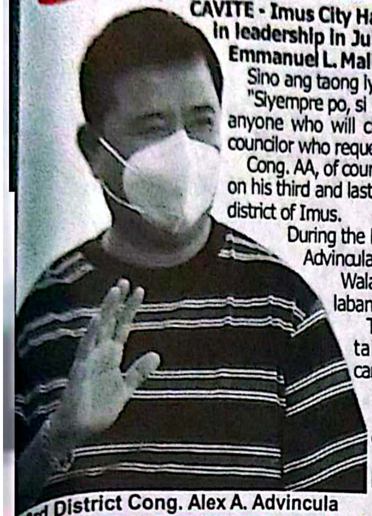
THE NEXT IMUS CITY MAYOR!



3rd District Cong. Alex A. Advincula

CAVITE - Imus City Hall will most likely see a change in leadership in July 2022 when energetic Mayor Emmanuel L. Maliksi's mandate ends on June 30.

Sino ang taong iyon?

"Siyempre po, si Cong. AA, e me iba pa ba? Is there anyone who will challenge him?" an incumbent city councilor who requested not to be named.

Cong. AA, of course, is Alex Lacson Advincula, who is on his third and last term as congressman of the third district of Imus.

During the May 2019 Imus City local elections, Advincula run unopposed.

Walang kandidato na naglakas-loob na labanan siya.

Top politicians of the city have been talking about Cong AA that his candidacy as the next mayor of Imus is already a done deal.

Many political observers confirmed this as a "fact."

They said, Cong AA is well-loved by the Imuseños; that Rep. Alex is ▶THE NEXT IMUS • 5

Ang Pagdeklara ng Martial Law: ANG GABI NG DEKLARASYON

Noong gabi ng Setyembre 23, 1972, kinausap ni Ferdinand Marcos ang mga Pilipino gamit ang telebisyon at radyo para ipaalam sa buong bansa na nagdeklara na siya ng batas militar.

FM DECLARES MARTIAL LAW

The nat'l situation in brief

• This is not a military takeover. Civilian government still functions. The officials and employes of the national and local governments continue to discharge their duties as before within the limits of the situation.

• All executive departments, bureaus, offices, agencies and instrumentalities of the government, as well as government-owned or controlled corporations, governments of provinces, cities, municipalities and barrios continue to function under the present officers and employes in accordance with existing laws.

But civilian gov't still functions; no military takeover

President Marcos announced last night that he had placed the entire country under martial law to prevent violent overthrow of the government by a foreign-backed Communist insurgency.

The Chief Executive said he signed the martial law order (Proclamation No. 1081) last Sept. 21, 1972, and authorized its implementation by the military at 9 p.m. Friday.

"I am utilizing the proclamation of martial law," he said, "for one purpose alone: to save the Republic and reform society."

To save the Republic and form a new society

PRESIDENT MARCOS

Nation is calm; business, life go on normally

Inilarawan ng Proclamation No. 1081 ang state of lawlessness na laganap sa buong bansa at inilalagay sa panganib ang buhay ng mga Pilipino.

Ginawang dahilan ni Marcos ang paglakas ng mga Komunista sa bansa. Ayon sa kanya, nakakuha sila ng armas mula sa Tsina na siyang gagamitin upang pabagsakin ang pamahalaan at guluhin ang mapayapang buhay ng mga ordinaryong Pilipino. Ikinumpara ni Marcos ang ▶ANG PAGDEKLARA • 5

Ang Alaala ng Martial law

May 49 na taon na ang nakalilipas mula nang ideklara ni President Marcos ang martial law.

Hanggang ngayon ang mga alaala ng martial law ay nasa isipan pa ng mga nakararaming mamamayan.

Ang pangyayaring iyon ang itinuturing na pinakamadilim na bahagi sa kasaysayan ng bansa at hindi na marahil malilimutan pa, na tuwing sasapit ang Setyembre 21 ng bawat taon ang unang papasok sa isipan ay "martial law" ay Nakatatak na ang Setyembre 21.

Hindi malilimutan ang mga pangyayari sa panahon ng martial law kung saan nilagyan ng pangil ang mga sundalo.

Karamihan sa mga inaresto ay mga pulitiko, mamamahayag, lider ng aktibista, estudyanteng lider at marami pa.

Isa sa mga dahilan umano kaya idineklara ang martial law ay upang mailigtas ang bansa sa komunismo.

Isa ito sa mga binanggit ni Marcos makaraang ihayag na nilagdaan na niya ang Proclamation 1081.

Malilimutan ba ang martial law? Hindi na. Lumipas man ang maraming taon, ang alaala ng martial law ay mananatili.

At hangga't may pinunong gustong maghari, mag-aaklas ang mamamayan. Dapat magmatyag ang mamamayan at maging matalino sa paglalagay sa puwesto.

TOTOO BA ANG 'UNITY TALKS' SA IMUS CITY?

KAMOTE & KAPE

ELI TAPARAN

YES, sportsman-actor Bryan Revilla is set to make a debut in active politics the upcoming local polls in May 2022.

"But please, don't quote me. Nag-usap na sila na patakbuhin si Bryan na mayor ng Bacoor na ang katiket e ang uncle niya, si Cong. Strike," sabi ng ming ka-chickang very close sa mga Revilla.

Ups, dehins po si Sir Phot na Bacoor City PIO na matagal ko nang di kakausap since magbakasyon ako rito sa Vancouver, magta-tatlong taon na ayon.

Sana nga, magka-herd immunity na sa PH para makauwi na ako: sino mag-sponsor ng one-way ticket ko from Vancouver to Manila?

Sa dami ng mga pro bono clients ko, siguro may isa na magme-message na ady na ang airplane ticket ko back to PH ... anyone?

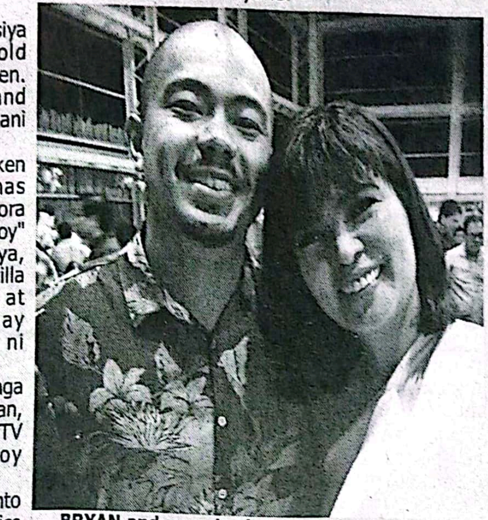
@@@

E, who is Bryan: siya ang 34-year old stborn son of Sen. ng Revilla Jr. and coor City Mayor Lani ercado-Revilla.

Bryan is soft-spoken d courteous, mas wig siya kay Mayora ni, kaya "Mama's Boy" g tawag sa kanya, d VGov. Jolo Revilla soft-spoken at agalang din ay mukha naman ni addy Bong.

Daang politika rin nga g lalakbayin ni Bryan, bi niya sa isang TV terview ni Boy unda.

"Since I was born into political family, politics s a natural choice," sabi ni Bryan, na matatas sa wikang English.



BRYAN and mom Lani: Mga ngiting tagumpay!

Tama, maaga siyang na-expose sa public service; maraming taon na siya na ging "katulong" ni Kabayang Bong sa Senado, at sa Bacoor City Hall, "utusan" siya ni Mayora Lani.

Bryan came in the limelight during the filming of action movie "Tres" with brothers Jolo and Luigi Revilla, at sabi nga, posible nga na tumakbo siya sa Bacoor as vice mayor,

Iyon ang sabi niya sa akin, before I leave for Canada October 26, 2019 nang magkausap kami sa Bacoor Strike Gym.

Bryan said that he knows how to serve the common people since he have been working in his parents constituency.

If given the opportunity to serve the Caviteños, Bryan said he will try hard to bring accountability and honesty in politics.

Bryan is articulate, mas ma-English pag kinakausap, yet soft-spoken: he is mahiyain nga, there is no element of brashness in his personality, though he belongs to powerful political family.

Latest news nga, tatakbong bise-gobernador si Bryan, hindi na para bise-alkalde ng Bacoor, sabi ng aming informer sa White Rock.

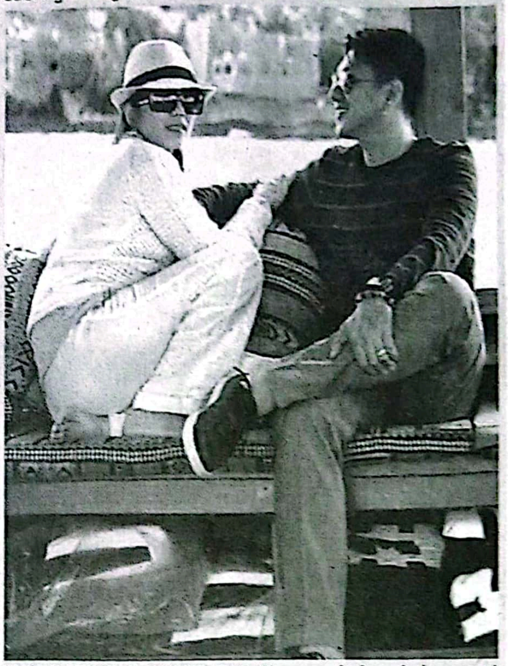
Totoo ba na Imus City Vice Mayor Ony M. Cantimbuhan is running not for mayor but instead, tatakbo uli for Cavite 3rd District Board Member, at ang anak niya ay tatakbong konsehal?

Unopposed na ba si ex-Mayor Homer 'Saki' Saquilayan para vice mayor ng wala ring katunggaling si Cong. Alex 'AA' Advincula, sabi ng aming source.

Totoo rin ba na tatakbong city councilor si Ma'am Jelyn LaoSantos-Maliksi, not as vice mayor as rumored?



MA'AM JELYN & MAYOR ELM: Ngayon, bukas, kahapon at kailanman, tayo lamang!

May nabasa ako sa FB page ni Mayor Emmanuel L. Maliksi na nagpapahiwatig na may iba siyang balak na takbuhan, hindi ang pagka-kongresista ng Imus City.

And there are 'unity talks' daw na nagaganap para maging smooth at payapa ang karera politika sa Imus City hall?

Patuloy akong magmamasid, at mag-messenger lang at mag-email ang aking correspondents sa taparaneliseo@gmail.com.

STRIKE 2 BA ULI SA LABANANG REVILLA VS. ABAYA?

PAG-USAPAN NATIN

Ni DOMZ B. CAOILE

AINIT na nang painit kaldero, kumbaga yong pagpasok ng ubre, latagan na ng ificate of candidacy C) ng mga politiko sa May 2022 local national elections.

t ayon sa ating bubuyog, may naganap na compromise agreement sa maraming an sa Cavite para hindi na magbanggaan ang mga nais tumakbo sa iba-ibang ted position sa probinsiya.

Si Senator Ping (Lacson) at Gov. (JonVic) Remulla ang nagsagawa ng miting, rder that the coming elections dito sa atin. May mga pumayag, may iba na w, pero overall, mapaplantsa pa para di na maging mainitan ang kampanyahan," i ng aming source.

urpose ng consolidation meeting na ito, sabi ng bubuyog namin, ay upang seguro na masosolido ni Sen. Ping ang Cavite votes.

s we all know, our kababayang Ping is running for President with Senate sident Tito Sotto as VP, at kumbaga, barometer ang Cavite sa lakas ng botong kukuha ng ating kabayan.

E, panahon pa ng Kastila nagkaroon tayo ng Pangulong Caviteño, in the person Gen. Emilio Aguinaldo.

Aba, it's time na raw na mula sa Cavite manggaling ang Pangulo sa 2022!

Sa Imus, wala na yatang bakbakan, "finished na, wala nang awayan, may npromise agreement sa tropa nina Mayor ELM at Cong. AA Advincula," sabi ng ing source.

Well... kung gayon, mabuhay ang Imus City.

My early congratulations sa mahahalal at sana po, todo at tunay na serbisyong useño ang maibigay sa amin.

Sa ibang city and municipalities, pinaplantsa pa ni Sen. Ping at Gov JonVic, at na, maging Ok ang usapan.

Salamat, bespren Cavite PIA chief Ruel Francisco sa news feed mo sa amin, tulad ng naganap na pamimigay ng financial assistance sa 160 obrero sa Bacoor City na nawalan ng trabaho at pagkakakitaan,

Opo, these displaced workers/employees ay binigyan ng ayudang 'TUPAD' ng Department of Labor and Employment (DOLE) na ginanap sa Brgy. Panapaan 8 Covered Court nitong Miyerkoles, Setyembre 22 na pinangunahan ni TESDA Man Senator Joel Villanueva, but of course with the able participation of our Lady Mayor Lani Mercado-Revilla at ni Sir Bryan Revilla.

Kasama sa pamimigay ng ayudang salapi ang mga opisyal ng labor department, city officials at ganoon na lamang ang pasasalamat ng mga benificiaries.

Ay kailan naman kaya mabibigyan ng 'assistance' ang mga displaced media practitioners, hehehe.

Eniwey, naguguluhan ako, is Sir Bryan Revilla running for Bacoor vice mayor o sa pagka-vice governor, kapalit ng younger brother niyang si VGov. Jolo Revilla -- who according sa bubuyog ko, hindi na tatakbong Agimat partylist representative kungdi babanggain na ang isang Abaya sa Cavite District 1.

Natatandaan ko, tinalo ni dating Bacoor Mayor now Cong. Strike Revilla si dating Cong. Del Abaya sa mainit na labanan noong 2010 elections para sa 2nd Cavite District.

Dati itong Bacoor po ay kasali sa District 1, pero naging solo Dist. 2 ang Bacoor na naging city noong 2013.

Mauulit ang labanang Revilla vs Abaya sa ngayong 2022, BFF Sir Ruel, at sino kaya ang magwawagi?

Kung si VGov. Jolo Revilla ang mananalo, aba, e di 'Strike 2' na ito sa tropang Abaya. Teka e sino naman ang magiging Agimat partylist nominees, at totoo ba na si Mayor ELM?

Sa Naic, ewan kung totoo ito, na Dualan uli ang magiging mayor, in the person of Councilor Raffy Dualan kasi may usapan nang nagaganap.

24 Barangays beat deadline for Devolution plan submission

The Local Chief Executive of Mendez-Nuñez town, Mayor Fredderick Vida lauded the best efforts of the Barangay Council members of the 24 barangays in the town for beating the deadline for the submission of their Devolution plans.

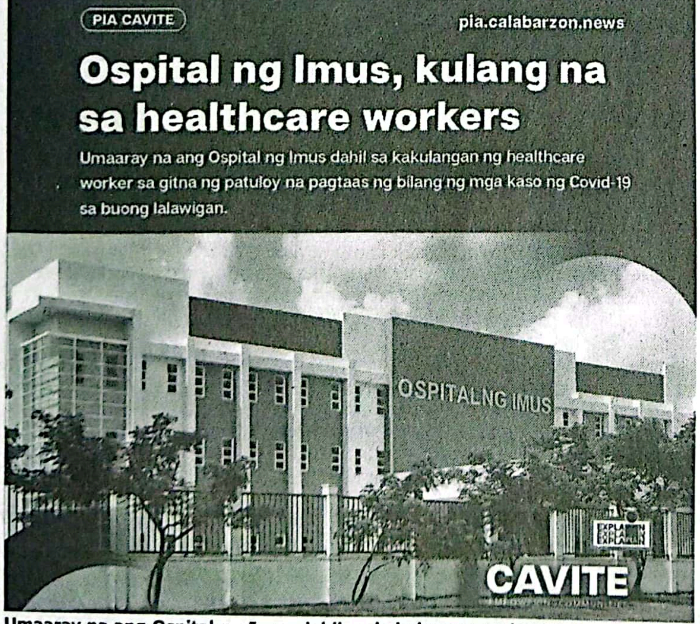
This was their undertaking in their participation with the Department of Interior and Local Government's (DILG) Orientation – Workshop on the Preparation of the Barangay Devolution Transition Plan.

Devolution is the shift or movement of duties and responsibilities from the National Government to the Local Government Units.

This means that the local government, including the Barangays, will respond more directly, quickly and appropriately to the needs of their constituents because they will be able to establish rules and take measures based on their capabilities.

Their accomplishment simply show that the barangay council members continue to do their duties for the welfare of their barangay constituents despite the challenges faced in this pandemic.

The orientation workshop was a 3-part program held on August 17, 25 and September 1, 2021. ***(Ruel Francisco/ LGU Mendez-Nuñez)***



Umaaray na ang Ospital ng Imus dahil sa kakulangan ng healthcare worker sa gitna ng patuloy na pagtaas ng bilang ng mga kaso ng Covid-19 sa buong lalawigan. Ayon kay Jong Tuazon, nursing supervisor ng naturang ospital, kinailangang pumasok ng mas mahabang oras ang ilan sa kanilang staff matapos magpositibo sa sakit ang 10 healthcare worker na naka-asssign sa Covid ward dito. Sa katunayan, kinakilangan na ring pumasok ng hanggang 12 oras ang natitirang nursing staff upang patuloy na makapagserbisyo sa mga pasyente. Sa ngayon ay full capacity pa rin ang emergency room, Intensive Care Unit at COVID-19 ward ng ospital. **(Photo from PIA FB account)**

Advincula has served well as a lawmaker in many capacities over the span of his career at the House of Representatives.

Many are excited that when Cong. AA becomes Imus City mayor, he will bring with him at the city hall decades of meaningful experiences in the civil service working in various capacities.

The Advincula family is known for its generosity: a large piece of land was donated to the city government where now sits the Ospital ng Imus, and lately, they donated a another lot in Malagasang 1-A where now sits the new Imus City Police Station.

"Ngayong Covid 19 pandemic, si AA at kasama ang anak niya, si Konsehal AJ at mga kasama, ay naku, walang sawa sa kabibigay ng bigas, manok, baboy at iba pa, vitamins, gamot, face masks, face shields, bottles of alcohol and disinfectants. Dami na n'yang nabigyan ng wheelchair, pampalibing, scholarship, patrol cars sa police, sa barangay,...," a member of newly established Cavite Press Corps said.

Political intrigues?

"Okay lang 'yun kay Cong. As a public servant, alam niya, he is a free target of nasty rumors and harsh criticisms, " a member of his congressional staff said.

What kind of a 'boss' is Cong AA?

" Si Boss, workaholic 'yan, Ayaw niya may nabibiting trabaho. He does not like leaving things hanging. Very generous. Of course, nagagalit din, pero mahinahon siya sa pagkagalit," said his staff.

This paper asked a young neophyte city councilor who he thinks would be Cong AA's teammate as vice mayor?

"Ang alam namin, si (dating) Mayor Homer Saquilayan."

(As of this writing, wala ni isang pangalan ng politiko na nagbabalak na **i-challenge**-ang siguradong kandidatura ni Rep. AA para alkalde ng Imus City. Maging ang ibang elected position sa Imus ay wala ring katunggali, sabi ng aming sources, as we write this. ***(ECT/CTJ REPORTORIAL TEAM)***

According to dersecretary Emil K. dain, the design of two retarding basins are sed on a comprehensive od management master an prepared by JICA.

The two reservoirs is nnected by a sluiceway r a total area of 9 ectares.

According to Secretary Villar, these water reservoirs reduces flooding by 30% with inlets where flood water flows during peak volumes from the rivers of Bacoor and Imus are temporarily contained until the rains stop.

"This vast expanse of open land can also be used during summer or dry season which could be converted to a soccer field, baseball field, and open park for outdoor exercises," revealed Villar.

Meanwhile, the DPWH has an ongoing construction of a retarding basin in Barangay Patindig Araw also in the city of Imus with a detention area of 35 hectares and is said to be 85% complete, and another retarding basin project in the city of General Trias that will support the Ylang Ylang River.

These flood control projects for the province had been conceptualized during former President Noynoy Aquino's administration that required about 50 hectares of land for its construction. ***(Ruel Francisco with reports from DPWH)***

estado ng bansa sa isang digmaan na plano niyang itigil.

Bilang sagot sa nagbabantang lakas ng mga Komunista, idineklara ni Marcos na isasailalim niya sa batas militar ang Pilipinas alinsunod sa kanyang kapangyarihan bilang Presidente na nakasaad sa 1935 Philippine Constitution. Kasama dito ay ang kapangyarihan ng Presidente na pangasiwaan ang Armed Forces ng Pilipinas para panatilihin ang batas at kaayusan, pati ang eksklusibong kapangyarihan para magpasya kung mananatiling nakakulong ang isang tao para sa kanyang mga krimen.

Ipinangako din ni Marcos na gagamitin niya ang mga special powers ng Batas Militar para mapalaganap ng kapayapaan at kaunlaran sa bansa. Makikita daw ng mga susunod kay Marcos ang bungang ito; ngunit, ang mga tututol sa kanya ay magdudusa tulad ng mga rebelde.

Kahit na Setyembre 23 ipinahayag ang pagdedeklara ng batas militar, pinirmahan ni Marcos ang dokumentong nagpapatupad nito noong Setyembre 21, 1972 dahil sa mga pamahiin niya tungkol sa mga numero. ***(Reyland G.Lopez)***

Ang mga nasabing lugar ay tutukuyin ng Department of Health at DepEd. Hindi rin araw-araw ang gagawing face-to-face classes kundi kalahating araw lamang at "every other week."

Ayon sa inaprubahang guidelines, ang mga Kindergarten classes ay magkakaroon lamang ng 12 estudyante habang ang Grade 1-3 classes ay papayagan ang 16 students na ang mga klase ay tatagal ng hanggang tatlong oras.

Ang mga Technical vocation classes ay papayagan hanggang 20 estudyante.

Titiyakin din ng DepED na magkakaroon ng "space for distancing."Paglilinaw pa ng kalihim, hindi pa nila tukoy kung kailan nila ito sisimulang ipatupad. Idinagdag pa ni Briones, kinakailangan pa rin kasing aprubahan ng host local government unit ang pagbabalik-klase ng mga estudyante sa kanilang lugar. Bukod dito, kailangan ding magbigay ng kanilang consent o permiso ang mga magulang at mga guardians na pabalikin na ang kanilang mga anak sa paaralan.

Tiniyak naman ng DepEd na hindi nila pipilitin ang mga mag-aaral kung ayaw ng mga ito na dumalo sa pilot implementation ng face-to-face classes. Nasa 28 milyon students ang nag-enroll para sa School Year 2021-2022, na mas mataas kaysa 26.2 milyon na naitala noong nakaraang taon. *(Reyland G. Lopez)*

sapat na pangangalaga sa kalusugan. At isa ang PhilHealth Konsulta o Konsultasyong Sulit at Tama upang mabigyang kaganapan ito.

Katuwang ng PhilHealth ang mga pasilidad sa pagpapatupad ng PhilHealth Konsulta at isa ang Tayabas CHO sa accredited PhilHealth Konsulta Provider. Kaya naman para kay Tayabas City Health Officer Dr. Hernando C. Marquez, "Ang PhilHealth Konsulta benefit package ay dagdag tulong upang matugunan ang pangangailangan ng mamayan sa Primary Care Services at dito higit na maibigay ang serbisyong sulit at tama para sa kalusugang pangkalahatan".

Kaya naman patuloy ang pakikipag-ugnayan ng mga Local Health Insurance Offices (LHIOs) katuwang ang Accreditation at Quality Assurance Section (AQAS) ng PhilHealth Regional Office IVA upang mas maraming pasilidad ang mahikayat sa sumali at magpa akredit bilang PhilHealth Konsulta Provider.

Kaugnay nito, isinagawa kamakailan ang virtual inspection ng Biñan Rural Health Unit kung saan tiningnan dito ang pagkakaroon ng maaayos at kumpletong kagamitan, gumaganang IT system at ebalwasyon sa kakayahang magbigay ng serbisyo ng pasilidad.

Gayundin, naaprubahan na ang akreditasyon bilang PhilHealth Konsulta Provider ng Calamba CHO sa Brgy Punta, Calamba CHO sa Lungsod ng Calamba, Laguna at ang Liwag Medical Center sa bayan ng Tiaong, Quezon. Samantalang ang mga Rural Health Units (RHU) ng Tagkawayan, Candelaria at Lopez sa Quezon, Siniloan at Mabitac sa Laguna ay naghihintay na lamang ng validation ng kanilang mga requirements.

Gayundin, hinihintay na ang pagpasa ng mga kakulangan dokumento ng mga sumusunod na pasilidad para sa kanilang akreditasyon bilang PhilHealth Konsulta Provider:

? Sta Maria Rural Health Unit
? Biñan City Health Office 1
? Biñan City Health Office 2
? Green Pasture Medical Specialist Clinic
? Our Health Center
? Bay Rural Health Unit
? Sta. Rosa City Health Office 1

Sa kasalukuyan, mayroon nang 12 na pasilidad na accredited bilang PhilHealth Konsulta provider sa buong Region 4A:

1. Athena Heart Center (Private)
2. Athena Diabetes Care and Medical Center (Private)
3. Sentrong Pangkalusugan Pagbilao Rural Health Unit
4. Real Rural Health Unit
5. Lucena City Health Office
6. KMT Primarycare amd Multispecialty Clinic
7. RAKKK Prophet Medical Center Inc.
8. Atimonan Health Center and Birthing Homes
9. City Health Office of Tayabas
10. Liwag Medical Clinic (Private)
11. Calamba City Health Office (Brgy. Punta)
12. Calamba City Health Office

Ang PhilHealth Konsulta ay isang benepisyong magbibigay-daan sa mandato ng UHC Law na bigyan ang lahat ng Filipino ng primary health care. Ito ang pinalawak na primary care benefit package para matulungan ang bawat Filipino na makaiwas o maagapan ang paglala ng sakit.

Sa pamamagitan nito, magkakaroon ng pangunahing mangangalaga sa kalusugan ng miyembro at maiiwasan ang paglala ng karamdaman o upang maagapan a
