FEATURED STORY

WALANG CAMERA, WALANG VLOG, SA PUSONG HANDANG MAGLINGKOD SA TAUMBAYAN

Noon pa man bago pa sumikat ang Facebook, TikTok, at iba pang social media platforms, ramdam na ramdam na ng mga taga-Rosario, Cavite ang tunay na diwa ng pagseserbisyo-publiko. Hindi kailangan ng camera... Hindi kailangan ng vlog...

Ang kailangan ay serbisyo na may pusong totoo. At ito ang ipinamalas noon pa man ni Mayor Jose Nonong Ricafrente, at ipinagpapatuloy ngayon ng kanyang anak na si Mayor Jose Voltaire Ricafrente ng Rosario, Cavite. Serbisyonang Hindi Pang-Front Cam... Sa panahong hindi pa uso ang "pa-picture" at "pa-live," tahimik ngunit epektibo ang naging estilo ng pamamahala ni dating Mayor Nonong Ricafrente.

Ayon sa mga nakatatanda sa bayan, personal umano itong nakikinig sa hinaing ng mga residente, at agad kumikilos para maresolba ang problema.

Walang engrandeng production team... Walang script... Serbisyo lang... Marami ang nagsasabing mas dama ang presensya ng isang lingkod-bayan dahil nakikita mismo sa komunidad sa mga proyekto, sa mga relief operation, sa mga simpleng pagbisita sa mga pamilyang nangangailangan.

Pamana ng Serbisyo, Ipinagpapatuloy ng Anak... Sa panahon ngayon, sa pamumuno ni Mayor Jose Voltaire V. Ricafrente, buhay ang alaala ng ganitong klase ng liderato. Bagamat nasa makabagong panahon na kung saan halos lahat ay naka-post online, pinipili pa rin umano ng alkalde na mas pagtuunan ng pansin ang aktuwal na aksyon kaysa puro pagpapakita sa kamera.

"Hindi kailangan ng camera para kumilos at maglingkod," ito ang madalas na marinig na prinsipyo mula sa kampo ng kasalukuyang punong bayan. Sa mga programang pangkalusugan, ayuda, scholarship, at mga proyektong pang-imprastruktura sa Rosario, makikita ang pagpapatuloy ng adbokasiyang nagsimula pa sa ama, ang ilapit ang gobyerno sa tao.

May ilan sa mga residente ang nagbabalik-tanaw: noon daw, mas personal ang ugnayan ng lider at mamamayan. Hindi nasusukat sa dami ng "likes" o "views" ang serbisyo, kundi sa bilis ng aksyon at sa sincerity ng pagtulong.

Sa mga panahong ito na tila mas mahalaga ang content kaysa commitment, nagiging paalala ang istilo ng mag-amang Ricafrente na ang tunay na sukatan ng liderato ay hindi ang linaw ng video kundi ang linaw ng intensyon. Sa huli, ang kwento ng Rosario ay kwento ng isang pamana na isang tradisyon ng pamumuno na hindi nakaangkla sa social media kundi sa aktuwal na pangangailangan ng tao.

Mula kay dating Mayor Nonong hanggang kay Mayor Voltaire, nananatiling buhay ang paniniwala na ang pagiging lingkod-bayan ay hindi palabas. Dahil sa tunay na serbisyo, hindi kailangan ng spotlight... Ang kailangan ay pusong bukas, kamay na handang tumulong, at lider na hindi lang nakikita sa screen, kundi nararamdaman sa bawat sulok ng bayan.

Ensuring technology works for the people: DOST-CALABARZON and DOST Cavite lead field monitoring initiative in Cavite

February 25, 2026, Cavite Philippines- Reinforcing its commitment to transparency, accountability, and lasting community impact, DOST CALABARZON, through DOST Cavite, conducted a comprehensive Equipment Tagging and Project Monitoring activity across the municipalities of Maragondon, Magallanes, and Indang.

The initiative covered key partner-beneficiaries, including LGU Maragondon, Likhang Maragondon, Barangay Tua Farmers Association (BATUFA) Cooperative in Magallanes, and Daine 1 & 2 Farmers Association in Indang. The team also visited Habing Maragondon and Ramirez Upland Farmers Association, Inc. (RUFAl) in Magallanes to assess ongoing operations and evaluate the utilization and condition of previously deployed equipment.

More than a routine inspection, the activity underscored DOST's hands-on approach to development. Equipment tagging ensured proper identification, documentation, and accountability of government-funded resources. Meanwhile, on-site monitoring enabled the team to directly engage beneficiaries, validate improvements in productivity and efficiency, and determine how

technological interventions have strengthened operations since their deployment.

By moving beyond ceremonial turnover and engaging directly with beneficiary communities, DOST Cavite demonstrated that its commitment extends far beyond the distribution of equipment. The site visits enabled the team to closely assess project implementation, gain deeper insight into operational challenges, identify opportunities for improvement, and provide strategic technical guidance to further maximize the impact of science and technology interventions.

The activity reaffirmed DOST's broader mission of driving inclusive growth through science, technology, and innovation. Through sustained monitoring and continuous engagement, the agency ensures that government support translates into measurable

progress—improving livelihoods, strengthening local enterprises, and building resilient community-based industries.

DOST CALABARZON and DOST Cavite likewise expressed their sincere gratitude to the cooperatives and associations for their strong cooperation and shared commitment to project success. Their dedication plays a crucial role in transforming these initiatives into models of grassroots innovation—advancing science and technology not only within Cavite but across the Philippines.

With strengthened partnerships, transparent implementation, and community-centered monitoring, DOST continues to empower local stakeholders, champion responsible technology utilization, and pave the way toward a more progressive and innovation-driven nation. (By Marielle P. Nueva)

SSS launches facial authentication for Annual Confirmation of Pensioners with liveness check

The Social Security System announced today the launch of a facial authentication to allow pensioners to complete the Annual Confirmation of Pensioners (ACOP) requirement without visiting SSS branches.

SSS President and Chief Executive Officer Robert Josep M. de Claro said the system uses biometric liveness checks to verify the identity of pensioners online. "This makes compliance easier, faster, and more secure, ensuring uninterrupted pension payments," de Claro said. The feature is available

to pensioners registered in the National ID System (PhilSys) including:

- * Retirement pensioners aged 80 and above residing in the Philippines
- * Retirement pensioners living abroad
- * Survivorship (death) pensioners

De Claro explained that pensioners do not need to login to My.SSS. By visiting the SSS homepage at www.sss.gov.ph, pensioners can access a dedicated ACOP icon that seamlessly guides them

through the facial scan and biometric verification process using any camera-enabled device, through the Philippine Statistics Authority's (PSA) National ID eVerify system.

"The verification process takes less than a minute and immediately updates SSS records while confirming that a live person is present, preventing fraudulent activity," he added.

Pensioners without compatible devices may seek assistance at SSS

branches through E-Centers. Traditional options, including in-person visits or scheduled video appointments, remain available.

This initiative is part of SSS' ongoing efforts to enhance digital services for nearly four million pensioners nationwide and abroad, making compliance to ACOP requirement more convenient while reducing travel burdens amid rising living costs.

"No travel. No hassle. Just quick, secure verification from home," he emphasized.

LIBRENG BURULAN, BINUKSAN SA CAVITE CITY AT GENERAL TRIAS

Pormal nang binuksan at binasbasan nitong Lunes ng umaga, Marso 9, ang bagong Public Burulan sa Barangay 48-A Narra (Bagong Pook), Cavite City na pinangunahan ng lokal na pamahalaan bilang bahagi ng patuloy na programa nito para sa kapakanan ng mga residente.

Layunin ng naturang pasilidad na magsilbing maayos, ligtas, at disenteng lugar para sa mga pamilyang nagluluksa sa lungsod. Sa pamamagitan ng proyektong ito, magkakaroon ng alternatibong lugar ang mga residente kung saan maaari nilang gunitain, ipagluksa, at bigyang-pugay ang kanilang mga mahal sa buhay sa isang maayos at organisadong kapaligiran.

Ayon sa pamahalaang lungsod, mahalagang magkaroon ng ganitong uri ng pasilidad lalo na para sa mga pamilyang walang sapat na espasyo sa kanilang mga tahanan upang magsagawa ng lamay.

Sa tulong ng libreng public viewing hall, mabibigyan ng pagkakataon ang mga residente na makapagdaos ng maayos na burol nang hindi na kailangan pang gumastos ng malaki sa mga pribadong puneraryang o memorial chapels.

Ang gusali ay may dalawang palapag at may kabuuang walong silid na maaaring gamitin ng mga residente para sa lamay. Dinisenyo ang bawat silid upang maging komportable at maayos para sa mga nagdadalamhating pamilya at sa mga kaanak at kaibigan na nais makiramay.

Bukod dito, inaasahan ding makatutulong ang pasilidad upang mapanatili ang kaayusan sa mga komunidad, lalo na sa mga lugar na dati ay nagkakaroon ng burol sa kalsada o sa masisikip na bahagi ng barangay.

Sa pamamagitan ng public burulan, mas magiging organisado at ligtas ang pagsasagawa ng mga lamay sa lungsod.

Samantala, sa General Trias City, binuksan din sa publiko ang General Trias Public Memorial Viewing Hall na matatagpuan sa LRTA Village, Barangay Santiago.

Ang nasabing pasilidad ay may tatlong silid at isang palikuran, na layong magbigay ng maayos, abot-kaya, at accessible na lugar para sa mga residente ng

lungsod na nagluluksa.

Katulad ng sa Cavite City, inaasahang makatutulong ang viewing hall upang mabawasan ang gastusin ng mga pamilyang nangangailangan ng lugar para sa burol ng kanilang mga mahal sa buhay.

Ayon sa pamahalaang lungsod ng General Trias, bahagi ang pagtatayo ng public memorial viewing hall ng kanilang layunin na mapalawak ang mga serbisyong panlipunan para sa mga residente, lalo na sa mga panahong nangangailangan ng suporta ang mga pamilya.

Dagdag pa ng lokal na pamahalaan, ang mga ganitong proyekto ay nagpapakita ng malasakit ng pamahalaan sa bawat yugto ng buhay ng mga mamamayan mula sa kapanganakan hanggang sa huling pamamaalam.

Sa pamamagitan ng mga public viewing hall na ito, inaasahang mabibigyan ng dangal, kaayusan, at suporta ang mga pamilyang dumaraan sa panahon ng pagdadalamhati, habang pinatitibay din ang malasakit at pagkakaisa ng komunidad sa gitna ng pagkawala ng isang mahal sa buhay. **(Sid Samaniego)**

Pamilya, lubos ang pasasalamat... NALIGAW NA LOLO, NASAGIP NG MAGKAKAIBIGAN AT NAGPAPATROLYANG PULIS Rosario, Cavite

Isang nakaaantig na tagpo ng malasakit at bayanihan ang naganap madaling-araw ng Lunes, Marso 9, 2026, matapos matulungan ng limang magkakaibigan ang isang matandang lalaki na hirap na hirap nang maglakad dahil sa matinding gutom at uhaw.

Kinilala ang mga nagpakita ng kabutihan na sina Joymae Poblete (30), Anna Therese Manayan (33), Jhim Pugeda (34), Bea Joy Bergday (33), at Ross Balangbang (36)

pawang mga residente ng bayan ng Rosario, Cavite. Ayon sa kanilang salaysay, bandang 12:30 ng madaling araw habang masaya silang nagkukwentuhan sa

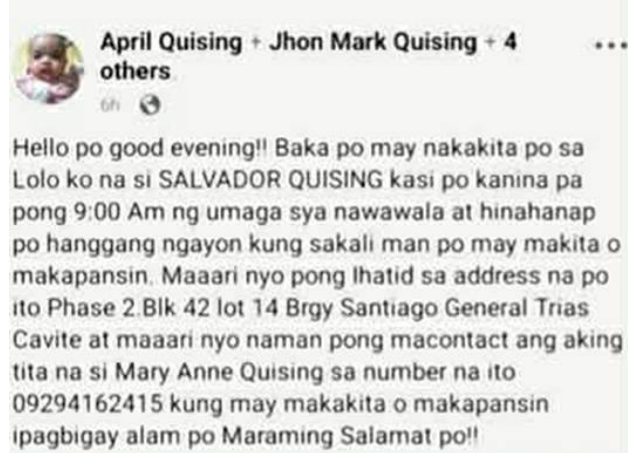

kanilang tindahan sa C. Abueg Street, Barangay Sapa-I, napansin nila ang isang matandang lalaki na dahan-dahang naglalakad at tila hirap na hirap sa bawat hakbang.

Agad umanong lumapit ang grupo upang alamin ang kalagayan ng matanda. Nang kanilang makita na ito ay halos hindi na makatayo nang maayos at nanginginig sa gutom at uhaw, dali-dali nila itong pinaupo at pinakain.

Hindi nagdalawang-isip ang magkakaibigan na bigyan ng pagkain at inumin ang matanda hanggang sa ito ay bahagyang makabawi ng lakas.

Matapos ang ilang oras ng pagpapahinga, napagdesisyunan nilang ipost sa social media ang larawan at kalagayan ng matanda upang matulungan itong makilala at mahanap ang kanyang pamilya. Ilang sandali lamang ang lumipas ay may nagpadala ng mensahe sa kanila na nagsabing kamag-anak ng matandang lalaki ang kanilang hinahanap.

Doon napag-alaman na ang matanda ay matagal nang hinahanap ng kanyang pamilya mula pa umaga ng Marso 8, 2026. Dahil sa pag-aalala, nagpaabot na rin umano ng panawagan sa mga kinaukulan ang pamilya upang matunton ang kinaroroonan nito.

Kalaunan ay nakilala ang matanda bilang si Lolo Salvador Quising, isang residente ng Barangay Santiago, General Trias, Cavite. Ang pangyayaring ito ay lalo pang naging makahulugan nang napag-alaman na si Lolo Salvador Quising ay may Alzheimer's disease, isang kondisyon na nagdudulot ng unti-unting pagkawala ng memorya at pagkalito, dahilan upang minsan ay hindi na nila matandaan ang kanilang kinaroroonan o kung paano makauwi sa kanilang pamilya.

Sa gitna ng kanilang pag-aasikaso sa matanda, sakto namang may dumaan na police patrol mula sa Rosario Municipal Police Station. Sakay nito sina Patrolman Jonas R. Macalalad at Patrolman Rosette Ricafrente Banate. Agad pinara ng magkakaibigan ang patrol car at ipinaliwanag ang sitwasyon ng matanda.

Walang pag-aatubili namang tumugon ang dalawang pulis at tinulungan ang matanda upang maihatid ito nang ligtas pabalik sa kanyang

pamilya. Labis ang naging pasasalamat ng pamilya ni Lolo Salvador sa mga taong tumulong sa kanilang mahal sa buhay. Ayon sa kanila, malaking ginhawa ang dulot ng mabilis na aksyon at malasakit ng mga taong hindi nila kakilala ngunit handang tumulong sa oras ng pangangailangan.

Ang ipinakitang malasakit, kabutihan ng puso, at agarang pagtulong sa isang nangangailangan ay isang n a p a k a g a n d a n g halimbawa ng tunay na diwa ng bayanihan at paglilingkod sa kapwa. Sa gitna ng isang simpleng sandali ng pagkukwentuhan, naging daan ito upang mailigtas at maibalik si Lolo Salvador sa kanyang nag-aalalang pamilya.

Ang kabutihan ng

magkakaibigan mula sa pagbibigay ng pagkain at pag-aalaga sa matanda hanggang sa pakikipag-ugnayan upang maihatid siya nang ligtas sa kanyang pamilya ay patunay na may mga taong handang tumulong kahit walang hinihinging kapalit.

Ang mabilis na pagtugon at malasakit na ipinakita rin ng ating mga kapulisan ay nagpakita ng tunay na serbisyo para sa komunidad. Ang pangyayaring ito ay muling nagpapatunay na sa kabila ng mga pagsubok sa buhay, nanatiling buhay ang diwa ng malasakit, pagtutulungan at bayanihan.

Hindi lamang ito isang simpleng pagtulong, ito ay isang kwento ng pag-asa, pagkakaisa, at tunay na malasakit ng Pilipino. (Sid Samaniego)
