Pagamutan ng Dasmariñas Inaugurates New Clinical Laboratory on Its 10th Anniversary

Dasmariñas City, Cavite — The City Government of Dasmariñas proudly marked a milestone in public health with the formal blessing and inauguration of the new Clinical Laboratory of Pagamutan ng Dasmariñas on August 24, 2026, coinciding with the hospital's 10th founding anniversary.

Mayor Jenny Austria-Barzaga and Vice Mayor Third Barzaga, together with members of the Sangguniang Panlungsod, graced the ceremony, underscoring the city's united commitment to strengthening healthcare services for every Dasmariñeño.

Mayor Jenny Austria-

Barzaga highlighted that the new facility reflects the administration's vision of delivering affordable, high-quality, and accessible medical services. Vice Mayor Third Barzaga echoed this sentiment, emphasizing that the laboratory will play a crucial role in ensuring faster and more accurate

diagnostic results for patients in the city.

The Clinical Laboratory is expected to significantly improve the efficiency of medical examinations, enabling doctors and healthcare workers to provide timely and precise treatment.

This development is part of the city's broader initiative to modernize its public health infrastructure and ensure that residents receive the best possible care close to home.

As Pagamutan ng Dasmariñas celebrates a decade of service, the inauguration of the Clinical Laboratory stands as a testament to the city's unwavering dedication to public health and its people.

Celebrating Friendship, Service, and Innovation at Higalaay 2026!

The streets of Cagayan de Oro City come alive today, August 27, 2026, as government agencies, civic organizations, uniformed services, and various sectors come together for the Grand Civic-Military Parade and Marching Band Competition in celebration of the Higalaay Festival 2026.

For DOST Northern Mindanao, this celebration is more than a parade, it is a celebration of camaraderie, partnership, and shared service.

As we march alongside our fellow government agencies, partners, and the general public, we celebrate

the many milestones we have achieved together through Science, Technology, and Innovation (STI). From supporting communities and empowering innovators to advancing research, strengthening industries, and bringing technology closer to the people, every

achievement is made more meaningful through collaboration. And it is where we can say Science is felt in every way or Agham na Ramdam.

Today, as we honor Cagayan de Oro "the City of Golden Friendship" we also celebrate the

friendships and partnerships that make public service stronger.

KAHIT TAG-ULAN WALANG URUNGAN, VILLA EXCELLANCE ANG TAMANG PUNTAHAN

Kapag tag-ulan, karaniwang nauuwi sa bahay ang mga planong pamamasyal.

Ngunit may mga lugar na hindi kailangang hintayin ang sikat ng araw bago masulit at isa na rito ang Villa Excellance Beach and Wave Pool Resort sa Sitio Postema, Barangay Sahud-Ulan, Tanza, Cavite.

Hindi lamang simpleng beach getaway ang iniaalok ng resort. Sa halip, isa itong lugar kung saan maaaring pagsabayin ang water adventure, bonding ng pamilya at pahinga mula sa nakakapagod na araw-araw na buhay.

Ayon sa opisyal na impormasyon ng resort, sumailalim ito sa malawakang renovation bago muling magbukas noong Mayo 2022, at ngayon ay may mga wave pool, water slides at iba pang pasilidad para sa mga bisita.

BAKIT BAGAY PUMUNTAKAHIT MAULAN?

Ang pinakamagandang dahilan, hindi naman nawawala ang saya dahil lamang sa maulap na langit.

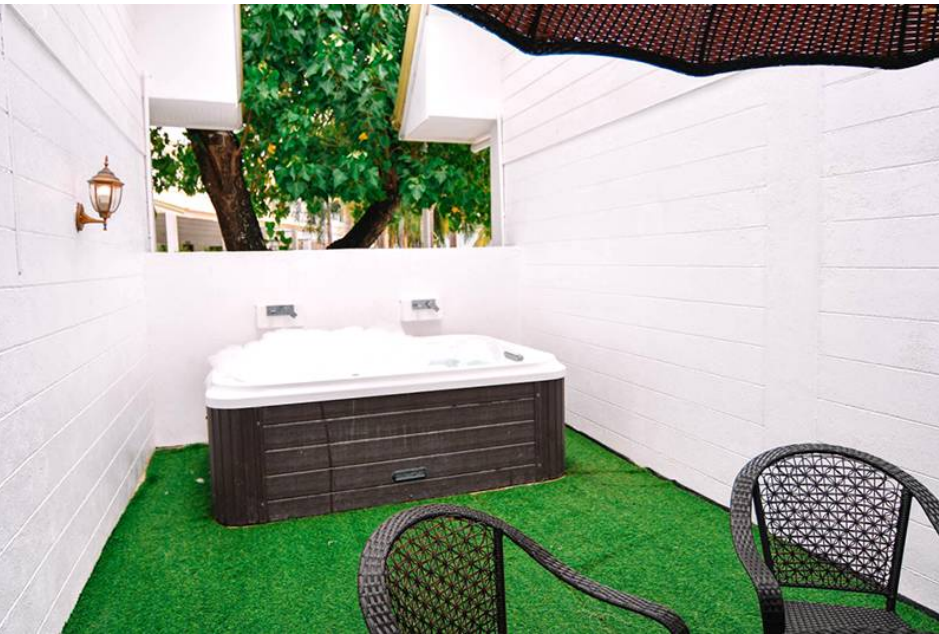

online listing nito, mayroon itong walang swimming pools, kabilang ang tatlong wave pools, tatlong pool slides, isang infinity pool at isang themed pool.

Ibig sabihin, kahit hindi perpekto ang panahon,

attraction. Mayroon ding mga family accommodation at iba pang pasilidad para sa mga gustong mag-stay nang mas matagal.

Para naman sa barkada, iba ang saya kapag sama-

Sa halip na matakot sa ambon o malamig na panahon, maaaring gawing bahagi ng experience ang tag-ulan. Lalo na kung ang pakay ay mag-relax, magbonding at magkaroon ng kakaibang alaala kasama ang pamilya o barkada.

May wave pools at water slides ang Villa Excellance, kaya hindi kailangang umasa lamang sa alon ng dagat para maranasan ang water adventure.

Batay sa kasalukuyang

marami pa ring puwedeng gawin.

HINDI LANG PARA SA MGA BATA

Minsan, ang tunay na kailangan ng isang pamilya ay hindi mamahaling bakasyon sa malayo kundi isang lugar kung saan maaaring pansamantalang makalimutan ang trabaho, problema at pagod.

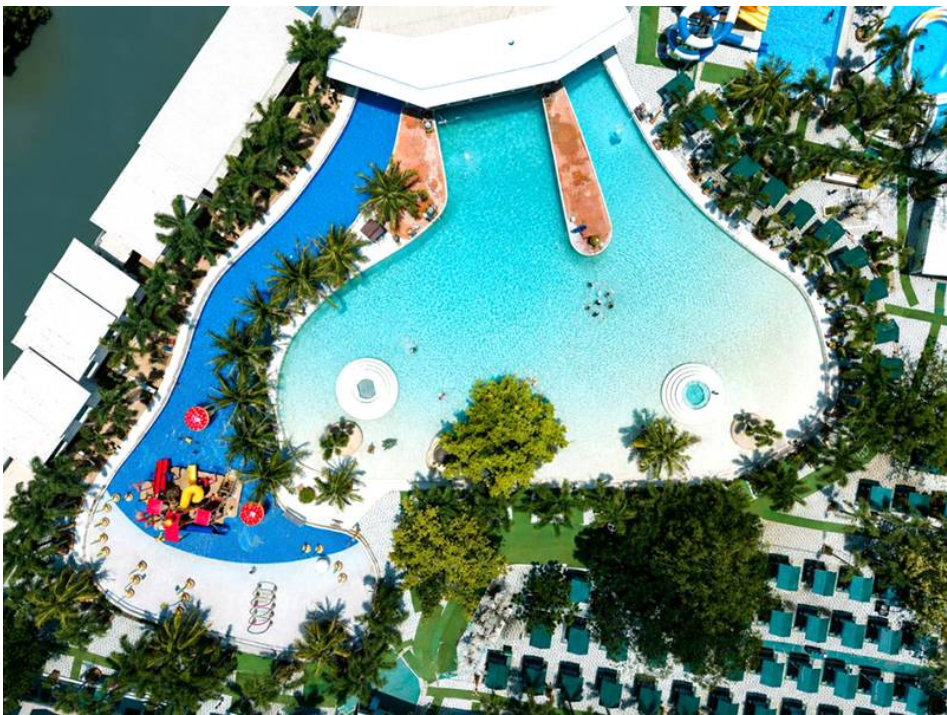

Sa Villa Excellance, maaaring maglaan ng oras ang mga magulang para magpahinga habang ang mga bata naman ay nag-e-enjoy sa mga aquatic

samang sumabak sa wave pool, maglaro sa tubig at magkuwentuhan pagkatapos.

IBA ANG SARAP NG TAG-ULAN SA TABING-DAGAT

May kakaibang ambiance ang beach kapag makulimlim ang langit.

Hindi kasing tindi ng sikat ng araw ang init. Mas presko ang paligid, mas malamig ang hangin at mas bagay para sa mga taong hindi komportable sa sobrang init ng panahon.

At kapag biglang bumuhos ang ulan?

Pahinga muna. Kape, pagkain, kuwentuhan—tapos balik saya kapag humina na ang ulan.

Dito nagiging mahalaga

memorable ang oras na magkakasama kayo.

PARA SA MGA NAGHAHANAP NG QUICK ESCAPE SA CAVITE

Matatagpuan ang Villa

kinakailangang bumiyahe nang napakalayo. Nasa lugar din ang beach access, restaurant, gardens at iba't ibang recreational facilities.

At marahil ito ang dahilan kung bakit hindi dapat awtomatikong kanselahin ang isang family outing dahil lamang sa tag-ulan.

Dahil kung minsan, ang pinakamagandang bakasyon ay hindi iyong may perpektong sikat ng araw.

Ito iyong may kasamang tawanan, basang damit, malalamig na tubig, masarap na pagkain at mga kuwentong pag-uusapan pa rin pag-uwi.

Hindi lahat ng getaway kailangang hintayin ang summer.

Sa Villa Excellance Beach and Wave Pool Resort, maaaring gawing pagkakataon ang tag-ulan para magpahinga, maglaro, magbonding at gumawa ng bagong alaala kasama ang mga taong mahalaga sa iyo.

Dahil sa huli, ang isang magandang bakasyon ay hindi nasusukat sa dami ng araw na walang ulan.

Nasusukat ito sa dami ng masasayang alaalang iuuwi mo.

Tayag and representatives from the United States Centers for Disease Control and Prevention (US CDC). Civil society leaders, homeowners' association presidents, parent-teacher association officers, and urban poor association presidents joined the launch, reflecting the strong community support behind the campaign. Their participation highlights the collective effort to ensure widespread vaccination coverage across Bacoor.

The immunization drive sets an ambitious target of vaccinating 56,000 young Bacooreños, reinforcing the city's commitment to public health and disease prevention. Mayor Revilla underscored the importance of the initiative, declaring: "Every vaccine is a shield against measles. Every child deserves protection."

Health experts emphasized that measles remains one of the most dangerous childhood diseases, but vaccination offers effective protection. The campaign's success depends on parents and guardians bringing their children to designated vaccination sites across the city.

The City Government of Bacoor encourages residents to stay updated on schedules and announcements through its official social media

The awarding ceremony was held on August 20, 2026 at the Taal Vista Hotel, attended by MENRO Engr. Alona M. Yap and Vice Mayor Ferdinand T. Papa, who represented Indang in receiving the award. With the summit's theme "Climate Action: Fostering Community Spirit Caring for the Environment," the event honored local government units that demonstrated impactful climate initiatives and community-driven environmental programs.

Project EcoCycle Achievements:

- Diverted 1,382.947 kilos of plastic residuals from January to June 2026.
- Equivalent to approximately 691 sacks of waste redirected from landfills.

- Transformed plastic waste into durable and useful products, proving that discarded materials can be given new value.

Mayor Virgilio Fidel lauded the efforts of MENRO and the community, emphasizing that the recognition is a testament to Indang's collective commitment to sustainability.

> "Ang Project EcoCycle ay patunay na mula sa basura, maaari tayong lumikha ng bagong halaga para sa bayan. Ito ay

bunga ng pagkakaisa ng pamahalaan at mamamayan sa pangangalaga ng kalikasan," Mayor Fidel said.

This achievement strengthens Indang's reputation as a forward-looking municipality dedicated to climate action, innovation, and community empowerment, embodying the spirit of **#ProjectEcoCycle**, **#FromWasteToWorth**, and **#BagongIndang**.

the culinary creativity of Mendez residents. Mayor Mendoza emphasized that the initiative is not only about food, but also about strengthening community ties and supporting small businesses.

"Tara na, Pamilyang Mendezeño! Tikman, tuklasin at suportahan ang iba't ibang food stalls na siguradong magpapasaya sa inyong panlasa," Mayor Cocoy Mendoza encouraged during the opening ceremony.

Highlights of the Food Bazaar:

- Local Entrepreneurship: A platform for small food businesses to showcase their products.

- Community Spirit: An event designed to bring families and neighbors together in celebration.

- Cultural Pride: Featuring traditional and modern dishes that reflect the rich culinary heritage of Mendez.

Mayor Mendoza reaffirmed his commitment to initiatives that uplift local livelihoods and foster unity among residents. The Mendez

Day Food Bazaar is part of his broader vision of community-centered programs that embody the spirit of **#FamiliaTayongMendezeño**.

The bazaar will run throughout the Mendez Day festivities, offering residents and visitors alike a chance to enjoy food, fellowship, and fun while supporting the town's vibrant local economy.

basic healthcare services. The activity was organized by the Hermandad de los Festejos de San Roque Highway, in cooperation with volunteer health professionals and with the support of private-sector partners and sponsors.

A major part of the success of the medical mission was the support of Hotel Sogo and Bulacan Journal, which served as the Major Sponsors of the program. Figaro Foundation and Anghel Kape also extended their support as partners in providing the community with much-needed healthcare assistance.

According to the organizers, the medical mission aimed to bring essential healthcare services closer to the residents, particularly families who may have limited access to free medical consultations and assistance.

"The true spirit of the Feast of San Roque is not only about celebration, but also about serving and helping others. Through this medical mission, we want our fellow residents

to feel that they are not alone and that there are people willing to extend a helping hand."

Carrying the theme, "United in Service for a Healthier Community," the activity highlighted the importance of cooperation among organizations, the private sector, healthcare professionals, and community members in promoting the health and well-being of everyone.

The successful medical mission was one of the activities prepared for the Feast of San Roque Highway, which seeks to bring together faith, unity, and community service.

At the conclusion of the

program, the Hermandad de los Festejos de San Roque Highway expressed its heartfelt gratitude to all the doctors, medical volunteers, Hotel Sogo, Bulacan Journal, Figaro Foundation, and Anghel Kape, as well as the other partners and residents who participated and contributed to the success of the healthcare initiative.

The recognition, presented during the summit held in Clark Freeport Zone, Pampanga, acknowledges NLEX's contribution to the public dissemination of real-time AQI data from four Regional Ambient Air Quality Monitoring Stations through its LED billboard.

Through the partnership, the digital billboard displays real-time air quality data from monitoring stations in San Fernando, Meycauayan, Clark, and Zambales, making environmental

information more visible and accessible to motorists and the public.

"We thank the DENR for this opportunity. Accountability starts with awareness, and by utilizing the LED billboard, we are making vital environmental data highly visible and accessible to everyone," said NLEX President and General Manager Luis S. Reñon.

The initiative forms part of NLEX Corporation's continuing commitment to environmental sustainability and public

awareness. Among its other efforts are the "Road to Less Waste" initiative, which promotes proper waste disposal and recycling, and tree-planting activities that have resulted in more than 200,000 trees planted across the NLEX corridor. NLEX also continues to work with government agencies and local government units on various environmental initiatives.

NLEX Corporation is a subsidiary of Metro Pacific Tollways Corporation (MPTC), the toll road arm of Metro Pacific Investments Corporation (MPIC).

The partnership aims to provide more accessible and efficient financial transactions for residents, ensuring that government services and community programs are supported by modern banking solutions.

Mayor Advincula expressed his gratitude to DBP for its trust and collaboration, emphasizing that the initiative is a significant step toward improving public service delivery in Imus.

> "Malaking bagay ang pakikipagtulungan ng DBP upang mas mapahusay natin ang serbisyo para sa ating mga kababayan. Sa pamamagitan nito, mas magiging episyente at mas madali ang access ng mga Imuseño sa mahahalagang banking services," Mayor Advincula said.

Key Benefits of the Partnership:

- Accessible Banking Services: Easier transactions for residents

and local businesses.

- Efficient Government Operations: Streamlined financial processes for city programs and services.

- Strengthened Public-Private Partnership: Collaboration between DBP and the City of Imus to foster inclusive growth.

This MOA signing underscores Imus' commitment to innovation and responsive governance, ensuring that every Imuseño benefits from improved financial access and strengthened public service.

Manager Joeben Tai in discussing strategies to strengthen housing programs nationwide. She expressed full support for allocating additional funds to DHSUD, emphasizing the urgent need to address housing backlogs.

In Bacoor City alone, approximately 2,000 housing units remain in deficit for informal settler families (ISFs) affected by

the Supreme Court Mandamus on Manila Bay. Congresswoman Revilla underscored that this shortfall must be prioritized to ensure that displaced families are provided with safe and decent homes.

"A stable home is the foundation of every Filipino family. It is where dreams for the future begin," Revilla stated. "We must

continue to strengthen our housing programs so that more families can live securely and with dignity."

Congresswoman Revilla expressed confidence in the continued efforts of DHSUD and NHA officials to deliver responsive housing solutions, not only for Bacoor but across the country. She reiterated her unwavering support for initiatives that uplift communities and provide lasting opportunities for Filipino families.

Bayanihan... (FROM PAGE 1)

Across the archipelago, ceremonies and parades filled the streets, with the Libingan ng mga Bayani serving as the focal point of national observance. Government officials, veterans, and youth leaders gathered to honor the legacy of heroes who shaped the nation's destiny.

Cultural performances and floral tributes reflected the pride and gratitude of a people remembering their roots.

President and civic leaders emphasized that heroism extends beyond

the pages of history — it lives in everyday acts of courage, compassion, and service. "Every Filipino has the power to be a hero," the President said, urging citizens to uphold integrity and unity in the face of modern challenges.

This year's theme, "Bayanihan: The Modern Spirit of Heroism," highlights the collective strength of Filipinos in rebuilding communities, protecting the environment, and supporting one another through adversity. The

message resonates strongly in a time when solidarity defines progress.

As the sun sets on this commemorative day, the Philippine flag waves proudly - a symbol of freedom earned through sacrifice and preserved through unity. Developed under the leadership of the Office of the City Information Technology Officer (OCITO), the app serves as a direct digital line between residents and the local government. With just one tap, citizens can report accidents, emergencies, or community concerns, ensuring immediate attention from the proper authorities.

Mayor Dahlia Loyola emphasized that the project is part of Carmona's broader vision of responsive governance. "This app is a reflection of our principle, Bayan Muna

Lagi. It ensures that the welfare of our people is prioritized, especially during emergencies," she said.

The app is available for free download on mobile devices: Android: SOS: BML Community App and iOS: BML Carmona App. By making the service accessible to all, Carmona strengthens its capacity to respond quickly and effectively to urgent situations.

Through this innovation, Carmona sets a strong example of how local governments can harness digital solutions to enhance safety and

public service. The SOS: BML Community App symbolizes a safer, smarter, and more connected community.
