...In line with the province's efforts to fight this ...cial government will launch its own testing ...be used to screen all the PUIs in the province.

...because this will result to ...more recoveries because ...these patients will be ...treated properly with the right care and medication.

On the other hand, Gov. Jonvic expressed his concern that, "12 days is unrealistic for the quarantine to end," now that quarantine period is on the third week.

The governor assured that other measures like the disinfectant program are still being conducted thru the various Bureaus of Fire Protection in all the province's cities and municipalities.

Talking about the issue of the National Government's Social Amelioration program, the Governor stated that there are still no guidelines to implement this.

He assured that everyone would be included and could avail of this grant by the national government.

"Pinaglalaban ko po na lahat, kahit nakatira sa subdivisions, ay recipient ng pangako ng national government," Gov. Jonvic declared. ***(Ruel Francisco, PIA-Cavite with reports from official statement of Gov. Jonvic Remulla)***

CIVIL WAR DAHIL SA GUTOM?

Halos kabilaan at saan mang lupalop ng ating bansa ay puro reklamo at ilang demands ang maririnig sa ilang mga kababayan natin, dahil simula ng ipatupad ang enhanced community quarantine ay halos hindi na makakilos ng lahat. Na ang naging epekto sa karamihan ay gutom kung kaya't kahit ipinagbabawal lumabas ng tahanan ang ating mga mahihirap na mga kababayan ay pilit na lumalabas para makapagdelihensya ng pagkain para sa kanilang pamilya. Ang masama lang sa mga nangyayari dahil kulang ang supply ng lokal na pamahalaan para sa kanilang mga constituents, dahil ang mga binibigay na relief packs ay kulang pa para sa kanilang buong pamilya. Sa ganitong senaryo tiyak na meron na lamang sisisihin dahil kung hindi ang Barangay Captain, ang Mayor o ilang matataas pa na opisyales.

Medyo mahirap isipin na puedeng mauwi sa civil war ang lahat dahil sa gutom, Malaki ang budget na ...laan bakit kakarampot na lang ang naibabahagi sa ...ang munisipalidad. Oplan Damayan sa Kawani, umarangkada sa Imus Nat'l

Pagmamahal at malasakit. Ito ang pinatunayan ng pamunuan ng Im National High School sa pamumuno ni G. Arturo P. Rosaroso Jr., Princi IV, sa paglulunsad ng Oplan Damayan sa Kawani ng Paaralan noo Marso 29 bilang ayuda sa panahon ng Enhanced Community Quaranti na ipinatutupad ngayon sa buong Luzon.

Katuwang ang department heads at school canteen managers, saku-sakong bigas at mga delata ang binili ng paaralan upang ipamahagi sa humigit-kumulang 400 teaching at non-teaching personnel.

Ayon kay Rosaroso, inilunsad ang programa hindi lamang bilang pantawid kundi maging pagpapahalaga at inspirasyon sa mga kawani na kahit anumang krisis ang dumating ay tuloy pa rin ang buhay.

"Ang Oplan Damayan ay isang hakbang upang matugunan ang pangunahing pangangailangan ng ating mga kawani lalo na sa panahon ng krisis... at makapagbigay ng inspirasyon sa kanila sa kabila ng mga pagsubok. May masasandalan sila sa oras ng kagipitan, ito'y ang kanilang mahal na paaralan," paliwanag ng punungguro.

Sa naturang proyekto, tatanggap ng limang (5) kilong bigas at pitong (7) pirasong canned goods ang bawat kawani ng paaralan.

Alinsunod sa ipinatutupad na social distancing, naglabas ng anunsyo ang pamunuan kaugnay ng schedule ng pamamahagi bawat departamento mula Marso 31 hanggang Abril 3.

Dagdag pa rito, magkakaroon umano ng dalawang paraan ng pagkuha ng ayuda: una, ang personal claiming, at ikalawa, ang point to point delivery.

Sa mga kukuha nang personal batay sa schedule, ipinapadala ng pamunuan ang quarantine pass at ballpen upang sa gayon ay maiwasan ang anumang problema sa pagpunta at sa paghihiram ng gamit.

Hinihikayat din ng pamunuan ang pagsusuot ng face mask at pag-aalcohol bago pumasok sa paaralan.

Sa mga empleyado hindi makapupunta magpapadala na lam ng representat authorization letter hahanapin ng pamunu

Sa kabilang ban point to point naman pamamahagi ng tulong mga may edad na at m sakit na mga kawani.

Maliban dito, pamumuno ni G. Dindo Cubillar at G. Mario Herrera, ang Imus C Campus Multipurp Cooperative mamamahagi rin karagdagang limang kilong bigas bilang tul sa pamilya ng bav miyembro nito.

Cavite officials discuss viability of COVID-19 testing facility in the province; LGU readiness

vite Governor Jonvic C. Remulla yesterday, met with heads of cities d municipalities, PNP Chiefs, City and Municipal Health Officers and e De La Salle-Dasmariñas medical team to discuss the viability of e province's COVID-19 testing facility and the readiness of each U in facing the challenge.

During the meeting, the following data were established to get a clear view what are needed to fully capacitate the province for this undertaking.

As of April 2, there are already 1,200 PUIs in the province which could be sted within five days because the province has its own PCR (Polymerase ain Reaction) testing machine.

It is also taken into consideration that there are only 125 ventilators available all hospitals (both public and private) in the province and an estimate of 00 units are needed once the designated holding areas for COVID-19 PUIs d positive patients which are being prepared by the LGUs in their respective ies and municipalities start accommodating them.

Meanwhile, Gov. Jonvic pointed out that it is very depressing when one is a spected PUI much more so if tested positive of COVID-19.

He surmised that,"Pag sila ay nandoon ay bawal ang sino man bumisita. Ito para di na kumalat lalo ang sakit. Ang LGU na ang magpapakain at mag aga."

The medical team of the De La Salle-Dasmariñas reported that they are rently working on the accreditation of their facility as a Bio-Hazard safety tified laboratory by the Department of Health (DOH) and the Research titute of Tropical Medicine (RITM) until April 12, 2020.

The Governor requested everyone to pray for the success of the team, agdasal natin ang mga taga DLSU na pumasa at gumana na ang laboratory," mulla said. ***(Ruel Francisco, PIA-Cavite with reports from the official page of Gov. Jonvic Remulla)***

…the midst of growing public concern …er the financial costs of getting …eatment for the Coronavirus Disease …19, the Philippine Health Insurance …rporation (PhilHealth) once again …sured the public that it will "shoulder …e full cost of treatment of CoViD-19 cases until April 14, 2020."

In its Advisory No. 2020-022 addressed to all accredited hospitals and health …ilities in the country, PhilHealth clarified that "after the (said) date, we shall …ntinue to provide financial coverage to CoViD cases thru a recomputed case …e.", citing that "the reason for this accommodation window is due to the …velty and the wide range of severity of the disease in the country for which no …isting case rate or package based on accepted protocols has yet been …tablished."

The stated agency said that it "is confident that by (April 14, 2020), more …out the behavior of the disease in the Philippines can be learned, a final …otocol established, and an appropriate case rate can be developed that will …ovide adequacy and sustainability to the anti-CoViD-19 campaign."

PhilHealth is scheduled to release a new set of guidelines for CoViD-19 cases, …hich will include the appropriate case rate based on
