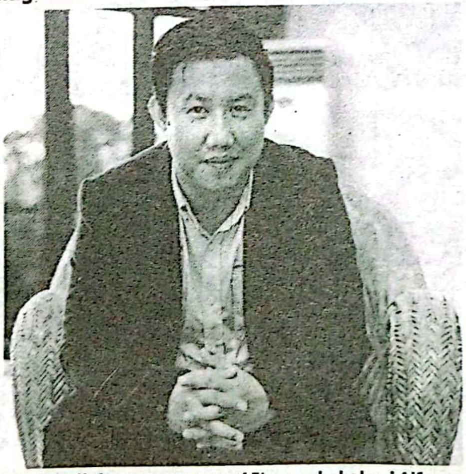
SCAMMER PINAHAHANTING NI MAYOR SALAMAT

BABALA si Alfonso Mayor Randy Salamat sa mga kababayan at kaibigan na 'wag palinlang sa isang lalaki na ginamit ang kanyang pangalan para makalikom ng malaking halaga para umano tumulong sa mga estudyanteng mag-aaral sa kanilang online classes.



'WAG palinlang sa scammer! Ito ang babala ni Alfonso Mayor Randy Salamat kaugnay ng ikinakalat na pekeng sulat na may lagda niya na nanghihingi umano siya ng donasyong salapi upang maitulong sa online classes. (larawan mula sa official FB page ng alkalde)

Natuklasan makailan ng alkalde isang scammer ang gumawa ng isang sulat may logo ng munisipyo at may lagda niya na humingi ng donasyong salapi.

Sa kanyang Facebook page, sabi ni Mayor Salamat na hindi siya pumayag na makawala ng scammer.

Humingi na siya ang tulong sa mga awtoridad na imbestigahan ang isang tao o grupo na gumawa ng isang fake solicitation letter na may lagda pa ng kanyang pangalan.

Ayon kay Mayor Salamat, wala siyang ginawang sulat at hindi siya nanghihingi ng donasyong pera na ginamit ang isang solicitation letter.

Sa kanyang FB page ay ito ang sinabi ng alkalde:

'Mga minamahal kong Alfonseños!

"Nakarating po sa ating tanggapan ang FAKE SOLICITATION LETTER AT SIGNATURE na ito. Huwag po kayo maniniwala.

"Ang ating tanggapan kasama ang PNP Alfonso ay nagsasagawa na ng imbestigasyon patungkol sa bagay na ito."

'Wag palinlang, sabi ng alkalde at hiniling na sinoman ang tao na lalapit na dala ang huwad na sulat na humihingi ng donasyon na agad na ipadakip sa pulisya.

MAHABANG PANAHON ANG GUGULIN BAGO MAKAGAWA NG SAPAT NA DOSIS NG BAKUNA - W.H.O.

Nitong nakarang Linggo nagbigay babala naman ang World Health Organization(WHO) Chief Scientist Soumya Swaminathan na mahabang panahon ang gugulin bago makagawa ng dosis ng bakuna upang mapahinto ang pagkalat ng virus. Kahit pa na may mga bakuna ng inilunsad sa maraming bansa, hindi pa rin makakami ang herd immunity ngayong taon ayon sa WHO.

Ang pandemya ay umabot na sa 90 milyong katao ang nahawahan at lagpas naman 1.94 milyon ang bilang ng mga namatay. Mula ng kumpirmahin ng China ang unang pagkamatay sa gitnang Lungsod ng Wuhan may isang taon na ang nakalipas. Ang isang tanging paraan na nakikita ng WHO ay bigyang diin ang pangangailangang pangseguridad para sa kalusugan, ang panatilihin ang pisikal na distansya, paghuhugas ng kamay at pagsusuot ng face mask upang marendahan ang pandemya.

Samantalang dito sa ating bansa ang pinakahuling tala nitong Enero 10, 2021 ay umabot sa 487, 690 kaso, samantalang ang mga namatay naman ay 9, 405 na maliit lang na bilang kung ikumpara sa ibang bansa. Pero sa datos pumapangalawa ang Pilipinas sa dami ng mga COVID-19 cases sa Southeast Asia, na ayon pa sa pinakahuling ulat may 42 bansa na ang nabakunahan ang kanilang mamamayan. Na katulad nating mga Pilipino ay naghihintay din sa pagdating ng bakuna, na sana'y huwag naman tayong mahuli global vaccination program.

ALANG-ALANG sa Kapaskuhan, hindi ko muna tinalakay ang isyu tungkol kay y David Sadik tungkol sa reklamo niya kung bakit sa Cavite Times Journal TJ) naibigay ang permiso na mai-publish ang isang municipal ordinance ng yan ng Indang.

Magre-react sana ako noon, pero pinili kong manahimik dahil Kapaskuhan naman ngayon ay tatalakayin ko ang nilalaman nitong kolum ng aming hinahangaang umnista at journalist na si Sir Dan Fabros ng weekly newspaper na Operation pose, ito ay may titulo na: '"Privilege Speech ni Kun. Buryo binasura ni Kun. ity."

ailathala ito noong Nobyembre 22-28, 2020 at sisipiin natin ang mahahalagang ito ng kolum ni Sir Dan.

Sa kolum naging paksa ang privilege speech ni Indang Sanggunian Bayan uncilor Virgilio Rodil (@Buryo) noong Nobyembre 16, kaugnay ng publication Sanggunian Bayan Ordinance, specifically Ordinance No. 207 na lumabas sa vite Times Journal (Issue October 20 – 25, 2020).

Giit ni Kun. Buryo na dapat ang media publication nito ay sa dyario ng kanyang s na si Billy David Sadik na residente ng Indang," sabi sa kolum ni Sir Dan.

Hindi raw dapat naibigay sa aming pahayagang Cavite Times Journal (CTJ) ang anggit na ordinansa na kinakatawan ni Reyland Lopez, ayon sa speech ni Kun. yo.

ng dahilan ng Konsehal Buryo, "hindi taga-Indang si Lopez at hindi rin Indang lication ang Cavite Times Journal?"

lali ang konsehal dahil si Lopez ay residente ng Brgy. Pulo, Indang (kapit-ay ni SB-Indang Secretary Fernando Telmo).

Hindi pinalampas ni Konsehal Resty Vejerano -- na isang abogado -- ang speech onsehal Buryo at noon ngang Nobyembre 16, (2020).

Wika ni Kon. Vejerano, mali ang pahayag ni Kon. Buryo ang paniniwala nito na wanag na walang nilabag ang CTJ sa itinatakda ng Republic Act 9186 vernment Procurement Reform Act).

otoo po ito dahil ang pagbibigay sa CTJ ng karapatang mailathala ang ordinansa Indang ay legal at idinaan namin sa tamang proseso, at naaayon sa takdang untunan ayon sa RA 9186.

lali ang paniniwala ni Kon. Buryo na tanging taga-Indang lamang ang maaaring van ng karapatang maglathala ng ordinansa ng Indang at ibigay sa kanyang s na si Billy David Sadik.

abi sa kolum ni Sir Dan: "Na kung sakaling nangyari ang kagustuhan ni Kun. yo ay pwedeng makasuhan silang lahat ng graft & corruption dahil ito ay vas sa procurement law."

inanggit sa kolum na dumaan sa evaluation and assessment of requirement bid ng aming pahayagang CTJ, ayon mismo kay Sanggunian Sec. Telmo. umasa ang CTJ, at "in good standing" dahil binerepika ni Sec. Telmo sa itolyo.

MARAMING SALAMAT, OPERATION EXPOSE, SIR DAN FABROS!

"Besides in good standing daw ito (CTJ) dahil nagberipika siya (Telmo) sa kapitolyo. Paalala kay Sec. na lahat ng Cavite Community Newspapers na meron notices/legal publications para sa mga korte ay lehitimo at in good standing. Mas mabusisi ang assessment & evaluation ng mga korte para sa mga publishing organization ng dyaryo, kagaya ng Operation EXPOSE (dating Cavite EXPOSE), Cavite Times Journal, North South Journal at iba pa." sabi sa kolum ni Sir Fabros.

Ang pagtuligsa ni Kon. Atty. Vejerano ay pinanigan ng konseho at nagkasundo na "iitsa - pwera na ang nasabing privilege speech (ni Kon. Buryo).

Sa kolum ni Sir Dan, binanggit na nag-usap sila ni Billy Sadik ng Dyaryong Journalismo noong Nob. 16, 2020 at inamin na hindi sila naabisuhan na magsumite ng "proposal of publication."

Hindi rin pala, sabi ni Sir. Dan na siya bilang taga-Cavite Expose ay hindi rin naabisuhan na mag-bid para sa nasabing ordinansa, sabi niya: "WHOAI? Laking gulat ko na sinabi ni Sadik, kaya ipinaliwanag ko: bawal ang negotiated contract pare, taliwas ito sa procurement law. Kaya hindi puede na meron na kayong usapan ni Sec. kung nagkataon, delikado si Sec. pag natuloy sa iyo ang ordinance publication based on your usapan. That is tantamount to a negotiated contract. (Note: nasa PhlGEPS ang procurement to publish at iisa lang ang nagsubmit ng proposal, then tapos na ang boxing , so to speak.)

"Parting words ni Sadik: Hindi pwede yon kailangan kalkalin dahil hindi ito dumaan sa bidding process.

"Balak ni Sadik na maghain ng reklamo, kung saan at kanino siya dudulog ay di po natin alam. Kaya ating abangan ang susunod na kabanata, ehem.'

"(Pahabol; Meron reklamo si Sadik: totoo bang pinagbawalan siyang pumasok sa municipyo? Meron bang deklarasyon na siya ay persona non-grata? Sino ang nagbabawal?'"

Tinanong ni Sir Dan si Mayor Pecto Fidel na sinabing hindi siya nakikialam sa ganyang problema pare, at ayon sa PIO ng Indang na si Sir Armando Rupido, siya man ay walang alam sa na pagbawalan si Sadik na pumasok sa municipyo.

Sabi pa sa kolum ni Sir Fabros: "Paalala lamang po para sa ating mga igan diyan sa municipyo: HINDI PWEDENG PAGBAWALAN ANG TAGA MEDIA, lalo na kung ito ay lehitimo, para mangalap ng news inputs. Kahit itanong nyo pa kay Sec. Andanar, Boss ng Presidential Communication Office."

Kay Sadik: Balita namin ay kung ano-anong di-magagandang sallita ang ikinakalat nyo tungkol sa akin at sa pahayaang CTJ.

Lehitimo po ang CTJ, kumpleto sa lahat ng dokumentasyon, permit, registration, certification, of good standing at opisyal na kasapi ng Publishers Association of the Philippines, Inc., accredited po kami ng mga regional trial courts (RTCs) dito sa ating lalawigan, mayroon kaming BIR registration and certification at may PhilGeps at iba pang mga docs.

Pakiusap itigil na nyo, Billy Sadik ang pagkakalat ng masasamang salita laban sa amin. Ang sa amin lamang ay kumpleto kami sa lahat ng mga dokumento na kinakailangang isumite bilang mga supporting documents na nagpapatunay na ang aming pahayagan ay isa din sa mga legit na newspaper ng probinsya.

Higit sa lahat, maraming-maraming salamat po, Sir Dan Fabros ng Operation Expose sa paliwanag sa inyong kolum.

Happy Year 2021 at mabuhay tayong lahat.

Early this week, Imus City Mayor Emmanuel L. Maliksi announced on his ELM FB Live episode on allocating a budget close to P100M for the procurement of the COVID-19 with the LGU favoring the vaccine developed by the drug manufacturer AstraZeneca.

Meanwhile, total Recoveries of 2,239 were recorded by the General Trias CESU as of 4pm January 20 as the city LGU awaits the arrival of COVID-19 vaccines.

"We are still waiting on the National Government and Provincial Government how many COVID-19 vaccines they can provide for each locality especially here in GenTri, before we can take action," Mayor Antonio 'Ony' Ferrer said in an interview.

Mayor Ferrer declared that, "General Trias has enough funds and savings and we have no debts, we can afford to procure Covax if needed for the safety of my constituents."

According to the Mayor unless the number of COVID-19 vaccines to be provided by the national and provincial government is determined, it is difficult to come up with the correct amount of budget. "Let's wait and see, madali naman magpa-supplemental budget if needed," Ferrer said (Let's wait and see, it is easy to request for a supplemental budget if the need arises.)

Pursuant to the directive of the national government, the purchase of COVID-19 vaccines by the LGUs would be under a Tripartite agreement with most LGUs in the province favoring the vaccine developed by AstraZeneca Pharmaceuticals because of its affordable price. ***(Ruel Francisco with reports from Dennis Abrina, respective LGU FB pages)***

BOKAL JEG GONZALES

Ms. CONNIE VILLANUEVA

'Jeg' Gonzales na umakda ng isang ordinansa na tutulong sa ating mga kabataan mga estudyante.

Ito ang Cavite Library Ordinance na malaki ang maitutulong sa mga guro at tudyante na walang sariling internet service connection.

Matagal pa bago tayo makabalik sa ating normal na galaw ng buhay, kaya araming salamat sa ating Sangguniang Panlalawigan, siyempre sa pamumuno makisig nating Vice Gov. Jolo Revilla 3rd, inokeyan sa 75th session ang dinansang iniakda ni BM Jeg.

Malaki ang maitutulong nito para sa online and distance learning ng mga tudyante at kabatan.

Simple lang na mag-log-in ang ating mga mag-aaral sa provincial library tin sa ground floor ng ating Sanggunian Panlalawigan Building sa Captiol mpound sa Trece Martires City at pwede nang maka-access, at makapagre-search para sa kanilang aralin, assignments at school projects.

"Siyempre, talagang natuwa ako kasi ito ang una kong Ordinance that I ithored to help students like me, na makapag-access online nang libre," sabi Provincial SK Fed president Gonzales na isang law student sa San Beda ollege sa Alabang, Muntinlupa City.

"Ilang buwan ko rin itong pinaghandaan at maraming salamat sa advise at alaking tulong sa amin ni Ate Connie (Villanueva), ang ating multi-awarded ovincial librarian.

"Siyempre, hindi ko makakalimutan ang malaking naitulong ng ating butihing ce Gov. Jolo at ang buong kasama ko sa Sangguniang Panlalawigan na mulong sa akin para magawa ang Ordinance at maipasa sa third and final ading," sabi ni Bokal Gonzales.

Sa pagpasa ng ng Ordinansa, maraming parent na tulad namin at mga guro y nagpapasalamat kay Bokal Jeg dahil talagang ang laking tulong at ginhawa ng Cavite Online Library para sa efficient na pag-aaral ng mga kabataan.

Dating SK provincial Federation VP si Jerome na Dasmariñas SK president ang manalo siya bilang SK president ng Zone 3 sa siyudad.

Nalaman natin, nasa dugo ni BM Jeg ang pagllingkod sa bayan, kasi galing ya sa pamilya ng public servants sa Dasmariñas City.

Sabi niya, idolo niya ang kanyang ninuno ay minsang naging konsehal at ce mayor noong isang pa lang munisipalidad ang Dasmariñas.

Ang kanyang ama ay dati ring city councilor na natapos ang term noong 007.

Marami pang naiisip na ordinansa si Bokal Gonzales at nasabi namin, mas mabuti na umakda siya ng isang Ordinansa na magbibigay ng pagkakataon sa nga undergraduate sa college na napilitang mag-drop out, gawa ng financial lifficulties, naaksidente o kinailangang magtrabaho upang makatulong sa pamilya.

Pwedeng magkaroon ng MOA sa mga college and University sa Cavite na nag-open ng isang semester para ma-refresh at malaman ang Intelligence and Emotional Intelligence ng mga college drop outs at pag nakapasa, pwede nang maka-graduate sa kurso na hindi natapos.

Hindi ko alam kung paano ito gagawin, pero sa talino ni Bokal Gonzales, magagawa niya ito sa tulong ng ating matalino at mapagmalasakit na Vice Gov. Jolo, at tiyak natin, susuportahan ito ni Gov. JonVic Remulla Jr.

Basta, kami ay nandito lamang, todo suporta ang

CTJ sa lahat ng panukalang batas para makatulong sa ating kabataan at mag-aaral.

ng mga estudyante, lalo na sa new normal na kailangan ang accesible na internet connections.

"New normal kasi ang sistema ng ating education at kailangan ang maaasahan na online service gamit ang internet," sabi ni Bokal Gonzales -- na isa ring estudyante sa College of Law sa San Beda, Alabang, Muntinlupa City.

Halal na SK president ng Zone III ng Dasmariñas City, nanungkulan muna si Gonzales na vice president ng SK Cavite Federation sa loob ng isang taon.

Bilang pangulo ng SK Cavite, itinalaga siya na ex-officio member ng Sangguniang Kabataan na kumakatawan sa lahat ng pangulo ng SK sa buong lalawigan.

"This is my authored provincial ordinance, kaya tuwang-tuwa ako na ito ay in-approved ng Sanggunian," pagtatapat ni Bokal Gonzales.

Aniya, malaking ginhawa sa mga estudyante ang magkaroon ng library access.

"Malaking tulong po ang library access. Dahil mayroong wifi sa campus, sa pag-log-in, doon makikita lahat ng concept at lang ng pangangailangan,

"From that, nagka-Idea ako, bakit hindi ito gawin sa Cavite especiallyt sa high school at college students na hindi kagandahan ang resources pag nasa public ka. Direct responsibility of the government to provide the best services towards sa mga students. Paano natin matutulungan ang mga estudyante at ito nga, isinulong ko ang online library dahil sa pangangailangan ngayong pandemya," sabi ni BM Gonzales.

Ngayong pandemya, paliwanag ng batambatang law student, naipakikita sa datos na maraming private learning institution ang bumagsak ang enrolment.

"Kaya ano ang dapat nating gawin at naisip ko, bakit hindi gamitin ang public library? Dahil pandemic, may danger na magkahawahan. Pwedeng ma-access ng mga estudyante ang online library sa pamamagitan ng website na doon sila ay magla-log-in at ang target roll out ay kasabay sa Cavite Wifi Project," paliwanag ni Bokal Jeg sa pahayagang Cavite Times Journal.

"Ang layunin ng online library ay magkaroon ng repository ng information at ito ay libre sa mga Caviteño," ani BM Gonzales.

Binigyan kredito ng batambatang lokal na mambabatas ang malaking tulong ni VG Revilla at ni Ms. Concepcion 'Connie' Villanueva sa pagkasulat ng ordinansa.

Si Ms. Villanueva ang Cavite Provincial Library Office chief.

"Siyempre, talagang natuwa ako kasi ito ang una kong Ordinance that I authored to help students like me, na makapag-access online nang libre," sabi BM Gonzales sa maikling interbyu na ginawa sa kanya ng CTJ.

Aniya, ilang buwan ding 'nagsunog siya ng kilay' para maisulat ang panukalang batas na tutulong sa mga mag-aaral at guro kaugnay ng pinaiiral na online education.

"Talaga pong malaki ang naitulong sa akin si Ate Connie. Kungdi sa kanya, hindi ko magagawa at maisasaayos ang Ordinansa, at siyempre, hindi ko makakalimutan ang malaking naitulong ng ating butihing Vice Gov. Jolo. Pati na po sa mga kapwa ko kasama sa Sangguniang Panlalawigan na tumulong na maipasa sa third and final reading itong Ordinansa," sabi ni Bokal Gonzales.

Hindi bago kay SK Cavite president ang serbisyo publiko, nalaman ng CTJ. Isa sa kanyang kaanak ay naging dating konsehal at dating bise-alkalde noong isa pa lamang munisipalidad ang Dasmariñas.

"Masasabi ko, nasa dugo na ng pamilya namin ang public service," paliwanag ng batambatang bokal.

Aniya, huwaran niya sa mabuting paglilingkod sa bayan ang kanyang ama -- na dating konsehal ng Sangguniang Panlungsod ng Dasmariñas.

"Natapos ang term ng aking ama noong 2007," sabi ni BM Gonzales.

Kasalukuyan, kahit abala sa pag-aaral ng abogasya sa San Beda College, nag-uukol siya ng panahon na laging makadalo sa sesyon ng Sangguniang Panlalawigan tuwing Lunes at special session.

Inamin niya na humihingi siya ng advise sa mga beteranong mambabatas ng lalawigan at sa siyudad ng Dasmariñas ukol sa magagandang batas na maaaring maisulat at magbigay ng ginhawa sa mga kabataang mag-aaral.

Pinaalalahanan ni Bokal Gonzales ang kapwa niya kabataan na lumayo sa bisyo at mag-ukol ng maraming panahon sa pag-aaral.

"Tandaan po natin, tulad ng sinabi ng ating national hero, Dr. Jose Rizal, tayo na mga kabataan ang pag-asa ng ating bayan," sabi ni BM Jeg.

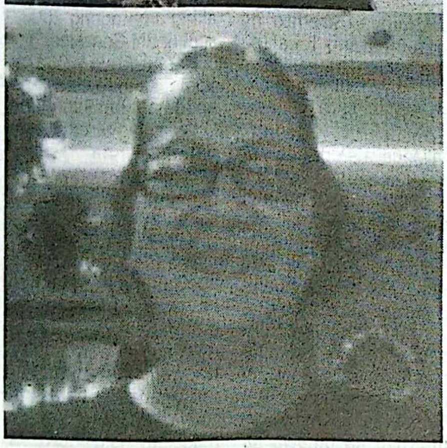
DOST PSTC-Cavite partners with local groups for the use of DOST-developed technologies

The Department of Science and Technology-CALABARZON (DOST-CALABARZON) through its Provincial Science and Technology Center (PSTC) in Cavite partnered with the local government unit (LGU) of Noveleta, Cavite and with two Cavite-based cooperatives for the use of DOST-developed technologies. The LGU of Noveleta adopted the DOST-Industrial Technology Development Institute (ITDI) Portable Biogas Digester, while the Maitim II East Water Service Cooperative (M2EWC) and the Palangue Agrarian Reform Cooperative (PARC) adopted the DOST-Food and Nutrition Research Institute (FNRI) Tubig Talino and Iron Fortified Rice Technology, respectively.



Through the DOST Community-Based Program (CBP), the LGU of Noveleta received 17 units of Portable Biogas Digester from the DOST PSTC-Cavite. The DOST-ITDI designed and developed the adopted Portable Biogas Digester, which converts household waste materials into gas for cooking. The LGU of Noveleta, in adopting the named technology, seeks to establish improved biodegradable waste processing facilities for the 16 barangays of the municipality of Noveleta. Aside from providing better waste management of household and agricultural wastes, this DOST-ITDI technology also supplements the energy needs of small households and produces sludge, reusable as soil conditioner.

On the other hand, the M2EWC sought the use of the DOST-FNRI Iodine Rich Drinking Water, Tubig Talino. The DOST PSTC-Cavite pledges the provision of water refilling equipment and other tools needed for iodine fortification. The DOST-FNRI developed Tubig Talino to control and prevent Iodine Deficiency Disorders (IDD) among Filipinos. According to DOST-FNRI studies, drinking five glasses of Tubig Talino, a mix of purified water and Water Plus I2, meets 33% of the daily recommended energy and nutrient intake (RENI) of iodine in adults.

Online Technology Needs Assessment (TNA) meeting with Ms. Jeanina Rogador, Science Research Specialist II, and Ms. Anna Marie Daigan, Science Research Specialist II of DOST PSTC-Cavite, and Ms. Teresita S. Tatlonghari, General Manager of M2EWC.

Further, the PARC also adopted the DOST-FNRI Iron Fortified Rice Technology. True to its commitment to secure safe and nutritious food for Barangay Palangue and the entire municipality of Naic, Cavite, the adoption of the technology supplies rice, a staple food in the country, and responds to the continued prevalence of Iron Deficiency Anemia (IDA).

The above-mentioned DOST-developed technologies, the DOST-ITDI Portable Biogas Digester, the DOST-FNRI Tubig Talino and Iron Fortified Rice Technology, among other technologies, are available for adoption in Cavite (email pstccavitedost@gmail.com), and in other provinces in CALABARZON (email dost4a.ord@gmail.com). ***(Krizzia Mei C. Taliba Soap Manufacturing, PHP Noodle House nspire SIMCO with their S&T-based enterprises

ba, SAN LUIS, BATANGAS -- The Science and Technology (S&T)-based enterprises of both Taliba Soap nufacturing and People Helping People (PHP) Noodle House have left an inspiration to members of San dro Multipurpose Cooperative (SIMCO) who conducted a benchmarking activity last January 13.

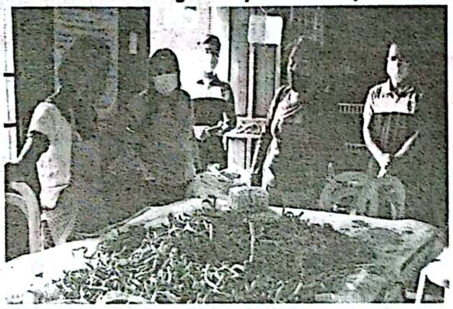
SIMCO General nager, Ms. Marites mirez expressed her niration on how both anizations continuously mpion their enterprise pite certain limitations workforce and erations. On her ssage during the briefing meeting, she red how inspiring the kers are who at their erly ages still manage to these enterprises. kakahanga po na kahit rami sa kanila ay senior zens ay napapatakbo a ng maayos ang ilang negosyo," she d.

The discussion of both erprises' success stories s the root of Ms. mirez's admiration. At iba Soap nufacturing's production lity, Ms. Luzviminda S. nsól, Organization ader, mentioned how y all worked hard to ablish and sustain the erations of their erprise. She shared to mbers of SIMCO how y looked for market nnels when it was too icult to introduce their oduct at the very ginning. "Lahat kami on after magproduce, glalako pa ng product a mai-dispose. Kanya-nyang lako kami. Hiwa-walay para lang makilala ang aming produkto," e mentioned.

In terms of workforce d individual income, Ms. nsol highlighted how ey are still able to rform their individual nctions and benefit from considering their ages. To er, their age has never been an issue in carrying out their functions and in running their enterprise. Although majority of them are senior citizens, Ms. Bonzol took pride in sharing to members of SIMCO that they are all in good health.

At PHP Noodle House's production facility, a different set of women unfolded their success story. Ms. Aurea Addun, President, shared how they strived to form the enterprise with the help of PHP and revived it after a downfall despite financial challenges. Similar to Taliba Soap Manufacturing, PHP Noodle House has also experienced looking for distribution channels in different parts of Batangas province before having established markets, as Ms. Addun mentioned.

During the interview, both Ms. Bonsol and Ms. Addun underscored the assistance that a private couple in their barangay offer. To them, their enterprises would have not been possible if not because of the couple who offer them support and financial assistance, aside from being advisers, without expecting anything in return. According to Ms. Bonsol, the primary objective of the couple was to make women in their barangay productive by providing them with a sustainable livelihood so they can avoid gambling. "Ayaw nila na may makikitang miyembro na nasa sugalan. Mahigpit nilang ipinagbabawal yun. Hinihikayat din nila na magsimba ang miyembro kung makakasimba," she added.



Ms. Aurea Addun leads the facility tour in the PHP Noodle House

Ms. Mila Achico, member of SIMCO's Board of Director, articulated her regard to both the organizations after hearing their stories. Since she's also working for Batangas City's Office of Senior Citizen, she also conveyed her idea of bringing some senior citizens to both enterprises to inspire them of the maximum they can do as aged group of individuals. Likewise, she reiterated how they can adopt the strategies that the group executed in introducing their products, looking for markets, and sustaining their enterprises.

A tour in both facilities was also conducted. Ms. Rufina Salvador, former President of Taliba Soap Manufacturing, explained how the production process takes place. She also showed the different processing areas in the facility and provided some insights and practices they observe during production. Meanwhile, Ms. Aurea Addun facilitated the tour at PHP Noodle House. There was an on-going production at the time of visit and members of SIMCO were able to witness how they function with strict compliance to food safety.

The benchmarking activity was an initiative of Pilipinas Shell Foundation, Inc. and DOST PSTC Batangas in a move to provide members of SIMCO with a personal view and experience of how S&T-based community enterprises like Taliba Soap Manufacturing and PHP Noodle House operate. This was also part of the technical support that DOST PSTC Batangas provides to the group after the provision of technology training on the production of cleaning and disinfection products last November 18, 2020.

Both enterprises were recipients of DOST PSTC Batangas projects. Taliba Soap Manufacturing was a 2-time SETUP adoptor while PHP Noodle House was also a 2-time beneficiary of GIA-CBP. ***(John Maico H. Hernandez, DOST-PSTC Batangas)***
