PANGULONG DUTERTE BINISITA ANG MGA SINALANTA NI BAGYONG ROLLY SA ALBAY

Bukod sa aerial inspection mismong binisita ng personal ni Pangulong Rodrigo Roa Duterte ang lugar ng Guinobatan, Albay kasama si Senator Bong Go upang tingnan at alamin ang lugar na kung saan ay may 300 kabahayan na natabunan.

Dahil sa inisyal na ulat noong nakaraang Nobyembre 1, 2020 may katao ang nasawi at isang bata na limang taong gulang ang nawawala dahil sa pananalasa ng bagyo.

Ang tinaguriang pinakamalakas na bagyo sa buong mundo na may international name na "Goni" ay humagupit ng todo at ang probinsya ng Bicol ang matinding sinalanta.

Dahil sa pananalasa ni bagyong "Rolly" maraming pananim ang nasira at mga kabuhayan na kailangang maibangon kaagad, hindi pa man masyadong makabangon dahil sa pandemya dumagdag na naman ang isang pagsubok na haharapin ng mga investors sa nabanggit na lugar. Samantalang bukod sa pag - ulan at malakas na hangin ay rumagasa rin ang baha na may kasamang lahar sa ilang lugar pa sa Albay, na kung saan nabaon naman ang ilang sasakyan, tricycle at ilang establisiyimento.

Bukod sa ulat na 300 kabahayan ang natabunan, posible din dinumano na may mga residenteng nalibing ng buhay.

Sa larawan makikita si Pangulong Rodrigo Roa Duterte at Senator Bong Go kasama ang mga PSG na mismong binisita ng personal ang lugar sa Guinobatan, Albay na sinalanta ni bagyong "Rolly" na kung saan may 300 kabahayan ang natabunan. PAGGUNITA NG UNDAS SA KAPANAHUNAN NG PANDEMYA

Ang undas ay isang pagdiriwang bilang pag-alala sa ating mga namayapang mahal sa buhay, kung kaya't isang pagbabago sa panahong ito ang paggunita ng nabanggit na okasyon.

Na kung dati bilang isang tradisyunal na paggunita ang lahat ay pumupunta sa sementeryo para dumalaw sa puntod, sa ngayon ito ay isinagawa na lamang sa mga tahanan.

Dahil mula noong buwan ng Marso taong kasalukuyan, halos buong bansa ay nagkaroon ng lockdown dahil sa pananalasa ng Corona Virus.

Kung kaya't para sa kaligtasan ng karamihan mas minabuti ng ating gobyerno at bawat pamahalaan na isara ang bawat kamposanto mula Oktobre 29 hanggang Nobyembre 4, ito ay upang maiwasan ang pagdagsa ng mga tao.

Sa ulat pandaigdigan sa kasalukuyan marami pa ring mga bansa sa buong mundo ang apektado ngunit hindi na sa COVID-19 bagkus dala na naman ng panibagong bugso ng salot na kung saan isang bagong impeksyon na naman ang nananalasa sa bansang Europa at Estados Unidos.

Kung kaya't maraming salamat sa mga ipinatupad na restriksyon, hindi man tayo makapunta sa puntod ng ating mga mahal sa buhay ang mahalaga tayo ay ligtas sa paggunita ng Undas.

And as kids navigate their online classes, the Gadgets Hub will keep them updated with Laptops, flash drives, Bluetooth headsets and inkjet printers.

How to make the most out of making your home a classroom? Here are some tips for parents from the SM Stationery and Gadgets Hub:

1. Set a schedule for your study time with your kid. Let your child set the time for each subject that you want to work on, hour by hour, day by day, week per week.

2. Choose a quiet and well-lit area where your kids can focus on their lessons.

3. Stock up on homeschool supplies. Have enough pencils, erasers, activity books, notebooks, pad paper, and other school supplies you need. Prepare the gadgets they needed and sanitize it before starting the class.

4. Encourage your child to read and write freely. Make them read their favorite books whenever they are bored or have them keep a daily journal which helps them to deal their fears and anxieties.

5. Allot time to encourage your child's creativity through drawing, craft-making or other extracurricular activities such as cooking or gardening that will nurture their skills.

6. Keep your child in touch with their friends virtually from a regular basis. This may be done after they completed their school worksheet.

7. A homeschool environment will be new for you and your child. It's going to be challenging, so it's okay to ask help from your child's teacher, tutors or fellow parents who's into homeschooling.

BAKIT daw ang mainstream media ay indi pini-play-up ang expose ni Ka Eric, ating cadre ng New People's Army (NPA) a kumalas bilang miyembro ng ommunist Party of the Philippines (CPP)?

Panay "dilawmite" sa Manila Bay ang inabalita at malaking isyu sa kanila ang agtatanggal ng face mask ni PDuts.

Dehins importante sa ABS-CBN, GMA-, Inquirer, Rappler, at iba pang national roadsyet (maliban sa Manila Times) ang kusasyong card bearing member ng CPP-IPA ang Makabayan block sa Kamara.

Makibaka, Wag Matakot ang sigaw nina ep. Zarate, Brosas, Culliamat, Elago, aite at iba pang 'leftist' sa mga rally at rotestang kontra sa gobyerno.

Atras, atras partylist ang gusto kong awag sa Makabayan kuno partylist.

Kasi sa hamon ni Ka Eric, no show sila Senate hearing na ipinatawag ni Sen. ng Lacson.

Teka, di Ok pag ni-Red-tagged sila ni Parlade -- na idinedeny nito --, pero ang tawagin nilang 'berdugo,' 'pasista,' mamamatay-tao ang militar, OK lang? Advise lang po, Cong. Zarate, maging matapang kayo at harapin sina Parlade Senado at 'wag magpaliwanag sa Facebook at sa kalye.

SALAMAT sa mabilis na tugon ng Bacoor City Government sa mga biktima ng unog sa Brgy. Sineguelasan at Alima -- na more than 400 bahay ang naabo at ahigit sa 1,641 tao ang nawalan ng matitirahan, walang kabuhayan at parang ga basang sisiw sa mga evacuation center.

Double whammy ang malupit na inabot nila: walang trabaho at gutom na awa ng Covid-19, binagyo na, nasunugan pa.

Anak ng huwe talaga.

Sobrang pahirap ito sa mga kababayang Bacooreño at tanging prayer lang ang maibibigay namin at sana, makabawi sila sa tulong ni Mayor Lani Mercado-Revilla, at ng mapagkalingang ayuda ng mag-amang Sen. Bong at Jolo Revilla at ni Cong. Strike Revilla.

Salamat po sa maagap nyong alalay at tulong, mabuhay kayo, mga bossing.

May foul play raw sa sunog -- meaning sinadya raw?

Ito ang iniimbestigahan ngayon ng authority at ayon sa mga eyewitness (?), may nakitang lalaki na may dalang sulo (torch) sa lugar bago nangyari ang sunog sa Sineguelasan at Alima sa kasagsagan ng bagyong 'Rolly.'

Sabi ng ilang mangingisda sa tabing dagat ng barangay, may ganitong sunog na rin na nangyari sa Bacoor.

Teka ang nasunog ay malaking bahagi ng planong Bacoor reclamation project? May sumasabotahe?

Ang usap-usapan, sinasadya raw ang sunog sa coastal areas sa Bacoor para madaling maumpisahan ang proyektong reclamation, totoo kaya?

Sa kuwento sa atin, noon daw Abril 2017, nagkasunog sa Brgy. Maliksi sa Bacoor din na 300 bahay ang natupok at kasunod, sa Brgy.Tabing Dagat, nasunog ang 400 na bahay noong Enero 2018.

Tapos, noon ding Enero 2018, 248 pamilya ang nasunugan sa katabing Brgy. Maliksi 3, na sinundan pa uli ng sunod noong Febrero sa Brgy. Talaba,

Lahat ng lugar na nasunugan ay nasa coastal road -- coincidence kaya ito?

Eto pa, ayon sa mga nagkuwento sa amin, nito lang Marso ngayong taon din, 500 pamilya ang minalas na masunugan sa Wawa Uno, Brgy.Zapote 5 sa panahon na unang ipinatupad ang lockdown gawa ng Covid-19.

Lahat ng sunog na ito, sabi ng nagkuwento sa amin ay mga lugar ng mga informal settlers na maaapektuhan ng Bacoor Reclamation and Development Project.

Aabot sa lawak na 320-hectares ang tatabunan ng lupa sa Manila Bay coastline.

Hindi ko ito ma-verify kasi nandito ako sa City of Burnaby BC Canada at hindi makauwi, lintik kasi ang Covid-19 na yan.

Bago bumalik dito sa Canada, umatend pa ako sa presscon ni Mayor Lani Mercado-Revilla sa city hall.

Kailangan ang reclamation kasi, kulang na ang lupa ng Bacoor na mabilis ang pag-unlad at wala nang mapagtayuan ng mga gusali at mga daan at iba pang infrastructure para sa kabutihan at kaayusan ng pamumuhay ng mga Bacooreño.

Sabi ni Madam Lani, dalawang artificial islands, isang malapad at konkretong kalsada ang ilalatag; mahusay na drainage system, at lalagyan pa ng estrukturang pangharang sa bagyo at daluyong ng alon ang gagawin sa sa reclamation.

At saka sa malalaking investor ang reclamation project na iyon, natatandaan kong sabi ng alkalde at ng mga expert na resource person sa presscon na iyon.

Magkakaroon ng commercial at residential area ang proyekto na ikokonekta sa itinataayong LRT-1 extension line sa Brgy. Niog at sa Manila-Cavite Expressway.

Sabi ni Cong. Strike Revilla, ang maapektuhang residente sa proyekto ay ililipat sa isang lugar na condominum style ang titirahan.

May nauna nang ganitong proyekto si Cong Strike, ito ang Ciudad de Strike 1 and 2 -- na maraming pamilyang mahihirap ang masayang naninirahan duon, sabi ng isang katropang taga-Barangay Kaingin.

Tama ba ang kuwento sa akin, Cong. Strike?

KALINGANG 'NANAY' NI VM TORRES

PAG-USAPAN NATIN

Ni DOMZ B. CAOILE

Opisyal ng bayan, tulad ni Gen. Mariano Alvarez (GMA) Vice Mayor Maricel E. Torres.

'Basta para sa mamamayan, andito lang kami,' sabi ni Mayor Echevarria na laging katuwang si VM Torres.

Noong nakaraang birthday niya (Oct. 20), namigay siya ng tulong sa mga nanay sa okasyong tinawag na "Pag-aalay sa mga Nanay" na namigay si VM Maricel ng grocery packs, mga anti-Covid-19 kits, mga munting regalo at mga tulong sa mga nanay na may inaalagaang maliliit na anak.

Hindi nakakalimutan ni VM Torres ang mga seniors, kaya katuwang si Mayor Walter D. Echevarria Jr.. mamigay sila ng vitamins, mga anti-Covid kits, bukod sa tulong pinansiyal sa gamot.

Madalas kapag hindi busy sa gawain sa Sangguniang Bayan, nasa "galaan" ni Mam Maricel sa mga palengke, inaalam ang problema ng mga manininda at mga namamalengke, nasa mga barangay at kahit may bagyo, tulad nang humagupit si "Rolly" sinagasa ng byuting vice mayor ang mga barangay at namahagi ng relief goods sa mga residente na nasalanta ng bagyo.

Alam niya ang hirap ng maghanapbuhay ngayong pandemya kaya naman, sa advice ni Mayor Echevarria, naglalaan sila ng pondo na pantulong sa mga kapos sa income, mga ayudang financial at pagkain, bukod pa ang face mask, face shields.

Nito lang, bilang acting mayor ng GMA, miniting ni Madam Vice Mayor Torres ang mga opisyal at tauhan ng Municipal Disaster Risk and Reduction Management Office (MDRRMO), Municipal Health Office (MHO), Municipal Social Welfare and Development Office (MSWD) at mga opisyal ng barangay pata mag-ikot upang malaman ang mga taong kailangan ang madaliang tulong sa masamang dala ni "Rolly".

Yung mga TODA, basta may kailangang tulong, agad sumasaklolo sina Mayor Echevarria at Madam Vice Mayor Torres at 'yung mga residente, balita natin, binibisita sila ng MHO para malaman agad matutulungan.

Dahil kasi alam niya ang kalagayan ng mga pamilyang kapos sa bu ang mga nanay, mga lokal na batas para sa kanilang kapakanan ang pamahalaang Bayan.

Sarap siguro kung ang alkalde ay nanay na tulad ni Madam Maricel sa tingin n'yo?

IBA talaga pag ang alkalde ay tulad ni Rosario Mayor Nonong Ric kapag kaarawan niya, maraming politiko, kahit hindi "kakulay" sabi r makatiis na batiin siya.

Kahit pa may bagyo, may pandemya, sinugod ang kanyang "the c sa Isla Bonita ng mga nag-greet sa kanyang kaarawan.

Dinalaw nga si Mayor Nonong ng mga well-wishers niya na ng r Sen. Bong Revilla at Vice Gov. Jolo Revilla at mga kasama at iba par politicians sa Cavite.

Ang nakatutuwa kay Mayor Nonong, very supportive ang kanyang p na ang kanyang kabiyak, na halos buong araw, inuubos sa paglilingk mamamayan ng Rosario.

Basta, mabuhay po kayo, mga idol!

Municipal Mayor leads inspection of evacuation centers housing 940 evac

Municipal Mayor Roy Loyola, the chairperson of the Municipal Disaster Risk Reduction and Management Council (MDRRMC), alongside barangay officials, uniformed personnel, and other members of Carmona's emergency response teams, led the inspection of evacuation centers to ensure the welfare of the residents there.

As of 8:00 p.m. of November 1, 2020, the Municipal Government of Carmona, through the Municipal Social Welfare and Development Office, reports that 234 families composed of 940 individuals are housed in seven evacuation centers in the municipality.

Inspection, response, and evacuation efforts are ongoing as of writing, which means that the number of evacuees are highly likely to increase in the coming hours.

"The heavy winds and rains did not stop me from inspecting evacuation centers. I want to make sure that our residents are well taken care of in our temporary shelters and that they have everything they need there. Moreover, I want to see for myself that the minimum public health standards are in place because the threats of COVID-19 persist," Mayor Loyola said.

At press time, the province of Cavite is under Public Storm Warning No. 2, according to the 8:00 p.m. severe weather bulletin of PAGASA. A State of Calamity has also been declared in the province today.

Prior to the Typhoon Rolly's landfall in the country, the local government of Carmona has been quick in activating its MDRRMC and BDRRMC for preventive measures and preemptive evacuation.

"Carmona has always been proactive in terms of disaster risk reduction. As soon as we are informed of an upcoming calamity, the local government immediately convenes the members of our Municipal and Barangay Disaster Risk Reduction Management Councils for briefing and preparations," the local chief executive said.

"Our emergency response teams composed of different departments of the local government, barangays, uniformed personnel, security units, health workers, and many others, are always in full alert during calamities. This means, we immediately respond to infrastructure and environmental damages, attend to health-related emergencies, and assist individuals or families in danger," he added.

"We take advantage of technology and discuss via teleconference. Our social media chat groups are also activated for faster communication resulting in swift response."

Andanar...

(FROM PAGE 8)

During the Pagdalaw sa Laguna: "Explain, Explain, Explain" conference on Wednesday, Presidential Communications Operations Office Secretary Martin Andanar lauded the development of the COVID-19 situation in Laguna.

The said conference aims to present and bring closer to the people the programs and services of the national government amid the pandemic, and provide an avenue for stakeholders to acquire and share updates on the COVID-19 situation of the locality.

"Kailangan po natin maipakita sa buong Pilipinas kung gaano po kagaling ang Laguna na maresolba ang kaso ng COVID-19. We need to inspire yung iba pang probinsya sa labas ng Laguna at maipakita kung paano nagkakaisa ang LGUs dito. We should show the entire Philippines how united we are laban sa COVID-19 [We need to show the whole Philippines how well Laguna handled the COVID-19 cases. We need to inspire other provinces outside of Laguna and show that LGUs are united here. We should show the entire Philippines how united we are against COVID-19]," he said.

"But more than anything, it is really to send the symbol of hope, symbol of a united front and also para maipakita natin na mayroong mga ehemplo na pwedeng tularan ng iba pang lalawigan sa buong Pilipinas [But more than anything, it is really to send the symbol of hope, symbol of a united front and also to show that there are good examples that can be emulated by other provinces all over the Philippines]," he added.

In previous months, high numbers of COVID-19 infections were reported in Metro Manila, Bulacan, Cavite, Laguna, and Rizal, prompting the National Task Force Against COVID-19 (NTF COVID-19) to designate Cabinet members to oversee said areas.

Secretary Andanar is the designated "Big Brother" of the anti-COVID coordination for Laguna, linking gaps among LGUs and state agencies and ensuring synchronized COVID-19 responses.

As of November 3, 2020, Laguna recorded 15,300 coronavirus infections, of which 1,063 are active cases however with no reported patients under severe condition. The province logged 13,925 recoveries and 312 fatalities.

The PCOO chief assured that aside from COVID-19, the government maintains commitment to assist and respond to areas affected by typhoons and the pandemic, while bringing timely information needed in emergency cases and dismissing disinformation.

"Sa gitna ng unos, naniniwala kami na ang involved public is an informed public. Kaya kami sa Presidential Communications Operations Office at aming attached agencies ay walang tigil at walang kapaguran sa pagpapalaganap ng impormasyon tungkol sa mga responses, actions, at programs ng

CAFTANS BY SM WOMAN

ou want a break from the tees, jeans, and athleisure attire that have emerged as the OOTDs of day, slip into the effortless ease of SM Woman's stylish caftans.

traditional garment of Middle East, caftans – ch were made of urious silks and bellished with ornate ding - were worn by oman sultans and occan dignitaries of uries past. The caftan later introduced to tern society and oted in the 1950s and by leading couturiers as Cristobal nciaga and Christian as a new form of ning gown.

Since then, it has become a favorite among fashion icons like Andre Leon Talley, the Olsens, and Rihanna, as well as editors, designers, and the glamorous set. And with more of us spending more time at home, Tory Burch, Dolce & Gabbana, Gucci, Pucci, as well as Lilly Pulitzer have included the caftan in their latest collections.

That's because the caftan has a free-spirited ethos that feels equal parts luxurious and liberating, and its billowy, loose silhouette makes it so alluring.

The SM Woman caftan collection can work itself into an everyday wardrobe with ease. These mid-calf length caftans are, says Anthony Nocom, "made from quality charmeuse satin in floral prints that are cut with precision and good fit for women who want to feel good about themselves." Nocom, who has worked on menswear for SM for many years, has since transitioned into designing caftans, as well as lounge dresses and sleepwear for the store. The best part is their price, which range from P599.00 to P699.00.

Perfect for lounging around the house, working from home, running errands, and meeting friends, the SM Woman Caftan and Lounge dress collection is available at selected SM Stores in Metro Manila and provincial cities.

Woman's lounge dresses in easy slip-on styles for wherever the day takes you – whether for a casual to do errands or simply lounging at home.

Manila - Sa kasagsagan ng bagyong "Quinta" isa ang Manila Bay sa tinutukan ng ilang mga kritiko dahil sa tiyak na pagbabago nito, pagmamanman na nauwi sa intrigahan.

Dahil pagkatapos ng bagyo rumisulta sa sandamakmak na basura ang dumagsa sa nasabing look, katulad ng mga plastik na bote, plastic bags at kung ano - anu pang mga inanod na nagdulot ng masamang imahe sa tinaguriang "white beach" ng Maynila.

Pero higit sa lahat ang tinutukang pansin ng karamihan ay ang dolomite sand na medyo napalitan ng mga dati o natural na buhangin, at medyo nabawasan lamang ng kaunti ang lawak. Dahil sa pangyayari kaagad namang nagsagawa ng aksyon ang pamahalaang lungsod ng Maynila upang ayusin at linisin ang buong kapaligiran ng look.
