SSS continues support to the local market as part of nation building while exploring international investments to balance portfolio

QUEZON CITY, 12 August 2026 – The Social Security System (SSS) announced today its plan to expand its investment portfolio in foreign markets while continuing to actively participate in the domestic capital markets, as part of its strategy to diversify assets, enhance returns, and strengthen the long-term sustainability of the pension fund.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said the SSS' improved financial position provides greater capacity to pursue investment opportunities while continuing to contribute to nation-building through investments in the domestic market.

"We are very conservative, but at the same time, we are also in a very good position now because of our surplus, that for the first time, we have an opportunity to help in nation-building," de Claro said.

As of 30 June 2026, SSS had P1.27 trillion in consolidated investments, distributed across various asset classes in the domestic market. These include

P629.05 billion in government securities, P179.44 billion in equities, P154.56 billion in property, P151.90 billion in member loans, and P96.34 billion in corporate notes and bonds, among others.

The diversified portfolio generated P27.16 billion in actual investment income as of 30 June 2026, equivalent to an annualized return on investment of 4.53 percent. The figures exclude realized gains from the sale of equity securities classified as fair

value through other comprehensive income (FVTOCI).

SSS remains an active institutional investor in the Philippine capital market through investments in equities, government securities, and other financial instruments allowed under its investment policies. Its exploration of international investments is intended to complement, not replace, its existing domestic investments, providing greater diversification across markets and asset

classes.

The planned overseas expansion will allow SSS to explore additional investment opportunities while maintaining its role in supporting the local capital market.

He emphasized that exploring overseas investments does not mean reducing SSS' participation in the Philippine market. Rather, the initiative is intended to complement its existing domestic investments by providing greater diversification across

markets and asset classes.

SSS aims to grow its reserve fund to P2 trillion by 2030, supporting its capacity to provide meaningful and sustainable social security protection to current and future generations of members and pensioners.

Sa pangunguna ni JCINSP Charles Kenneth M. Maquera, City Jail Warden ng Imus City Jail Male Dormitory, katuwang si SJO4 Elvie A. Dela Cruz, Warden ng Imus City Jail Female Dormitory, matagumpay na inilunsad ang liga bilang bahagi ng mga paghahanda para sa pagdiriwang ng National Consciousness Week (NACOCOW).

Hindi lamang layunin ng programa ang mapanatiling aktibo ang mga kalahok sa pamamagitan ng isport.

Mas malalim ang adhikain nito—ang gamitin ang basketball bilang instrumento upang mabuo muli ang tiwala sa sarili, mahasa ang

disiplina, at maitanim ang mga pagpapahalagang kinakailangan upang maging handa ang mga PDL sa kanilang muling pagbabalik sa lipunan.

Sa bawat laban sa loob ng court, natututuhan ng mga kalahok ang kahalagahan ng pagtutulungan, paggalang sa kapwa, pagpupursige, at tamang pakikitungo sa gitna ng kompetisyon.

Kasabay nito, nagiging daan din ang paligsahan upang mapangalagaan ang kanilang pisikal na kalusugan, mental na katatagan, at emosyonal na kalagayan—mga aspeto na mahalaga sa proseso ng tunay na rehabilitasyon.

Ipinakikita rin ng naturang programa na

ang layunin ng correctional system ay hindi lamang ang pagkakakulong, kundi ang pagbibigay ng pagkakataong magbago.

Sa pamamagitan ng mga gawaing tulad ng sports at iba pang recreational activities, nabibigyan ang mga PDL ng pagkakataong muling matuklasan ang kanilang kakayahan, maipakita ang kanilang talento, at mapagtibay ang paniniwalang may pag-asa pa silang makapagsimula ng panibagong yugto ng kanilang buhay.

Ayon sa pamunuan ng Imus City Jail, ang PRE-NACOCOW Basketball League ay sumasalamín sa patuloy na dedikasyon ng Bureau of Jail Management and Penology (BJMP) sa pagpapatupad ng mga

programang nakatuon sa holistic rehabilitation—isang proseso na hindi lamang nagbabago ng asal kundi humuhubog din ng karakter at pananaw ng bawat indibidwal.

Sa huli, ang bawat puntos na naitatala, bawat laban na natatapos, at bawat pagkakaibigang nabubuo sa loob ng liga ay nagsisilbing paalala na ang rehabilitasyon ay hindi lamang tungkol sa pagwawasto ng nakaraan, kundi sa paghahanda para sa mas mabuting kinabukasan.

Sa likod ng matataas na pader ng kulungan, patuloy na nabubuhay ang pag-asa, at sa bawat pagkakataong ibinibigay, pinatutunayan na ang pagbabago ay posible para sa sinumang handang magsimula muli.

The ceremony was attended by barangay officials led by Chairperson Francis Taberna, along with community members who gathered to celebrate the completion of the project.

The blessing highlighted the collaborative spirit between the local government and the residents, reflecting a shared vision of progress and development.

Mayor Domingo Jr. emphasized that projects like these are vital in ensuring safer and more convenient access for motorists, pedestrians, and residents.

The newly concreted road is expected to support mobility, strengthen community

ties, and contribute to the overall growth of Barangay Maitim.

This initiative is part of the Municipality of Amadeo's broader infrastructure program, aimed at fostering sustainable development and improving public services for its citizens.

Grand Opening... (FROM PAGE 8)

This landmark initiative reflects the town's commitment to strengthening its local economy by supporting homegrown products and providing wider market opportunities for Magalleño entrepreneurs. More than just a pasalubong destination, the center embodies the hard work, talent, and innovation of the community.

Mayor Janessa Maligaya De Ramayo expressed her heartfelt congratulations and optimism for the center's role in uplifting local livelihoods:

> "The Magallanes Pasalubong Center is not only a home for our products but also a symbol of our unity and determination to build a stronger local economy. This is a space where every Magalleño's

creativity and dedication will shine, and where visitors can truly experience the pride of our town."

The project also honors the vision and leadership of former Mayor Jasmin Maligaya-Bautista, now Cavite 8th District Board Member, whose support was instrumental in establishing the facility.

The inauguration was graced by Vice Mayor Aina Mari Maligalig-Sisante, the OPCDO, the LGU Family, local producers, cooperatives, associations, and distinguished guests

who continue to champion programs for Magallanes' progress.

The Magallanes Business Owners Community Multipurpose Cooperative (MBOCC) will manage the center, ensuring sustainability and growth for local enterprises.

With its doors now open, the Magallanes Pasalubong Center stands as a beacon of community pride and economic resilience—inviting everyone to buy local, support local, and celebrate Magalleño excellence.

Virtual... (FROM PAGE 8)

This pioneering program equips participants with essential digital skills to thrive in the growing online work industry. Many of the graduates are solo parents, who can now pursue remote work opportunities while caring for their children at home.

Mayor Jonjon Ferrer emphasized the city's commitment to inclusive employment opportunities:

"Sa General Trias, hindi natin hinahayaang maiwan ang ating mga kababayan. Sa pamamagitan ng programang ito, binibigyan natin ng pagkakataon ang mga solo parents, at sa susunod ay ang ating mga PWDs, dating OFWs, at iba

pang nangangailangan ng trabaho, upang magkaroon ng mas maayos na kabuhayan."

The initiative aligns with SDG 8: Decent Work and Economic Growth, ensuring that GenTriseños are empowered with practical skills for sustainable livelihood. With the success of the first batch, the city government and McCare Career Academy are preparing to expand the program to include PWDs, former OFWs, and other residents who need employment support.

This milestone reflects the city's vision of #AlagangGenTri, where every citizen is given the tools to succeed in the modern workforce.

In the event the public auction should not take place on the said date and time, it shall be held on **October 8, 2026** at the same time and place without further notice.

Cavite-Based... (FROM PAGE 1)

Sa kabila ng matinding kompetisyon na nilahukan ng 3,464 atleta, may 4,390 entries, at 335 koponan mula sa 31 bansa at rehiyon, matagumpay na itinanghal ng Cavite-based taekwondo team ang husay at disiplina ng mga kabataang Pilipino sa larangan ng taekwondo.

Binubuo ng 15 atleta ang delegasyon ng Rising Tigers Taekwondo Club na lumaban sa Kyorugi Classes B at C, at lahat sila ay nag-ambag sa kahanga-hangang kampanya ng koponan.

Nagtapos ang kanilang paglahok na may 4 gintong medalya, 10 pilak, at 1 tanso—isang pambihirang tagumpay laban sa ilan sa pinakamalalakas na taekwondo teams sa Asya at iba pang panig ng mundo.

Ang Rising Tigers Taekwondo Club ay isang

Cavite-based team na may mga training gym sa mga bayan at lungsod ng Alfonso, Bacoor, Imus, General Trias, at Trece Martires, dahilan upang maging tahanan ito ng maraming batang atletang nangangarap na makilala sa pandaigdigang entablado.

Hindi lamang bilang ng medalya ang ipinamalas ng koponan, kundi pati ang matibay na pundasyon ng disiplina, tiyaga, at dedikasyon na siyang pangunahing aral ng taekwondo.

Sa bawat laban, ipinakita ng mga batang Caviteño ang determinasyong hindi umatras sa harap ng matitinding katunggali mula sa iba't ibang bansa.

Ang kanilang tagumpay ay nagsisilbing patunay na ang mga atletang mula sa Cavite ay may kakayahang

makipagsabayan sa pandaigdigang antas kung mabibigyan ng tamang pagsasanay, suporta, at pagkakataon.

Isa rin itong inspirasyon sa iba pang kabataan na ang sipag, disiplina, at pagsisikap ay maaaring magbukas ng pinto tungo sa tagumpay sa internasyonal na kompetisyon.

Sa pag-uwi ng 15 medalya mula sa Thailand, hindi lamang pangalan ng Rising Tigers Taekwondo Club ang kanilang itinanghal, kundi maging ang dangal ng Cavite at ng buong Pilipinas.

Ang kanilang tagumpay ay isang malinaw na patunay na patuloy na lumalakas ang puwersa ng mga atletang Caviteño sa larangan ng international sports, at handa silang magbigay ng karangalan sa bansa sa bawat pagkakataong sila'y lumalaban.

The award is a testament to the collective efforts of the Municipal Government of Magallanes, led by Mayor Janessa Maligaya de Ramayo and Vice Mayor Aina Mari Sisante Maligalig, together with Atty. Tyn Mangubat-Abeleda. Their leadership, alongside the dedication of PESO staff Ms. Aya

Domingo, the Barangay Employment Service Officers (BESOs), and the Government Internship Program (GIP) participants, has been instrumental in implementing impactful programs and services.

The recognition also highlights the strong partnership with the Department of Labor and Employment (DOLE) — Cavite Provincial Office, whose support has been vital in advancing employment initiatives. The partnership was officially announced by DOST Secretary Renato Solidum Jr., who emphasized the importance of investing in science and technology education to prepare the country's youth for global competitiveness. "This training center will serve as a hub for excellence, equipping our scholars with the skills and knowledge they need to lead in research and innovation," Secretary Solidum said.

BCDA President and Chief Executive Officer Engr. Joshua Bingcang expressed his enthusiasm for the collaboration, noting that New Clark City is envisioned as a modern hub for education, innovation, and sustainability. "We are proud to support DOST and PSHS in building a facility that will inspire the next generation of Filipino scientists," Bingcang remarked.

The training center will provide advanced

laboratories, collaborative learning spaces, and research facilities designed to foster creativity and critical thinking among PSHS scholars. It will also serve as a venue for specialized training programs, workshops, and partnerships with local and international institutions.

This landmark project reflects the shared vision of DOST and BCDA to create opportunities for Filipino youth and to strengthen the country's capacity for scientific research and technological advancement.
