DOST-Cavite equips General Trias dairy farmers with advanced pelletizing and milking machines

Strengthening local agriculture through science and technology, the Department of Science and Technology (DOST)–Cavite successfully led the turnover and blessing of five pelletizing machines and five milking machines under Project GATAS: Ginhawa at Asenso sa tulong ng Teknolohiya at Agham sa Samahan in Barangay Santiago, General Trias City.

The equipment was formally awarded to the General Trias Dairy Raisers Multipurpose Cooperative (GTDRMPC), marking a significant step toward modernizing dairy farming practices in the community. With these technologies, the cooperative is now better equipped to improve feed production efficiency, enhance milk collection

processes, and increase overall productivity.

Project GATAS reflects DOST's commitment to equipping local farmers by integrating innovation into traditional livelihoods. By providing access to appropriate technologies, the initiative aims to elevate income opportunities and promote sustainable agricultural development.

The ceremony was attended by local officials, cooperative members, and key stakeholders, all united in celebrating this milestone. More than a simple turnover, the event symbolized a shared vision of progress—where science and technology drive inclusive growth and uplift farming communities in General Trias City. (By Marielle P. DOST Ilocos Region Recognized as Valued Partner in Advancing Open Governance

The Department of Science and Technology Ilocos Region (DOST Ilocos Region) led by Regional Director Teresita A. Tabaog received a Certificate of Appreciation from the Philippine Open Government Partnership Project Management Office for its invaluable support, active participation, and meaningful contribution as an organizer and partner during the successful observance of Open Gov Week 2026.

In support of the nationwide call for a more transparent, accountable, participatory, and people-centered government, DOST Ilocos Region, together with its Provincial Science and Technology Offices—DOST Ilocos Norte, DOST Ilocos Sur, DOST La Union, and DOST Pangasinan—joined the celebration by opening its doors to the public and

bringing science, technology, and innovation closer to the people, anchored on its commitment to deliver “Agham na Ramdam” through science-based programs and services that are accessible, responsive, and meaningful to communities across the region.

As part of its Open Gov Week activities, DOST

Ilocos Region facilitated an Open House event that welcomed students, partners, stakeholders, and the general public to learn more about the agency's programs, projects, facilities, and science-based services. The activity featured interactive learning sessions such as Sci-Kwentuhan, SIMATAR, STARBOOKS, DOST Courseware, and STI Trivia, which made science, technology, and innovation more engaging and accessible to visitors. Participants also explored the SOLIDO DRRM Knowledge Hub, where they learned about science-based disaster risk reduction and management resources, and joined the Regional Standards and Testing Laboratory tour (RSTL Tour), which provided a closer look at the technical services that support product quality, public safety, local enterprises, and evidence-based decision-making.

For DOST Ilocos Norte, the celebration was brought to Batac City through a series of activities led by Provincial Director Brian U. Rasco, including audiovisual orientations, interest profiling, a pre-election engagement for the Movement of Ilocos Norte DOST Scholars (MINDS), and the OneASIN-MMSU Salt Production Knowledge Sharing session. These activities highlighted the importance of public awareness, scholarship engagement, and

knowledge-sharing in supporting education, local industries, and community development.

DOST Ilocos Sur, under the leadership of Provincial Director Jordan L. Abad, extended the spirit of open governance to Sto. Domingo by showcasing DOST programs and services, science, technology, and innovation initiatives, scholarship, livelihood, and community development opportunities, as well as technologies supporting local industries, MSMEs, and agriculture in the province. Beyond information-sharing, open governance was also demonstrated through direct community work, including water sampling for Project DANUM under the Community Empowerment through Science and Technology program in Banayoyo and food safety and value-adding training for ube processors in Sugpon. These activities reflected how scientific and technical support can help communities improve livelihood opportunities, food safety practices, and resilience.

Meanwhile, DOST La Union, led by Provincial Director Jonathan M.

Viernes, highlighted its programs and services, STI initiatives, and facility tours at the Regional Metrology Laboratory and the Advanced Manufacturing Center Ilocos Region. Through these tours, participants were introduced to the role of accurate measurement, calibration, and advanced technologies in strengthening local industries, supporting innovation, and improving service delivery.

Completing the regionwide participation, DOST Pangasinan, led by Provincial Director Arnold C. Santos, presented its programs, services, STI initiatives, and calibration services in Lingayen. The activity helped participants better understand how

DOST's technical assistance and equipment calibration services support public safety, quality assurance, industry competitiveness, and the needs of local enterprises.

Through Open Gov Week 2026, DOST Ilocos Region reaffirmed that open governance goes beyond opening doors—it is about building trust, encouraging participation, and making public service more accessible, responsive, and meaningful to the people. Guided by its commitment to deliver “Agham na Ramdam,” the agency remains steadfast in bringing science, technology, and innovation closer to people, beyond the observance of Open Gov Week and into its everyday service to the people.

FEATURED STORY

MULA SA TUNOG NG KAWAYAN HANGGANG SA TIBOK NG MAKABAGONG PANAHON: ANG MAKABAGONG TINIKLING BILANG PAGDIRIWANG NG KALAYAAN AT PAGKA-PILIPINO

Sa paggunita ng Araw ng Kalayaan, muling nabigyang-buhay ang isa sa pinakatanyag na simbolo ng kulturang Pilipino, ang Tinikling.

Ngunit sa pagkakataong ito, hindi lamang ito naging isang tradisyunal na pagtatanghal.

Sa mga pagdiriwang na ginanap sa SM City Tanza at SM City Trece Martires, ipinakita ng kabataang mananayaw kung paano maaaring magsanib ang pamana ng nakaraan at ang malikhaing diwa ng kasalukuyan.

Sa saliw ng tunog ng kawayan at modernong musika, binigyang-

Kilala ang Tinikling bilang isa sa mga pinakamatandang sayaw sa Pilipinas.

Hango ito sa kilos ng mga ibong tikling na mabilis na umiwas sa mga patibong at kawayan sa palayan.

Sa paglipas ng panahon, naging simbolo ito ng husay, tiyaga, at katatagan ng mga Pilipino sa harap ng mga pagsubok.

Ngunit higit pa sa pagiging isang sayaw, ang Tinikling ay isang buhay na

lamang tagasunod ng makabagong kultura kundi tagapagtaguyod din ng ating mga tradisyon.

Sa kanilang malikhaing interpretasyon ng Tinikling, ipinakita ng Gen Z performers na ang kultura ay hindi dapat manatiling nakatali sa nakaraan.

Sa halip, maaari itong umunlad at makisabay sa panahon nang hindi nawawala ang tunay nitong diwa.

Ang kanilang pagtatanghal ay naging

lumikha, magpahayag, at ipagmalaki ang sariling identidad bilang Pilipino.

Sa pagsasanib ng tradisyon at modernidad, ipinakita ng mga kabataang mananayaw na ang tunay na kalayaan ay makikita sa kakayahang yakapin ang ating pinagmulan habang buong tapang na humaharap sa hinaharap.

Sa ilalim ng temang "Gala to the Max," naging higit pa sa simpleng pagdalo sa isang mall event ang karanasan ng mga mamimili.

Ito ay naging paglalakbay tungo sa mas malalim na pag-unawa sa kulturang Pilipino at sa mahalagang papel ng bawat henerasyon sa pagpapanatili nito.

nananatiling matatag ang diwa ng pagiging Pilipino na malikhaing, matatag, at buong pagmamalakip na ipinagdiriwang ang kalayaan.

Sa huli, ang pagtatanghal sa SM City Tanza at SM City Trece Martires ay hindi lamang isang cultural performance. Isa itong

Ang kanilang pagtatanghal ay nagsilbing inspirasyon na ang pagiging makabago ay hindi nangangahulugang pagtalikod sa kultura; bagkus, ito ay isang paraan upang lalo itong mapalapit sa puso ng mas maraming Pilipino.

GALA NA MAY PUSONG PILIPINO

Sa bawat hampas ng kawayan, bawat hakbang ng sayaw, at bawat palakpak ng mga manonood, muling napatunayan na buhay at patuloy na umuunlad ang kulturang Pilipino.

Mula sa tradisyunal na himig ng kawayan hanggang sa makabagong kumpas ng Gen Z,

makulay na paalala na ang ating mga tradisyon ay hindi naluluma.

Sa halip, patuloy itong sumasabay sa panahon, dala ng mga kabataang handang isayaw, isabuhay, at ipagmalaki ang kulturang Pilipino para sa susunod pang mga henerasyon. **(ni sid Samaniego)**

kahulugan ng mga Gen Z performers ang Tinikling sa paraang mas malapit sa kanilang henerasyon.

Ang tradisyunal na galaw ay sinamahan ng makabagong koreograpiya, masiglang kumpas, at malikhaing ekspresyon na sumasalamin sa isang kabataang Pilipinong may malalim na pagpapahalaga sa kultura ngunit bukas sa pagbabago at inobasyon.

salaysay ng ating pagkakakilanlan. Ito ay paalala ng ating mga ugat, kasaysayan, at kolektibong alaala bilang isang bayan.

Sa bawat pag-indak sa pagitan ng mga kawayan, naipapasa ang mga kuwentong humubog sa ating pagka-Pilipino.

government authorities to assess the extent of the damage and identify urgent community needs.

Initial reports indicate that approximately 2,000 families in General Santos City have been affected, with assessments continuing in other impacted areas.

Recognizing the urgency of the situation, Lim convened an emergency meeting of leaders of the Filipino at Tsino Magkaibigan Foundation, an umbrella coalition of the 30 largest Filipino-Chinese civic, cultural, and business federations spearheaded by FFCCCII.

The coalition immediately approved P6 million for emergency relief operations.

Of this amount, P1 million was immediately

released through the South Cotabato Filipino-Chinese Chamber of Commerce to prepare and distribute relief packs for approximately 2,000 affected families.

Each relief package, valued at approximately P500, contains essential items including five kilograms of rice, canned sardines, noodles, instant coffee, and ten liters of drinking water.

In addition to food assistance, the Filipino-Chinese community is donating 4,000 galvanized iron roofing sheets to help displaced families repair damaged homes and begin rebuilding their lives.

"Our local chamber will continue to closely monitor developments on the ground and coordinate with government agencies to

identify communities that may require additional assistance in the coming weeks," Lim said.

Beyond immediate relief efforts, FFCCCII has earmarked an additional P5 million from its Welfare Fund for the possible repair and rehabilitation of public school buildings damaged by the earthquake, particularly those constructed under its long-running Operation: Barrio Schools program.

The combined emergency and rehabilitation commitment brings the total assistance package to P11 million.

Lim emphasized that helping fellow Filipinos during times of crisis has long been a core tradition of the Filipino-Chinese community.

"For centuries, the Filipino-Chinese community has stood side by side with our fellow Filipinos during

times of calamity, crisis, and hardship. We believe that helping others is not merely an obligation—it is a moral responsibility and a shared expression of our gratitude to the nation we proudly call home," he said.

He also expressed gratitude to the 30 member organizations of the Filipino at Tsino Magkaibigan Foundation whose generosity and cooperation made the relief effort possible.

The FFCCCII President called on Filipino-Chinese communities nationwide, member chambers, civic organizations, businesses, and private citizens to continue extending assistance to affected communities and support efforts to restore local economies in Mindanao.

"No act of kindness is too small when people are in need," Lim said. "The road to recovery may be long, but the resilience, courage, faith, and bayanihan spirit

of the Filipino people remain stronger than any earthquake."

The press conference coincided with the observance of the Dragon Boat Festival, one of the most important celebrations in Chinese culture. Lim noted that the festival honors Qu Yuan, a poet, patriot, and principled statesman whose devotion to public service continues to inspire generations.

"As we commemorate the Dragon Boat Festival—a celebration of patriotism, solidarity, and service to others—may we be reminded that our greatest strength lies in our unity and compassion for one another," Lim said.

"Sa panahon ng pagsubok, mas lalo tayong dapat magkaisa. Sa panahon ng pagdurusa, mas lalo tayong dapat magmalasakit. At sa panahon ng pagbangon, dapat tayong magtulungan upang walang maiwan."

na droga sa kanilang nasasakupan.

Hindi lamang pagsunod sa mga itinakdang pamantayan ng pamahalaan ang ipinakikita ng resulta ng audit.

Ipinapakita rin nito ang sama-samang pagkilos ng mga opisyal ng barangay, mga miyembro ng BPOC at BADAC, mga volunteer, at mga residente upang matiyak ang ligtas at maayos na pamayanan.

Sa pamamagitan ng tuloy-tuloy na pagpapatupad ng mga programang pangkapayapaan, crime prevention initiatives, at anti-drug advocacy campaigns, naging mas

matatag ang kakayahan ng mga barangay sa Rosario na tugunan ang mga hamon sa seguridad at kaayusan sa komunidad.

Pinuri rin ang dedikasyon ng mga opisyal at kawani ng barangay na nagsikap upang matugunan ang mga kinakailangan ng audit, kabilang ang regular na pagpupulong, maayos na dokumentasyon, koordinasyon sa mga law enforcement agencies, at pagpapatupad ng mga programang nakatuon sa pagpigil sa paggamit at pagkalat ng ilegal na droga.

Ayon sa mga tagapagtaguyod ng lokal na pamamahala, ang tagumpay na ito ay

sumasalin sa layunin ng bayan ng Rosario na makapagtaguyod ng isang ligtas, mapayapa, at matatag na komunidad para sa lahat ng mamamayan.

Patuloy namang hinihikayat ang mga barangay na panatilihin at higit pang paigtingin ang kanilang mga programa upang masiguro ang pagpapatuloy ng mabuting pamamahala at serbisyo publiko sa mga susunod na taon.

Sa pagkilalang ito, muling pinatunayan ng mga barangay ng Rosario na ang kapayapaan at kaayusan ay bunga ng pagkakaisa, malasakit, at aktibong pakikilahok ng buong komunidad tungo sa isang mas maunlad at mas ligtas na Cavite.

fostering discussions on innovation, talent development, and the future of the Philippine digital economy. By connecting emerging creators with experts and technology enablers, ALT + TAB Festival 2026 reinforced the importance of investing in Filipino talent and homegrown innovations.

Concluding on 21 June 2026, the ALT + TAB Festival showcased the country's growing potential in game development, esports, and the broader creative technology sector. The event reaffirmed DOST's commitment to empowering Filipino innovators through science, technology, and innovation, advancing its vision of creating more enterprises, generating quality employment opportunities, and making science truly felt by every Filipino through Agham na Ramdam. **(Nelson Santos)**

Mayor Jenny Barzaga expressed her gratitude, emphasizing that the ambulances will greatly enhance the city's capacity to respond to medical emergencies and provide timely assistance to residents. Vice Mayor Third Barzaga highlighted the importance of collaboration between the provincial and

city governments in ensuring that healthcare services reach every corner of Dasmariñas.

Governor Abeng Remulla reaffirmed the provincial government's commitment to supporting local communities, noting that the turnover is part of Cavite's broader initiative to modernize healthcare

infrastructure and strengthen grassroots services. Vice Governor Ram Revilla added that the ambulances symbolize not only mobility but also hope and security for Caviteños in times of need.

The event concluded with the blessing of the ambulances, underscoring the shared vision of Cavite's leaders to prioritize health, safety, and well-being for all.

in public service. Mayor Revilla, joined by city officials and youth leaders, personally awarded the commendation to Paraiso, emphasizing her role as both a student leader and a model of excellence for Bacoor's young citizens.

Paraiso expressed heartfelt gratitude to the City Government for its unwavering support of Bacoor's youth initiatives. She underscored the

importance of education as a foundation for effective governance and pledged to continue serving her community with integrity and dedication.

Notable personalities present included Vice Mayor Rowena Bautista-Mendiola, members of the Sangguniang Panlungsod, and representatives from the City Youth Development Office, who lauded Paraiso's dual commitment

to academic success and grassroots leadership.

The event also acknowledged the contributions of Weng Garcia, whose photo and video documentation captured the milestone, further amplifying the celebration of Bacoor's investment in its future leaders.

This recognition serves as a testament to Bacoor's vision of empowering the youth—a vision embodied by Paraiso's journey from student leader to Magna Cum Laude graduate.

development ecosystem through science, technology, and innovation.

He underscored that gaming and esports have evolved beyond entertainment, becoming dynamic industries that generate employment, encourage entrepreneurship, and provide platforms for Filipinos to showcase their creativity, technical expertise, and culture to the global community. Through DOST's Esports and Game Development Program and its continued investments in the creative sector, the Department aims to cultivate a highly skilled workforce, support technology-driven enterprises, and create more opportunities for Filipino innovators and creators.

Among the festival highlights was the Game Dev Challenge Regional

Winners Showcase, where aspiring Filipino game developers presented original games that reflected both technical excellence and creative storytelling. Visitors also explored the 3D Printing and Prototyping Area, which featured digital fabrication technologies that support game development, product design, and innovation. Meanwhile, the Esports Game Dev Lounge provided participants with hands-on experiences and demonstrations on how science and technology are enhancing esports, game development, and digital skills education in the country.

The festival also served as a venue for collaboration among government agencies, educational institutions, industry leaders, and aspiring developers,

The local leaders expressed their gratitude for the Bishop's unwavering guidance, prayers, and pastoral leadership that continue to inspire the clergy and laity alike.

Mayor Advincula emphasized the blessing of being able to personally visit and extend well wishes to Bishop Evangelista, noting the importance of the Bishop's counsel and spiritual support for the people of Imus.

"It is a great honor to share time with Bishop Rey. His wisdom and prayers strengthen our community, and his dedication over four decades of priestly service is a true gift to the Imuseños," Mayor Advincula said.

Congressman AJ Advincula likewise conveyed his appreciation, recognizing Bishop Evangelista's role in

fostering unity and faith within the Diocese.

"We are deeply grateful for Bishop Rey's commitment to the spiritual and moral growth of our people. His 40 years of priestly ministry stand as a testament to his devotion to God and service to the faithful," Congressman Advincula remarked.

The City Government of Imus, together with its leaders, extended warm congratulations to Bishop Evangelista, affirming their continued support for the Diocese's mission of evangelization, community development, and pastoral care.

"On behalf of the people of Imus, we celebrate this milestone with Bishop Reynaldo Evangelista. We pray for his continued strength and guidance as he shepherds the faithful of our Diocese," Mayor Advincula concluded.

During the event, Tanza Mayor SM Matro visited the General Trias City Hall and engaged in a meaningful dialogue with Mayor Ferrer and Vice Mayor Labuguen. The leaders exchanged insights and shared best practices in governance, particularly on programs that aim to strengthen public service delivery across Cavite. This collaboration underscores the importance of unity among local government officials in addressing the needs of their constituents.

As part of the day's activities, 19 GenTriseños received medical assistance from the City Government. This initiative reflects the administration's dedication to ensuring that residents

have access to essential healthcare support, especially those with urgent medical needs.

Mayor Ferrer emphasized that GenTri People's Day is more than just a program—it is a platform for fostering solidarity among public servants and extending genuine care to the community. Vice Mayor Labuguen echoed this sentiment, reaffirming the city's commitment to responsive and inclusive governance.

With the rallying call #LetsJoinForces, the City Government of General Trias continues to champion collaborative leadership and citizen-centered service, proving that effective governance thrives on partnership and compassion.

Carmona City... (FROM PAGE 1)

emphasized the city's unwavering support for the national initiative, stating:

"Carmona remains steadfast in its responsibility to protect and rehabilitate Manila Bay. This validation reflects our collective effort to ensure that future generations inherit a cleaner, healthier environment."

The activity highlighted Carmona's proactive

measures and collaborative governance, reinforcing its role as a model city in the region's environmental preservation efforts.

This milestone is part of the city's continuous partnership with the Department of Environment and Natural Resources (DENR) and other stakeholders in advancing the goals of the MBCRPP.

Municipal Sports Fest League 2026: Unity and Sportsmanship Shine in Ternate, Cavite

Ternate, Cavite — The Municipal Sports Fest League 2026 concluded with resounding success, bringing together athletes, employees, and residents in a celebration of unity, teamwork, and sportsmanship.

Mayor Lamberto Bambao of Ternate, Cavite, expressed his heartfelt gratitude to all municipal employees and participants who contributed to the vibrant atmosphere of the event. He emphasized that the true measure of victory lies not only in winning games but in fostering camaraderie, cooperation, and collective spirit.

“Ang tunay na tagumpay ay nasusukat sa pagkakaisa, pagtutulungan, at magandang samahan. Maraming salamat sa lahat

ng kawani ng Pamahalaang Bayan ng Ternate na nakiisa at nagbigay-buhay sa ating pagdiriwang ng sportsmanship at teamwork,” Mayor Bambao shared during the closing ceremony.

The Sports Fest featured a variety of competitions including basketball, volleyball, badminton, and track events, highlighting the diverse talents of the community. Beyond the games, the league served as a platform to strengthen bonds among government employees

and residents, reinforcing the values of discipline, respect, and public service.

Mayor Bambao reaffirmed his commitment to promoting both athletic development and effective public service, encouraging everyone to carry the spirit of teamwork from the playing field into their daily responsibilities.

The Municipal Sports Fest League 2026 stands as a testament to Ternate's dedication to holistic growth where sports, unity, and public service go hand in hand.

2nd District Municipalities of Lanao del Norte Complete STI Planning Workshop, Paving the Way for Smart and Sustainable Communities

The Science, Technology, and Innovation (STI) Planning Workshop for the 2nd District Municipalities of Lanao del Norte has successfully concluded, marking a significant step toward building smarter, more sustainable, and innovation-driven communities.

Held on June 9–10, 2026, at Kalimudan Hall, Pigcarangan, Tubod, the workshop brought together local government officials, planners, industry representatives, and community stakeholders with a shared mission: to develop the foundation of a Science, Technology, and Innovation (STI) Agenda—a living and actionable blueprint that

will guide participating municipalities toward sustainable growth and inclusive development.

Over the two-day workshop, participants explored the importance of STI planning, drew inspiration from successful local innovations, mapped key stakeholders, crafted strategic visions, and identified measurable performance indicators. The insights, data, and

collaborative outputs generated during the sessions will serve as the foundation of the STI Agenda, which is currently being developed through the collective expertise and active participation of all stakeholders.

Once finalized, the STI Agenda will guide the implementation of programs, projects, and services that will benefit households, farmers,

entrepreneurs, and communities throughout the 2nd District. These initiatives will form part of the Department of Science and Technology's (DOST) Smart and Sustainable Communities Program (SSCP).

To all municipalities of

the 2nd District of Lanao del Norte that sent their representatives and actively participated in this undertaking, thank you for your commitment and dedication. Your presence and engagement reflect a shared vision for progress and a determination to

create better opportunities for your communities.

The future of Lanao del Norte is being built—one STI Agenda at a time—and this journey begins with your collective commitment to innovation, sustainability, and inclusive development.

commitment to strengthening retirement security.

“The continued strong performance of the SSS Pension Booster underscores our commitment to protecting the financial future of Filipino workers. Through prudent management of members' funds, we are helping build a more secure and dignified retirement for every Filipino,” Go said.

SSS noted that the 2026 performance follows the 6.83 percent return in 2025, surpassing the prevailing 91-day treasury bill rate which has a year-to-date average of approximately 4.77 percent.

In 2025, contributions rose to 21.8 percent to P699 million from P574 million in 2024, reflecting growing member confidence in the program.

To maximize members' earnings, SSS waived the one percent management

fee on the total balance of Pension Booster accounts from 2025 to 2028, allowing members to fully enjoy investment gains.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said the program reflects prudent investment management and long-term value creation. He added that members may now conveniently monitor the monthly compounding growth of their Pension Booster savings through their My.SSS accounts, allowing them to track the progress of their retirement funds and make more informed decisions in planning for their future.

“The strong performance of the Pension Booster demonstrates disciplined and professionally managed savings. We remain committed to providing members greater financial security during retirement,” de

Claro said.

The Pension Booster is open to all SSS members to build additional savings for their retirement. It allows individuals to save starting at P500, with no maximum contribution limit.

Contributions are pooled and invested in government securities, corporate bonds, fixed-income instruments, equities, and money market instruments, with tax-free earnings credited proportionately to members' accounts.

De Claro urged members to start early and stay invested longer to maximize returns, citing the benefits of compound growth.

“Planning and saving for retirement should begin early.

The longer the members stay invested, the greater their potential returns,” he said.

Interested SSS members may enroll in the Pension Booster Program online through their My.SSS account.

The newly completed school buildings will benefit the following institutions:

- Bailen Integrated School
- Bailen Elementary School
- Kaymisan Elementary School
- Tabora Elementary School

- Lumipa Elementary School

Congresswoman Tolentino expressed her gratitude to all partners and stakeholders who contributed to the success of the project. “Every classroom is a home for dreams. By working hand

in hand, we ensure that our children have the facilities they need to learn, grow, and achieve their aspirations,” she said.

This initiative highlights the collaborative efforts of national and local leaders in delivering programs that create lasting, positive impact on the lives of Caviteños.

DTI CALABARZON Facilitates Coffee Farm Tour for Philippine Coffee Quality Competition Judges

CAVITE, Philippines – The Department of Trade and Industry IV-A CALABARZON facilitated a coffee farm tour for the judges of the Philippine Coffee Quality Competition (PCQC) Judges on June 4, 2026, in Cavite Province.

The activity aimed to provide the judges with a deeper appreciation of Cavite's coffee industry by showcasing selected coffee institution and enterprises through presentations on their history, operations, and best practices, followed by guided visits to their

facilities.

Among the sites visited during the tour were Gourmet Farms in Silang, the National Coffee Research, Development and Extension Center (NCRDEC) at Cavite State University Main Campus, and Wit and Joy Coffee

Farm in Indang, Cavite.

Joining the activity were DTI CALABARZON representatives SupTIDS Mary Ann Mada and Admin Aide VI Noriel Katigbak, together with DTI Cavite representatives OIC Division Chief Julita C. Salvacion and TIDS

Mikaela Jane P. Bartolome.

Through the exchange of knowledge and experiences, the tour further promoted appreciation for the efforts of Cavite's coffee stakeholders in advancing the province's coffee industry.

Mayor Jonjon Ferrer Welcomes New Dialysis Center in General Trias

General Trias City - Mayor Jonjon Ferrer proudly announced the opening of the GenTriCare Dialysis Center located in Barangay San Francisco, a new healthcare facility set to begin serving patients on June 22.

The center is equipped with 15 dialysis chairs and can accommodate up to three shifts daily, ensuring that more GenTriseños will have access to quality and affordable dialysis treatment. With its recently secured License to Operate (LTO) and ongoing PhilHealth accreditation, the facility is poised to provide

comprehensive support to patients in need of regular dialysis care.

Mayor Ferrer emphasized that this development is a significant step in the city's continuing efforts to expand healthcare services:

"Ang pagbubukas ng GenTriCare Dialysis Center ay patunay ng ating

pangako na palawakin ang serbisyong pangkalusugan para sa ating mga kababayan. Layunin natin na mas maging accessible at dekalidad ang gamutan para sa lahat ng GenTriseño," Mayor Ferrer said.

This initiative aligns with the city's commitment to Sustainable Development Goal 3: Good

Health and Well-Being, reinforcing General Trias' dedication to providing timely and reliable medical services.

With the establishment of the GenTriCare Dialysis Center, General Trias continues to strengthen its healthcare infrastructure, ensuring that every resident receives the care they deserve.

Filipino-Chinese Groups Unite to Deliver P11 Million in Earthquake Assistance

MANILA, Philippines — June 19, 2026 — The Filipino-Chinese community, led by the Federation of Filipino-Chinese Chambers of Commerce and Industry, Inc. (FFCCCII) and the Filipino at Tsino Magkaibigan Foundation, has committed P11 million in emergency relief and rehabilitation assistance for communities devastated by the magnitude 7.8 earthquake that struck Mindanao on June 8, 2026.

Speaking during a press conference at the Federation Center in Binondo, Manila, FFCCCII President Victor Lim announced the community's immediate mobilization to support thousands of affected families, particularly in General Santos City and nearby areas.

"The Federation and the entire Filipino-Chinese community are deeply saddened by the devastation caused by this tragedy," Lim said. "Our hearts go out to the families who have lost loved ones, homes, livelihoods, and sources of income. Nakikiramay po kami."

Immediately after the earthquake, FFCCCII's Regional Executive Director for Southern Mindanao, together with the South Cotabato Filipino-Chinese Chamber of Commerce, coordinated with the Department of Social Welfare and Development (DSWD) and local

SSS Pension Booster delivers 6.2% return for members amid economic challenges

QUEZON CITY, 23 June 2026 – The Social Security System (SSS) announced that its Pension Booster Program, also known as the Voluntary Provident Fund, continues to deliver strong financial performance in 2026, posting an average return on investment (ROI) of 6.2 percent from January to May this year despite prevailing economic challenges.

The program remains a reliable retirement savings option for Filipino workers. While slightly lower than the previous year's performance due to changes in interest rates implemented by the Bangko Sentral ng Pilipinas, the return remains competitive and continues to exceed market benchmark rates.

Finance Secretary and Social Security Commission ex-officio Chair Frederick D. Go said the program reflects the government's
