Strengthening Power Knowledge: NGCP Hosts Power 101 Session for PIA and South Luzon Media

Tagaytay City, Cavite – July 17, 2025 — Against the scenic backdrop of Twin Lakes Hotel in Tagaytay City, the National Grid Corporation of the Philippines (NGCP) brought together regional offices of the Philippine Information Agency (PIA) and members of the local media for its Power 101 Session—a day dedicated to demystifying the operations of the country's power grid.

As a media participant, the session provided a rare opportunity to go behind the scenes of the transmission system that fuels much of the country's daily life. Beyond just press releases and power alerts, we were given a clearer look at how NGCP operates in real time, ensures grid reliability, and responds to crises and emergencies in a constantly evolving energy landscape.

The event opened with key insights from NGCP's South Luzon operations and public affairs leaders:

Engr. Redentor Gerardo Jumarang, ACC Power Dispatch Section Supervisor of the Luzon System Operations (LSO), explained how real-time data is monitored to maintain grid stability and load balance.

Engr. Patricius Paulus P. Baldonasa, Construction Projects Regional Senior Manager of the Infrastructure and Construction Department (ICD), discussed the ongoing infrastructure

projects that aim to expand and modernize the grid across South Luzon.

Engr. Dante Castro, District Senior Manager for South Luzon Operations, emphasized the importance of localized solutions and regional readiness when addressing grid-related challenges.

Atty. Cynthia P. Alabanza, NGCP Spokesperson and Head of the Public Relations Department, led a session on crisis communication, underlining the role of media in ensuring accurate and timely reporting during power incidents.

The Power 101 session wasn't just technical—it was deeply collaborative. Through open discussions and Q&A exchanges, media practitioners and government communicators were able to ask tough questions and explore complex topics such as renewable energy integration, load forecasting, and disaster

response mechanisms.

NGCP's initiative reflects its recognition of the critical role media and public information officers play in shaping public understanding of energy issues. In an era of misinformation and public anxiety around power stability, transparent and accessible communication is not just helpful—it is essential.

More than a learning session, Power 101

reminded us that energy is not just about electricity—it's about accountability, trust, and collaboration. And NGCP, as the country's sole transmission service provider, affirmed its commitment to strengthening those values with its stakeholders.

Established in 2008, NGCP is a privately operated corporation holding a 50-year congressional franchise to

operate, maintain, and expand the Philippines' transmission network. Owned by majority shareholders Henry Sy, Jr. and Robert Coyoito, Jr., NGCP is responsible for transmitting electricity from power generation plants to distribution utilities and large industries nationwide.

Its mandate includes the operation of transmission assets, the development of new high-voltage lines,

and enhancing the country's energy infrastructure to meet the growing demand for reliable and resilient power.

As NGCP continues to invest in technology, infrastructure, and partnerships, platforms like the Power 101 Session reinforce a shared goal: bringing energy knowledge closer to the people, and empowering those who help communicate it.

"Ang proyektong ito ay

hindi lamang pisikal na paaralan, kundi isang simbolo ng ating kolektibong paniniwala sa kakayahan ng kabataan. Ito ay isang pamana ng kaalaman, oportunidad, at pag-asa," pahayag ni Mayor Dahlia Loyola.

Para sa Kabataang Carmonense

Sa pagtatayo ng Carmona Science and Technology High School, magkakaroon ng mas maraming kabataan ang pagkakataong makapag-

Kabataang Imuseño, Nanguna sa Pagpapalaganap ng Kaalaman Tungkol sa HIV

Lungsod ng Imus, Cavite — Hulyo 11, 2025 Isang makabuluhang hakbang ang isinagawa ng Local Youth Development Office (LYDO) sa pagtitipon ng mga kabataang lider mula sa iba't ibang sektor sa lungsod para sa programang "Lead the Change: Empowering Youth Leaders for HIV Awareness and Prevention", na ginanap sa Children and Youth Center ng Imus Pilot Elementary School.

Hindi lamang ito naging seminar — ito'y naging panawagan para sa kabataan na maging aktibong bahagi ng laban kontra HIV sa pamamagitan ng tamang kaalaman, bukas na talakayan, at pakikipag-ugnayan sa komunidad.

Naging tagapagsalita sa nasabing aktibidad sina Roel Velazquez, Gilbert Nato, at Mary Jane Mina, na nagbahagi ng mga impormasyon ukol sa:

* Paano naipapasa, naiiwasan, at nagagamot

ang HIV

* Paano ituturo ang tamang kaalaman nang walang diskriminasyon

* Paano bumuo ng mga plano para sa epektibong kampanya sa komunidad

* Paano paunlarin ang kakayahan sa pamumuno at komunikasyon para sa promosyon ng kalusugan

Bagama't nananatiling sensitibong usapin ang HIV para sa ilan, naging bukas ang talakayan, at nagkaroon ng pagkakataon ang mga kabataan na magtanong, magbahagi ng saloobin, at mag-isip ng mga

konkretong hakbang upang maipaabot ang tamang mensahe sa kanilang mga kapwa kabataan at mga barangay.

"Bilang kabataan, mahalaga na kami mismo ang magtaguyod ng tamang impormasyon. Hindi lang ito isyu ng kalusugan, ito ay tungkulin natin bilang mga lider sa komunidad," ani ng isa sa mga dumalo.

Layon ng programang ito na hubugin ang kabataan bilang lider na may malasakit, kaalaman, at kakayahang mamuno

sa mga usaping panlipunan, lalo na sa mga isyung may kinalaman sa kalusugan ng publiko.

Bahagi ito ng malawakang kampanya ng Lungsod ng Imus na magtaguyod ng responsableng kabataan

— isang henerasyong may sapat na kaalaman, may boses, at may layuning maglingkod sa kapwa.

A new Era of Leadership Cavite PPO Welcomes Acting Provincial Director PCOL. Ariel R Red

Camp BGen Pantaleon Garcia, Imus City, Cavite — In a formal ceremony marked by tradition and symbolism, Police Colonel Ariel R. Red was officially installed as the new Acting Provincial Director of the Cavite Police Provincial Office (PPO) on Monday.

The installation was presided over by Police Brigadier General Jack L. Wanky, Regional Director of Police Regional Office CALABARZON (PRO4A), during a change of command ceremony that honored both the incoming and outgoing leadership.

PCOL Red assumes the role following the successful tenure of PCOL Dwight E. Alegre, who led the Cavite PPO for nearly nine months. PCOL Alegre was recognized for his steadfast leadership, dedication to service, and significant contributions to maintaining peace and order in the province.

In his farewell message, PCOL Alegre expressed gratitude to his colleagues

and subordinates, acknowledging their support throughout his term. He encouraged continued unity and pursuit of excellence within the ranks under the new leadership.

Taking the podium for his acceptance speech, PCOL Red conveyed his deep appreciation for the trust placed in him. "I am fully aware of the responsibilities that come with this position," he said. "I assure the people of Cavite that under my leadership, your police force will remain committed to upholding the law and ensuring the safety and security of every Caviteño."

PBGEN. Wanky, in his keynote address,

emphasized the crucial role of the Cavite PPO in safeguarding one of the nation's most dynamic and populous provinces. "Leadership transitions are not merely procedural — they are moments of reflection and renewal," he noted. "Today, we welcome a new leader who is expected to guide the Cavite PPO with integrity, professionalism, and compassion, especially in our continuing fight against criminality, insurgency, and corruption."

A symbolic turnover of command highlighted the ceremony, with the traditional passing of the Unit Flag representing a respectful and peaceful transfer of leadership. The event also included the

reading of official orders and the presentation of plaques and tokens of appreciation to the outgoing commander.

More than a change in command, the ceremony reaffirmed the Philippine

National Police's enduring commitment to its core values of Service, Honor, and Justice. With new leadership at the helm, Cavite PPO looks ahead to stronger public service and a continued mission to

ensure a safer and more resilient Cavite.

Sip, Swing, and Savor: Boris Café Brings Coffee and Mini Golf Together in Pampanga

In a world of cookie-cutter cafés, Boris Café in Barangay Baliti, City of San Fernando, Pampanga offers something refreshingly different—a cozy coffee shop paired with an 8-hole mini golf course.

Co-founded by Inigo Santos and Joy Bautista, Boris Café was born from the duo's shared love for coffee and golf. "Why not have both the comfort of a café and the excitement of golfing?" they asked—and they made it happen.

With its warm ambiance and creative concept, Boris Café invites guests to sip and swing in style. For just P100 per 30 minutes, customers can test their putting skills on a playful yet challenging course that's more than just a novelty—it's a core part of the café experience. The idea came to life during the pandemic, when Inigo found comfort in visiting driving ranges. Blending that hobby with his business acumen, he helped turn this unique vision into reality.

The café's name, Boris, is a heartfelt tribute to Inigo's grandmother's cat—a clingy feline that took a liking to Joy during her visits. The name captures the personal, feel-good energy that the owners want to share with

every guest who walks in.

Boris Café's drink menu is equally exciting. From expertly brewed specialty lattes, rich chocolates, to fruit-based coolers, every cup is crafted with care. Among the favorites is the Boris Signature Latte, inspired by the iconic LA Bakeshop cheese bread—a nod to Inigo's heritage as a third-generation member of the family behind the beloved Pampanga bakery. You can even enjoy some of LA Bakeshop's famed pastries right inside the café.

"Our goal is to build a community here," says Joy, who oversees sales and finance while Inigo manages day-to-day operations. Together, they've created a space where people can come for the coffee, stay for the swing, and return for the connection.

Whether you're in it for the perfect brew, a pastry fix, or a fun mini golf game, Boris Café is redefining what it means to chill in Pampanga—one sip and one swing at a time. **(Nelson Santos)**

DILG SEC. REMULLA TO LGUs: IPASA ANG MGA ORDINANSA LABAN SA 911 PRANK CALLERS

Manila, Philippines — July 19, 2025 -Sa nalalapit na paglulunsad ng pinahusay na Emergency 911 system ngayong Agosto, hinikayat ni Department of the Interior and Local Government (DILG) Secretary Jonvic Remulla ang lahat ng mga lokal na punong ehekutibo na magpasa ng ordinansa na magpaparusa sa mga gumagawa ng prank calls sa pambansang emergency hotline.

“Dapat may ordinance ang lahat ng LGUs na may monetary fine, jail time basta prank call,” pahayag ni Remulla, binigyang-diin ang pangangailangang mapanagot ang mga taong lumalabag at umaabuso sa serbisyong pang-emergency.

Ayon sa kalihim, ang pagbibiro o pagbibigay ng maling tawag sa 911 ay hindi dapat ipagsawalang-bahala sapagkat nakakaantala ito sa mga lehitimong tawag para sa tulong — isang pagkilos na maaaring magresulta sa pagkaantala ng agarang serbisyo para sa mga tunay na nangangailangan.

Habang hinihintay ang opisyal na paglulunsad ng upgraded 911 system, sinabi ni Remulla na magkakaloob ang DILG ng
