Governor Jonvic Remulla led the distribution of new multicabs from Cavite Provincial Government to the Cities of General Trias and Imus at the General Trias Convention Center on September 18, 2024. The initiative is part of the continuing efforts to enhance public service delivery in the community through transportation support to the LGUs.

In a simple turnover ceremony, General Trias City Mayor Luis "Jonjon" Ferrer and City of Imus Mayor Alex "AA" Advincula thanked the Cavite Governor, affirming that even without asking, he gives and provides for the benefit of Caviteños.

Governor Jonvic Remulla, then, remarked that the units were distributed primarily to enhance the mobility and quicken the response to the concerns of the people. He also mentioned the construction of new Cavite Command Center and the development of 911 application that targets a prompt action and patrolling in the community, particularly during emergency situations.

The turnover of the symbolic key was participated by ▶ **MULTICABS • 6**

Chinabank wins top governance award a third time

Chinabank continues to be among the best-governed publicly listed companies in the Philippines, winning for the third year in a row the highest recognition for governance excellence, the Five-Golden Arrow Award of the Institute of Corporate Directors (ICD). ▶ **CHINABANK • 4**

From left: ICD Chairman Pedro Maniego Jr., Philippine Stock Exchange Chief Operating Officer Roel Refran, Chinabank Chief Finance Officer Patrick Cheng and Independent Director Genaro Lapez, Securities and Exchange Commission Chairman & Chief Operating Officer Emilio Aquino, and ICD Vice Chairperson Ida Ceniza-Tiongson and Treasurer Ma. Victoria España.

Cavite Carrer Caravan in Tagaytay City

The Cavite Career Caravan made its stop at Fora Mall in Tagaytay City on September 20, 2024, providing employment opportunities for 230 jobseekers. Organized by the Office of the Provincial Public Employment Service Manager (OPPEM) in partnership with SK Provincial Federation and various national agencies, the event aimed to bridge the gap between jobseekers and employers across the province. ▶ **CAVITE CARRER • 6**

MPT SOUTH TO SERVE OVER 340,000 MOTORISTS IN 2025

MPT South forecasts more than 30% traffic growth by the end of 2025, translating to over 340,000 average daily motorists, a significant increase from the current figure of 259,815. This growth will be driven by the completion of several key segments of the Cavite-Laguna Expressway (CALAX) and CAVITEX C5 Link. These segments include the CALAX Governor's Drive Interchange, Open Canal Interchange, and Kawit Interchange, as well as the C5 Link Segment 3B, which will connect the current Sucat Interchange to the C5 Link Flyover Extension, spanning from SLEX-Taguig to E. Rodriguez in C5. The CAVITEX-CALAX Link, currently under construction, will integrate these two major toll roads, creating a more seamless connection for motorists. ▶ **MPT SOUTH • 4**

HIMIG HIMBING: OYAYIN NIYANAKAN BRINGS REIMAGINED FILIPINO LULLABIES TO PANGASINAN

True to its mission of reintroducing indigenous lullabies to contemporary audiences and developing nurturers that are grounded in our Philippine songs and hele, the Cultural Center of the Philippines recently concluded its regional launch of the Himig Himbing project last September 13 and 14, 2024 in Dagupan, Pangasinan.

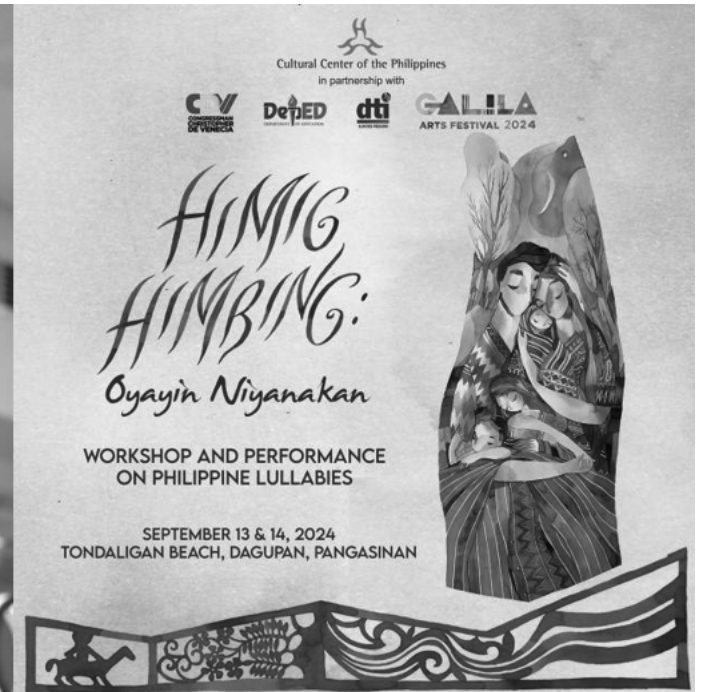

Now on its touring phase, Himig Himbing brings together music, film, literature, visual arts, performance, and dance through its workshop and show components. Spearheaded by the CCP Arts Education Department, through its Audience Development Division, the goal of the project is for participants and audiences to gain a deeper appreciation and understanding of the collected lullabies and how these songs are linked to their life roles.

In partnership with the Office of Pangasinan District IV Rep. Christopher de Venecia, Himig Himbing: Oyayin Niyanakan was a part of the Galila Arts Festival, Pangasinan's contribution to and participation in the Creative Industries Month. It featured two workshops: the Himig Himbing at Ako: Creative Expression Workshop and the Rumorolyong Himig: Film Anlong Workshop held at the Dagupan City National High School.

"Capacity building through arts is really one of the tools that we need to improve in our trade. These workshops will surely inspire the many teachers, parents, and nurturers present, so that they can pass these lessons down to the children. Patuloy nating payayabungin ang sining at kultura ng bansa," said Hon. Christopher de Venecia.

The Himig Himbing at Ako workshop involved music, literature, and visual arts. The workshop was facilitated by physician and children's book author Dr. Luis Gatmaitan, ethnomusicologist Sol Trinidad, and artwork and book designer Beth Parrocha.

On the other hand, the Rumorolyong Himig: Film Anlong Workshop, or film poetry workshop, was facilitated by filmmaker Christopher Gozum who hails from Pangasinan. He directed the music video for Ligliway Ateng, one of the featured music videos of

Himig Himbing: Oyayin Niyanakan.

These resource persons guided the participants, geared toward nurturers (parents, teachers, breastfeeding mothers, social workers, guidance counselors, pre-service teachers, among others), as they listened, watched, created, and expressed themselves through art.

The regional launch of Himig Himbing culminated with a special performance, showcasing folk songs and dances of Pangasinan. The highlight was the film screening of the eight music videos of

Himig Himbing lullabies.

Directed by renowned filmmakers based on the music arrangement by musical director and arranger Krina Cayabyab, the featured lullabies were Ligliway Ateng by Christopher Gozum, Tingkatulog by Thop Nazareno, Bata Alimahi by Arden Rod Condez, Ili Ili Tulog Anay by Lawrence Fajardo, O Matas A Banwa by Ma-an Asuncion-Dagñalan, Dungdungwen Kan To by Mes de Guzman, Katurog Na Nonoy by Alvin Yapan, and Lubi Lubi by Jerrold Tarog.

"Ang Himig Himbing ay

humuhubog sa ating musmos na alaala at patuloy na yumayakap sa ating pagtanda. Layunin ng proyektong ito na ipadama ang makabagong henerasyon na muling mahumaling sa himig na binuo ng kalinga at pagmamahal, at buhayin at ipalaganap ulit ang heleng sariling atin," said Himig Himbing project director and CCP supervising arts and culture officer Lino Matalang Jr.

Himig Himbing highlights the cultural and social importance of traditional lullabies in Philippine

society. Since its launch in 2022, the CCP continues to embrace, promote, and redefine diverse Filipino lullabies from various regions.

The next leg of Himig Himbing will be held at the University of Antique this coming September 26 and 27, 2024.

For additional information on Himig Himbing, please visit the CCP Arts Education Programs Facebook page or CCP's official social media accounts on Facebook, X, and Instagram, TikTok, and YouTube.

NU Bacolod marked a significant milestone today, September 18, 2024, with the Blessing and Inauguration of its campus. The event began with the solemn Mass of the Holy Spirit, symbolizing the institution's dedication to its mission of academic excellence, spiritual growth, and community service. Attendees, including faculty, students, and local officials, gathered to witness the blessing and to celebrate the new chapter in the university's journey. Online Application for AY 2025-2026 is now OPEN! For Registration, click here: <https://onlineapp-bacolod.national-u.edu.ph/.../services.php> For more information, don't forget to follow NU Bacolod on Facebook on Facebook. admissions-bacolod@national-u.edu.ph 0917-805-7938

Biyaheng South Experiential Tour 2024: Discovering the History and Culture of Cavite

Metro Pacific Tollways South (MPT South), in partnership with the Department of Tourism (DOT) Region IV-A (CALABARZON) and Provincial Government of Cavite, held a successful Biyaheng South Experiential Tour 2024.

Biyaheng South Experiential Tour 2024 Convoy enters Cavite-Laguna Expressway

This year's Experiential Tour was proudly co-presented by Taal Vista Hotel and DongFeng Motors PH, with generous sponsorship from World Balance, Sky Ranch Philippines, and Suteki Japanese Restaurant.

Our Ka-biyaheros—comprising a diverse group of influencers and media partners—went on an exciting adventure to explore and experience the hidden treasures of South Luzon.

Day 1: Exploring the Rich History of Silang and Tagaytay

The tour started with a visit to the MPT South Hub, the sustainable headquarters of CAVITEX and CALAX that is awarded Leadership in Energy and Environmental Design (LEED) Gold Certification. As part of its green initiatives, its architecture features a solar panel field that contributes to 97% of the hub's energy requirement, a biophilic design that

integrates natural elements, and a charging station for electric vehicles.

The day continued with a cultural immersion at Shambala Silang, where the main attraction is their Tawid Gallery, where guests got to see the indigenous arts and crafts of the region, offering them a glimpse into their rich heritage.

This was followed by a hearty lunch at Siglo Moderno Filipino, known for its modern takes on traditional Filipino dishes. They served the guests a meal they called "Lakbay Lokal Platter." This special meal contains different local dishes with a twist from the provinces of Cavite: Laing Dinamita, Sisiglaw Salad, Himagsikan wings (a local version of Buffalo wings), and more.

In the afternoon, guests were treated to the scenic beauty of Tagaytay with a stay at the iconic Taal Vista Hotel. More than just

offering a luxurious retreat, the hotel enriched their experience with a captivating history walk tour, shedding light on the rich heritage of Tagaytay, the Taal Volcano, and the storied legacy of the hotel itself.

To end the day, they experienced the thrills of Sky Ranch Tagaytay before enjoying a delightful dinner at Suteki, a restaurant that features contemporary Japanese cuisine, adding a vibrant contrast to the day's Filipino-themed meals.

Day 2: Delving Deep into the Culture of Maragondon

The adventure continued the second day, where they took the influencers to the charming town of Maragondon, Cavite, starting with a peaceful lunch at the "Alegria del Rio" Maragondon Balsa River Cruise.

After, they went on to visit one of the famous tourist spots around the

Biyaheng South Experiential Tour 2024 at Skyranch Tagaytay

city, the Bonifacio Trial House, where national hero Andres Bonifacio stood trial, giving them a deeper understanding of the area's role in Philippine history.

To further enrich their experience, the participants joined a hands-on session at the Likhang Maragondon Bamboo Weaving Workshop, where they learnt weaving techniques from local artisans using bamboo as a material. Every one of the guests got to create their own placemats out of bamboo.

Weaving is part of Maragondon's history and culture. As part of the community's way of preserving this tradition, this workshop serves as a bridge between generations, ensuring that the rich heritage of Maragondon's indigenous weaving techniques is passed down to younger artisans.

The day concluded with snacks at Lolo Claro's Restaurant, providing a perfect relaxing ending to the two-day adventure.

Why We Do This

Biyaheng South Experiential Tour holds great significance in showcasing the vibrant culture, history, and hidden gems of South Luzon.

However, we are not only promoting the scenic spots of South Luzon but also supporting the local economies of the provinces.

"This initiative is a testament to economic innovation and sustainable tourism development, enhancing tourism through accessibility and convenience for travelers. The goal is to create an environment where convenience complements the beauty and uniqueness of the destination, resulting in enjoyable, memorable, and convenient experiences for all," Department of Tourism Region IV-A Director, Ms. Marites Castro, said.

"In honor of National Tourism Month, the Biyaheng South Experiential Tour shows our dedication to drive tourism and economic growth in the South. We are grateful for the continued support of the Department of Tourism (DOT) and Cavite Tourism; their partnership and shared vision have been instrumental in making this program a success. Together, let's look forward to fostering sustainable tourism, contributing to the livelihood of local

communities, and showcasing the treasures that lie just beyond our toll roads," stated Arlette Capistrano, MPT South's Vice President for Communication and Stakeholder Management.

Biyaheng South is MPT South's tourism advocacy program that has made a significant impact by promoting its toll road networks, particularly CAVITEX, its C5 Link segment, and CALAX, as gateways to the tourist destinations of Southern Luzon. The program demonstrates how infrastructure not only can improve connectivity but also can serve as a catalyst for regional economic growth through tourism promotion.

MPT South is a subsidiary of Metro Pacific Tollways Corporation (MPTC), the infrastructure arm of Metro Pacific Investments Corporation (MPIC). Aside from the CALAX and CAVITEX networks of toll roads, MPTC's domestic portfolio includes concessions for the North Luzon Expressway (NLEX), the NLEX Connector Road, the Subic-Clark-Tarlac Expressway (SCTEX), and the Cebu-Cordova Link Expressway (CCLEX) in Cebu.

Promoting Inclusion: Celebrating Abilities and Advocating Access

In support of the Persons with Disability (PWD) sector's pursuit for inclusion and accessibility, the Provincial Government of Cavite (PGC), through the Office of the Provincial Persons with Disability Affairs Officer, marked the post celebration of National Disability Rights Week at SM City Dasmariñas Main Event Center, on September 20, 2024 showcasing the immense talents and abilities of the PWD sector in the province.

A soulful invocation led by Mr. Wilbert Ang and Ms. Mariel Torres opened the program followed by a warm welcome by SM City Mall Manager, Ms. Editha Tayko who underscored their solidarity in promoting an inclusive and barrier-free environment.

DOST 2...

(FROM PAGE 8)

The achievement, she said, is part of a shared national vision for a prosperous Philippines, achieved through the collective advancement of STI.

In his keynote address, DOST Secretary Dr. Renato U. Solidum Jr. stressed the unique potential of Cagayan Valley to lead in sustainable innovation, outlining the region's vast natural resources and how, when paired with STI-driven strategies, such can address pressing challenges in electromobility, agriculture, and disaster preparedness.

Dr. Solidum also discussed DOST's efforts

to promote innovation across sectors to meet both local and global demands.

A highlight of the event was the inauguration of the Electric Mobility R&D Center (EMRDC) and the turnover of the Metals Engineering Innovation Center, marking significant strides in advancing the region's technological capabilities.

In addition, a forum on Green Economy for Sustainable Communities was also held, which focused on practices for regional growth. Another feature of the event was the training-workshop on translating health research

into policy, which is aimed at empowering researchers to impact public health policies.

Capping off the festivities is the search for "Ginoo at Binibining Agham at Teknolohiya," a celebration of young advocates for science and technology, alongside the "Kathabi" fashion show, which showcased sustainable and innovative designs.

As Cagayan Valley continues to evolve as a hub for STI, the 2024 RSTW serves as a testament to the region's commitment to harnessing the power of science, technology, and innovation in building a sustainable and prosperous future for all. (Nelson Santos (PAPI))

MPT South...

(FROM PAGE 1)

These projects are slated for commercial operations before the end of 2025, bringing MPT South's total road network to 67 km. The new segments, designed to enhance travel time and accessibility, are expected to encourage more motorists to utilize the network, further boosting traffic flow in the region. This will improve connectivity and travel efficiency between major provinces in Southern Luzon, easing travel for daily commuters and businesses alike.

"Aside from providing an enhanced driving experience for our motorists, our projects also aim to contribute to the region's economic development by improving accessibility and connectivity. Once completed, our

expressway network will provide a more seamless travel experience for over 340,000 motorists, a 30% increase from our existing daily traffic, and help spur economic growth in both regions," said MPT South President and General Manager, Mr. Raul L. Ignacio.

In line with this, MPT South is allocating Php14 billion in capital expenditures (CAPEX) in 2025 to support the construction and maintenance of its infrastructure.

"Despite the challenges we face in construction, such as the timely delivery of right-of-way and the recent typhoons, we are working around the clock to ensure the delivery of these vital infrastructure projects for the benefit of progress by the end of 2025," Ignacio added.

Upon completion, MPT South's expressway network is expected to boost regional economic growth by facilitating quicker, more efficient movement of goods and services between key industrial and commercial hubs. The shortened travel time will provide additional benefits such as reduced fuel consumption and lower vehicle emissions, contributing to nation-building and improving the quality of life for Filipinos.

About MPT South

MPT South is a subsidiary of Metro Pacific Tollways Corporation (MPTC), the infrastructure arm of Metro Pacific Investments Corporation. In addition to CAVITEX and CALAX, MPTC also holds concession rights for North Luzon Expressway (NLEX), Subic-Clark Tarlac Expressway (SCTEX), NLEX Connector Road, and Cebu-Cordova Link Expressway (CCLEX) in Cebu.

Ms. Beverly Alvaran delivered a message on behalf of 1st District Board Member Romel Enriquez, emphasizing their commitment to supporting activities for persons with disabilities (PWDs). She encouraged attendees to believe in their abilities and reminded them that each individual is important and valued.

Similarly, Mr. Louel Golfo, representing Vice Governor Athena Tolentino, affirmed that disability and gender should not be barriers to determination and skill. He highlighted the importance of resilience and capability in achieving one's goals. Provincial Administrator for Community Affairs, Mr. Alvin S. Mojica also participated in the event to show full support for the PWD sector, reinforcing PGC's commitment to inclusivity and empowerment.

The event was divided into two segments – the Disability Knowledge Bowl Tournament (Quiz Bowl) and the Festival of Talents of Youth with Disabilities. The criteria of each phase were laid out by Ms. Arlene Clemente, OPPDAO Disability Program Coordinator, for transparency and clear judging.

The Quiz Bowl was facilitated by Cavite State University - Gender and Development Resource Center and showcased 10 pairs from various Cavite municipalities. Winners included Shanelle Agdon and Prinzhel Mae Asercion from General Trias in 3rd place, Jules Capuras and Edilyn Clemente from Naic in 2nd, and Ermalyn Anas and Aljon Cipriano from Tanza as the champions.

Meanwhile, judges for the Festival of Talents for Youth with Disabilities including Ms. Ash Aldama 2023, Reyna ng Turismo and representative of Ms. Jacinta Remulla; Ms. Marissa Basada of DSWD Region IV-A; Mr. Rodiño Mendoza - PGC Choir Head Conductor; and, Dr. Benjamina Pereyra - Happy Homes Housing Cooperative, Inc. Chairperson, had a hard time choosing among the 19 competitors from various local government units.

All the contenders impressed the judges and the crowd, and three top performers emerged for the titles. They were Ascriz Astrero and Christian Valerio from the Municipality of Noveleta who bagged the 2nd runner-up position; Justine Camange from Cavite City who was named 1st

runner-up; and Royce Gian Rivera who was hailed as the 2024 Festival of Youth with Disability Champion.

Kabite Singing Ambassadors for Disability Inclusion, once again, captivated the audiences and mall-goers with their enchanting voices, manifesting abilities and accessibility.

The event also featured the Ceremonial Turnover for the 2025 National Disability Rights Week LGU hosting. Cavite City Person with Disability Federation represented by Ms. Alma Antonio passed the symbolic key to Ms. Angel Victorio of the City of Carmona Federation for the 2025 NDPR Week Celebration.

As the program came to end, everyone applauded for another successful National Disability Rights Week Celebration that promotes inclusion, celebrates ability, and advocates access for Persons with Disabilities.

OPPDO head Ms. Marie Shiela Haloc extended her heartfelt gratitude to their partners, SM City of Dasmariñas, Cvsu-GADRC, PLDT, Smart, as well as to Ms. Beth Go and Ms. Sarah Sta. Ana, who served as sign language interpreters throughout the program. (J. Reyes)

Chinabank...

(FROM PAGE 1)

Only five companies received ICD's plum award this year, of which four are members of the SM Group: Chinabank, BDO, SM Investments, and SM Prime Holdings. Chinabank is the only bank to win Five Golden Arrows a third time, a testament to its unwavering commitment to upholding the highest governance standards, according to Chief Finance Officer Patrick Cheng. "We are very proud of the progress we have made, but CBC remains focused on continuously raising the bar, staying ahead of emerging trends, and adapting to the evolving regulatory landscape," he said.

At the Golden Arrow Recognition on September 19, 2024 at the Manila Marriott Hotel, ICD awarded 111 out of 276

publicly listed companies and 25 out of 115 insurance companies in the country based on the results of the 2023 ASEAN Corporate Governance Scorecard (ACGS) and the Corporate Governance Scorecard, respectively. Companies that scored a minimum of 80 points received a One-Golden Arrow award. The Five-Golden Arrow awardees achieved a score of 120 to 130 points.

ICD is the domestic rating board of the ACGS which aims to ensure that the corporate governance climate in the ASEAN region remains competitive and conducive to business growth. Developed by the ASEAN Capital Markets Forum (ACMF) and the Asian Development Bank, the ACGS evaluates a

company's adherence to key corporate governance principles: ensuring the rights and equitable treatment of shareholders, recognizing the role of stakeholders, promoting disclosure and transparency, and upholding the responsibilities of the board.

Chinabank is the country's fourth largest private universal bank. For its beyond compliance approach, Chinabank was named by ACMF in 2022 as one of the Top 20 in ASEAN and one of the Top 3 in the Philippines in corporate governance and as an ASEAN Asset Class. The bank also made it in TIME World's Best Companies 2024, a list of the top 1,000 firms across the globe that excel in employee satisfaction, revenue growth, and ESG (environmental, social, governance) performance.

MOA Signing for the Innovation, Science, and Technology for Accelerating Regional Technology-Based Development (iSTART) Program from Lipa City

DOST-CALABARZON and the City Government of Lipa officially signed a Memorandum of Agreement (MOA) for the implementation of the Innovation, Science, and Technology for Accelerating Regional Technology-Based Development (iSTART) and Smart and Sustainable Communities (SSC) Programs at the Mayor's Office, Lipa City Hall.

Signing the partnership agreement were DOST-CALABARZON Regional Director, Ms. Emelita P. Bagsit, and Lipa City Mayor Eric B. Africa, accompanied by Engr. Francisco R. Barquilla III, DOST-CALABARZON's Assistant Regional Director for Technical Operations, Ms. Felina C. Malabanan, DOST-Batangas Provincial S&T Director, and Engr. Daisy Babaan, Lipa City Planning and Development Coordinator, as witnesses.

DOST's iSTART program serves as a strategic platform for aligning the agency's initiatives with local development plans. It aims to foster regional development by accelerating growth through science, technology, and innovation.

iSTART will usher in the seamless implementation of the SSC Program geared toward making Lipa City a "Smart City."

Lipa City is the first among the cities in Batangas province to embark on these programs. The collaboration between DOST and the Lipa City government signifies a commitment to utilizing technology and innovation for sustainable development.

This partnership is expected to pave the way for more efficient and smart local governance in Lipa City. *(By John Maico M. Hernandez)*

Embryo Transfer Technology, a new era in goat farming in Cagayan Valley

THE goat-raising industry in the Philippines is set to benefit from a groundbreaking technology innovation, as the Department of Science and Technology Region 2 (DOST 2), in collaboration with the Isabela State University (ISU) and DOST-PCAARRD, reported the successful implementation of its Embryo Transfer (ET) Technology for goats.

The development was announced by DOST-PCAARRD Executive Director Dr. Reynaldo V. Eborra during the 2024 Regional Science and Technology Week (RSTW) held in Cagayan Valley.

Eborra said five kids were successfully produced using the ET technology, which is part of the Innovative Systems in Advancing Technology-Based Goat Production project funded by the DOST-PCAARRD.

Dr. Ricmar P. Aquino, ISU president, emphasized the importance of technological innovations in goat production, and highlighted key technologies such as semen collection, semen processing, and artificial insemination for small ruminants to modernize goat production and enhance the efficiency and profitability of goat farming.

Science and Technology Secretary Dr. Renato U. Solidum Jr. said the Embryo Transfer Technology enables the production of multiple offspring from a single female goat, significantly enhancing reproductive efficiency.

The process involves

superovulation to maximize the oocyte reserves of a female goat, followed by the transfer of fertilized embryos to recipient females. The method increases both the number of offspring and the speed of genetic exchange between herds, thus accelerating the improvement of goat breeds.

The total goat inventory in the Philippines has declined in recent years. The current inventory is estimated at 3.86 million heads, a decrease from previous counts, with over 99 percent of the country's goat population sourced from small-hold farms.

The situation highlights the pressing need for improved goat meat production to meet rising demand. Goat meat, or

chevon, has been gaining popularity due to its lower calorie, cholesterol, and saturated fat content compared to other meats such as beef, pork, and chicken.

Additionally, the goat industry provides not only nutritious meat and milk but also supports agricultural diversification and offers a vital source of income for small-scale farmers.

Dr. Cristino Nayga delivered the first embryo transfer (ET) kid in June 2023, with four additional kids produced from three other dams in the following months.

The kids were derived from dams with a 75 percent Boer bloodline mated with purebred Boer bucks.

The experiment marked

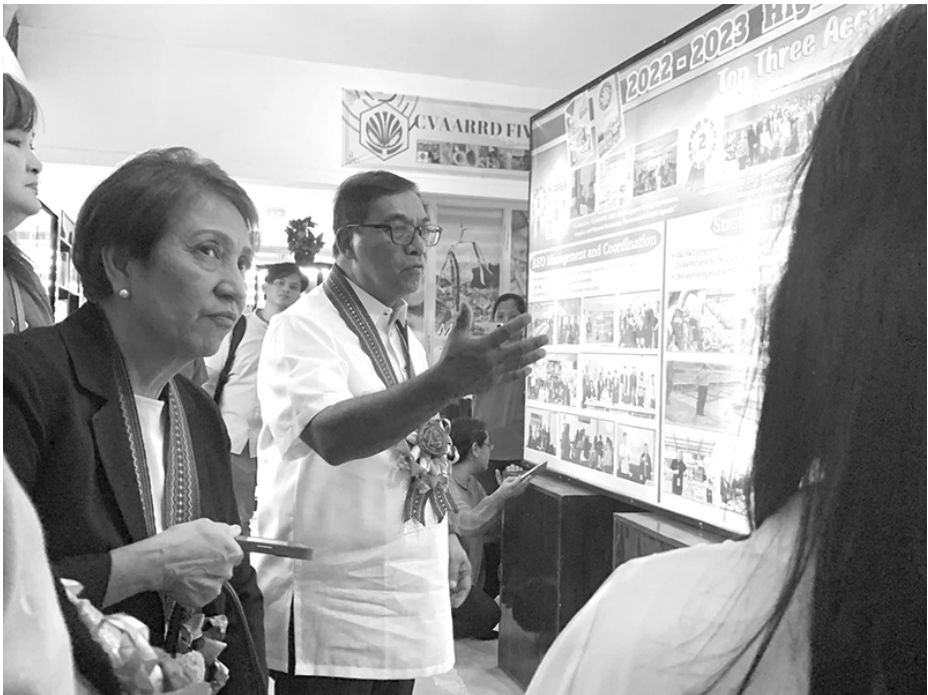

a significant milestone in ISU's breeding program, which has been looking at enhancing the population of high-quality, true-to-type goats in Region 2, now branded as the "Cagayan Valley Signature Goat."

DOST has

acknowledged the potential of the ET technology to address the challenges faced by the goat industry and enhance productivity for small-hold farmers and has committed to provide essential solutions to strengthen the industry in

the Philippines. It said the innovative approach would enhance livestock management and productivity while positioning the goat industry for a more competitive and sustainable future. *(Nelson Santos)*

Cavite Carrer... (FROM PAGE 1)

A total of 37 participating companies and national agencies which include PSA, NBI, Pag-ibig, SSS, OWWA, BIR, DTI and TESDA gathered to offer a wide range of career options. By the end of the day, 30 jobseekers were successfully hired on the spot, marking the event's success in matching talents with suitable roles. The caravan is part of the Provincial Government of Cavite's continuous efforts to support employment and livelihood in the province. Through initiatives like this, more Caviteños gain access to meaningful job opportunities, contributing to local economic growth. **(J. Patulot)**

ST. LOUISE PRIME BUILDERS AND DEVELOPMENT CORPORATION,
Applicant.

Case No. 24-3857

X-----X

NOTICE OF HEARING

This is the application of St. Louise Prime Builders and Development, Corporation filed on 12 September 2024, for the renewal of its Certificate of Public Convenience within Dorothea 1 Subdivision, Barangay Halang, Municipality of Naic, Province of Cavite.

Notice is hereby given that this application will be initially heard by the Board on 14 October 2024, at 9:00 o'clock in the morning at the NWRB-WUD Conference Room, 8th Floor, NIA Building, EDSA, Quezon City at which time the applicant shall present its evidence to support its application.

At least fifteen (15) days prior to the scheduled hearing, the applicant shall publish this notice once in a newspaper of general circulation in the province of Cavite and send by personal delivery or registered mail a copy of (i) the application and its attachments, and (ii) this notice, to all affected parties appearing on page 2 hereof.

Parties opposed to the granting of the application must file their written opposition supported by documentary evidence on or before the above scheduled date of hearing, furnishing a copy of the same to the applicant.

Failure on the part of any affected party to file its opposition on time and to appear at the hearing will be construed as a waiver of their right to be heard and the Board will proceed to hear and decide the application based on the evidence submitted.

Likewise, failure by the applicant to appear at the hearing shall amount to lack of interest on its part and the instant application shall be dismissed accordingly.

Witness the Honorable Executive Director of the National Water Resources

Board this 12th day of September 2024.

Ugnayan sa Barangay Bagtas: Strengthening Community Ties pay out held in Naic

On September 24, 2024, Barangay Bagtas in Tanza, Cavite, hosted the "Ugnayan sa Barangay" event, led by Governor Jonvic Remulla and the provincial government of Cavite. This gathering aimed to foster community connections and share the government's vision and mission.

Governor Remulla outlined various plans and programs focusing on key areas such as healthcare, education, and social services, highlighting the provincial government's commitment to improving the quality of life for all Caviteños.

The "Ugnayan sa Barangay" event also addressed the basic needs of residents with the distribution of rice, supporting families in the community through access to essential resources.

The overall purpose of the gathering was to enhance communication between the community and the government, ensuring that everyone works together toward a better future. This approach not only meets immediate needs but also builds trust. **(FB/account)**

DOST 2 pushes green tech in Cagayan Valley

SCIENCE, technology and innovation (STI) provide sustainable solutions that can open opportunities in the green economy and help build a resilient, comfortable, and secure future for all.

DOST Undersecretary for Regional Operations Engr. Sancho A. Mabborang highlighted this at the 2024 Regional Science, Technology, and Innovation Week (RSTW) that is being held from September 25-27, 2024 at SM Tuguegarao. This year's event has the theme, "Siyensya, Teknolohiya, at Inobasyon: Kabalik at sa Matatag, Maginhawa, at Panatag na Kinabukasan."

In his opening remarks, Mabborang underscored the significance of the event in Cagayan Valley as a platform to showcase the power of STI in driving socio-economic growth and encouraged participants to seize every opportunity to collaborate and transform Cagayan Valley into a vibrant hub for science, technology, and innovation.

For her part, Dr. Leah J. Buendia, DOST Undersecretary for Research & Development, focused on DOST's strategic investments in regional development through its flagship Niche Centers in the Regions for R&D (NICER) program, saying that DOST Region 2 alone has established 18 centers with a total investment of PHP 225 million.
