SSS pays tribute to pensioners with annual Pensioners' Day

QUEZON CITY, 18 September 2026 – The Social Security System (SSS) honored nearly 4,000 pensioners at its annual Pensioners' Day celebration on 11 September 2026, held in 19 selected venues nationwide as part of the pension fund's 69th anniversary.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said the event recognizes pensioners' years of hard work and contributions to the Philippine economy.

"We institutionalized this activity as an expression of gratitude to them for their significant contribution to our society," de Claro said, describing pensioners as pillars of nation-building.

The celebration carried the anniversary theme, "Bawat Isa Protektado, Bawat Bukas Sigurado", which underscores the SSS' commitment to protecting workers, members and pensioners against life's uncertainties while helping secure their families' future.

Pensioners urged to avail of Pension Loan Program

De Claro encouraged retiree and surviving spouse pensioners to avail of the Pension Loan Program (PLP) to help meet their immediate financial needs.

The SSS launched the PLP in September 2018 to provide retiree pensioners with access to low-interest loans without requiring ATM cards as collateral. In

September 2025, the program was expanded to include surviving spouse pensioners, giving them access to safe and affordable credit.

"The SSS pension loan is a secured cash loan with a transparent interest rate of 10% per year, computed based on a diminishing principal balance," de Claro said.

Qualified retiree pensioners may borrow an amount equivalent to three, six, nine, or 12 times their Aggregate Monthly Pension, subject to a maximum loan amount of ₱300,000. Available repayment terms are six, 12, and 24 months.

"For qualified surviving spouse pensioners, the loan amount is equivalent to 50% of their Aggregate Monthly Pension multiplied by three, six, nine, or 12 months, subject to a maximum of ₱150,000. Available loan terms are six and 12 months," he added.

The Aggregate Monthly Pension consists of the basic monthly pension and the ₱1,000 additional benefit. A dependent's pension is excluded from the computation.

He said the SSS ensures that pensioner-borrowers retain a net take-home pension of at least 40% of their Aggregate Monthly Pension once monthly loan amortizations begin.

Eligibility and application Retiree pensioners applying for the loan must be registered on the SSS website with updated contact information and an enrolled disbursement account. They must be 85 years old or younger at the end of the loan term, have no deductions from their monthly pension and have

no existing advance pension under the SSS Calamity Loan Package.

They must also have been receiving an active monthly pension for at least one month and must not have been disqualified because of fraud committed against the SSS.

Surviving spouse pensioners must have an SS number and be registered on the SSS website with updated contact information and an enrolled disbursement account. Those who are not SSS members must

secure an SS number as a surviving spouse pensioner before registering online.

They must be at least 18 years old when applying and no older than 85 at the end of the loan term. They must have no pension deductions, no existing advance pension under the SSS Calamity Loan Package, and must have been receiving an active monthly pension for at least one month.

Surviving spouse pensioners must also be the sole payee of the death benefit and must not have

been disqualified because of fraud committed against the SSS.

De Claro said that PLP applications can be filed either over-the-counter through the E-Centers of any SSS branch/service office, through E-Partners or online using the My.SSS account.

"Pension loan proceeds will be credited to the borrower's existing pensioner disbursement account or to another account enrolled through the Disbursement Account Enrollment Module," he added.

FEATURED STORY

TAGAYTAY CITY, CAVITE — Hindi lamang tanawin ng Bulkang Taal, malamig na simoy ng hangin at mga sikat na kainan ang dahilan kung bakit patuloy na dinarayo ang Tagaytay.

Sa likod ng bawat sasakyang umaakyat sa lungsod, bawat pamilyang naghahanap ng pahinga, bawat turistang kumukuha ng larawan, at bawat bisitang nagpasyang manatili hanggang gabi, ay isang kuwento ng isang lungsod na unti-unting naging mahalagang bahagi ng buhay-turismo ng CALABARZON.

Ngayong 2026, higit na naging makahulugan ang kuwentong ito matapos tanggapin ng Lungsod ng Tagaytay ang tatlong Top 1 recognition sa Calabarzon Tourism Excellence Awards 2026 para sa performance nito noong 2025.

Nanguna ang Tagaytay sa Same-Day Tourist Arrivals, gayundin sa Overall Tourist Arrivals at Overnight Tourist Arrivals.

Tatlong magkakaibang pagkilala, ngunit iisa ang ipinahihiwatig: malawak at patuloy ang pagdaloy ng mga bisita patungo sa Tagaytay.

HINDI LANG DAMI NG TURISTA ANG NASUSUKAT

Sa unang tingin, maaaring ituring ang mga parangal bilang simpleng pagkilala sa dami ng turistang dumating sa lungsod.

Ngunit higit na malalim ang kahulugan nito kapag tiningnan mula sa perspektiba ng isang pamayanang ang ekonomiya at identidad ay matagal nang nakaugnay sa turismo.

Ang turismo ay hindi lamang tungkol sa bilang ng mga bisitang pumapasok sa isang lugar.

Kasama rito ang mga empleyadong naghahanda ng pagkain sa mga restawran, mga drayber na naghahatid ng mga pamilya sa kanilang destinasyon, mga manggagawa sa hotel at accommodation establishments, mga nagtitinda ng lokal na produkto, mga tour guide, malilit na negosyante at iba pang sektor na direktang o hindi direktang nakikinabang sa pagdagsa ng mga turista.

Sa ganitong pananaw, ang bawat turistang dumarating ay maaaring mangahulugan ng dagdag na pagkakataon para sa kabuhatan.

At ang bawat gabing nananatili ang isang bisita ay dagdag na oras upang gumalaw ang lokal na ekonomiya.

TAGAYTAY BILANG DESTINASYON, HINDI LAMANG STOP-OVER

Mahalaga rin ang pagkakamit ng Tagaytay sa parehong same-day at overnight tourist arrivals.

Ipinakikita nito ang dalawang anyo ng karanasan ng mga bumibisita sa lungsod, ang mga dumadayo para sa ilang oras at ang mga pinipiling manatili nang mas matagal.

Ang isang mabilisang pagpunta para sa pagkain, tanawin o pamamasyal ay maaaring maging mahabang pananatili kapag nakita ng bisita ang higit pang dahilan upang manatili.

Dito nagiging mahalaga ang kakayahan ng isang destinasyon na hindi lamang makahikayat ng turista, kundi makapagbigay ng sapat na dahilan upang bumalik.

Ang tunay na lakas ng isang tourist destination ay hindi nasusukat lamang sa dami ng unang pagbisita.

Nakaugat din ito sa karanasang naiwan sa isip ng mga tao—ang tanawin, pagkain, serbisyo, kalinisan, seguridad, accessibility at pakiramdam ng pagtanggap.

ANGLAMIG NA HINDI LAMANG NASA HANGIN

Sa mahabang panahon, naging bahagi ng imahe ng Tagaytay ang malamig nitong klima.

Ngunit habang lumalaki ang industriya ng turismo, ang “lamig ng Tagaytay” ay tila naging higit pa sa pisikal na temperatura.

Naging bahagi ito ng isang karanasang hinahanap

TAGAYTAY, HIGIT PA SA TANAWIN: TATLONG TOP 1 SA TURISMO NG CALABARZON

ng mga taong nais pansamantalang lumayo sa ingay at bigat ng pang-araw-araw na buhay.

May mga umaakyat para sa isang tahimik na almusal.

May mga pamilyang naghahanap ng lugar upang magsama-sama.

May mga magkakaibigang nais magkuwentuhan habang tanaw ang lawa.

May mga mag-asawang ipinagdiriwang ang mahahalagang yugto ng kanilang buhay.

At may mga turistang simpleng naghahanap ng bagong alaala.

Sa bawat pagbisita, nabubuo ang mas malawak na kuwento ng Tagaytay bilang destinasyong hindi lamang pinupuntahan—kundi nararanasan.

MULA SA PARANGAL, PATUNGO SA PANANAGUTAN

Gayunman, ang pagkilala ay hindi dapat maging katapusan ng kuwento.

Sa halip, maaari itong maging panibagong simula.

Kapag mas maraming tao ang dumarating, mas lumalaki rin ang pangangailangan para sa maayos na pamamahala sa trapiko, basura, tubig, pampublikong espasyo, kapaligiran, imprastraktura at iba pang serbisyong kailangang sumabay sa pag-unlad ng turismo.

Dito nagiging mahalaga ang konsepto ng responsableng turismo.

Hindi sapat na maraming turista ang pumunta.

Mahalaga ring ang pag-unlad ng turismo ay hindi humahantong sa pagkasira ng mga yamang likas, pagkawala ng lokal na karakter o labis na pasanin sa mga residente.

Ang hamon para sa Tagaytay ay kung paano mapananatili ang atraksyon nito habang pinoprotektahan ang mismong mga bagay na dahilan kung bakit ito minamahal ng mga bisita.

Sapagkat kung ang tanawin ang isa sa mga yaman ng Tagaytay, ang pangangalaga rito ay bahagi rin ng pangangalaga sa hinaharap ng turismo.

ISANG TAGUMPAY NA HINDI LANG PARA SA

LUNGSOD

Ang tatlong Top 1 recognition ay maaaring ituring na tagumpay ng Tagaytay, ngunit ang mas malalim na kuwento nito ay umaabot sa maraming sektor.

Tagumpay ito ng mga negosyong patuloy na lumilikha ng produkto at karanasan.

Tagumpay ito ng mga manggagawang araw-araw na nakikipag-ugnayan sa mga bisita.

Tagumpay ito ng mga residenteng bahagi ng identidad ng lungsod.

At tagumpay rin ito ng mga turistang patuloy na pumipiling umakyat, tumingin, kumain, mamasyal, manatili at muling bumalik.

Sa huli, ang turismo ay hindi lamang industriya ng mga lugar. Ito ay industriya ng mga tao.

At ang tatlong pagkilalang natanggap ng Tagaytay ay maaaring basahin bilang pagkilala hindi lamang sa dami ng mga dumating noong 2025, kundi sa patuloy na kakayahan ng lungsod na maging bahagi ng mga kuwentong dinadala ng mga tao pauwi.

Mula sa tanawin hanggang sa hapag-kainan, mula sa simpleng pamamasyal hanggang sa magdamagang pananatili.

Patuloy na isinusulat ng bawat bisita ang sariling kabanata sa kuwento ng Tagaytay.

At habang patuloy na umaakyat ang mga tao sa lungsod, nananatili ang isang mahalagang hamon:

Paano mapananatiling makabuluhan ang pagdating ng bawat turista, hindi lamang para sa lungsod ngayon, kundi para sa Tagaytay na ipamamana sa susunod na henerasyon?

Tatlong Top 1 ang nasungkit ng Tagaytay.

Ngunit higit sa trofeo at titulo, ang tunay na sukatan ng tagumpay ay kung paano nito mapangangalagaan ang kaluluwa ng isang lungsod na matagal nang naging pahingahan, tagpuan at tahanan ng napakaraming alaala.

Tagaytay, hindi lamang isang lugar na inaaklatan. Isang lugar na pinipiling balikan, alalahanin, at muling maranasan.

VIRAL NA REBULTO NI ALEX EALA, DINADAYO SA NAIC, CAVITE

NAIC, CAVITE — Umani ng atensyon sa social media ang isang rebulto na hango sa tennis star na si Alex Eala, na matatagpuan sa isang hotel sa Naic, Cavite.

Ayon sa ulat, ipinagawa ang rebulto noong Nobyembre 2025 ng may-ari ng hotel at ng kaniyang asawa, na kapwa tagahanga ng batang tennis champion.

Ang artwork ay nilikha ng lokal na artist na si Ruel Arviola Catigan, o mas kilala bilang RC's Arts, na siyang gumawa ng rebultong inspirasyon mula sa atleta.

Agad namang napansin ng mga netizen ang rebulto matapos itong kumalat online. Ilan sa mga komento ang tumalakay sa pagkakahawig nito kay Eala, partikular sa mukha at ilang detalye ng estatwa.

Hindi naman ikinaila ng hotel owner at ng artist na

nabatid nila ang samu't saring reaksiyon mula sa publiko. Gayunman, para sa kanila, hindi lamang pisikal na pagkakahawig ang mahalaga sa naturang likha.

Higit sa pagiging eksaktong replika, nais nilang magsilbi itong simbolo ng paghanga at suporta kay Eala at sa kaniyang mga tagumpay sa larangan ng tennis.

Sa kabila ng mga puna at biro na ibinato ng ilang netizen, nananatiling mahalaga para sa gumawa at nagpagawa ng rebulto ang mensaheng nais nitong iparating.

Isang simpleng pagpupugay mula sa mga tagahanga na nais ipakita ang kanilang suporta sa isang atletang patuloy na nagbibigay inspirasyon sa maraming Pilipino. **(Sid Samaniego)**

Secretary Pacquiao outlined his vision for NAPC as an institution built on integrity, faith, and good governance

centered on God. He called on the Secretariat to help establish NAPC as a trusted agency that listens, acts with integrity, and genuinely serves the marginalized sectors.

Layunin ng paligsahan na palakasin ang teamwork, camaraderie, disiplina, kalusugan at pagkakaisa sa hanay ng mga miyembro ng akademya sa pamamagitan ng basketball.

Sa mensahe ni PMGen. Redrico A. Maranan, Director ng PNPA, binigyang-diin niya na walang manlalarong

nagwawagi nang mag-isa dahil mahalaga ang kontribusyon ng bawat miyembro ng isang koponan.

Hinimok din ni Maranan ang mga kalahok na gawing aral ang mga pagkakamali at pagkatalo, bumangon mula sa mga pagsubok at patuloy na magsikap tungo sa iisang layunin.

Bukod sa kompetisyon at

puntos sa scoreboard, binigyang-halaga sa Ballers Cup ang pagpapatibay ng ugnayan at samahan ng mga kalahok, na sumasalin sa diwa ng "one team, one Academy, and one family."

Sa pamamagitan ng palakasan, inaasahang lalo pang mapagtibay ang pagkakaisa at kapatiran sa loob ng PNPA bilang bahagi ng paghahanda sa kanilang tungkulin sa serbisyo publiko. (Sid Samaniego)

CAVITE HOLDAP GANG, NALAMBAT SA HOTEL

CAVITE — Hindi na nakalayo ang apat na hinihinalang holdaper, kabilang ang isang miyembro ng Philippine Army, matapos silang masukol sa loob mismo ng isang hotel sa Catanauan, Quezon, madaling-araw nitong Huwebes—ilang oras matapos ang robbery-holdap sa isang convenience store sa Trece Martires City.

Kabilang sa mga naaresto ang isang miyembro ng Philippine Army.

Ayon sa pulisya, dakong alas-3:40 ng madaling-araw nang isagawa ang operasyon ng pinagsanib na mga tauhan ng Catanauan, Milunay at Luna Municipal Police Stations, Provincial Intelligence Unit ng Quezon Police Provincial Office, at 3rd at 4th Provincial Mobile Force Companies.

Naaresto ang apat na suspek sa loob ng hotel matapos umanong maiugnay sa naganap na holdapan sa convenience store sa Trece Martires noong Miyerkules.

Nasamsam sa operasyon ang isang M16 rifle, dalawang .45 caliber pistol, isang .30 caliber revolver, mga magazine at bala, dalawang rifle grenade, dalawang M203 grenade ammunition, at isang SUV.

Dinala ang mga suspek sa Catanauan Municipal Police Station para sa kaukulang proseso.

Inihahanda ang mga kasong paglabag sa Republic Act 10591 o Comprehensive Firearms and Ammunition Regulation Act at Republic Act 9516, na may kaugnayan sa illegal possession of explosives.

Patuloy namang inaalam ng mga awtoridad ang iba pang detalye at posibleng pananagutan ng mga suspek sa insidente sa Cavite.

HINDI SUMUKO, PANGARAP SA BASKETBALL TINUPAD NI BATANG POWER FORWARD

Sa murang edad, natutunan na ni Zhymon Jake Rebato, isang Grade 8 student ng EAPHIS National High School sa Silang, Cavite, na hindi hadlang ang kakulangan sa suporta upang ipaglaban ang kanyang pangarap sa basketball.

Bilang isang power forward, nagsimula si Rebato na mag-training habang bata pa.

Sa kabila ng limitadong suporta mula sa kanyang ama, hindi niya hinayaang maging dahilan ito upang tuluyang bitawan ang kanyang pangarap.

Tuwing umaga, palihim pa umano siyang umaalis upang makapag-training sa court kasama ang kanyang mga kaibigan.

Sa bawat ensayo, unti-unti niyang hinasa ang kanyang kakayahan at mas lalo pang pinatatag ang kanyang determinasyong maging isang mahusay na manlalaro.

Isang araw, matapos ang kanilang 2-on-2 na laro ng kanyang mga tropa, mas lalo niyang naramdaman na basketball ang nais niyang tahakin.

Dahil dito, nagpatuloy siya sa pag-eensayo at sinubukan ding makapasok sa isang team sa Dasmariñas. Bagama't hindi siya agad napili, hindi siya nawalan ng pag-asa at patuloy na sumubok.

Hanggang sa dumating

ang pagkakataong matagal niyang hinihintay.

Isang coach ang bigla siyang kinontak at nagtanong kung maaari siyang kunin para sa kanilang team.

Hindi na nagdalawang-isip si Rebato at agad na tinanggap ang alok dahil nakita niya rito ang isang mahalagang oportunidad upang maipakita ang kanyang kakayahan.

Hindi naman nasayang ang pagkakataon.

Sa kanilang pagsabak sa isang liga sa kanilang lugar, matagumpay na nasungkit ng kanilang koponan ang 1st place, isang tagumpay na nagsilbing patunay sa sipag, tiyaga at determinasyong ipinakita niya sa kabila ng mga pinagdaanang pagsubok.

Para kay Rebato, ang bawat pagtanggap at hirap na kanyang naranasan ay hindi dahilan upang sumuko, kundi nagsilbing inspirasyon upang lalo pang magsikap.

Sa kanyang murang edad, ipinapakita ni Zhymon Jake Rebato na ang pangarap ay hindi nasusukat sa laki ng

suporta, kundi sa tapang na ipaglaban ito.

Mula sa simpleng pag-eensayo sa court kasama ang mga kaibigan hanggang sa pagiging bahagi ng isang championship team,

patuloy niyang pinatutunayan na ang tiyaga, determinasyon at hindi pagsuko ang ilan sa pinakamahalagang puhunan upang makamit ang pangarap. (Sid Samaniego)
