KAUNA-UNAHANG MOBILE CLINIC SA TERNATE, CAVITE OPISYAL NANG BINUKSAN

Isang makasaysayang hakbang tungo sa mas abot-kaya at episyenteng serbisyong pangkalusugan ang opisyal na isinagawa sa Bayan ng Ternate matapos pormal na ilunsad ang kauna-unahang Mobile Clinic sa nasabing bayan ay isang proyekto na inaasahang magdudulot ng malaking ginhawa sa mga mamamayang matagal nang kulang sa access sa serbisyong medikal.

Ang naturang inisyatibo ay bunga ng sama-samang pagsisikap ng Toyota Mobility Foundation, Toyota Motors Philippines Foundation, at ng University of the Philippines – Philippine General Hospital (UP-PGH) sa ilalim ng programang Healthcare Mobility for All (HEAL), na layong ilapit ang dekalidad na serbisyong pangkalusugan sa mga komunidad na mahirap marating ng tradisyunal na pasilidad medikal.

Sa halip na ang pasyente ang bumiyahang patungo sa ospital, ang ospital na mismo ang lumalapit sa mamamayan. Ito ang diwa ng Mobile Clinic na isang makabagong solusyon na idinisenyo upang tugunan ang kakulangan ng health facilities lalo na sa mga liblib at geographically isolated

FEATURED STORY

PROUD ANAK NG ROSARIO AT HUWARANG PULIS NG MAKABAGONG PANAHOON, PINARANGALAN

Rosario, Cavite — Mula sa isang bayang tahimik, masaya, at maunlad ay umangat at kinilala ang isang pangalang Police Staff Sergeant Rogie J. Laura, 40 taong gulang, bilang National Level Best Junior PNCO for Administration ng Philippine National Police, isang parangal na hindi lamang karangalan ng isang indibidwal, kundi tagumpay ng buong komunidad na kanyang pinaglilingkuran.

Si PSSg Laura ay residente ng Barangay Tejeros Convention, Rosario, Cavite, ay panganay sa anak ng retiradong Police Inspector na si Romeo C. Laura, isang ama na nagsilbing huwaran at inspirasyon sa kanyang landas sa serbisyo publiko. Sa loob ng 14 na taon sa hanay ng PNP, pinatunayan ni Laura na ang disiplina, sipag, at integridad ay tunay na puhunan sa tagumpay.

Ang tagumpay ni Laura ay hindi lang basta-basta. Nagsimula ito sa provincial level, kung saan siya ay unang kinilala dahil sa husay at dedikasyon sa larangan ng administrasyon. Matapos manalo, siya ay inilaban sa regional level, hanggang tuluyang manaig sa national level, isang mahaba at masusing

proseso na dinaraan lamang ng mga tunay na natatangi sa serbisyo. Ang pinal na paggawad ng parangal na ginanap sa Camp Crame, ang puso ng Philippine National Police, isang tagpong pinangarap lamang noon, ngunit ngayo'y naging realidad para sa isang simpleng pulis mula Rosario.

Kasalukuyang nakatalaga si PSSg Laura sa Regional Information and Communication Technology Management Division (RICTMD), kung saan ipinamalas niya ang kahusayan hindi lamang sa tradisyunal na gawain ng pulisya kundi pati sa makabagong sistema ng pamamahala at teknolohiya. Bilang pagkilala sa kanyang pambihirang kontribusyon, ginawaran din siya ng PNP Outstanding Achievement Award, kalakip ang Medalya ng Katangi-tanging Gawa at P30,000 cash incentive.

Ayon sa tala ng PNP, siya lamang ang natatanging Caviteño ang nakatanggap ng naturang parangal sa kanyang kategorya ngayong taon, bagay na lalong nagpatibay sa kanyang pangalan sa hanay ng kapulisan.

Ang parangal na ito ay iginagawad tuwing PNP Anniversary, kung saan tanging ang mga huwarang lingkod-bayan ang napipili. Bago ang kanyang kasalukuyang destinasyon, si Laura ay dating nakatalaga sa Rosario Municipal Police Station, kung saan unang nasilayan ng kanyang mga kababayan ang kanyang tahimik ngunit epektibong pamumuno. Ang kanyang mga gawa ay ramdam sa maayos na sistema, mabilis na serbisyo, at disiplina sa hanay ng kanyang mga kasamahan.

Sa kanyang mensahe, buong pagpapakumbabang inalay ni PSSg Laura ang tagumpay sa Diyos, pamilya, at institusyong kanyang pinaglilingkuran: "Above all, I thank God for the guidance, strength, and wisdom that made this achievement possible. I am deeply grateful to my parents and family for their constant prayers, sacrifices, and support. I also extend my sincere appreciation to the Philippine National Police, our leadership, and my fellow personnel".

"This recognition as National Level Best Junior PNCO for Administration is not mine alone—it reflects our shared commitment to professional service. To the community we serve, this award strengthens my resolve to serve with integrity, accountability, and dedication. Together, we build trust and safer communities", dagdag pa ni Laura.

Ang kwento ni PSSg Rogie J. Laura ay patunay na hindi hadlang ang simpleng pinagmulan upang maabot ang pinakamataas na pagkilala.

Sa sipag, pananalig, at tapat na serbisyo, ang isang ordinaryong pulis ay maaaring maging pambansang huwaran. Para sa kabataang nangangarap magsuot ng uniporme, at para sa bawat lingkod-bayan na minsang napanghihinaan ng loob, ang kanyang tagumpay ay malinaw na paalala na ang tunay na parangal ay nagmumula sa tapat na paglilingkod.

Wilcon Depot.. (FROM PAGE 8)

known for its rich cultural and spiritual heritage, with its name derived from the once abundant Salawag Bamboo traditionally used in building homes or bahay kubo. Over the years, it has evolved into a dynamic and growing community grounded in faith, resilience, and progress.

As one of the largest barangays in Dasmariñas, Salawag is a key part of Cavite's economic landscape. The province continues to thrive through a balance of agriculture and industry, supported by favorable soil and climate conditions, and sustained by robust industrial and infrastructure development.

With the opening of its Salawag branch, Wilcon Depot brings greater access to high-quality and sustainable home improvement solutions, including water-efficient products from brands such as Sefa and Pozzi, designed to promote responsible water use.

Dasmariñas City Mayor Jennifer "Jenny" Austria-Barzaga said the opening of Wilcon Depot in Salawag marks not only the company's continued growth, but also another milestone in the city's ongoing development.

"We welcome Wilcon Depot as a valued partner in progress. Your presence here brings new opportunities [like] job opportunities, and of course, accessibility para sa mga mamimili natin." She added.

Meanwhile, Wilcon Depot's Angeles City opening further strengthens the company's reach in Central Luzon, becoming its sixth branch in Pampanga. The new

store joins Wilcon's existing locations in Dolores and San Nicolas in San Fernando, Mexico, Pampanga, Dau in Mabalacat, and Lubao - home to Wilcon's notable 100th store.

Known for its vibrant culinary scene, and rapid urban development, Angeles City continues to attract residents, investors, and industries that fuel regional growth. Wilcon Depot will further boost this development by serving homeowners, contractors, and business owners in Angeles and nearby towns with greater convenience, modern solutions, and dependable support for their building and renovation needs.

Representing Angeles City Mayor Hon. Carmelo "Jon" Lazatin at the opening, City Information Officer Jose Aubrey Pelayo IV conveyed the mayor's warm greetings and enthusiasm for the new Wilcon Depot store. He notes that the store's presence signals further growth and development for the city.

Pelayo IV mentioned that Angeleños welcomes the opening, as it makes home and construction solutions more accessible and supports Angeles City's goal of becoming a thriving metropolis. "Finally, we have a Wilcon Depot na masasabi nating dito sa Angeles City. We don't need to go as far as Dau (Mabalacat) at saka do'n sa other end ng City of San Fernando." He added.

Over convenience, the back-to-back depot openings in Salawag and Angeles highlights Wilcon's commitment to growing alongside communities and supporting development

beyond Metro Manila.

This expansion across CALABARZON and Central Luzon reflects Wilcon Depot's steady commitment to community growth and nationwide development. Staying matatag amid evolving challenges, the company continues to move forward by adapting best practices, strengthening collaborations, introducing new products, and extending reach to serve more Filipinos by opening more stores.

Wilcon Depot President and CEO Ms. Lorraine Belo-Cincochan shared in her speech that the meaningful back-to-back store openings in Salawag and Angeles are a powerful expression of Wilcon's Tatag in action - the resilience that keeps the company moving forward, the courage to expand, and the consistency to serve the communities wherever they needed.

"Each new store is more than a milestone - it is our commitment to empower local communities, create opportunities, and help build better homes and stronger futures for the Filipino families. Wilcon's "Tatag" trait emphasizes that growth is a shared journey of progress across the nation." She added.

They praised the devotion of the people to the Blessed Virgin, noting that faith remains a guiding light in the town's journey toward progress.

The feast also served as a cultural showcase, with families, youth groups, and organizations collaborating to prepare decorations, performances, and community activities. This spirit of cooperation reflected the enduring strength of Silang's traditions, where faith and culture intertwine to inspire hope and resilience.

areas gaya ng ilang bahagi ng Ternate.

Ayon sa mga tagapagpatupad ng proyekto, malaking tulong ang mobile clinic sa maagang pagtukoy ng sakit, regular na check-up, at agarang konsultasyong medikal, partikular para sa mga senior citizen, buntis, at mga pasyenteng hirap bumiyahang patungo sa malalayong ospital. Bilang bahagi ng programa, isang Toyota Coaster Mobile Clinic ang opisyal na ipinagkaloob sa Lokal na Pamahalaan ng Ternate. Ang sasakyang ito ay hindi ordinaryo dahil ito ay kumpleto sa makabagong world-class

medical equipment gaya ng X-ray machine, Electrocardiogram (ECG), at iba pang mahahalagang diagnostic tools na karaniwang matatagpuan lamang sa malalaking ospital.

Dahil dito, inaasahang mas magiging mabilis at episyente ang pagbibigay ng paunang diagnosis at medikal na pagsusuri, na kritikal sa pag-iwas sa masamang komplikasyon ng sakit. Taos-pusong nagpahayag ng pasasalamat ang Lokal na Pamahalaan ng Ternate sa Toyota Mobility Foundation, Toyota Motors Philippines Foundation, at UP-PGH sa kanilang malasakit at patuloy na

suporta sa sektor ng kalusugan ng bayan.

Ayon sa mga opisyal ng bayan, ang Mobile Clinic ay hindi lamang sasakyan o pasilidad dahil ito ay simbolo ng pag-asa, lalo na para sa mga pamilyang kapos sa kakayahang pinansyal at limitadong access sa serbisyong medikal.

Sa paglulunsad ng kauna-unahang Mobile Clinic, nagbukas ang bagong yugto sa serbisyong pangkalusugan ng Bayan ng Ternate. Isa itong patunay na sa pamamagitan ng kooperasyon ng pribado at pampublikong sektor, posibleng makamit ang layuning walang maiiwang Pilipino pagdating sa serbisyong medikal. (Sid Samaniego)

ang "red carpet walk" ng bawat pares.

Sa dulo ng pulang alpombra, sasalubong sa kanila ang makabuluhang mensahe ng "Faith, Hope, and Love", na magsisilbing pundasyon ng kanilang pagsasama bilang mag-asawa.

Dagdag-romansa sa selebrasyon ang espesyal na photo booth na napapalibutan ng makukulay na bulaklak, na magsisilbing opisyal na lugar para sa mga litrato at alaala ng bawat bagong kasal.

Habang isinasagawa ang seremonya, lalong

magiging makabuluhan ang bawat sandali dahil ang background music na maririnig ay ang mismong "team song" ng bawat pares ng ikakasal—mga awiting may personal na kahulugan sa kanilang relasyon at nagsisilbing himig ng kanilang paglalakbay bilang magkasintahan patungo sa pagiging mag-asawa.

Pangungunahan mismo ni Rosario Mayor Jose Voltaire V. Ricafrente ang mabuhay na seremonya, bilang patunay ng patuloy na suporta ng lokal na

pamahalaan sa pagpapahalaga at pagpapatatag ng institusyon ng pamilya. Bilang dagdag-saya sa okasyon, inihayag ng pamahalaang lokal na may magandang sorpresa na naghihintay sa bawat pares ng ikakasal—isang biyayang magsisilbing alaala sa kanilang bagong yugto ng buhay mag-asawa.

Ang "KASALINAS" ay hindi lamang kasalang bayan kundi isang patunay na sa Rosario, ang pag-ibig ay ipinagdiriwang nang may dignidad, malasakit, at tunay na pagmamahal—araw-araw, sa buong buwan ng Pebrero. (Sid Samaniego)

PCPPI AT GAWAD KALINGA, SAMA-SAMANG ITINATAAS ANG LITERACY SA KABATAAN SA CAVITE

Inilunsad sa Pinagsanhan Elementary School Maragondon, Cavite ang Pinatibay ng Pepsi-Cola Products Philippines, Inc. (PCPPI), ang eksklusibong tagagawa ng mga inuming PepsiCo sa bansa, ang kanilang pangako sa edukasyon at pag-unlad ng komunidad sa pamamagitan ng pakikipagtulungan sa Gawad Kalinga sa paglulunsad ng Reading for Excellence and Development (READ) Program sa Pinagsanhan Elementary School sa Maragondon, Cavite.

Ang READ Program ay isang community-based literacy initiative na pinangunahan ng Gawad

Kalinga at layong tulungan ang mga batang nasa edad 7 hanggang 13 na nahihirapan sa pagbasa at

pang-unawa ng mga teksto.

Sa pamamagitan ng programa, makatatanggap

ang mga kabataan ng mga learning sessions at mahahalagang materyales sa pagbasa upang mapalakas ang kanilang kakayahan sa literasiya—isang pundasyon na susi sa pangmatalang tagumpay sa pag-aaral.

Opisyal na inilunsad ang programa noong Enero 16 at ito ay tatagal hanggang Marso 2026. Magkakaroon ng dalawang tatlong-oras na sesyon kada linggo, na pagsasamahan ng kabuuang 30 mag-aaral mula sa Pinagsanhan Elementary School.

Bilang suporta sa programa, naglaan ang PCPPI ng kanilang mga empleyado bilang volunteers upang gampanan ang mga paunang aktibidad at

learning sessions kasama ang mga bata. Ayon sa mga opisyal ng PCPPI, ang READ Program ay bahagi ng mas malawak na sustainability at corporate social responsibility initiatives ng kumpanya, partikular sa larangan ng edukasyon at kabataan. Layunin ng kumpanya na lumikha ng isang kapaligiran na sumusuporta sa pagkatuto ng mga bata, kung saan sila ay may pagkakataong magbasa, matuto, at umunlad sa kanilang sariling kakayahan.

“Ang literacy ay hindi lamang tungkol sa pagbabasa. Ito ay daan para sa mas malalim na pag-unawa sa mundo at sa pagbibigay ng

pagkakataon sa kabataan na maabot ang kanilang buong potensyal,” ani isang opisyal ng Gawad Kalinga.

“Sa pakikipagtulungan sa PCPPI, mas marami tayong kabataang matutulungan upang makabuo ng matibay na pundasyon sa kanilang pag-aaral.

“Ang partnership na ito ay isa ring halimbawa ng kung paano ang pribadong sektor at mga organisasyon ng komunidad ay maaaring magkaisa upang tugunan ang mga mahahalagang hamon sa edukasyon sa bansa, lalo na sa mga lugar na may limitadong access sa learning resources.”

21, 2026 at Chateau Blue Resort, Calamba City, Laguna, as part of its continuing efforts to support data-driven and science-based agricultural governance in the region.

The SARAI Centralized National Hub for Regional Operations (SARAI CeNTRO) is one of DOST’s agricultural initiatives funded by the agency and monitored by DOST-PCAARRD. The program was deployed nationwide through the University of the Philippines Los Baños (UPLB), in partnership with the DOST Regional Offices, to strengthen local capacities for data-

driven and resilient agricultural development.

The activity introduced partner LGUs to the practical use of Geographic Information Systems (GIS), remote sensing, and the Community-Level SARAI-Enhanced Agricultural Monitoring System (CL-SEAMS), including hands-on training on open-source tools such as QGIS to support improved crop monitoring and data-driven agricultural planning.

This capacity-building activity gathered representatives from the Provincial Science and Technology Offices (PSTOs) in CALABARZON and selected partner local government units (LGUs),

including LGU Magallanes, LGU Lucena, and LGU Siniloan.

According to Marcelito E. Morong Jr., Agriculturist of LGU Lucena, “Malaking tulong itong training na ito para sa precision agriculture. Malaki ang ginagampanang papel ng mahusay na data management, kabilang ang paggamit ng GIS at maayos na mapa, upang makatulong sa decision-making at sa implementasyon ng mga programa.”

Through initiatives such as this training, DOST-CALABARZON continues to support partner LGUs in adopting science-based tools and technologies that enhance agricultural planning, monitoring, and decision-making. (By Harley G. Margallo)
