FEATURED STORY

AKTIBONG KAGAWAD AT PROUD LGBT LEADER SA ROSARIO

ROSARIO, CAVITE — Sa bayan ng Rosario, kilala si Emey Buenviaje Almario, 46 taong gulang, hindi lamang bilang isang aktibong kagawad ng barangay, kundi bilang isang simbolo ng tapang, dedikasyon, at pagkakaisa.

Sa siyam na taon ng walang humpay na paglilingkod, napatunayan niya na ang pagiging bukas at tapat sa sarili ay hindi hadlang sa pagiging epektibong lingkod-bayan.

Si Almario ay isa sa mga hayagang miyembro ng LGBT community sa kanilang lugar, at sa kanyang pamumuno, pinatunayan niya na ang tunay na serbisyo publiko ay walang pinipiling kasarian o oryentasyong sekswal.

Ang kanyang presensya sa bawat programa at proyekto ng barangay ay mula sa mga outreach activities, libreng gupit, hanggang sa pagtulong sa kabataan at kababaihan ay nagpapakita ng kanyang malasakit at malasakit sa komunidad.

Bukod sa pagiging lingkod-bayan, aktibo rin si Almario bilang miyembro ng Tau Gamma Phi, isang kilalang fraternity sa bansa.

Mas higit pa rito, isa siya sa mga nagtatag at naging founding chairman ng SAlinas Gay Association (SAGA), isang organisasyong naglalayong palakasin at pag-isahin ang boses ng LGBT community sa kanilang lugar.

Sa pamamagitan ng SAGA, nakapagbigay si Almario ng plataporma para sa pakikipagtulungan, empowerment, at suporta sa kapwa miyembro ng LGBT.

Lumaki si Almario sa isang pamilya na may puso sa serbisyo publiko.

Ang kanyang ama, si Romeo P. Almario, ay kasalukuyang barangay kagawad at minsang naging barangay captain ng kanilang lugar.

Dahil dito, hindi na bago sa kanya ang konsepto ng pagtulong at paglilingkod sa komunidad, isang pamana na kanyang ipinagpapatuloy nang may puso at dedikasyon.

PRIDE MONTH: PAGDIRIWANG NG PAGIGING TOTOO SA SARILI AT PAGKAKAISA

Tuwing buwan ng Hunyo, ipinagdiriwang ang Pride Month sa buong mundo bilang pagkilala sa karapatan, kasaysayan, at tagumpay ng LGBT community.

Para kay Almario, ang Pride Month ay hindi lamang selebrasyon ng identidad kundi pagkakataon din upang ipakita ang kahalagahan ng pakikipagkapwa-tao at serbisyo publiko.

Sa mensahe ng pasasalamat, ibinahagi niya:

"Sa mga kapwa ko LGBT na palaging nandiyan, lalo na sa mga miyembro ng SAGA, sobra-sobra ang aking pasasalamat sa inyong pakikipagtulungan at pakikiisa tuwing kailangan namin kayo. Lalo na sa mga hairdresser na nagsasakripisyo ng oras at lakas para sa aming libreng gupit, at sa mga kagawad na patuloy na nagbibigay suporta. Maraming salamat sa pagkakaisa at pagmamahalan na patuloy nating pinapakita."

Ang mensaheng ito ay nagsisilbing paalala na ang Pride Month ay hindi lamang para sa parada o kasiyahan. Ito ay panahon ng pagkilala sa mga piniling daan ng bawat isa: ang pagiging totoo sa sarili at ang pagtulong sa iba.

ANG LEGACY NG PANGALANG ALMARIO

Sa Brgy. Silangan-II, ang pangalang Almario ay higit pa sa isang apelyido.

Ito ay simbolo ng tapat na paglilingkod, pagkakaisa, at makulay na pagmamahal sa komunidad.

Sa bawat proyekto, programa, at simpleng pagtulong sa kapwa, pinatunayan ni Emey Buenviaje Almario na ang modernong lider ay hindi lamang sinusukat sa posisyon kundi sa tibay ng prinsipyo, tapang sa paninindigan, at puso sa paglilingkod.

Sa pagdiriwang ng Pride Month, ang kanyang halimbawa ay nagbibigay inspirasyon hindi lamang sa LGBT community kundi sa buong Rosario, Cavite.

Sa pamamagitan ng pagiging totoo sa sarili at pagtulong sa kapwa, maaaring makabuo ng mas matibay, mas makulay, at mas nagkakaisang komunidad.

IKA-169 KAPANGANAKAN NI HEN. VITO BELARMINO, GINUNITA BILANG ALAALA NG KATAPANGAN

SILANG, CAVITE — Nagbigay-pugay ngayong araw, Hunyo 15, 2026 ang bayan ng Silang sa ika-169 taong kapanganakan ni Vito Belarmino, isa sa mga kinikilalang bayani ng Rebolusyong Pilipino at isa sa mga pinakadakilang anak ng bayan.

Isinilang siya sa Silang noong Hunyo 15, 1857 at naging mahalagang pinuno sa pakikibaka ng mga Pilipino laban sa mga mananakop.

Kinilala si Heneral Belarmino bilang isang matapang na lider na nagsilbi bilang teniente mayor, cabeza de barangay, kalihim ng tribunal at gobernadorcillo bago sumabak sa rebolusyon.

Kalaunan ay naging heneral siya ng hukbong rebolusyonaryo at isa sa mga pinagkatiwalaan ni Emilio Aguinaldo sa mga laban para sa kalayaan ng bansa.

Ayon sa mga tala ng kasaysayan, kabilang si Belarmino sa mga nanguna sa pag-aaklas sa Silang noong 1896 at lumagda rin sa Konstitusyon ng Biak-na-Bato.

Itinalaga rin siya bilang punong komandante sa Albay at hepe ng mga hukbo sa ilang lalawigan ng Bicol noong panahon ng digmaang Pilipino-Amerikano.

Sa paggunita sa kanyang kaarawan, hinikayat ng mga lokal na opisyal at makasaysayang samahan ang mga mamamayan na panatilihing buhay ang alaala at kabayanihan ni Heneral Belarmino, na nagsilbing huwaran ng katapangan, katapatan at pagmamahal sa bayan.

Noong nakaraang taon, nagdaos din ng pag-aalay ng bulaklak sa kanyang monumento sa Plaza Makabayan bilang pagkilala sa kanyang mahalagang ambag sa kasaysayan ng Silang at ng bansa.

Sa kabila ng paglipas ng maraming taon, nananatiling buhay sa puso ng mga Silangueño ang pamana ng bayaning kilala rin bilang "Walang Gulat" sa hanay ng mga Katipunero.

Ang kanyang sakripisyo at paglilingkod ay patuloy na nagbibigay-inspirasyon sa mga susunod na henerasyon ng Pilipino. ***(Ni Sid Samaniego)***

POC President Abraham "Bambol" Tolentino Confident in Taekwondo Additions to Philippine Delegation for Nagoya Aichi 20th Asian Games

Manila, Philippines — The Philippine Olympic Committee (POC) announced the inclusion of four new slots in taekwondo for the upcoming Nagoya Aichi 20th Asian Games, scheduled from September 19 to October 4. The additional berths—two in poomsae and two in kyorugi—are expected to boost the country's medal prospects in the highly competitive continental event.

POC President Abraham "Bambol" Tolentino expressed optimism that the expanded taekwondo roster will strengthen the Philippines' campaign. "Competition at the Asian Games has already reached an elite level, almost comparable to the Olympics. These added slots give us more opportunities to bring home medals," Tolentino said. He also noted that the Japanese hosts allocated one slot for para taekwondo, further widening the country's participation.

The announcement comes on the heels of the men's and women's indoor volleyball teams securing qualification, sparking excitement among Filipino sports fans.

The Philippines is set to send over 700 athletes to Nagoya and Aichi, led by Paris 2024 Olympics double gold medalist Carlos Yulo in gymnastics and reigning pole vault champion EJ Obiena. The men's 5x5 basketball team, fresh from reclaiming the gold medal under Coach Tim Cone in Hangzhou, will also be in the spotlight.

In Hangzhou 2022, the Philippines tallied four gold, two silver, and 12 bronze medals, with jiu-jitsu contributing two golds through Meggie Ochoa and Annie Ramirez, both of whom have since retired.

Looking ahead, the POC is eyeing further qualifications in esports, modern pentathlon, and kyorugi, underscoring the country's determination to expand its medal haul in Nagoya.

interactive activities focused on road safety.

"At MPTC, safety remains at the core of everything we do. Through programs like the BiyaHero Road Safety Caravan, we aim to further equip drivers with the knowledge they need to make safer decisions on the road. While protocols and systems are in place to enhance road safety, achieving safer journeys requires the shared responsibility and cooperation of all road users," said MPTC Chief Operations and Maintenance Officer West Dionisio.

Participants also benefited from free eye screenings and prescription eyeglasses, while Easytrip representatives provided on-site assistance for RFID installation and transaction concerns.

The road safety caravan was conducted in partnership with the Toll Regulatory Board (TRB), the Department of Health (DOH), the Road Safety Division of the Provincial Government of Cavite, the Public Safety and Traffic Management Department of the City Government of Caloocan, One Ayala, and Victory Plaza.

"Kami po sa government ay kaisa ninyo sa pag-maintain ng disiplina at kaligtasan sa kalsada. Bilang mga professional drivers po, palagi po nating isipin na aalis tayo para maghanapbuhay para sa ating mga pamilya, kaya palagi nating siguraduhing ligtas tayong uuwi sa kanila. Para po masiguro ito, kailangan natin ng disiplina, pasensya, at awareness sa kalsada," said TRB Regulation Division Chief Joz Carlos Ordillano.

A key session facilitated by TRB Regulation Division Chief Joz Carlos Ordillano tackled common traffic violations among buses, trucks, public utility vehicles (PUVs), and motorcycles — these include speeding,

improper lane use, unsafe overtaking, tailgating, distracted driving, and overloading. He also highlighted how some driving habits, while often considered routine, can create safety risks for motorists and commuters alike.

To make learning more engaging, participants took part in a driving simulator experience, drunk goggles challenge, and an interactive road safety quiz.

"Maraming salamat po sa pamunuan ng MPTC sa pag-oorganisa ng BiyaHero Caravan. Marami po kaming mga bagong natutunan at napaka-lively ng mga activities. Marami kaming natutunan sa mga lectures ng mga resource speakers," said transport company United Twelve Corporation President Rizalino Villaraza.

Beyond the caravan, MPTC continues to promote road safety through its year-round Mission Road Safety program, which includes the Usapang Driver seminar for partner companies and transport groups, Kaligtasan sa Daan (KalSaDa) initiative for partner communities and neighboring barangays, and Cebu Cordova Link Expressway Corporation's (CCLEC) Istorya Ta Bai! advocacy program, which encourages safe driving habits and awareness of CCLEX's safety features.

MPTC also continues to amplify road safety messages through the digital platforms of NLEX Corp., MPT South, and CCLEC, reaching motorists with information on proper expressway driving, traffic regulations, vehicle roadworthiness, and travel preparedness.

Through the years, MPTC has institutionalized its multi-stakeholder road safety initiatives across its expressways network in Luzon and Visayas— NLEX, SCTEX, NLEX Connector, CALAX, CAVITEX, CAVITEX C5 Link, and CCLEX — earning recognition from both local and international organizations.

The signing ceremony was held on May 21, 2026 at the Office of Commissioner Albert P. Dela Cruz of the Climate Change Commission. The parties formally executed a Memorandum of Understanding (MOU) for Strategic Collaboration on Climate Action, Environmental Fundraising, NFT Innovation, and Sustainable Eco-Agri Tourism Development, alongside a Digital Asset (NFT) Issuance and Climate Action Fund Project Cooperation Agreement.

The partnership establishes a comprehensive framework for integrating art, environmental advocacy, sustainable tourism, and blockchain technology to support climate-resilient development initiatives in the Philippines and internationally.

A central component of the collaboration is the donation by Master Hooranky Bae of the rights to his internationally recognized masterpiece, "Flower of Water." This work, which holds a $54 million valuation and is certified by the Korea Data Certification Authority (KDCA), represents a monumental contribution to the cause. The artwork and its associated NFT rights will serve as the financial and symbolic foundation for future environmental fundraising and climate action campaigns under the Ecosaver. Earth platform.

Through the application of fractional NFT minting technology developed by the Korean technical team, the initiative seeks to create a transparent and innovative environmental financing mechanism. This allows the high-value masterpiece to be shared digitally, enabling global participation in climate action while supporting community-based sustainability programs.

In recognition of his contributions to environmental advocacy and international cooperation, the Climate Change Task Force formally conferred upon Master Hooranky Bae the title and credentials of "Climate Change Task Force (CCTF) International Ambassador." In this capacity, the artist will serve as a global advocate for climate resilience, environmental stewardship, ecological conservation, and sustainable development initiatives.

The collaboration aligns with the principles of the United Nations Sustainable Development Goals (UN SDGs) and the United Nations Framework Convention on Climate Change (UNFCCC), promoting environmental integrity, transparency, community participation, and long-term climate resilience.

Priority projects under the partnership will support ecological conservation, climate adaptation, environmental rehabilitation, sustainable tourism, and community livelihood initiatives in vulnerable areas of the Philippines, including Agno (Pangasinan), Tarlac, Palawan, Zambales, Pampanga,

Camarines Norte, Camarines Sur, Mountain Province, Cagayan, Cebu, Surigao del Norte, Surigao del Sur, Agusan del Norte, and Agusan del Sur.

Prior to the signing, representatives of the Climate Change Task Force and Master Hooranky Bae met with local leaders in Agno, Pangasinan to discuss opportunities for strengthening local climate action initiatives and promoting sustainable eco-agri tourism development. The visit highlighted the growing role of arts and culture in advancing environmental awareness and community resilience.

Master Bae emphasized that art possesses the unique power to connect people across cultures and inspire collective action in addressing global environmental challenges. Through this partnership, he expressed his commitment to supporting Philippine climate initiatives while promoting environmental stewardship through creative expression and technological innovation.

Director-General Albert P. Dela Cruz welcomed the partnership, stating, "This collaboration

demonstrates how art, technology, and environmental leadership can work together to advance climate action and sustainable development. Master Hooranky Bae's contribution will help strengthen international support for climate resilience initiatives while creating meaningful opportunities for communities and ecosystems that need protection most."

The Climate Change Task Force and Master Hooranky Bae are expected to expand the initiative through strategic partnerships with international organizations, environmental institutions, philanthropic foundations, and private-sector stakeholders to accelerate climate action and sustainable development efforts worldwide.

Agad itong nakakuha ng atensyon at paghanga mula sa mga mamimili at netizens dahil sa natatangi nitong konsepto.

Ayon sa ibinahaging post ng Celbert Silang, Cavite, ang makabayang artwork ay isinakatuparan sa pakikipagtulungan ng Abri at Monde Nissin team bilang bahagi ng paggunita sa Independence Day ngayong Hunyo 12.

Ipinapakita ng proyektong ito na hindi kinakailangang maging engrande ang isang pagdiriwang upang maipadama ang diwa ng kalayaan.

Sa pamamagitan ng malikhaing pag-aayos ng mga karaniwang produkto at sama-samang pagtutulungan, matagumpay na naipahayag ang pagkakaisa, pagmamalaki, at pagmamahal sa bansang Pilipinas.

Patunay rin ito na maging sa mga pang-araw-araw na lugar gaya ng supermarket, maaaring mabigyang-buhay ang mga makabayang adhikain at maipaalala sa bawat Pilipino ang kahalagahan ng kalayaan at pagkakabuklod bilang isang bansa.

Bulacan, DILG unveil SGLG-funded slope protection in CSJDM

CITY OF MALOLOS – The Provincial Government of Bulacan (PGB), in partnership with the Department of the Interior and Local Government (DILG), officially inaugurated a new slope protection project in Barangay Assumption, City of San Jose Del Monte yesterday, June 15, 2026.

The project was funded through the DILG Seal of Good Local Governance (SGLG) Incentive Fund, which was awarded to the Provincial Government of Bulacan following its successful attainment of the prestigious SGLG in 2024.

According to DILG Regional Director Araceli A. San Jose, CESO III, the newly completed structure is expected to safeguard nearby residents and properties from the risks of erosion and slope instability, while contributing to the province's broader climate adaptation and disaster risk reduction initiatives.

With a total contract amount of ?2,985,343.90, the project was implemented by J.G. Mendoza Builders. It involved the construction of a 76-linear-meter slope protection structure designed to mitigate soil erosion, stabilize vulnerable areas, and protect nearby communities and infrastructure from potential landslides.

Bienvenido E. Punzal, Chairman of Brgy. Assumption, noted that the structure allows water to flow directly and more efficiently toward the creek, significantly reducing the risk of flooding for nearby residents.

"May mga parte po kasi dito sa amin na may mga gumuguho na sa mga tabing bahay. Dahil sa slope protection na ito, iyon ay naiwasan dahil natambakan at lumaki pa 'yung space, pwede pang gawing taniman ng mga residente," Punzal added.

In his message, Governor Daniel R. Fernando underscored that recognitions and awards only become truly meaningful when they are translated into tangible programs that improve the lives of Bulakenyos.

"Nawa'y magsilbi itong paalala na ang bawat tagumpay ng ating lalawigan ay higit pa sa pagkilala at mga parangal, ito ay nagiging mga proyekto at serbisyong tunay na nararamdaman ng bawat Bulakenyo," Fernando said.

Construction on the project commenced on August 1, 2025, and was successfully completed on October 10, 2025—ahead of its original target completion date of October 15, 2025.
