

BARRIER SA ANGKAS, MAKAMAMATAY ipat na ang helmet, face mask, puwede na: Sen. Revilla

BLENG maging dahilan ng aksidente ang divider o harang dahil mahihirapang ilanse ang magkaangkas sa motorsiklo.

ang sinabi ni Sen. Bong Revilla Jr. sa kahati ng National Task Force (NTF) on COVID-19 na ang sariling barrier o divider ang magkaangkas sa motorsiklo.

Alat ni Revilla kay NTF na at Defense Sec. N. Lorenzana, sinabi ng na ang DIY or Do-it-yourself installation ng barrier na ito ay "mentally unsafe" at at sa motorcycle's ering at balance at ang tsansa na gente ang motorcycle kaangkas nito.

ag meron kang angkas ang bigat ay onized, dapat adon ang angkas sa an papaling ang bigat

ng motorsiklo," sabi ni Revilla. Kung mawawala ang balance, "puwede itong sumemplang," dagdag ng senador.

Aniya, ang divider sa nagmamaneho at angkas ay makadagdag sa hirap sa balance at ito ay posibleng maging dahilan ng aksidente at pagkapinsala o pagkamatay ng mga magkaangkas sa motorsiklo.

Naniniwala si Revilla na sapat na ang pagsusuo ng guwantes, face masks, at full face helmets o face shields bukod sa ligtas ay mabisang proteksiyon laban sa pagkahawa sa novel coronavirus disease (Covid-19).

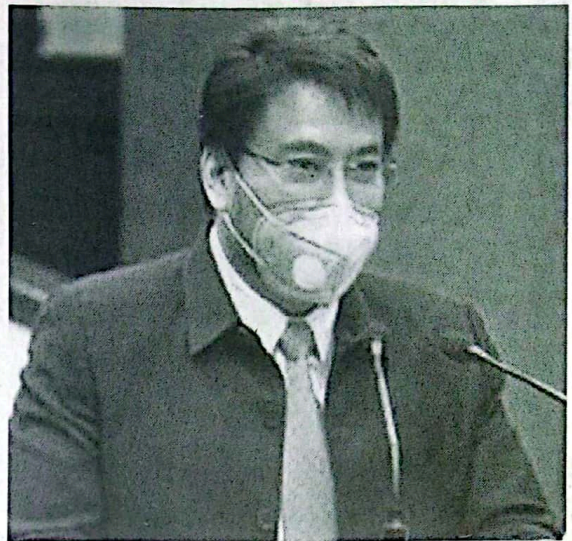

"Tutal ang driver naman at ang angkas ay karaniwang

magkasama sa bahay at nagsasalo naman sa maraming bagay ng walang mask hanggang sa paggamit ng kubyertos at magkatabi sa kama kaya ang planong paglalagay ng harang ay hindi kailangan," sabi ni Revilla.

Ipinatupad ang paglalagay ng barrier noong Hulyo 10.

Sa utos ni Interior Secretary Eduardo Año, pinapayagan ang angkas sa motorsiklo para sa mag-asawa na kailangang kapwa may suot na facemask at may dalang identification card na may parehong apelyido, address na magpapatunay na sila ay magkasama sa bahay.

Maraming nagmomotorsiklo na nagsabi na sagabal ang barrier at salungat sa hangin na posible ngang maging dahilan ng aksidente at malaking pinsala sa nagmomotorsiklo.

LGU Bacoar amends EO 24 for expansion of Zapote 1-P Critical Zone

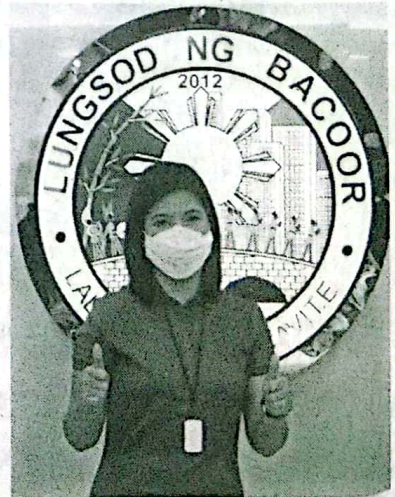

Bacoar City, Cavite Jul 14 -- The local government here led by Mayor Lani Revilla ordered the amendment and expansion of the localized lockdown of Barangay Zapote 1-Proper Critical Zone and containment of the households of COVID-19 positive patients effective 12 noon of July 11, 2020 up to 5am of July 24, 2020.

This developed after the RT-PCR (Real Time-Polymerase Chain Reaction) testing in said area resulted to a clustering of a total of 19 confirmed cases by July 9, 2020, out of which 3 had died, and 16 are active cases plus several symptomatic suspects and probable cases who were reactive in their rapid anti-body tests.

With the said order, the total of the Zapote 1-P CrZ now consists of more than 1,500 households with boundaries moved to Rosal St., on the northwest (NW), Aster Extension on the northeast (NE), Campuput St., on the southwest (SW), and Camia St. on the southeast (SE) including the old Zapote market area and the Sampalukan area which consists of 400 families.

The order also states that the Zapote 1 Barangay Health Emergency Response Team (BHRT), in coordination with the City Health Office (CHO) and the City Contact Tracing Team (CTT) shall continue to carry out inventory and surveillance of the concerned households in this critical zone, conduct case finding and investigation in search of more household members having symptoms.

DILG PINAIIMBESTIGAHAN ANG MGA NAGPAPAKALAT NG FAKE NEWS SA GITNA NG PANDEMYA

Dahil sa walang tigil ang mga balita sa social media na parang kabuting nagsusulputan, ang ilan sa mga kababayan natin ay nagkaroon ng pag-aalala at takot, kung kaya't ang ilan ay walang tigil sa pagtatanong sa ating mga otoridad upang malinawan sa mga kumakalat na balita lalo na sa ilang social media platforms. Na kung inyong matatandaan may fake news na kumalat hinggil sa mga Pilipinong manggagaling sa 20 bansa na diumano'y may nCoV na sinamahan pa ng infographics na may kasamang memo tungkol sa mandatory quarantine.

Nang pinuntahan ang DILG ay kaagad naman nilang sinagot na walang katotohanan ang isyu, kung kaya't ang nabanggit na ahensya ay nagbigay ng utos sa PNP upang imbestigahan at tugisin ang mga taong nagpapakalat ng mga pekeng balita.

Ang social media platforms ay ginawa upang mapadali ang komunikasyon at mapabilis ang anumang uri ng transaction, negosyo at iba pa. Ang disadvantage nga lamang ay nagagamit din sa maling pamamaraan, lalo na sa pagpapakalat ng maling impormasyon at balita.

Kung kaya't sinabi ng DILG na nararapat lamang parusahan ang nagpapakalat ng fake news, dahil hindi sila nakakatulong kundi nagbibigay pa ng takot. Kailangang mabigyan ng leksyon ang sinumang nagpapakalat ng mali at pekeng balita, lalo na ngayong may nananalasang mahiwagang sakit.

MORE CALABARZON RHUS AND HOSPITALS GETS AMBULANCE FROM

Department of Health (DOH) - CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) over 11 more land ambulances to rural health units during yesterday's ceremony held at the open court of the Quirino Memorial Medical Center Compound in Project 4, Quezon City.

"We will complete the distribution of the 98 land ambulances before the end of this year. These units are needed especially now that we are experiencing rising cases of Covid-19. Mas mapapadali ang pagkuha sa mga pasyente at pagdadala sa kanila sa pinakamalapit na ospital," Regional Director Eduardo C. Janairo sated during his message at the turnover ceremony held on July 13, 2020.

"Mas madaling

makapagbigay ng pangunahing lunas ang mga emergency medical personnel kapag mayroong ambulansya na may kumpletong kagamitan," he added.

There is now a total of 30 land ambulances distributed to various hospitals and rural health units of the region. Each unit is supplied with the essential medical equipment including automatic external defibrillator, nebulizer, portable suction machine,

examining light, aneroid sphygmomanometer, folding stretcher, scoop stretcher, heavy duty stethoscope, and oxygen cylinder.

Janairo also reminded local health officials to duly take-care of their land ambulances by taking regular care checks and maintenance to avoid potential vehicle problems.

The third batch of land ambulances is part of the 98 units procured by the regional office in 2019

andaan ko, bago pa okeyan ng Inter-Agency Task Force ang pag-aangkas asawa o magpartner sa motorsiklo, noon pa ito nire-request ni Gov. Jonvic na hindi siya pinakinggan.

ngayong pinayagan naman ng IATF, medyo hindi naman yata pinag-abuti ang disenyo.

THANK YOU, ZHOUSHAN CITY; ATTENTION ARK FAMILY

BILANG Isang Imuseño, I can proudly say: Masuwerte kami sa aming alkalde, Mayor Emmanuel L. Maliksi, aka ELM na sa panahong ito na umiiral ang lockdown dahil sa Covid-10 (C-19)

ay walang tigil sa pagbibigay ng ayuda sa aming constituents.

Hindi siya tumitigil sa paghahanap ng paraan upang mapagaan ang paghihirap ng mga Imuseño – sa pag-a-adopt sa new normal at malabanan ang pagkalat ng novel corona virus.

Kahit ano ang gawin ni Mayor ELM, may iba na hindi pa rin nasisiyahan, pero ito, malimit ngang sinasabi niya, kahit ano pa ang gawin ng isang public servant, mayroon tiyak na kritiko na magsasabi ng hindi maganda, despite magaganda ang ginagawa niya.

Damn if you do, damn if you don't.

Imbes na tumulong at makiisa, reklamo nang reklamo.

Pero ang ibang bansa, ang mga dayuhan ay siya pang mabilis na tumutulong, at kung maaalaala, early in the monts sa implementation ng community quarantine (CQ) at naging enhanced community quarantine (ECQ) at General Community Quarantine (ECQ), at kahit huli man, isa kami sa nagpapasalamat sa donasyon ng opisyal ng Zhoushan City, China na 20,000 face masks.

Isa sa magandang programa ni Mayor Maliksi ay ang pagpapabuti ng sister relation sa ilang siyudad mula sa China, isa nga rito ang Zhoushan.

Sabi nga ni Mayor ELM, the gesture by the city officials od Zhoushan was a "timely donation."

Maraming essential and health front-line workers ang nakinabang sa face masks, and this newspaper, through the permission of our publisher would like to extend our sincerest thanks.

Kaya nga nasabi ni Mayor Maliksi said that the donation was a great help to all of our frontliners, at bukod sa face masks, nag-donate din ang Chinese government ng C-19 tests kits.

Siyempre, maraming salamat sa itinatayong Imus City Molecular Laboratory (ICML) na isa sa malaking paraan upang mabilis na ma-detect ang mga tao na maaaring nahawa ng coronavirus.

Our thousand salutes to Mayor Maliksi at sa lahat ng city government officials, siyempre kay Vice Mayor Ony Cantimbuhan at lahat ng ating city councilors, at sa ating mga health officers, tulad ni Dr. Randy Calingasan.

Ang ayaw mapagod na si Mayor Emmanuel L. Maliksi: Basta sa totoong serbisyo, laging una sa Imuseño.

RAPE is a criminal offense na wala sa jurisdiction ng barangay, at 'yan ang hirap sa ibang opisyal natin, lalo na ang mga kapitan na ewan lang sa kanilang responsibilidad na maprotektahan ang kanilang nasasakupan.

Nababahala ako at aking tinatawagan ang masisipag na miyembro ng Arangkada Kabitenyo (ARK) na brainchild ng magaling na si Kuya Phong (Portia Ilagan), isa sa ever loyal at pinagkakatiwalaan ng pamilya Revilla.

Ipinakukumusta ka nga pala, Kuha Phong ng bespren mo, si Boss Eli Taparan na nag-e-enjoy sa Vancouver at sa Winnipeg.

Magaling ang ARK sa pagbibigay ng mahahalagang information sa ginagawa ng Bacoar city government at iba pang LGUs.

Sa krisis na ating hinaharap ngayon, the ARK family is one of the most laudable group na tumutulong sa mga problema ng Bacooreño.

That is why, inilalapit ko ang problema ng isang rape victim na nangyari sa isang barangay sa Bacoar – na hindi ko muna papangalanan.

The victim ay isang 15-year old girl at ang alleged 'rapist' ay isang barangay Tanod na ano ang ginawang aksiyon ng barangay kapitan?

Wala lang, inarbor ang kaso sa ina ng bata at ang balita natin, maging ang women's desk ng Bacoar City police ay naghugas-kamay at hinayaan ang kaso na isang capital offense.

Tinakot ang ina at ang biktima, at ang babaeng Kagawad na may hawak ng kaso, kinumbinsi ang mag-ina na tanggapin ang P5,000 na 'areglo.'

Ano po ang maitutulong ng Bacoar City Public Attorney's Office dito, at sana umaksiyon ang ARK family na matulungan ang mga biktima.

Para sa detalye ng kaso, email lang po sa amin, domzcaiole@yahoo.com.

Isang mapagpalang araw sa mga walang sawang tumutunghay sa at patuloy na nag-aasam na muling matunghayan ng column na ito. Samot saring usapin ang pinag-uusapan ngayon, nariyan ang pang-isang istasyon ng telebisyon, pagsasabatas ng isang batas kontra-syempre ang walang kamatayang usapin sa COVID-19 pandemic. Mga nais nating bigyan ng paggabay upang sa munting paraan ng itay magkaroon ng kasiglahan ang ating mga buhay na balot ng takot.

Hati ang opinyon ng bawat isa tungkol sa pagpapasara ng NTC sa mga nagsasabing tama lang ito at walang naka-aangat sa batas, at mga nagsasabing hindi ito patas at matuwid, lalong higit sa mga maaaring trabaho sa panahong ito na marami ang nakakaranas ng kahirapan. Sariling opinyon, masakit nga naman sa mga nawawalan ng trabaho hindi ipapatupad ang batas ay maaaring abusuhin ito, at marahil maging lang ang gobyerno ngayon. "...Sabi nga ng kasabihan, sa may gustong may paraan... ngunit sa ayaw maraming dahilan." Marahil ipagkatiwala ang lahat sa mambabatas ang patungkol sa kahihinatnan ng lahat.

Kamakailan na nilagdaan na ng ating Pangulo Rodrigo Duterte ang ng anti-terror bill. Ngunit may ilang makakaliwa ang pawang natawag na ito? Anu ba sila terorismo ba sila? ito ang tanong ng nakararami lang naman sa aking sariling opinyon, isinabatas ang anti-terror pangalagaan lamang ang bansa sa banta ng terorismo na siyang ating gobyerno.

Anu pa ba ang gagawin ng pamahalaan upang pangalagaan ang lumaganap na sakit ng COVID? At ngayon, kung dadako tayo sa masasabi natin na "parang normal na!" sa kabila ng banta na hindi. Tama man o hindi ang ginagawa ng marami, kalakip ng pag-iingat natin, mas higit nating paingting ang pananalangin at pananampalat. Masakit mang unawain na hindi tayo handa noong sumapit tayo sa ito, ngunit tunay na wala tayong kakapitan sa panahong ito kundi sa

Tandaan natin nasa bawat pangyayari sa buhay natin ay may dahilan kung bakit kailangan maganap ang lahat ng ito. Kung anumang Diyos at sa ngayon hindi natin ito maarok, ang masasabi ko lang, Diyos at ayaw niya tayong malublob sa kapahamakan ng buhay.

The experience for him was like an arduous climb, as not only did his condition struck on him physically, but also mentally and emotionally. With his family on the line, he converted his worries to strength and fought with his might. Eventually, his oxygen level went back up and his body responded well to the medicines.

I am forever thankful to God, to my family and friends and to all the people of ARC Hospital for all the warmth, help and care they gave me. PhilHealth [also] came as an angel. I never expected it would give me so much financial help during my crisis. My case was placed under the category moderate pneumonia and PhilHealth shouldered 143,000 pesos of my total bill and it was such a relief!

PANDAIGDIGANG RECESSION DULOT NG COVID

Sa kasalukuyan saan mang sulok ng mundo ay mistulang gumagapang ang takbo ng ekonomiya, na wala ng magawa kundi ang tanggapin ang hamon ng COVID-19 na tila parang nahostage ang bawat bansa. Ang recession na nagaganap lalo na sa mayayaman at maunlad na bansa ay maaring maging sanhi ng hindi balanseng ekonomiya na magdudulot din ng pinansyal na krisis. Dahil base sa mga nagdaang panahon at sa tuwing sasapit ang pananalasa ng epidemya, pinakauna sa lahat na naging apektado ang mga "Financial Institutions" na siyang pangunahing dahilan ng pag - urong ng ekonomiya.

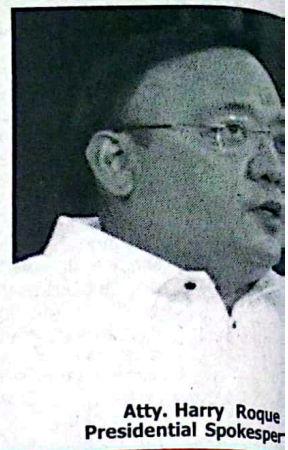

Sa estado naman ngayon ng ating bansa hindi na mapigilan ang pagtaas ng bilang ng mga tinatamaan ng COVID-19, na siya namang pinag - aalala ng karamihan, na baka ibalik ng ating Pangulo ang Enhanced Community Quarantine sa lahat ng rehiyon ng

bansa. Subalit kaagad namang sinagot ang isyu ni Presidential Spokesperson Atty. Harry Roque na ayon pa sa kanyang pahayag, "Wala tayong alternatibong magagawa sapagkat naitulak na ang ating ekonomiya sa gilid ng bangin, kailangan na

nating magtrabaho lahat." Kung kaya't ang nangyari ang pagharap kay COVID-19 ay ipinasa na sa lahat ng lokal na pamahalaan ang pamamahala, nang sa ganon hindi bumulusok sa despresyon to "Negative Growth" ang bawat ekonomiya sa buong mundo.

Pero sa kabila ng negatibong sitwasyon, ito ay nakabuo naman ng positibong epekto sa ilang mamamayan. Ang ilan ay nakapag - isip ng magtanim ng gulay, lumawak naman ang digital technology na naging aplikado sa lahat ng aspeto ng buhay.

Na sa kabuuan ang ekonomiya sa buong mundo ay kinakilalang buksan, dahil maraming magugutom at mamamatay kung walang hanapbuhay. (Ni: Reyland Lopez)

What happens when in one snap, the provider of the family cannot take care of his loved ones anymore?

"Ako nag-head aning pamilya nako kay breadwinner man ko, nag-agaw buhay ko sa ospital, nag-text pa akong brother na wala na sila'y makaon sulod sa pamilya (Being the head of the household as the breadwinner, while I was hovering between life and death in the hospital, I received a message from my brother that my family has nothing to eat at home anymore.)" Gay Lord Aves, a Cebuano COVID-19 survivor, shares one of his most difficult experiences while fighting for his life due to the novel coronavirus.

On May 21, Aves suddenly felt tired, lost his appetite, and had a terrible headache. Thinking that it was just one of those days where one feels a little under the weather, he just went on with his work, took a meal, waited for his condition to alleviate.
