavite City police. Authorities said the fire affected more than 3,300 individuals, who were temporarily housed at two public schools in the area and attended to by local social welfare officers. The investigators reported no casualties or serious injuries. Firemen were still investigating the cause of the blaze, while property damage has yet to be determined. On Monday, Chua reported that brothers Cavite Rep. Jolo Revilla and Agimat Rep. Bryan Revilla, and local government officials, provided initial assistance to the families affected by the tragedy. The government officials distributed hot meals, hygiene kits, sleeping kits and food packs to each family affected by the fire. "In the coming days, we will also provide financial assistance to each family to help them rebuild their homes. A little more patience, and we will rise again. Rest assured, we will not abandon you," Chua said. He has led a meeting with concerned departments from the city government to begin the relief and recovery operation for the victims. (By: Delfin T. Mallari Jr.)

both have seven blocks of solar panels and occupy around 60 hectares of land. Mendoza also said they are still "figuring out" agrivoltaic farming which makes use of the land underneath the solar panels to grow crops. Among those who graced the inauguration of the power plant are Cavite Governor Jonvic Remulla, Energy Regulatory Commission chair Monalisa Dimalanta, Department of Energy (DOE) director Marissa Cerezo, and Maragondon Mayor Lawrence Arca. The Philippine government aims to increase renewable sources in the energy mix from 22% in 2022 to 35% by 2030 and 50% by 2040. According to Cerezo, there are currently around 500 active solar energy contracts with an aggregate installed capacity of 1.6 gigawatts being monitored by the DOE. -Rappler.com

Unilever... (FROM PAGE 1)

Vitamin A to its soup mixes and iron to all Knorr cubes variants. The move was part of Unilever's commitment to nutrition, reflected in its "NutriSarap" campaign, which aims to reach 15 million consumers with nutrition education and the "Makulay ang Buhay" education campaign for kids. The company adheres to its Unilever science-based nutritional standards, ensuring its products meet strict guidelines for calories, sugar, salt, and fat. Villanueva expressed optimism for continued growth throughout the year despite a slight dip in sales in the first quarter, driven by new product formats and sustained demand for legacy products like Knorr Sinigang Mix, which commands a 70-percent market share in its category. "Growth is very good even in an inflationary period. Knorr grew significantly [and that] comes from the consistency of the dishes prepared," she said, adding that the company has been consistently hitting more than 10-percent growth in the last three years. Across all categories and product lines, Unilever commands a strong presence with over 50-percent market share. Villanueva did not disclose specific details about the expansion, but said several new products would be manufactured locally, while other products would be brought in from Unilever global. She also hinted at the possibility of more fortified products in the future. (By Othel V. Campos)

OPCDO, DOST-CALABARZON concluded their Training Series on Enhanced Food Safety and Product Standardization

The Office of the Provincial Cooperatives Development Officer (OPCDO), in collaboration with the Department of Science and Technology (DOST)-Cavite, successfully concluded their comprehensive Product Development Process (PDP) Training series at the Sangguniang Panlalawigan Session Hall, Legislative Building, Provincial Capitol Grounds. The training series aimed to equip participants with critical knowledge of product standardization, food safety, good manufacturing practices (GMP), and regulatory compliance.

On June 18, the third session of the PDP Training commenced, emphasizing product standardization, food safety, and GMP. The day began with a recap of previous sessions, followed by the introduction of Ms. Anna Marie S. Daigan, Senior Science Research Specialist, as the resource speaker. The morning session delved

VOL. XX • NO. 23 • 10.00 • JULY 16 - 22, 2024

into the intricacies of product standardization and essential food safety practices. Attendees learned the significance of adhering to GMP to ensure high-quality and safe food production. The afternoon featured an extended lecture and a question-and-answer segment.

Successful Medical Mission in Brgy. Carsadang Bago Benefits 286 Imuseño Residents

The covered court of Brgy. Carsadang Bago was transformed into a vital health services hub as PGC's medical mission provided essential care to 286 Imuseño residents on July 16, 2024.

This significant event offered a comprehensive range of medical services, including consultations, ECGs, X-rays, Philhealth registration, and laboratory exams such as urinalysis and blood tests.

Spearheaded by the OPG medical mission team, the event also featured the distribution of medicines and multivitamins to promote fast recovery and overall health improvement among the beneficiaries. Medical professionals from Medical Center Imus and General Emilio Aguinaldo Memorial Hospital lent their expertise, ensuring high-quality care throughout the day.

The success of the mission was bolstered by the support and leadership of local officials, including Congressman Adrian Jay Advincula, City Mayor Alex L. Advincula, Vice Mayor Homer Saquilayan, and the city council. **(Romelyn P. Dones)**

From Heart to Hand, Celebrating with Purpose and a Mission

In a heartfelt act of compassion and generosity, Ms. Anna Donita S. Tapay transformed her special day into a celebration of giving by supporting the Arnold Janssen Kalinga Foundation, also known as KALINGA (Kain-Aral-Ligo-NG-Ayos).

Donita, a long-time advocate of KALINGA's mission, funded a series of meaningful activities that highlighted the foundation's commitment to providing dignified, systematic, and holistic care to those in need. This event coincided with the foundation's 9th anniversary, marking a significant milestone in their ongoing dedication to serving the underprivileged. Their anniversary celebrations, highlighting her commitment to acts of service.

The celebration began with a feeding program
